SC Court of Appeals

APPEAL FROM Horry COUNTY
COURT of COMMON PLEAS

LARRY B. HYMAN JR. Circuit Court Judge

Case No. 2014-CP-26-01684

Archie Howell,

Respondent,

v.

Christopher Chabot

Appellant,

DBA Autoworks,

RESPONSE TO RESPONDENTS MOTION FOR AN ORDER REQUIRING APPELLANT TO
AMEND RECORD ON APPEAL TO INCLUDE DOCUMENTS IDENTIFIED IN
RESPONDENTS DESIGNATION OF MATTER

The Respondent has filed a motion for an order requiring that the Appellant amend his record on appeal to include the documents identified in the Respondents designation of matter. The Appellant was unaware of that he had to file anything that the Respondent had marked in their designation of matter. The procedure/instructions of filing the record on appeal were not pro se friendly. Refiling the record on a appeal again is a costly expense to the Appellant and would not only delay the process but will clog the judicial system with the identical material that has already been filed.

WHEREFORE, the Appellant hereby requests that the Respondents motion be **DENIED**

August 3, 2016
