Re: Win Myat v. Tuomey Regional Medical Center
Appellate Case No. 2016-000774

Dear Counsel:

This letter confirms a conversation with a member of my staff this morning. You have filed a request for extension, received by facsimile Friday, August 19, 2016. Because you have served and filed a subsequent notice of appeal in this matter, service of your appellant's initial brief and designation of matter will be calculated from the date of service of the subsequent notice of appeal. Therefore, your extension request is not necessary and no further action will be taken with regard to your motion.

You are requested to provide a written update regarding the status of the transcript for the subsequent notice of appeal within ten days of the date of this letter.

Very truly yours,

V. Claire Allen, Deputy

CLERK
