

THE STATE OF SOUTH CAROLINA
In the Court of Appeals

RECEIVED

APPEAL FROM GREENVILLE COUNTY
Court of General Sessions

JUN 29 2016

SC Court of Appeals

Honorable James R. Barber, III, Thirteenth Circuit Court Judge

Indictment Number 2014-GS-23-003815

The State,

Respondent

v.

James Damon Lanar White,

Appellant

APPELLANT'S STATEMENT OF ISSUES

1. Did the court err in its discretion by denying appellant's Motion to Suppress Evidence, when the evidence was obtained through a wrongful search and seizure of cellphones, when the consent to search the cellphones was only given by the Defendant after the Defendant had been threatened with arrest for unrelated acts?
2. Did the court err failing to exclude from evidence photographs which were not relevant to the case, and whose prejudicial effect vastly outweighed any probative value they may have offered?

3. Did the trial court err in its discretion when it denied Defendant's Motion for Directed Verdict when the State failed to provide direct evidence or substantial circumstantial evidence which tended to prove the guilt of the Defendant?

I have reviewed the Notice of Appeal filed by Mr. Yarborough and I agree with the alleged issues in the appeal. I would ask that you allow him to represent me in this appeal.
