Janet, my last communication with the CR was when she indicated that the payment was received on **July 12**, making the transcript due **September 12**. She indicated that she was writing to Mr. Wilkes to advise him of that. She does not have this case listed on her report, however. That is why there is no entry in C-track, I think.

In response to this email, I have contacted her again asking for a copy of that letter. I will respond again as soon as I hear from her.

Ms. Allen - I had a call this morning from attorney Jeff Wilkes in Greenville. He was concerned because he has not received the transcript from Deborah Garrison that he requested May 9th. He was billed and submitted payment for the transcript on June 16th, and later wrote to the court reporter, concerned that he still did not have the transcript, nor any response to his inquiry to Ms. Garrison dated August 2nd. (it is not a large transcript from what I understand)

There is no entry in C-track, so we have no idea what the status of the request is. Would you please be so kind as to check with the court reporter and advise me when Mr. Wilkes might expect to receive the transcript.

As always, thank you for your assistance with this matter.

~Janet
