Re: Jean P. Derrick v. Lisa C. Moore
Appellate Case No. 2016-000804

Dear Ms. Kitchings:

The appellant's initial brief and designation of matter in the above referenced appeal were served June 22, 2016, therefore respondent's initial brief and designation of matter are due to be served and filed on July 22, 2016.

I have been associated to represent the respondent in this matter and am in the process of procuring copies of the transcripts of the hearings in the court below. In order to have adequate time to obtain those transcripts and other materials presented in the lower court and to prepare the initial brief of respondent, I respectfully request a 30-day extension of this deadline, to August 22, 2016. This request is not made for the purpose of delay, and no prejudice will result to the opposing party as the result of an order granting this request.

Enclosed is a check for the \$25.00 filing fee for this extension request.

Very truly yours,

Katherine Carruth Goode

Enclosure
