

THE SOUTH CAROLINA COURT OF APPEALS

Armando Despaigne Zulveta, Appellant v. Charter Communications, Inc., Respondent
Appellate Case No.: 2016-000229

THE HONORABLE LETICIA VERDIN

GREENVILLE COUNTY

RECEIVED

AUG 10 2016

SC Court of Appeals

NOTICE OF VOLUNTARY DISMISAL OF APPELLANT ZULVETA'S MOTION TO PROCEED in
forma Pauperis.

NOW COMES Appellant Zulveta and moves this court into make an observation: a) this case has many different civil cases numbers, many different judges handling it, b) misuse of law enforcement police officers at lower courtroom while prejudicing them against a party to a civil proceeding and they (police officers) out of being prejudiced acted so belicose, so hostile against a party of the proceeding of a civil case, in a civil court, where those police officers could be more productive protecting the community somewhere like those police officers Corporal Mr. Braggs have down stairs, protecting the community around Greenville County, c) Instead they were upstairs harrassing a party to the proceeding putted there by either Judge Verdin or of course Gallivan White and Boyd, P.A., who forgot to file Motion for Protection having them there, d) disappearance of my filed motions from the Roster, e) wrestling with the Greenville Court Clerk of Court trying to put my hands in Motion Cover Sheet so I can file it even when I may have no \$25 fee required, f) Court Reporter Jenkins' Transcript unreachable to me and I guess to every Pro Se, g) Reporter Jenkins abuse of discretion causing delay and good part of the reason of why Appellant Zulveta's appeal was dismissed in this SC Court of Appeals, h) Plaintiff Zulveta's court Reporter Jenkins is judge Hill's reporter whom against Appellant Zulveta appealed his order, i) there is a connection between Judge Hill and Reporter Jenkins voluntarily disappearance and which judicial misconduct was unacceptible and also it was noticed and documented by this Court and Appeals on letter, j) particularly, as a party to the proceeding with a acse that has a lot of merit and abundant unlawful activity coming from defendant Appellant Zulveta

would not understand why this Court of Appeals is worrying more about the \$100 court fees to proceed this case instead of focus attention of what it is above seen so clearly even, for a party to the proceeding like me with no legal experience nor being use to legal environment, k) with all the respect with the SC Court of Appeals, with those cumulative substantive and circumstance evidences that indicate probable cause any other court would be more than happy to find out how credible are my allegations against their colleagues judges at the lower court, l) perhaps Appellant-Plaintiff Zulveta is not telling the truth, that would be a good reason to dismiss this case based on merit rather than, technically, m) at the South carolina Workers Compensation Commission where as injured workers Plaintiff Zulveta is a claimant my benefit paychecks as well as everything related to my health condition including whether Claimant Zulveta's returning to work is a health issue of concern all of this is being paralyzed at the South Carolina Workers Compensation Commission under obscure legal procedures, n) Appellant Zulveta doesn't have money to pay for Motion, o) Defendant Charter acknowledged by filed in court Exemption for ADR (SEE ROSTER LOWER COURT ORDER 7-19-2016) that Plaintiff-Appellant Zulveta has no money, p) CASE NO. 2015CP2305171 Roster is so tampered that Plaintiff Zulveta nor noone could understand my civil case. Motions missed, q) Defendant Charter and the Lower Court has acknowledged that Appellant Zulveta has no money and has also, a claim at the South Carolina Workers Compensation. We all know that, k) based in information mentioned above and others not mentioned along with the merit of this case Appellant Zulveta does not understand why any other Appeals, Circuit, Supreme Court seen this case they would do their best trying to know what is going on around them at the lower court. They would be more than happy to hear this case because it can easily be seen that there is merit and a lot of unlawful and obscure legal activity around, on it. Would like to know of what is going with their colleagues judges at the lower court. That is not the case coming from The South Carolina Court of Appeals.

Appellant-Plaintiff Zulveta would wait for better occasion to properly present my case at the SC Court of Appeals. Again, Appellant Zulveta is unable to present my case based on lack of income. Ask Wilson Jones Carter & Baxley, P.A., Gallivan, White & Boyd, P.A., and their associate Amy Brady about it.

On this day the 8th of August 2016

Respectfully Submitted;

Armando Despaigne Zulveta 08/08/2016
