RE: Do Yeon Kim v. County of Richland, Richland County Sheriff's Department and Leon Lott in his Official Capacity as Richland County Sheriff, Case No. 2014-CP-40-6297  
Appellate Case No: 2016-000713

Dear Ms. Kitchings:

Thank you for your letter of July 7, 2016. Please accept this letter in response and allow me to explain the situation with regard to the trial transcript and post-trial motions transcripts.

When my office initially ordered the trial transcript from the court reporter, I inadvertently forgot that we argued post trial motions several weeks after trial. I realized this mistake when I received the trial transcript and saw that it did not contain arguments of the post trial motions.

To correct this error, my office ordered the post trial motions transcript on June 13, 2016. A copy of our letter to the court reporter is enclosed. I have also filed a Motion to Allow the Late Ordering of the Transcript. To date, I have not received a copy of the post-trial motions transcript.

If you have any further questions or concerns, please do not hesitate to contact me directly. As always, we appreciate your notifying us of this and your assistance in this regard. With kind regards I am,

Very truly yours,
