Petition for Writ of Certiorari

The petitioner here by requests the justices of SC Supreme Court for a full panell review on the above case to protect her due process and equal protection right. The petitioner believes that she has been discriminated without equal treatment in this case. The Counsel has been relieved without just reason and without appellant consent. This shall not be the ground to dismiss the case, since the case has been completed ever since Dec. 2015, no further brief is needed to be filed.
