Re: Trey Williams v. State  
Appellate Case No. 2016-001553

Dear Mr. Williams:

I have received your letter asking that I forward the enclosed documents to the Division of Appellate Defense. Since the Division of Appellate Defense has yet to advise this Court that it will be providing representation in this case, I am returning these documents to you. If Appellate Defense determines that it will provide representation, you will be notified and you can then mail these documents directly to that office.

As to obtaining copies of the filings made in the above case, these filings are part of the public record of Court and a copy of these filings can be obtained by any person who pays the applicable copying and mailing fees. As to obtaining documents filed in some other appellate case, you will need to provide the appellate case number, the lower court case number or other identifying information so that the case can be located.

Very truly yours,

CLERK
