SC Court of Appeals

ORDER

The Court issued its Order filed June 7, 2016 dealing with a myriad of issues relative to Plaintiff attempting to collect a previously entered judgment. Plaintiff and Defendants have filed motions pursuant to Rule 59(e), S.C.R.C.P.

In that the respective motions, as well as telephone conference calls with counsel, sufficiently set forth the basis of the respective motions, a formal hearing with oral arguments is not necessary. See, Pollard v. County of Florence, 444 S.E.2d 534 (S.C. App. 1994).

The Court finds that the Order filed June 7, 2016 sufficiently encompasses and addresses the issues raised in the Rule 59 motions. As such, both motions are denied.

AND IT IS SO ORDERED.
