S.C. SUPREME COURT

RE: Trey Williams V. State, Appellate case No. 2016-001553
State V. Trey Williams

Dear case handler or appropriate personnel, I Request to put on the Record and set in motion my opportunity to file and prepare for an Appellate Bond Immediately, I need to file a notice of Appeal, I need to file a petition or motion to dismiss the States appeal because its frivolous, I need other documents to be motioned to become a part of the Appellate Court/ Court of Appeals Record, and I need all copies of anything I have sent to the Supreme Clerk of Court.

I Request that an attorney or anyone appointed to assist me in these matters contact me and my P.O. of attorney "Mikkia Betts" at 601-983-8993 before any documents, motions, Briefs etc are prepared or and researched so we can adequately address and file every known substantial and essential issue, concern using all exhibits etc in any manner and matter related to this case. 8-8-2016

THE STATE OF South Carolina
In the Court OF Appeals
[In the Supreme Court]

Motion to Appeal the Judges decision in the lower Court on
~~the~~ Rulings denied in the final Order "Prosecutorial misconduct"
"Ineffective Assistance of Counsel & Standby Counsel", Motion
for Appellate bond which I filed notice about one week ago.
pursuant to Rule 209 Designation of matter to be included in
the record on Appeal I wish to have various discovery
documents, portions of the trial transcripts, letters from
attorneys in the lower court and PCR files from York
County Clerk of Court as well as the many motions, letters
documents filed in the Supreme Court over the years All
which establish ineffective Assistance of PCR Counsel for
the denial of both PCR issues and not having a
fair full bite at the apple, showing Appellate Counsel
on direct Appeal was ineffective for deliberately lying
and being unprofessional as an attorney and showing
my due diligence to get preserved on the Record all
state and federal claims to prevent me from being
procedurally defaulted upon federal Review. I also
move to ask the supreme court to Review the
Record and determine the frivolousness of the notice
of Appeal by the state in this matter. The PCR
hearing attorney general admitted the error in the
TRIAL Judges decision to violate my Right to Counsel and
he is no longer going to challenge my conviction
however only to delay me in unlawful custody
where I can be killed, hurt, stabbed or sick
this new Attorney general is erroneously with criminal
intent challenging this case when the order and trial
transcripts alone prove the issues I ask that I
have help with Counsel to draw up various petitions, motions,
suits, etc. I wish to only take a Plea, no more trials ~~and~~
