I am writing this letter on the behalf of Adrienne Randolph case number 2015-002630 to try and get someone to look over this case. this case was self defence, she went on the whole week and at the last min her lawyer told her to plea, I don't think this was a fair case, he told her I was their and five other people was their when he said if she didn't plea she would have life in Jail, and he keep telling her to plea, if someone would look over this case please just Re-examination this case please its not Right, I no I am just a nobody trying to tell somebody who can save someone, and its was a lot of lies told in the court room. By Rawina Way, she is saying she had to say what she said or else. I don't no what that mean. But please look over this case, and it not because she is my child, its because she is incidence
