Brandon,

Paula said you called her last week and asked if we had received the affidavit of indigency in the above case. She indicated that we had not received the affidavit and she contacted the attorney. Thomas Sanders, Esquire, said he could not make Mr. Godawski return the affidavit. I spoke with Bob today and I am sending Mr. Godawski an affidavit per Bob's request and giving him ten days to return it or we will be closing our file. I will let you know if the affidavit is received from Mr. Godawski. Thanks!

Loriene
