Appellate Case

SC Court of Appeals

TO WHOM IT MAY CONCERN:

I, Juan Carlos Still would like to appeal my case # 2016-001782 due to lack of evidence and the fact that the items found during the search of my vehicle belonged to Keith Ellis Curtis. When I tried to explain my case to my public defender regarding this matter he was not interested in my side. My public defender also stated to me at this time that I would be for sure found guilty and to not take this to trial. There is no evidence or video showing that the narcotic belonged to me. The other reason I would like to appeal my case is because the officer was lying under oath. When asked was there anyone

With me during this time the officer stated "NO" when in fact Keith Ellis Curtis was with me. When police were spotted in area Mr. Ellis would not return to my vehicle where he left a plastic wrapper with pills and a Pepsi on the center console of my truck. Also the officer as well stated I was parked at gas pumps when in fact I was parked directly in front of Youngs off Cannon bridge rd. If any way possible I would like to get the video from Youngs to show what I am stating is in fact what really happened that day. I feel like Orangeburg County was really singeing my vehicle out. I feel that if I had a paid private attorney this matter would have been resolved differently.

Sincerely,  
Juan C. Still
