Dear Jenny Abbott Ritchings and V. Claire Nelson -  
Clerks of the S.C. Court of Appeals. I am indigent  
and unable to meet the necessary requirements of  
SCA12 Rules of court for perfecting the appeal of  
appellate case 2016-000966. I have applied for  
representation from the SCJD Division of Appellate  
Defense, but have not heard a response. Since then  
I have received a letter from the S.C. Court of Appeals  
informing me, that since there is no transcript of record  
for the appellate case 2016-000966, or case 2002-6523-1063  
order denying Defendant's motion for a new trial dated  
April 26, 2016 and filed with the SC Court of Appeals on  
May 9, 2016. Judge Edward W. Miller, that I had only  
30 days from July 14, 2016 to file an initial brief  
and designation of matter. If I am to proceed pro-se  
I am unable to make copies of the initial Brief and  
designation of matter, because by SCDC Policy, they  
do not make copies of handwritten legal documents.  
So how am I to meet the requirement of providing  
copies to the court and opposing party? Being that I'm  
pro-se, please explain the requirement I must meet,  
in order to prevent my appeal from being dismissed

Because of some rules of court I did not comply with.

Thank You

Sincerely Yours
