Re: John Alden Bauer, III v. Beaufort Co. Sch. Dist.
Appellate Case No. 2016-000955

Dear Ms. Allen:

I oppose the extension for filing of the Respondent's Initial Designation of Matter and Initial Brief as requested by David T. Duff, Esquire, on August 29, 2016.

- Counsel has known since May 5, 2016 of my appeal.
- Respondent has followed a strategy of Delays since June 21, 2014.
- After such lengthy delays one might expect the courtesy of showing "*good cause*" for enlargement or extension.
- Counsel has a firm of lawyers and employees that can organize the material in a few hours.
- One third party reaction, "Three lawyers against a pro se elementary school PE teacher? And the lawyers need more time? Seriously?"
- I have been unemployed for over two years and each delay of my possible reinstatement is damaging to my career and is financially ruinous.

Therefore, Appellant opposes the request for extension.
