Re: Aaliyah Smith v. Scott Carr
Appellate Case No. 2016-000872

Dear Counsel:

Upon reviewing your motion to amend the appellant's designation of matter, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and must be corrected in their entirety within ten (10) days of the date of this letter or your motion will not be considered:

- A proof of service has not been provided. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.
- You have attached an "index" to your motion rather than the amended designation of matter.
- Your statement of compliance certifies compliance of the "record on appeal" and not the amended designation of matter.

Very truly yours,

CLERK
