TO: THE HONORABLE JUDGES OF THE SOUTH CAROLINA COURT OF APPEALS

COMES NOW the Respondent ArcelorMittal Georgetown, Inc., by and through its undersigned counsel, pursuant to Rule 263(b), SCACR, and moves this Honorable Court for a second extension of thirty (30) days' time to serve and file its initial brief and corresponding designation of matter to be included in the record on appeal.

Presently, by order of this Court filed July 13, 2016, the deadline for Respondent's initial brief and designation of matter is August 10, 2016. In light of other time commitments, the undersigned respectfully requests that Respondent's deadline for serving/filing its initial brief and corresponding designation of matter to be included in the record on appeal be extended by 30 days from August 10, 2016, i.e., through September 9, 2016. Respectfully, Respondent believes that this relief is consistent with the interests of justice and will not work any undue prejudice upon Appellant. The undersigned has consulted with Raymond C. Fischer, Esquire, counsel for Appellant, who has no opposition to this request.

WHEREFORE, Respondent respectfully requests that this Honorable Court grant an additional extension of 30 days' time to serve and file the Initial Brief of Respondent and corresponding designation of matter to be included in the record on appeal. With the extension requested herein, the new deadline for service/filing of Respondent's initial brief and designation of matter would be September 9, 2016, according to the undersigned's calculations. Further, Respondent respectfully requests that the Court hold Respondent's present deadline for briefing/designation of matter in abeyance until it acts upon this motion.

Respectfully submitted,
