Re: Robin Johnson v. Robert Little(CQI)
Appellate Case No. 2016-001689

Dear Counsel:

Upon reviewing your notice of appeal, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or your appeal will be dismissed:

- The caption/title does not comply with Rule 203, SCACR. Specifically, the notice of appeal must contain the names, mailing addresses, and telephone numbers of all attorneys of record and the names of the party or parties represented by each. Your listing the attorney of record on your letter is not sufficient. You must provide an amended notice of appeal listing the attorney information on the notice of appeal.
- A proof of service has not been provided. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.

Very truly yours,

Handwritten signature of Jimmy Abbot Kitching in black ink. The signature is written in a cursive style with a vertical line through the middle and a flourish at the end.
