

The South Carolina Court of Appeals

Charles E. Baker Sr., Appellant,

v.

Medical University of South Carolina, Respondent.

Appellate Case No. 2015-001300

ORDER

After careful review of the filings in this appeal, we recall the remittitur and reinstate the appeal because the appeal was dismissed and remitted in error. Within ten days of this order, Appellant shall serve and file proof of service,¹ showing the date that Appellant first served Respondent's counsel with the notice of appeal. Because timely service of the notice of appeal is a jurisdictional requirement, failure to provide proof of timely service will result in the dismissal of this appeal.²

Appellant has requested a copy of his file for this appeal. A copy will be mailed to Appellant along with this order.
