Subject: RE: Coochtek v Butcher Boys 2016-CP-23-00316

Per our notes, no one was asked to do a Form 4. It might have been submitted, but it was never signed by a Judge.

Per our notes from the hearing on May 18th "Judge took testimony from Pracht - asked attorneys to prepare and submit brief within 10 days - after that, when the most of the language was agreed upon by both parties the Judge revised what he needed to and submitted it.
