Ms. Kitchings,

If you would be so kind, please scan and forward to me:

(1) a copy of the Designation of Additional Matter to be Included on Appeal and proof of service that I filed in the above matter, and,

(2) if filed, a copy of the proof of service that may or may not have been filed by Appellant's counsel on April 15, 2016 (at the time of filing the Record on Appeal).

Your prompt attention is appreciated. I appreciate this and your other courtesies.

Thank you.
