RE: The State v. Antonio R Jordan  
Appellate Case No 2015-000237

Dear Ms Kitching

Pursuant to your letter received, dated July 8 2016, in response to my letter advising the Court of Appeals that I was not aware of the order issued on April 20th, 2016 due to currently being placed at GPH my mail was not been received in a timely manner..... However I advise the Courts through Appellate Defense Ms. Shackett that additional time was still needed due to my disorder currently being placed at GPH..... Appellate further informs the Courts of Appeals with all due respect regarding this matter this have been one hell of a process on going since 1-28-16 been in response with the of Administration..... Appellate is still humble awaiting the Courts to transmit Ms Camps records to another Court reported to them scribe that pascibe to this matter at hand..... which follows by date once again subject matter is DNA Buccal swab scheduled hearing date 2-20-14..... Subject matter All pertain to DNA hearing All presided in front Judge Alfred S. LEE York County Mass which by date All three other DNA based hearing March 30 2014... April 3 2014... June 9 2014.... The Appellant further vehemently asserts that without those documents it cannot be said he has been given a fundamentally fair opportunity to respond/reply to pro se Amick brief.....

..... Therefore Appellant would pray that His honorable Court Ethel hold these proceedings in Abeyance until the obtain of the requested Manuscripts Records All the pre-trial proceedings regarding this Matter..... or once again take Notice that Appellant Ask that he be Allowed to Amend his pro-se reply to those brief upon receipt of the Manuscripts from the Court Reporter..... Appellant Also Motion and Notice Continuance due to current being place At GPH with all due respect I thank you for your time and Energy on this Matter
