Re: *Forest Beach Owner's Association, Inc. vs. Carolyn S. Austin*

Dear Ms. Austin:

This is to remind you that copies of the Briefs to the Court of Appeals by the parties and the Record on Appeal are in my office and are available for you to pick up at your convenience. You may need these in the event the South Carolina Supreme Court grants the Petition for Certiorari. Please come the office to pick these materials up or have someone pick them up at your earliest convenience.

As you know, based on the ORDER GRANTING MOTION TO BE RELIEVED AS COUNSEL issued by the Supreme Court of South Carolina, you or your new counsel will need to notify the Supreme Court as to who will be representing you on this appeal.

With kind regards, I remain

Sincerely,

PENDARVIS LAW OFFICES, P.C.
