RE: Tyrone Perry v SCDC
Case No: 2016-001606

RECEIVED

SC Court of Appeals

Dear Ms Kitchings

I received your letter dated August 23, 2016. I am confused as to what you are asking of me. I served my Notice of Appeal with a proof of service, my 59(e) motion with a proof of service, my affidavit with a proof of service, and I recently met a ten day deadline and served a proof of service for my motion to proceed in forma pauperis. Could you please clarify what it is exactly you need me to do. I have followed the rules to the best of my understanding and I don't know what you're asking of me. I'm a Prose litigant in a mental health program and I don't have access to proper legal supplies nor books. I can't properly work the law computer which is the only access we have and it does not cover court rules nor diagrams. I truly pray that my case is not dismissed due to the fact I can't fully understand what's being asked of me. So I humbly ask if possible could the Honorable Courts appoint me counsel. I done all

that was asked and now im confused as to what the Honorable Courts is asking of me. I hope I don't exceed a deadline due to me not understanding what the Courts asks of me. In a previous letter the Honorable Clerk said to write if need be. I really need help now and more clarity of what the Courts is asking of me.
