Re: New Venue Technologies v. SC Procurement
Appellate Case No. 2016-001847

Dear Counsel:

Upon reviewing your notice of appeal, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and must be corrected in their entirety within ten (10) days of the date of this letter or the appeal will be dismissed:

- The notice of appeal is not accompanied by the order(s) and/or judgment(s) challenged on appeal.
- The required filing fee has not been submitted. The correct filing fee is \$100.00.
- The proof of service for the notice of appeal has not been signed as required by Rule 267(b), SCACR.
- An amended notice of appeal must be filed that clearly identifies the contact information for counsel of record for each party in this appeal.
- The motion to proceed without cost is being returned to you because it appears to be filed by a party to the appeal, has not been signed by counsel of record, and does not include proof of service. The motion is being returned to you and no further action will be taken.

Very truly yours,

V. Claire Allen, Deputy

CLERK
