RE: HSBC Bank USA, National Association v. Clifford L. Ryba, et. al
South Carolina Court of Appeals, Charleston County
Appellate Case No. 2016-001054
Our File No. 42753.01607

Dear Ms. Kitchings:

Enclosed for filing in the above-reference matter please find an original and seven copies of a Notice of Appearance.

The transcripts and exhibits were received from the court reporter on August 16, 2016. Appellant requests a thirty (30) day extension of time to file its Initial Brief of Appellant and Designation of Matter. This request is necessitated due to recently being engaged in this matter and previously scheduled vacation travel that conflict with the current deadline. This is the first request for an extension of time.

Currently, Initial Brief of Appellant and Designation of Matters are due on September 15, 2016. With the thirty-day extension, the Appellant's Initial Brief and Designation of Matter would be due on October 17, 2016.

A check for the \$25.00 filing fee is enclosed. I ask that the Court hold the current deadline in abeyance pending consideration of this request.

Please return a clocked-in copy of this letter and the notice to me via our courier. Should you have any questions, please do not hesitate to contact me.
