Ann,

It looks like the wrong Appellant's Return was put in the ROA. I designated the Appellant's Return to Motion to Dismiss filed February 12, 2016. Mistakenly, the Appellant's Return filed May 20, 2016 was included in the ROA (page 179). I called the court to ask about the most efficient way to fix this, and was told that the ROA was not properly bound and that the court is in the process of mailing a letter to you to require that the ROA be re-bound. This presents the opportunity to remove the May 20 Return and to include the February 12 Return and to submit the ROA as a "Corrected Record on Appeal." The court advised that the final briefs will be due 20 days after service of the Corrected ROA. Thanks for your attention to this. If you need to contact the court, Monica Amick's email address is shown above.
