Re: WARREN RUSSELL V. STAT, Docket No.: 2008-CF-40-07960

Dear Sir: On November 2, 2012, via Hand delivery my Court appointed PCR Counsel Tricia A. Blanchette filed a Notice of Appeal. It has been seven months and I have yet to receive counsel, because I was informed by the Office of Appellate Defense that they are still awaiting my transcripts from the PCR hearing held on November/December 8, 2009, Default hearing held on October 20th, 2010, and a SCRCP 60(b)(3) hearing held on July 8, 2010. Mr Russell has request the transcript from all three hearings. However pursuant to Appellate Rule 207(d) and (E) I have not been notified regarding an notice of extension, and I have not received said transcripts within the allotted time frame.

My concerns are as follow my PCR was held up for three years and writ of certiorari is seven month in the making. It is these unexplained delays that are a violation of due process, for whatever reasons these delays seem planned strategically. Therefore, I pray that the Honorable Shearouse look into these unexplained delays, file this document and send me a response and a stamped copy back.

Sincerely

WARREN RUSSELL # 316802
