Hi Townes -

I hope you are doing well. I received your request dated June 13, 2016 for the trial transcript in this matter. I have reviewed my records and estimate this transcript to total 200 pages. Based on this estimation and our current rates, the cost for this request will be \$650.00 plus the delivery fee. Please let me know if you have additional special requests, i.e., expedited transcript, electronic delivery, etc., for there are additional fees for those services as set forth in Rule 607(h).

I am not requesting a deposit at this time. It is my general practice to receive payment simultaneously with delivery of transcripts. Upon completing your request, I will forward a request for payment to you. Under our rules, I have 60 days in which to complete your request. The 60 days for this request began June 15, 2016. In the event that I need to request an extension from Court Administration for additional time to complete your request, you will be notified if it is granted.

Because of time constraints, I'll do my best to keep you informed of the progress of your request. Presently, your request is the third trial request on my production list. If you have any additional questions, please feel free to contact me.

Thank you,

Teresa B. Johnson, CVR-M
