Respondent hereby moves pursuant to Rule 263(b), SCACR, for an extension of the time in which to serve and file the Respondent's initial brief and designation of matter to be included in the record on appeal. Specifically, Respondent seeks an extension of that time to 30 days from the date that the Court rules on Respondent's motion to strike, which is being served and filed concurrently with the instant motion. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. The disposition of the motion to strike, which involves the content of the Appellant's brief and the Appellant's designation of matter to be included in the record on appeal, will be important to the way that Respondent responds to the Appellant's brief.
2. It is logical for Respondent to prepare its brief after the motion to strike is decided.
3. The Appellant consents to the requested extension.
4. Respondent has not sought any previous extension in this appeal.
5. There is good cause to grant the requested extension.

WHEREFORE Respondent prays for an order extending the time in which to serve and file the Respondent's initial brief and designation of matter to be included in the record on appeal to 30 days from the date that the Court rules on Respondent's motion to strike.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Andrew S. Radeker', written over a horizontal line.
