Re: The State v. Terry E. McCall – 2015-001097

Dear Ms. Hiskell:

We have received the transcript of the final day of the trial on May 14, 2015. You informed our office by facsimile that this transcript is incomplete due to the theft of your records. Our inspection of the transcript shows that part of the testimony of witness Tommy Brooks is missing "due to technical difficulties" as you state on page 358 of the transcript. Please be advised that we have not received a certification page or a completed voucher from you to date.

This case is being assigned to an attorney with the understanding that a motion for a reconstruction hearing will likely be necessary, given the missing testimony, despite the time between the request for the transcript and its completion. Regardless, we still need for you to provide us with a certification page and a completed voucher. I do appreciate your cooperation. Please contact me if you have any questions.

Sincerely,

Paula Murdoch
Administrative Coordinator

Indigent Defense - July 5, 2016

To: SC Commission on Indigent Defense

Re: Requested transcripts

Enclosed is the transcript State versus Terry McCall.

I was asked in your letter to confirm that State versus Donald Young is complete as to what I have remaining. There was a theft and the files for that case were taken.

Also, certain portions of State versus Terry McCall as well as they were housed on the same disk. The breaks are listed in the transcript.

**Also, inquiries about the follows:
State versus Keynon Robinson. This transcript has been delivered and paid for.
State versus McLaurin. I send a status form stating this was not my case.**

Please inform Court Administration that I have answered these inquiries to the best of my ability.

Thank you.
