S.C. SUPREME COURT

Atten: Clerk

Dear Mr. Shearouse:

Oct. 15, 2012

I'm writing concerning the status of my appeal, which allegedly was filed on July 31st 2012. The attorney whom filed the appeal was Mr. James "Jim" O'Connell.

In addition with that issue an appeal bond being granted based on my medical status. According to the pulmonary doc I am in the last stages of my disease and life expectancy given 2 to 3 yrs about a yr. ago. I have Emphysema and asthma and a rare type arthritis (psoriatic arthritis).

I would like to petition the court for an Emergency Appeal Bond based on my medical condition.

Respectfully yours,
Ms Donna L Phillips
