RE: Clarence Winfrey v. American Fire & Casualty
Appellate Case Nos.: 2014-001788; 2014-001816; and
2014-001815

Dear Ms. Allen:

Please find attached my acknowledgement of receipt of the notice that the argument is set for October 4, 2016.

I would appreciate it if you would confirm that all three (3) appeals, it appears, have been set for one (1) argument with ten (10) minutes for the Appellant; ten (10) minutes to the Respondent; and five (5) minutes for the Appellant in reply. I particularly ask this because my client is the Respondent and Cross-Appellant as to one (1) Commission Order and the Appellant as to another Order. Further, originally we had received a notice of argument on one of these appeals back in June for a 10, 10, and 5 argument and we contacted the Court to confirm whether that was set on that one case, that argument was cancelled.

I would note to the Court that one of these appeals is from a totally separate Order of the Workers' Compensation Commission involving a totally separate Record involving a reinstatement hearing held by Commissioner Beck.

The other appeal by the Defendants and our cross-appeal deal with the final decision of Commissioner Barden and the modification made by the Full Commission Panel and involves a totally separate Record.

I just wanted to make sure the Court was going to actually hear all of these issues and set one argument as to these two separate Records involving two separate Orders of the Commission with both parties being an Appellant(s) and a Respondent(s).

By copy of this letter, I am notifying Mr. Bayne of this communication with the Court returning my acknowledgement and also of my request for clarification or confirmation as to the argument. It could be the Court is setting each for 10-10-5 but please let me know so I can prepare.

As always, I appreciate all the courtesies and kindnesses shown to me by the Court.

Sincerely yours,

Preston F. McDaniel
