Re: Ignacio Rodriguez v. Robert Pierson
Appellate Case No. 2016-001497

Dear Counsel:

Upon reviewing your notice of appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter:

- The caption/title does not comply with Rule 267(a), SCACR. Specifically, your notice of appeal lists ABC Care, Inc. in the caption. They are not listed in the caption of the SC Workers Compensation Commission order.
- A proof of service showing that a copy has been served on the Workers Compensation Commission has not been provided as required by Rule 203(e), SCACR.
- The order you are appealing features an abbreviated caption. You must provide a copy of an order issued in this matter which includes the complete case caption.
- You are requested to serve and file an amended notice of appeal showing clearly the specific appellants and respondents, and the attorney representing them in this matter. All parties are advised that service of the amended notice of appeal does not affect the timelines for the appeal.

Very truly yours,

Tommy Abbott Fitchings 

CLERK
