**Re: William Tucker v. Connie Batey**  
**Appellate Case No. 2016-000451**

Dear Deputy Clerk Allen:

This letter is in response to your letter to me dated July 26, 2016 requesting my client's opinion on whether the transcript is needed in order to proceed with the appeal. My client does believe that the transcript is necessary. By separate cover, but mailed simultaneously with this letter, I have filed a Motion to Dismiss which sets forth the reasons and authorities for the opinion that the transcript is needed.

Please let me know if you need anything further.

Very Truly Yours,

McCOY LAW FIRM, LLC

Brian S. McCoy
