lock down provided Sworn/Affirmed Affidavits
& delivered the brief to court personnel while on
lock down July 2nd, 2020.

Honorable Chief Judge Anderson, III. should have a
certainly aware of appellants conditions at his
current incarceration & definitely should have Denied
SCOC's Respondents Motion to Dismiss. Due to
SCOC's Consistent Motion to Dismiss are
frivolous & preposterous & ludicrous to request
such a Motion when a prisoner on lock down
& reliance upon interdepartmental mail that seldom
meets its obligations & responsibility to pro-se
litigants held captive against their actual living will
& a Judicial Authority allow them to escape
or elude the courts with such nonsense &
frivolity to not address their poorly managed
unconstitutional penal system.

Here is ~~in~~ Appellant Apprais. Demands
Remand of Reversal of Judicial error...
Abund. Consideration for Houston v. Lake (cite
encl) + U.S. v. Moore (cite encl).
