5. The Plan provided as follows:

"1. The payment of forty dollars (\$40) shall endow a *single scholarship*, which shall entitle the subscriber to the tuition of *one student* during the term of six years.

2. The payment of sixty dollars (\$60) shall endow a Scholarship which shall entitle the subscriber to the tuition of one or more of his own sons, or of any students he may select, amounting in the aggregate to twelve years.

3. Any person paying or securing to the Trustees of said College the sum of one hundred dollars (\$100) shall be entitled to the education, free of tuition expenses, of one son or nominee for the term of *twenty-five years*, or of two or more pupils at the same time, amounting in the aggregate to twenty-five years.

4. No sales of limited scholarships shall be binding either on the purchaser or on the Board of Trustees, until scholarships amounting to *fifty thousand dollars* are sold, (due notice whereof shall be given in the public prints,) after which time all contracts for scholarships made previous to that date shall be binding on the parties concerned, shall become due, and bear interest. On the payment of Scholarships, subscribers or purchasers of the same shall be furnished with a certificate, signed by the President and Secretary of the Board of Trustees of the said Erskine College, guaranteeing to the said subscribers the privileges enumerated by the resolutions of the Board, according to their relative subscriptions.

...

7. Any individual, association of individuals, or congregation, who shall pay or secure to the Trustees of Erskine College, the sum of five hundred dollars (\$500), shall be entitled to a perpetual scholarship, to which the party or parties may appoint any pupil he or they may think proper."

6. As contributions were made, Scholarship Certificates were issued together with Subcertificates for the number of years of tuition to which the subscriber was entitled.

7. The time within which the Subcertificates could be used was limited.

8. Upon paying the sum of one hundred dollars (\$100), the subscriber was entitled to free tuition "of one son or nominee for the term of *twenty-five years*, or of two or more pupils at the same time, amounting in the aggregate to twenty-five years."

9. A subscriber who purchased a Scholarship Certificate for one hundred dollars (\$100) had a term of twenty-five years to use his Certificate, after which the Certificate expired.

10. For the balance of the 1850's, documents produced by Erskine indicate that the Subcertificates would be accepted in payment of tuition.

11. Erskine documents show that although the endowment funds were almost completely destroyed by the Civil War, Erskine continued to honor the 1853 Subcertificates in the late 1860's and early 1870's.

12. During this period, Erskine documents recite that the Subcertificates could be used, although on a reduced basis, in payment of tuition.

13. In the early to mid 1870's, Erskine embarked upon a second endowment plan, which included \$20 annual scholarships.

14. After 1878, a point in time twenty-five (25) years after the Subcertificates were issued, Erskine catalogs no longer referred to the 1853 Subcertificates or indicated that they may be used to pay tuition.

15. Tuition at Erskine for the 2011-2012 school year was \$26,350, and tuition at Erskine for the 2012-2013 school year was \$27,915.

royalties, for them, so such as will pass readily in South Carolina.

The certificates will be signed and numbered, and let the agent or minister whose business it is to deal them out, number each Sub-Certificate with the same number found on the main certificate. On the \$100 Scholarship let 25 sub-certificates be numbered and the balance cut off and burnt, not thrown away; so on the \$66 and \$40 Scholarship, let the requisite number of sub-certificates be numbered and the balance burnt.

N. D. We would also advise the agent or minister who deals out the certificates to sign his name to each sub-certificate. This will be a small labor among so many, but rather onerous for one man.

By this means the name of the individual to whom a certificate is given and the number of his certificate, (be particular) also whether it is settled for by cash or note, and send up as soon as possible a particular account of these things to the undersigned, so that the name, number, Post Office and indebtedness of every sub-member to the endowment may be entered in a book, and thus the exact condition of the College may be known to all concerned in its welfare, and also the Plan of Endowment be strictly and faithfully carried out.
