Re: Allen Spearman v. Estate of Pearl McClam  
Appellate Case No. 2016-001876

Dear Counsel and Mr. Spearman:

Upon reviewing your notice of appeal, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and must be corrected in their entirety within ten (10) days of the date of this letter or this appeal will be dismissed:

- The notice of appeal fails to include a statement of when you received written notice of entry of the order or judgment from which this appeal is taken. You must tell this Court the date you received a copy of the order from the Clerk of Court in Greenwood County.
- The required filing fee has not been submitted. The correct filing fee when filing a notice of appeal is \$100.00.
- A proof of service has not been provided. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR. You must file a separate document telling this Court the

names and mailing addresses of the attorneys representing The Estate of Pearl McClam. And you must tell this Court the date that you served the notice of appeal on the opposing party.

- It is this Court's understanding that Mr. Spearman was represented by Mr. Nasrollahi in the circuit court. Therefore, this Court will accept filings only from Mr. Nasrollahi unless he can produce an order showing that he has been relieved as Mr. Spearman's counsel. Please see Rule 264 of the South Carolina Appellate Court Rules for guidance.

Very truly yours,

*V. Claire Allen, Deputy*
