HONORABLE JENNY ABBOTT KITCHINGS, PLEASE CONSIDER THIS ANSWER TO THE APPELLANT'S MOTION AND REQUEST;

Respondent request that if this court is to consider granting the appellants the requested extension and filing outside of the deadlines then, the following should be taken into consideration.

Respondent has been very patient with these proceedings however, we believe that the appellants have been abusing and wasting the court system's valuable time. For the record, this appeal has already been dismissed through this Appeals court. ( SC Appeals Court case number 2014-002458). This current appeal, is from the exact same order that was appealed from Judge Dukes court of common pleas # 2014-cp07-00426 received by the SC court of Appeals on 12-2-2014 . The SC Court of Appeals ruled on this case, made a dispositional decision and it was remitted to the Court of Common Pleas on 5-21-15. (2014-002458)

Once this Oder was rendered and remitted to Judge Dukes I filed a motion to enforce the order which again, is the original ruled upon order. For the record, this is exactly the same order previously rendered by Judge Dukes and Dismissed by this court.

The Appellant once again filed an appeal of the same order which was already ruled upon by this court.

**Prayer for relief**

Respondents pray that this honorable court inquire into these facts and render its Judgement accordingly

RESPECTIVELY,

---
