SC Court of Appeals

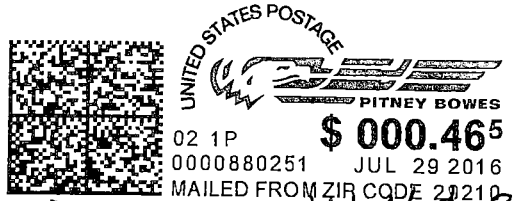

The confidential informant name is "Derrick Ray Doss". This CIA came to my residence to purchase the drug substance, Crack Cocaine and denied that he was the police or Drug agent assistant. Then while Mr. Doss didn't take the substance back to law enforcement agent because he switched the substance with fake drugs and he smoked up the drug substance that he purchased. The law enforcement agent ask Mr. Doss did he (Doss) get the white bag gram of drugs or a mega gram, It's all on video. Please review this because that's entrapment.

Thank you Respectfully
