Re: Ten State Street, LLP v. Danielson  
Appellate Case No: 2015-002199

Dear Ms. Kitchings,

We received yesterday a letter from counsel to Appellee indicating that Appellant's Designation of Matter on Appeal had not been submitted to him with Appellant's Brief. This was due to an administrative error. Enclosed please find the Appellant's Designation of Matter and Certification for filing in the above referenced matter. In light of this error, we have no objection to Appellee having an additional week to file its Brief in response.

In the event you have any questions, please do not hesitate to contact our office.

With kindest regards,

Sincerely,

  
Timothy D. Scrantom
