Court of Common Pleas

SC Court of Appeals

Steven H. John, Circuit Court Judge

Appeal # 2016-00226

Kelvin Lewis, Anthony
McKissick, Back Gate
Holdings, LLC, and Fidelis
Holdings, LLC Respondent,

v.

Michael R. Ray, Appellant.

MOTION TO ENLARGE FILING TIME

Now before the Court comes Michael R. Ray, the *pro se* Appellant, to Motion the Honorable Court for an enlargement of time in which to file his opening brief.

After receipt of the Official Court Transcript of the lower court proceedings, it was determined that documents from the original Circuit Court case file in Horry County were necessary. Appellant is presently located some 815 miles from the courthouse. While Horry County has its dockets online, it does not yet have its docket entry documents available online.

The Appellant had to arrange for a third-party provider to locate and retrieve the needed documents. The documents are necessary for inclusion in the Appendix and further are critical to advance the underlying appeal matter. While the documents were recently requested, it may be 7 to 14 days before they are received.

The Appellant is *pro se* and while he is certain the court disfavors such requests, he asks this court for accommodation on this matter, to properly advance his appeal.

WHEREFORE, the Appellant asks that the Court to enlarge the Opening Brief deadline by thirty (30) days, up to and until July 11, 2016.
