*Re: Archie Howell vs. Christopher E. Chabot dba Autoworks
Appellant Case No: 2015-001210*

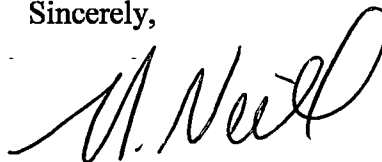

Dear Ms. Allen

On June 27, 2016, my office received Appellant's Record on Appeal. The Record failed to include two documents identified in Respondent's Designation of Matter: Judgment filed in the Surfside Magistrate's Court February 14, 2014 and Summary of Testimony of Trial by the Honorable G. Derek Blanton. I have enclosed Respondent's Designation and the two documents for ease of reference.

We believe Appellant should add the two documents to the Record. We need those documents in the Record so we can file Respondent's Final Brief.

With kindest regards, I am

Sincerely,

Mark D. Neill
