Re: Chisolm vs Chisolm, Basden CP-08-350-2016

Dear Mrs. Haffenden,

On May 16, 2016 the above case was tried before the Honorable Judge Young in Berkeley County. Court records indicate that you were the Court reporter for this case. I am requesting a copy of this transcript for my appeal. I am indigent but would like to explore any options available to us so that I may still obtain this transcript. I agree to any lien held against my account to secure your per page payment in records with Rule 602 SCACR.
