In Re: W.C. Appeal / Workers Comp

Dear Clerk of Court,

I need to know if your office received and filed my Workers Compensation Appeal. I had actually filed one in Common Pleas, due to having to use out dated statutes from our prison law library while we were on lock down status. However I did timely file in the Common Pleas, I'm just curious if, you received the other Appeal I drafted and forwarded to your office.

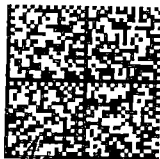

I spoke with And Attorney, he said being I forwarded the original first Appeal to the incorrect Court, I should be allowed to bring the Appeal in the correct Court without any problems. I need to know if this is gonna be okay, I will await your reply. I have sworn Affidavits from persons whom will testify this is why I forwarded my appeal to Common Pleas, instead of Court of Appeals At first.

Awaiting Reply
