RE: Harry Reese v. South Carolina Department of Mental Health –
Appellate Case No. 2016-000997

Dear Ms. Kitchings:

The Initial Brief of Respondent and Designation of Matter in the above-referenced workers' compensation appeal are due to be served and filed on August 17, 2016. However, due to Appellant's numerous deficiencies in his filings and a heavy workload, I am requesting a thirty-day extension to serve and file these documents. This is the **first** extension request in this case, and it is not intended for the purpose of delay.

I appreciate your consideration of this request and ask that the filing deadlines be held in abeyance while this request is pending.

By copy of this letter, I am informing counsel for the Appellant of this extension request.

Sincerely,

Page P. Snyder
