TWO WAGE EARNER CREDIT WHEN BOTH SPOUSES WORK

Your filing status must be married filing jointly to claim this credit.

Line 11, Form SC1040/ Line 6, Form SC1040A TWO WAGE EARNER CREDIT (MARRIED COUPLE)

This credit can only be claimed by a married couple filing jointly when both spouses have earned income. This credit is not allowed on returns with a filing status of single, married filing separately or head of household. Do not include gambling or bingo winnings reported on federal form W-2G.

Example - You earned a salary taxed to South Carolina of \$20,000. Your spouse earned \$17,000 taxed to South Carolina and had an IRA deduction taxed to South Carolina of \$1,000. Your SC qualified earned income is \$20,000 and your spouse's is \$16,000 (\$17,000 minus \$1,000). Because your spouse's qualified earned income is less than yours, the credit is based on your spouse's income. Therefore, the credit is \$112 (\$16,000 x .007).

Compute your earned income separately for yourself and your spouse. South Carolina earned income is generally income you receive for services you provide. It includes wages, salaries, tips, commissions and sub-pay. It also includes income earned from self-employment, business income or loss, partnership income or loss, farm income or loss and any other earned income taxed to South Carolina. Earned income does not include gambling or bingo winnings, interest, dividends, Social Security benefits, IRA distribution, unemployment compensation, deferred compensation nor non-taxable income. It also does not include any amount your spouse paid you.

	(a) You	(b) Your Spouse
1. Wages, salaries, tips, etc., taxed to South Carolina from South Carolina Schedule NR, Column B, line 1; federal Form 1040, line 7; 1040A, line 7 or 1040EZ, line 1. (Do not include pensions or annuities.)	68,662	24,185
2. Net profit or (loss) from self-employment (from Schedule C and on Schedule K-1 of Form 1065) and any other earned income taxed to South Carolina.	(8,492)	
3. Add lines 1 and 2. This is your total earned income taxed to SC.	60,170	24,185
South Carolina qualified earned income. This is the amount on which the credit is based. Compute it by subtracting certain adjustments from South Carolina earned income. The adjustments are:		
• One half of self-employment tax (Form 1040, line 27) • Self-employed SEP, simple, and qualified plans (Form 1040, line 28) • Self-employed health insurance deduction (Form 1040, line 29) • IRA deduction (Form 1040, line 32 or 1040A, line 17) • Repayment of sub-pay		
4. Add amounts entered on federal Form 1040 lines 27 through 29 and 32. If filing South Carolina Schedule NR, enter amounts from lines 21, 22, 23, 26 and any repayment of supplemental unemployment benefits (sub-pay) allocable to South Carolina income.		
5. Subtract line 4 from line 3. This is your qualified earned income taxed to South Carolina. If the amount in column (a) or (b) is zero (-0-) or less, stop here. You may not take this credit.	60,170	24,185

Compute the credit.

6. Enter the smaller of 5(a) or 5(b). Do not enter more than \$30,000.	24,185
7. Multiply the amount on line 6 by .007. Do not enter more than \$210. Enter the amount here and on SC1040, line 11.	169

NO WAGE EARNER CREDIT WHEN BOTH SPOUSES WORK

Your filing status must be married filing jointly to claim this credit.

Line 12 TWO WAGE EARNER CREDIT (MARRIED COUPLE)

This credit can only be claimed by a married couple filing jointly when both spouses have earned income taxed to South Carolina. This credit is not allowed on returns with a filing status of single, married filing separately or head of household. Do not include gambling or bingo winnings reported on federal form W-2G.

Example - You earned a salary taxed to South Carolina of \$20,000. Your spouse earned \$17,000 taxed to South Carolina and had an IRA deduction taxed to South Carolina of \$1,000. Your SC qualified earned income is \$20,000 and your spouse's is \$16,000 (\$17,000 minus \$1,000). Because your spouse's qualified earned income is less than yours, the credit is based on your spouse's income. Therefore, the credit is \$112 (\$16,000 x .007).

Compute your earned income separately for yourself and your spouse. South Carolina earned income is generally income you receive for services you provide. It includes wages, salaries, tips, commissions and sub-pay. It also includes income earned from self-employment, business income or loss, partnership income or loss, farm income or loss and any other earned income taxed to South Carolina. Earned income does not include gambling or bingo winnings, interest, dividends, Social Security benefits, IRA distribution, unemployment compensation, deferred compensation or non-taxable income. It also does not include any amount your spouse paid you.

	(a) You	(b) Your Spouse
1. Wages, salaries, tips, etc., taxed to South Carolina from South Carolina Schedule NR, Column B, line 1; federal Form 1040, line 7; 1040A, line 7 or 1040EZ, line 1. (Do not include pensions or annuities.)	<u>70,667</u>	<u>25,726</u>
2. Net profit or (loss) from self-employment (from Schedule C and on Schedule K-1 of Form 1065) and any other earned income taxed to South Carolina.	<u>(8,492)</u>	<u> </u>
3. Add lines 1 and 2. This is your total earned income taxed to SC.	<u>62,175</u>	<u>25,726</u>
South Carolina qualified earned income. This is the amount on which the credit is based. Compute it by subtracting certain adjustments from South Carolina earned income. The adjustments are:		
• One half of self-employment tax (Form 1040, line 27) • Self-employed SEP, simple, and qualified plans (Form 1040, line 28) • Self-employed health insurance deduction (Form 1040, line 29) • IRA deduction (Form 1040, line 32 or 1040A, line 17) • Repayment of sub-pay		
4. Add amounts entered on federal Form 1040 lines 27 through 29 and 32. If filing South Carolina Schedule NR, enter amounts from lines 21, 22, 23, 26 and any repayment of supplemental unemployment benefits (sub-pay) allocable to South Carolina income.	<u> </u>	<u> </u>
5. Subtract line 4 from line 3. This is your qualified earned income taxed to South Carolina. If the amount in column (a) or (b) is zero (-0-) or less, stop here. You may not take this credit.	<u>62,175</u>	<u>25,726</u>
Compute the credit.		
6. Enter the smaller of 5(a) or 5(b). Do not enter more than \$30,000.		<u>25,726</u>
7. Multiply the amount on line 6 by .007. Do not enter more than \$210. Enter the amount here and on SC1040, line 12.		<u>180</u>

Part III Declaration of Taxpayer. Be sure to keep a copy of your tax return.

6 a ☒ I consent that my refund be directly deposited as designated in the electronic portion of my 2005 Federal income tax return.
If I have filed a joint return, this is an irrevocable appointment of the other spouse as an agent to receive the refund.

b ☐ I do not want direct deposit of my refund or I am not receiving a refund.

c ☐ I authorize the U.S. Treasury and its designated Financial Agent to initiate an ACH electronic funds withdrawal entry to the financial institution account indicated in the tax preparation software for payment of my Federal taxes owed on this return and/or a payment of estimated tax. I further understand that this authorization may apply to future Federal tax payments that I direct to be debited through the Electronic Federal Tax Payment System (EFTPS). In order for me to initiate future payments, I request that the IRS send me a personal identification number (PIN) to access EFTPS. This authorization is to remain in full force and effect until I notify the U.S. Treasury Financial Agent to terminate the authorization. To revoke a payment, I must contact the U.S. Treasury Financial Agent at 1-888-353-4537 no later than 2 business days prior to the payment (settlement) date. I also authorize the financial institutions involved in the processing of the electronic payment of taxes to receive confidential information necessary to answer inquiries and resolve issues related to the payment.

If I have filed a balance due return, I understand that if the IRS does not receive full and timely payment of my tax liability, I will remain liable for the tax liability and all applicable interest and penalties. If I have filed a joint Federal and state tax return and there is an error on my state return, I understand my Federal return will be rejected.

Under penalties of perjury, I declare that I have examined a copy of my electronic individual income tax return and accompanying schedules and statements for the tax year ending December 31, 2005, and to the best of my knowledge and belief, it is true, correct, and complete. I further declare that the amounts in Part I above are the amounts shown on the copy of my electronic income tax return. I consent to allow my intermediate service provider and/or transmitter to send my return to the IRS and to receive from the IRS (a) an acknowledgment of receipt or reason for rejection of the transmission, (b) an indication of any refund offset, (c) the reason for any delay in processing the return or refund, and (d) the date of any refund.

ADDITIONAL TERMS OF THE SECURITY AGREEMENT

GENERALLY - This agreement secures this note and any other debt I have with you now or later. However, it will not secure other debts if you fail with respect to such other debts, to make any required disclosure about this security agreement or if you fail to give any required notice of the right of rescission. If property described in this agreement is located in another state, this agreement may also, in some circumstances, be governed by the law of the state in which the Property is located.

NAME AND LOCATION - My name indicated on page 1 is my exact legal name. If I am an individual, my address is my principal residence. If I am not an individual, my address is the location of my chief executive offices or sole place of business. If I am an entity organized and registered under state law, my address is located in the state in which I am registered, unless otherwise indicated on page 2. I will provide verification of registration and location upon your request. I will provide you with at least 30 days notice prior to any change in my name, address, or state of organization or registration.

OWNERSHIP AND DUTIES TOWARD PROPERTY - I represent that I own all of the Property, or to the extent this is a purchase money security interest I will acquire ownership of the Property with the proceeds of the loan. I will defend it against any other claim. Your claim to the Property is ahead of the claims of any other creditor. I agree to do whatever you require to protect your security interest and to keep your claim in the Property ahead of the claims of other creditors. I will not do anything to harm your position. I will not use the Property for a purpose that will violate any laws or subject the Property to forfeiture or seizure.

I will keep books, records and accounts about the Property and my business in general. I will let you examine these records at any reasonable time. I will prepare any report or accounting you request, which deals with the Property.

I will keep the Property in my possession and will keep it in good repair and use it only for the purpose(s) described on page 1 of this agreement. I will not change this specified use without your express written permission. I represent that I am the original owner of the Property and, if I am not, that I have provided you with a list of prior owners of the Property.

I will keep the Property at my address listed on page 1 of this agreement, unless we agree I may keep it at another location. If the Property is to be used in another state, I will give you a list of those states. I will not try to sell the Property unless it is inventory or I receive your written permission to do so. If I sell the Property I will have the payment made payable to the order of you and me.

You may demand immediate payment of the debt(s) if the debtor is not a natural person and without your prior written consent; (1) a beneficial interest in the debtor is sold or transferred, or (2) there is a change in either the identity or number of members of a partnership, or (3) there is a change in ownership of more than 25 percent of the voting stock of a corporation.

I will pay all taxes and charges on the Property as they become due. You have the right of reasonable access in order to inspect the Property. I will immediately inform you of any loss or damage to the Property.

If I fail to perform any of my duties under this security agreement, or any mortgage, deed of trust, lien or other security interest, you may without notice to me perform the duties or cause them to be performed. Your right to perform for me shall not create an obligation to perform and

your failure to perform will not preclude you from exercising any other rights under the law or this security agreement.

PURCHASE MONEY SECURITY INTEREST - For the sole purpose of determining the extent of a purchase money security interest under this security agreement: (a) payments on any nonpurchase loan also secured by this agreement will not be deemed to apply to the Purchase Money Loan, and (b) payments on the Purchase Money Loan will be deemed to apply first to the nonpurchase money portion of the loan, if any, and then to the purchase money obligations in the order selected by you. No security interest will be taken by application of this formula. "Purchase Money Loan" means a loan the proceeds of which, in whole or in part, are used to acquire collateral securing the loan and all extensions, renewals, and refinancing of such loan.

PAYMENTS BY LENDER - You are authorized to pay, on my charges I am or may become obligated to pay to preserve or protect secured property (such as property insurance premiums). You may make those payments as advances and add them to the unpaid principal of the note secured by this agreement or you may demand immediate payment of the amount advanced.

INSURANCE - I agree to buy insurance on the Property against fire and for the amounts you require and to furnish you continuing coverage. I will have the insurance company name you as loss payee on any such policy. You may require added security if you agree to buy insurance from a firm licensed to do business in the state where the Property is located. The firm will be reasonably acceptable to you. The firm will last until the Property is released from this agreement. If I fail to maintain the insurance (or fail to name you as loss payee) you may purchase it yourself.

WARRANTIES AND REPRESENTATIONS - If this agreement is secured by accounts, I will not settle any account for less than its full value without your written permission. I will collect all accounts until you otherwise. I will keep the proceeds from all the accounts and any which are returned to me or which I take back in trust for you. I will mix them with any other property of mine. I will deliver them to you upon request. If you ask me to pay you the full price on any item or items retained by myself, I will do so. You may exercise rights with respect to obligations of any account debtors, or persons obligated on the Property, to pay or perform, and you may enforce any security interest that secures such obligations.

Any person who signs within this box does so to give you a security interest in the Property described on this page. This person does not promise to pay the note. "I" as used in this security agreement includes the borrower and any person who signs within this box.

If this agreement covers inventory, I will not dispose of it except in my ordinary course of business at the fair market value for the Property, or at minimum price established between you and me.

This agreement covers farm products. I will provide you, at your request, a written list of the buyers, commission merchants or selling agents to or through whom I may sell my farm products. In addition to those parties named on this written list, I authorize you to notify at your sole discretion any additional parties regarding your security interest in my farm products. I remain subject to all applicable penalties for selling my farm products in violation of my agreement with you and the Food Security Act. In this paragraph the terms farm products, buyers, commission merchants and selling agents have the meanings given to them in the Federal Food Security Act of 1985.

If this agreement covers chattel paper or instruments, either as original collateral or proceeds of the Property, I will note your interest on the face of the chattel paper or instrument.

REMEDIES - I will be in default on this security agreement if I am in default on any note this agreement secures or if I fail to keep any promise contained in the terms of this agreement. If I default, you have all of the rights and remedies provided in the note and under the Uniform Commercial Code. You may require me to make the secured property available to you at a place which is reasonably convenient. You may take possession of the secured property and sell it as provided by law. The proceeds will be applied first to your expenses and then to the debt. I agree that 10 days written notice sent to my last known address by first class mail will be reasonable notice under the Uniform Commercial Code. My current address is on page 1.

PERFECTION OF SECURITY INTEREST - I authorize you to file a financing statement covering the Property. I will comply with, facilitate, and otherwise assist you in connection with obtaining possession of or control over the Property for purposes of perfecting your security interest under the Uniform Commercial Code.

ADDITIONAL TERMS OF THE NOTE

DEFINITIONS - As used on pages 1 and 2, "I" means the terms that apply to this loan. "me" or "my" means each Borrower who signs this note and each other person or legal entity (including guarantors, endorsers, and sureties) who agree to pay this note (together referred to as "us"). "You" or "your" means the Lender and its successors and assigns.

APPLICABLE LAW - The law of the state of South Carolina in which you are located will govern this agreement. Any term of this agreement which is contrary to applicable law will not be effective, unless the law permits you and me to agree to such a variation. If any provision of this agreement cannot be enforced according to its terms, this fact will not affect the enforceability of the remainder of this agreement. No modification of this agreement may be made without your express written consent. Time is of the essence in this agreement.

PAYMENTS - Each payment I make on this note will first reduce the amount I owe you for charges which are neither interest nor principal. The remainder of each payment will then reduce accrued unpaid interest, and then unpaid principal. If you and I agree to a different application of payments, we will describe our agreement on this note. I may prepay a part of, or the entire balance of this loan without penalty, unless we specify to the contrary on this note. Any partial prepayment will not be used to reduce any later scheduled payment until this note is paid in full. I agree, when I make the prepayment, you and I agree in writing to the contrary.

INTEREST - Interest accrues on the principal remaining unpaid from time to time, until paid in full. If I receive the principal in more than one advance, each advance will start to earn interest only when I receive the advance. The interest rate in effect on this note at any given time will apply to the entire principal sum outstanding at that time. Notwithstanding anything to the contrary, I do not agree to pay and you do not intend to charge any rate of interest that is higher than the maximum rate of interest you could charge under applicable law for the extension of credit that is agreed to in this note (either before or after maturity). If any notice of interest accrual is sent and is in error, we mutually agree to correct it, and if you actually collect more interest than allowed by law and this agreement, you agree to refund it to me.

INDEX RATE - The Index will serve only as a device for setting the interest rate on this note. You do not guarantee by selecting this index, or the margin, that the interest rate on this note will be the same rate you charge on any other loans or class of loans you make to me or other borrowers.

POST MATURITY RATE - For purposes of deciding when the "Post Maturity Rate" (shown on page 1) applies, the term "maturity" means the date of the last scheduled payment indicated on page 1 of this note or the date you accelerate payment on the note, whichever is earlier.

SINGLE ADVANCE LOANS - If this is a single advance loan, you and I expect that you will make only one advance of principal. However, you may add other amounts to the principal if you make any payments described in the "PAYMENTS BY LENDER" paragraph on page 2.

MULTIPLE ADVANCE LOANS - If this is a multiple advance loan, you and I expect that you will make more than one advance of principal. If this is closed end credit, repaying a part of the principal will not entitle me to additional credit.

SET-OFF - I agree that you may set off any amount due and payable under this note against any right I have to receive money from you.

"Right to receive money from you" means:

- (1) any deposit account balance I have with you;
- (2) any money owed to me on an item presented to you or in your possession for collection or exchange; and
- (3) any repurchase agreement or other nondeposit obligation.

"Any amount due and payable under this note" means the total amount of which you are entitled to demand payment under the terms of this note at the time you set off. This total includes any balance the due date for which you properly accelerate under this note.

If my right to receive money from you is also owned by someone who has not agreed to pay this note, your right of set-off will apply to my interest in the obligation and to any other amounts I could withdraw on my sole request or endorsement. Your right of set-off does not apply to an account or other obligation where my rights are only as a representative. It also does not apply to any Individual Retirement Account or other tax-deferred retirement account.

You will not be liable for the dishonor of any check when the dishonor occurs because you set off this debt against any of my accounts. I agree to hold you harmless from any such claims arising as a result of your exercise of your right to set-off.

SECURITY - References to agreements securing this loan on page 1 shall not be considered an exclusive list of all such agreements. Other agreements you and I have executed or execute in the future which are not referenced on page 1 may secure this loan.

DEFAULT - I will be in default if any one or more of the following occur: (1) I fail to make a payment on time or in the amount due; (2) I fail to keep the Property insured, if required; (3) I fail to pay, or keep any promise, on any debt or agreement I have with you; (4) any other creditor of mine attempts to collect any debt I owe him through court proceedings; (5) I die, am declared incompetent, make an assignment for the benefit of creditors, or become insolvent (either because my liabilities exceed my assets or I am unable to pay my debts as they become due); (6) I make any written statement or provide any financial information that is untrue or inaccurate at the time it was provided; (7) I do or fail to do something which causes you to believe you will have difficulty collecting the amount I owe you; (8) any collateral securing this note is used in a manner or for a purpose which threatens confiscation by a legal authority; (9) I change my name or assume an additional name without first notifying you before making such a change; (10) I fail to plant, cultivate and harvest crops in due season; (11) any loan proceeds are used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 C.F.R. Part 1940, Subpart G, Exhibit M.

REMEDIES - If I am in default on this note you have, but are not limited to, the following remedies:

- (1) You may demand immediate payment of all I owe you under this note (principal, accrued unpaid interest and other accrued unpaid charges).
- (2) You may set off this debt against any right I have to the payment of money from you, subject to the terms of the "SET-OFF" paragraph herein.
- (3) You may demand security, additional security, or additional parties to be obligated to pay this note as a condition for not using any other remedy.
- (4) You may refuse to make advances to me or allow purchases on credit by me.
- (5) You may use any remedy you have under state or federal law.
- (6) You may make use of any remedy given to you in any agreement securing this note.

By selecting any one or more of these remedies you do not give up your right to use later any other remedy. By waiving your right to declare an event to be a default, you do not waive your right to consider later the event a default if it continues or happens again.

COLLECTION COSTS AND ATTORNEY'S FEES - I agree to pay all costs of collection, recovery or any other or similar type of cost if I am in default. In addition, if you hire an attorney to collect this note, I also agree to pay any fee you incur with such attorney plus court costs (except where prohibited by law). To the extent permitted by the United States Bankruptcy Code, I also agree to pay the reasonable attorney's fees and costs you incur to collect this debt as awarded by any court exercising jurisdiction under the Bankruptcy Code.

WAIVER - I give up my rights to require you to do certain things. I will not require you to:

- (1) demand payment of amounts due (presentment);
- (2) obtain official certification of nonpayment (protest); or
- (3) give notice that amounts due have not been paid (notice of dishonor).

I waive any defenses I have based on suretyship or impairment of collateral.

OBLIGATIONS INDEPENDENT - I understand that I must pay this note even if someone else has also agreed to pay it (by, for example, signing this form or a separate guarantee or endorsement). You may sue me alone, or anyone else who is obligated on this note, or any number of us together, to collect this note. You may without notice release any party to this agreement without releasing any other party. If you give up any of your rights, with or without notice, it will not affect my duty to pay this note. Any extension of new credit to any of us, or renewal of this note by all or less than all of us will not release me from my duty to pay it. (Of course, you are entitled to only one payment in full.) I agree that you may at your option extend this note or the debt represented by this note, or any portion of the note or debt, from time to time without limit or notice and for any term without affecting my liability for payment of the note. I will not assign my obligation under this agreement without your prior written approval. You may, without notice, fail to perfect your security interest in, impair, or release any security and I will still be obligated to pay this loan.

FINANCIAL INFORMATION - I agree to provide you, upon request, any financial statement or information you may deem necessary. I warrant that the financial statements and information I provide to you are or will be accurate, correct and complete.

WAIVER OF HEARING PRIOR TO IMMEDIATE POSSESSION: If this loan is for a business purpose I agree to waive the right to five days' notice and a pre-seizure hearing prior to seizure of any personal property which may secure this transaction.

SIGNATURES: I AGREE TO THE TERMS OF THIS NOTE (INCLUDING THOSE ON PAGES 1 AND 2). I have received a copy on today's date.

Ronnie F. Judy has been involved in farming for most of his lifetime. The last several years have been the most difficult as his crop productions have been very poor and he has had some problems with two of his brothers claiming rights to equipment and joint owned property.

Property settlements have now been made. He has purchased equipment over the last several years and now has no claims (other than bank li) on any of his equipment.

To compound his problem, he sold soybeans and has yet to receive his full payment as the purchaser is now in court with monetary litigations. Ronnie Judy's only debts at this time are with TCB and the ASCS office for his 2006 crops. Total debts with TCB are a little over \$100 M.

Ronnie Judy has agreed to give TCB a real estate mortgage on approx 9.29 Acres, which includes his home, located at 1872 Sandridge Rd, De SC 29437. I have agreed to consolidate debts up to \$100 M. under the mortgage (Total County Assessed Value = \$122.6 M and 8.15% LTV) with a term for 3 years and annual payments of \$10 M. This will be only nominal red annually, but he is in hopes of having additional farm income for debt reduction.

I have also agreed to keep (renew) the farm operating line for one year. Performance of the line (payoff) will determine any further continuance.

Total Debts - \$126M	Total	\$14M.	\$11M.

Credit info limited due to lack of borrowings.

BNI - 262 Beacon - None ; 8 medical liens on record (\$4400 to \$3350)
No open accounts ; history is excellent.

Caution is noted due to limited reported income.

Addition of mortgage moves bank into a well collateralized position.

EXCLUSIONS FROM COVERAGE

The following matters are expressly excluded from the coverage of this policy and the Company will not pay loss or damage, costs, attorneys' fees or expenses which arise by reason of:

1. (a) Any law, ordinance or governmental regulation (including but not limited to building and zoning laws, ordinances, or regulations) restricting, regulating, prohibiting or relating to (i) the occupancy, use, or enjoyment of the land; (ii) the character, dimensions or location of any improvement now or hereafter erected on the land; (iii) a separation in ownership or a change in the dimensions or area of the land or any parcel of which the land is or was a part; or (iv) environmental protection, or the effect of any violation of these laws, ordinances or governmental regulations, except to the extent that a notice of the enforcement thereof or a notice of a defect, lien or encumbrance resulting from a violation or alleged violation affecting the land has been recorded in the public records at Date of Policy.
- (b) Any governmental police power not excluded by (a) above, except to the extent that a notice of the exercise thereof or a notice of a defect, lien or encumbrance resulting from a violation or alleged violation affecting the land has been recorded in the public records at Date of Policy.
2. Rights of eminent domain unless notice of the exercise thereof has been recorded in the public records at Date of Policy, but not excluding from coverage any taking which has occurred prior to Date of Policy which would be binding on the rights of a purchaser for value without knowledge.
3. Defects, liens, encumbrances, adverse claims or other matters:
 - (a) created, suffered, assumed or agreed to by the insured claimant;
 - (b) not known to the Company, not recorded in the public records at Date of Policy, but known to the insured claimant and not disclosed in writing to the Company by the insured claimant prior to the date the insured claimant became an insured under this policy;
 - (c) resulting in no loss or damage to the insured claimant;
 - (d) attaching or created subsequent to Date of Policy (except to the extent that this policy insures the priority of the lien of the insured mortgage over any statutory lien for services, labor or material); or
 - (e) resulting in loss or damage which would not have been sustained if the insured claimant had paid value for the insured mortgage.
4. Unenforceability of the lien of the insured mortgage because of the inability or failure of the insured at Date of Policy, or the inability or failure of any subsequent owner of the indebtedness, to comply with applicable doing business laws of the state in which the land is situated.
5. Invalidity or unenforceability of the lien of the insured mortgage, or claim thereof, which arises out of the transaction evidenced by the insured mortgage and is based upon usury or any consumer credit protection or truth in lending law.
6. Any statutory lien for services, labor or materials (or the claim of priority of any statutory lien for services, labor or materials over the lien of the insured mortgage) arising from an improvement or work related to the land which is contracted for and commenced subsequent to Date of Policy and is not financed in whole or in part by proceeds of the indebtedness secured by the insured mortgage which at Date of Policy the insured has advanced or is obligated to advance.
7. Any claim which arises out of the transaction creating the interest of the mortgagee insured by this policy, by reason of the operation of federal bankruptcy, state insolvency, or similar creditors' rights laws, that is based on:
 - (i) the transaction creating the interest of the insured mortgagee being deemed a fraudulent conveyance or fraudulent transfer; or
 - (ii) the subordination of the interest of the insured mortgagee as a result of the application of the doctrine of equitable subordination; or
 - (iii) the transaction creating the interest of the insured mortgagee being deemed a preferential transfer except where the preferential transfer results from the failure:
 - (a) to timely record the instrument of transfer; or
 - (b) of such recordation to impart notice to a purchaser for value or a judgment or lien creditor.

CONDITIONS AND STIPULATIONS

1. DEFINITION OF TERMS

The following terms when used in this policy mean:

(a) "insured": the insured named in Schedule A. The term "insured" also includes:

(i) the owner of the indebtedness secured by the insured mortgage and each successor in ownership of the indebtedness except a successor who is an obligor under the provisions of Section 12(c) of these Conditions and Stipulations (reserving, however, all rights and defenses as to any successor that the Company would have had against any predecessor insured, unless the successor acquired the indebtedness as a purchaser for value without knowledge of the asserted defect, lien, encumbrance, adverse claim or other matter insured against by this policy as affecting title to the estate or interest in the land);

(ii) any governmental agency or governmental instrumentality which is an insurer or guarantor under an insurance contract or guaranty insuring or guaranteeing the indebtedness secured by the insured mortgage, or any part thereof, whether named as an insured herein or not;

(iii) the parties designated in Section 2(a) of these Conditions and Stipulations.

(b) "insured claimant": an insured claiming loss or damage.

(c) "knowledge" or "known": actual knowledge, not constructive knowledge or notice which may be imputed to an insured by reason of the public records as defined in this policy or any other records which impart constructive notice of matters affecting the land.

(d) "land": the land described or referred to in Schedule A, and improvements affixed thereto which by law constitute real property. The term "land" does not include any property beyond the lines of the area described or referred to in Schedule A, nor any right, title, interest, estate or easement in abutting streets, roads, avenues, alleys, lanes, ways or waterways, but nothing herein shall modify or limit the extent to which a right of access to and from the land is insured by this policy.

(e) "mortgage": mortgage, deed of trust, trust deed, or other security instrument.

(f) "public records": records established under state statutes at Date of Policy for the purpose of imparting constructive notice of matters relating to real property to purchasers for value and without knowledge. With respect to Section 1(a)(iv) of the Exclusions From Coverage, "public records" shall also include environmental protection liens filed in the records of the clerk of the United States district court for the district in which the land is located.

(g) "unmarketability of the title": an alleged or apparent matter affecting the title to the land, not excluded or excepted from coverage, which would entitle a purchaser of the estate or interest described in Schedule A or the insured mortgage to be released from the obligation to purchase by virtue of a contractual condition requiring the delivery of marketable title.

2. CONTINUATION OF INSURANCE

(a) **After Acquisition of Title.** The coverage of this policy shall continue in force as of Date of Policy in favor of (i) an insured who acquires all or any part of the estate or interest in the land by foreclosure, trustee's sale, conveyance in lieu of foreclosure, or other legal manner which discharges the lien of the insured mortgage; (ii) a transferee of the estate or interest so acquired from an insured corporation, provided the transferee is the parent or wholly-owned subsidiary of the insured corporation, and their corporate successors by operation of law and not by purchase, subject to any rights or defenses the Company may have against any predecessor insureds; and (iii) any governmental agency or governmental instrumentality which acquires all or any part of the estate or interest pursuant to a contract of insurance or guaranty insuring or guaranteeing the indebtedness secured by the insured mortgage.

(b) **After Conveyance of Title.** The coverage of this policy shall continue in force as of Date of Policy in favor of an insured only so long as the insured retains an estate or interest in the land, or holds an indebtedness secured by a purchase money mortgage given by a purchaser from the insured, or only so long as the insured shall have liability by reason of covenants of warranty made by the insured in any transfer or conveyance of the estate or interest. This policy shall not continue in force in favor of any

purchaser from the insured of either (i) an estate or interest in the land, or (ii) an indebtedness secured by a purchase money mortgage given to the insured.

(c) Amount of Insurance. The amount of insurance after the acquisition or after the conveyance shall in neither event exceed the least of:

- (i) the Amount of Insurance stated in Schedule A;
- (ii) the amount of the principal of the indebtedness secured by the insured mortgage as of Date of Policy, interest thereon, expenses of foreclosure, amounts advanced pursuant to the insured mortgage to assure compliance with laws or to protect the lien of the insured mortgage prior to the time of acquisition of the estate or interest in the land and secured thereby and reasonable amounts expended to prevent deterioration of improvements, but reduced by the amount of all payments made; or

(iii) the amount paid by any governmental agency or governmental instrumentality, if the agency or instrumentality is the insured claimant, in the acquisition of the estate or interest in satisfaction of its insurance contract or guaranty.

3. NOTICE OF CLAIM TO BE GIVEN BY INSURED CLAIMANT

The insured shall notify the Company promptly in writing (i) in case of any litigation as set forth in Section 4(a) below, (ii) in case knowledge shall come to an insured hereunder of any claim of title or interest which is adverse to the title to the estate or interest or the lien of the insured mortgage, as insured, and which might cause loss or damage for which the Company may be liable by virtue of this policy, or (iii) if title to the estate or interest or the lien of the insured mortgage, as insured, is rejected as unmarketable. If prompt notice shall not be given to the Company, then as to the insured all liability of the Company shall terminate with regard to the matter or matters for which prompt notice is required; provided, however, that failure to notify the Company shall in no case prejudice the rights of any insured under this policy unless the Company shall be prejudiced by the failure and then only to the extent of the prejudice.

4. DEFENSE AND PROSECUTION OF ACTIONS; DUTY OF INSURED CLAIMANT TO COOPERATE

(a) Upon written request by the insured and subject to the options contained in Section 6 of these Conditions and Stipulations, the Company, at its own cost and without unreasonable delay, shall provide for the defense of an insured in litigation in which any third party asserts a claim adverse to the title or interest as insured, but only as to those stated causes of action alleging a defect, lien or encumbrance or other matter insured against by this policy. The Company shall have the right to select counsel of its choice (subject to the right of the insured to object for reasonable cause) to represent the insured as to those stated causes of action and shall not be liable for and will not pay the fees of any other counsel. The Company will not pay any fees, costs or expenses incurred by the insured in the defense of those causes of action which allege matters not insured against by this policy.

(b) The Company shall have the right, at its own cost, to institute and prosecute any action or proceeding or to do any other act which in its opinion may be necessary or desirable to establish the title to the estate or interest or the lien of the insured mortgage, as insured, or to prevent or reduce loss or damage to the insured. The Company may take any appropriate action under the term of this policy, whether or not it shall be liable hereunder, and shall not thereby concede liability or waive any provision of this policy. If the Company shall exercise its rights under this paragraph, it shall do so diligently.

(c) Whenever the Company shall have brought an action or interposed a defense as required or permitted by the provisions of this policy, the Company may pursue any litigation to final determination by a court of competent jurisdiction and expressly reserves the right, in its sole discretion, to appeal from any adverse judgment or order.

(d) In all cases where this policy permits or requires the Company to prosecute or provide for the defense of any action or proceeding, the insured shall secure to the Company the right to so prosecute or provide defense in the action or proceeding, and all appeals therein, and permit the Company to use, at its option, the name of the insured for this purpose. Whenever requested by the Company, the insured, at the Company's expense, shall give the Company all reasonable aid (i) in any action or proceeding, securing evidence, obtaining witnesses, prosecuting or defending the action or proceeding, or effecting settlement, and (ii) in any other lawful act which in the opinion of the Company may be necessary or desirable to establish the title to the estate or interest or the lien of the insured mortgage, as insured. If the Company is prejudiced by the failure of the insured to furnish the required cooperation, the Company's obligations to the insured under the policy shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation, with regard to the matter or matters requiring such cooperation.

5. PROOF OF LOSS OR DAMAGE

In addition to and after the notices required under Section 3 of these Conditions and Stipulations have been provided the Company, a proof of loss or damage signed and sworn to by the insured claimant shall be furnished to the Company within 90 days after the insured claimant shall ascertain the facts giving rise to the loss or damage. The proof of loss or damage shall describe the defect in, or lien or encumbrance on the title, or other matter insured against by this policy which constitutes the basis of loss or damage and shall state, to the extent possible, the basis of calculating the amount of the loss or damage. If the Company is prejudiced by the failure of the insured claimant to provide the required proof of loss or damage, the Company's obligations to the insured under the policy shall terminate, including any liability or obligation to

defend, prosecute, or continue any litigation, with regard to the matter or matters requiring such proof of loss or damage.

In addition, the insured claimant may reasonably be required to submit to examination under oath by any authorized representative of the Company and shall produce for examination, inspection and copying, at such reasonable times and places as may be designated by any authorized representative of the Company, all records, books, ledgers, checks, correspondence and memoranda, whether bearing a date before or after Date of Policy, which reasonably pertain to the loss or damage. Further, if requested by any authorized representative of the Company, the insured claimant shall grant its permission, in writing, for any authorized representative of the Company to examine, inspect and copy all records, books, ledgers, checks, correspondence and memoranda in the custody or control of a third party, which reasonably pertain to the loss or damage. All information designated as confidential by the insured claimant provided to the Company pursuant to this Section shall not be disclosed to others unless, in the reasonable judgment of the Company, it is necessary in the administration of the claim. Failure of the insured claimant to submit for examination under oath, produce other reasonably requested information or grant permission to secure reasonably necessary information from third parties as required in the above paragraph, unless prohibited by law or governmental regulation, shall terminate any liability of the Company under this policy as to that claim.

6. OPTIONS TO PAY OR OTHERWISE SETTLE CLAIMS; TERMINATION OF LIABILITY

In case of a claim under this policy, the Company shall have the following additional options:

(a) To Pay or Tender Payment of the Amount of Insurance or to Purchase the Indebtedness.

(i) to pay or tender payment of the amount of insurance under this policy together with any costs, attorneys' fees and expenses incurred by the insured claimant, which were authorized by the Company, up to the time of payment or tender of payment and which the Company is obligated to pay; or

(ii) to purchase the indebtedness secured by the insured mortgage for the amount owing thereon together with any costs, attorneys' fees and expenses incurred by the insured claimant which were authorized by the Company up to the time of purchase and which the Company is obligated to pay.

If the Company offers to purchase the indebtedness as herein provided, the owner of the indebtedness shall transfer, assign, and convey the indebtedness and the insured mortgage, together with any collateral security, to the Company upon payment therefore.

Upon the exercise by the Company of either of the options provided for in paragraphs a (i) or (ii), all liability and obligations to the insured under this policy, other than to make the payment required in those paragraphs, shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation, and the policy shall be surrendered to the Company for cancellation.

(b) To Pay or Otherwise Settle With Parties Other than the Insured or With the Insured Claimant.

(i) to pay or otherwise settle with other parties for or in the name of an insured claimant any claim insured against under this policy, together with any costs, attorneys' fees and expenses incurred by the insured claimant which were authorized by the Company up to the time of payment and which the Company is obligated to pay; or

(ii) to pay or otherwise settle with the insured claimant the loss or damage provided for under this policy, together with any costs, attorneys' fees and expenses incurred by the insured claimant which were authorized by the Company up to the time of payment and which the Company is obligated to pay.

Upon the exercise by the Company of either of the options provided for in paragraphs b(i) or (ii), the Company's obligations to the insured under this policy for the claimed loss or damage, other than the payments required to be made, shall terminate, including any liability or obligation to defend, prosecute or continue any litigation.

7. DETERMINATION AND EXTENT OF LIABILITY

This policy is a contract of indemnity against actual monetary loss or damage sustained or incurred by the insured claimant who has suffered loss or damage by reason of matters insured against by this policy and only to the extent herein described.

(a) The liability of the Company under this policy shall not exceed the least of:

(i) the Amount of Insurance stated in Schedule A, or, if applicable, the amount of insurance as defined in Section 2 (c) of these Conditions and Stipulations;

(ii) the amount of the unpaid principal indebtedness secured by the insured mortgage as limited or provided under Section 8 of these Conditions and Stipulations or as reduced under Section 9 of these Conditions and Stipulations, at the time the loss or damage insured against by this policy occurs, together with interest thereon; or

(iii) the difference between the value of the insured estate or interest as insured and the value of the insured estate or interest subject to the defect, lien or encumbrance insured against by this policy.

(b) In the event the insured has acquired the estate or interest in the manner described in Section 2(a) of these Conditions and Stipulations or has

conveyed the title, then the liability of the Company shall continue as set forth in Section 7(a) of these Conditions and Stipulations.

(c) The Company will pay only those costs, attorneys' fees and expenses incurred in accordance with Section 4 of these Conditions and Stipulations.

8. LIMITATION OF LIABILITY

(a) If the Company establishes the title, or removes the alleged defect, lien or encumbrance, or cures the lack of a right of access to or from the land, or cures the claim of unmarketability of title, or otherwise establishes the lien of the insured mortgage, all as insured, in a reasonably diligent manner by any method, including litigation and the completion of any appeals therefrom, it shall have fully performed its obligations with respect to that matter and shall not be liable for any loss or damage caused thereby.

(b) In the event of any litigation, including litigation by the Company or with the Company's consent, the Company shall have no liability for loss or damage until there has been a final determination by a court of competent jurisdiction, and disposition of all appeals therefrom, adverse to the title or to the lien of the insured mortgage, as insured.

(c) The Company shall not be liable for loss or damage to any insured for liability voluntarily assumed by the Insured in settling any claim or suit without the prior written consent of the Company.

(d) The Company shall not be liable for: (i) any indebtedness created subsequent to Date of Policy except for advances made to protect the lien of the insured mortgage and secured thereby and reasonable amounts expended to prevent deterioration of improvements; or (ii) construction loan advances made subsequent to Date of Policy, except construction loan advances made subsequent to Date of Policy for the purpose of financing in whole or in part the construction of an improvement to the land which at Date of Policy were secured by the insured mortgage and which the insured was and continued to be obligated to advance at and after Date of Policy.

9. REDUCTION OF INSURANCE; REDUCTION OR TERMINATION OF LIABILITY

(a) All payments under this policy, except payments made for costs, attorneys' fees and expenses, shall reduce the amount of the insurance pro tanto. However, any payments made prior to the acquisition of title to the estate or interest as provided in Section 2(a) of these Conditions and Stipulations shall not reduce pro tanto the amount of the insurance afforded under this policy except to the extent that the payments reduce the amount of the indebtedness secured by the insured mortgage.

(b) Payment in part by any person of the principal of the indebtedness, or any other obligation secured by the insured mortgage, or any voluntary partial satisfaction or release of the insured mortgage, to the extent of the payment, satisfaction or release, shall reduce the amount of insurance pro tanto. The amount of insurance may thereafter be increased by accruing interest and advances made to protect the lien of the insured mortgage and secured thereby, with interest thereon, provided in no event shall the amount of insurance be greater than the Amount of Insurance stated in Schedule A.

(c) Payment in full by any person or the voluntary satisfaction or release of the insured mortgage shall terminate all liability of the Company except as provided in Section 2(a) of these Conditions and Stipulations.

10. LIABILITY NONCUMULATIVE

If the insured acquires title to the estate or interest in satisfaction of the indebtedness secured by the insured mortgage, or any part thereof, it is expressly understood that the amount of insurance under this policy shall be reduced by any amount the Company may pay under any policy insuring a mortgage to which exception is taken in Schedule B or to which the insured has agreed, assumed, or taken subject, or which is hereafter executed by an insured and which is a charge or lien on the estate or interest described or referred to in Schedule A, and the amount so paid shall be deemed a payment under this policy.

11. PAYMENT OF LOSS

(a) No payment shall be made without producing this policy for endorsement of the payment unless the policy has been lost or destroyed, in which case proof of loss or destruction shall be furnished to the satisfaction of the Company.

(b) When liability and the extent of loss or damage has been definitely fixed in accordance with these Conditions and Stipulations, the loss or damage shall be payable within 30 days thereafter.

12. SUBROGATION UPON PAYMENT OR SETTLEMENT

(a) The Company's Right of Subrogation.

Whenever the Company shall have settled and paid a claim under this policy, all right of subrogation shall vest in the Company unaffected by any act of the insured claimant.

The Company shall be subrogated to and be entitled to all rights and remedies which the insured claimant would have had against any person or property in respect to the claim had this policy not been issued. If requested by the Company, the insured claimant shall transfer to the Company all rights and remedies against any person or property necessary in order to perfect this right of subrogation. The insured claimant shall permit the Company to sue, compromise or settle in the name of the insured claimant and to use the name of the insured claimant in any transaction or litigation involving these rights or remedies.

If a payment on account of a claim does not fully cover the loss of the insured claimant, the Company shall be subrogated to all rights and remedies of the insured claimant after the insured claimant shall have recovered its principal, interest, and costs of collection.

(b) The Insured's Rights and Limitations.

Notwithstanding the foregoing, the owner of the indebtedness secured by the insured mortgage, provided the priority of the lien of the insured mortgage or its enforceability is not affected, may release or substitute the personal liability of any debtor or guarantor, or extend or otherwise modify the terms of payment, or release a portion of the estate or interest from the lien of the insured mortgage, or release any collateral security for the indebtedness.

When the permitted acts of the insured claimant occur and the insured has knowledge of any claim of title or interest adverse to the title to the estate or interest or the priority or enforceability of the lien of the insured mortgage, as insured, the Company shall be required to pay only that part of any losses insured against by this policy which shall exceed the amount, if any, lost to the Company by reason of the impairment by the insured claimant of the Company's right of subrogation.

(c) The Company's Rights Against Non-Insured Obligor.

The Company's right of subrogation against non-insured obligors shall exist and shall include, without limitation, the rights of the insured to indemnities, guarantees, other policies of insurance or bonds, notwithstanding any terms or conditions contained in those instruments which provide for subrogation rights by reason of this policy.

The Company's right of subrogation shall not be avoided by acquisition of the insured mortgage by an obligor (except an obligor described in Section 1(a)(ii) of these Conditions and Stipulations) who acquires the insured mortgage as a result of an indemnity, guarantee, other policy of insurance, or bond and the obligor will not be an insured under this policy, notwithstanding Section 1(a)(i) of these Conditions and Stipulations.

13. ARBITRATION

Unless prohibited by applicable law, either the Company or the Insured may demand arbitration pursuant to the Title Insurance Arbitration Rules of the American Arbitration Association. Arbitrable matters may include, but are not limited to, any controversy or claim between the Company and the insured arising out of or relating to this policy, any service of the Company in connection with its issuance or the breach of a policy provision or other obligation. All arbitrable matters when the Amount of Insurance is \$1,000,000 or less shall be arbitrated at the option of either the Company or the insured. All arbitrable matters when the Amount of Insurance is in excess of \$1,000,000 shall be arbitrated only when agreed to by both the Company and the insured. Arbitration pursuant to this policy and under the Rules in effect on the date the demand for arbitration is made or, at the option of the insured, the Rules in effect at Date of Policy shall be binding upon the parties. The award may include attorneys' fees only if the laws of the state in which the land is located permit a court to award attorneys' fees to a prevailing party. Judgment upon the award rendered by the Arbitrator(s) may be entered in any court having jurisdiction thereof.

The law of the situs of the land shall apply to an arbitration under the Title Insurance Arbitration Rules.

A copy of the Rules may be obtained from the Company upon request.

14. LIABILITY LIMITED TO THIS POLICY; POLICY ENTIRE CONTRACT

(a) This policy together with all endorsements, if any, attached hereto by the Company is the entire policy and contract between the insured and the Company. In interpreting any provision of this policy, this policy shall be construed as a whole.

(b) Any claim of loss or damage, whether or not based on negligence, and which arises out of the status of the lien of the insured mortgage or of the title to the estate or interest covered hereby or by any action asserting such claim, shall be restricted to this policy.

(c) No amendment of or endorsement to this policy can be made except by a writing endorsed hereon or attached hereto signed by either the President, a Vice President, the Secretary, an Assistant Secretary, or validating officer or authorized signatory of the Company.

15. SEVERABILITY

In the event any provision of this policy is held invalid or unenforceable under applicable law, the policy shall be deemed not to include that provision and all other provisions shall remain in full force and effect.

(With Future Advance Clause)

1. **DATE AND PARTIES.** The date of this Mortgage (Security Instrument) is August 31, 2006 and the parties, their addresses and tax identification numbers, if required, are as follows:

MORTGAGOR: Ronnie F. Judy and J. Todd Judy
1872 Sandridge Road

☐ If checked, refer to the attached Addendum incorporated herein, for additional Mortgagors, their signatures and acknowledgments.

LENDER: The Citizens Bank
5730 Memorial Blvd.
St. George, SC 29477

2. **CONVEYANCE.** For good and valuable consideration, the receipt and sufficiency of which is acknowledged, and to secure the Secured Debt (defined below) and Mortgagor's performance under this Security Instrument, Mortgagor grants, bargains, conveys and mortgages to Lender the following described property:

SEE EXHIBIT "A"

The property is located in Dorchester at 1872 Sandridge Road
(County) (City) Dorchester, South Carolina 29437
(Address) (ZIP Code)

Together with all rights, easements, appurtenances, royalties, mineral rights, oil and gas rights, all water and riparian rights, ditches, and water stock and all existing and future improvements, structures, fixtures, and replacements that may now, or at any time in the future, be part of the real estate described above (all referred to as "Property").

3. **MAXIMUM OBLIGATION LIMIT.** The total principal amount secured by this Security Instrument at any one time shall not exceed \$100,000.00. This limitation of amount does not include interest and other fees and charges validly made pursuant to this Security Instrument. Also, this limitation does not apply to advances made under the terms of this Security Instrument to protect Lender's security and to perform any of the covenants contained in this Security Instrument. Interest under the Note will be deferred, accrued or capitalized; however, Mortgagee shall not be required to defer, accrue or capitalize any interest except as provided in the Note.

4. **SECURED DEBT AND FUTURE ADVANCES.** The term "Secured Debt" is defined as follows:

A. Debt incurred under the terms of all promissory note(s), contract(s), guaranty(s) or other evidence of debt described below and all their extensions, renewals, modifications or substitutions. (When referencing the debts below it is suggested that you include items such as borrowers' names, note amounts, interest rates, maturity dates, etc.)

21. **FINANCIAL REPORTS AND ADDITIONAL DOCUMENTS.** Mortgagor will provide to Lender upon request, any financial statement or information Lender may deem reasonably necessary. Mortgagor agrees to sign, deliver, and file any additional documents or certifications that Lender may consider necessary to perfect, continue, and preserve Mortgagor's obligations under this Security Instrument and Lender's lien status on the Property.
22. **JOINT AND INDIVIDUAL LIABILITY; CO-SIGNERS; SUCCESSORS AND ASSIGNS BOUND.** All duties under this Security Instrument are joint and individual. If Mortgagor signs this Security Instrument but does not sign an evidence of debt, Mortgagor does so only to mortgage Mortgagor's interest in the Property to secure payment of the Secured Debt and Mortgagor does not agree to be personally liable on the Secured Debt. If this Security Instrument secures a guaranty between Lender and Mortgagor, Mortgagor agrees to waive any rights that may prevent Lender from bringing any action or claim against Mortgagor or any party indebted under the obligation. These rights may include, but are not limited to, any anti-deficiency or one-action laws. Mortgagor agrees that Lender and any party to this Security Instrument may extend, modify or make any change in the terms of this Security Instrument or any evidence of debt without Mortgagor's consent. Such a change will not release Mortgagor from the terms of this Security Instrument. The duties and benefits of this Security Instrument shall bind and benefit the successors and assigns of Mortgagor and Lender.
23. **APPLICABLE LAW; SEVERABILITY; INTERPRETATION.** This Security Instrument is governed by the laws of the jurisdiction in which Lender is located, except to the extent otherwise required by the laws of the jurisdiction where the Property is located. This Security Instrument is complete and fully integrated. This Security Instrument may not be amended or modified by oral agreement. Any section in this Security Instrument, attachments, or any agreement related to the Secured Debt that conflicts with applicable law will not be effective, unless that law expressly or impliedly permits the variations by written agreement. If any section of this Security Instrument cannot be enforced according to its terms, that section will be severed and will not affect the enforceability of the remainder of this Security Instrument. Whenever used, the singular shall include the plural and the plural the singular. The captions and headings of the sections of this Security Instrument are for convenience only and are not to be used to interpret or define the terms of this Security Instrument. Time is of the essence in this Security Instrument.
24. **NOTICE.** Unless otherwise required by law, any notice shall be given by delivering it or by mailing it by first class mail to the appropriate party's address on page 1 of this Security Instrument, or to any other address designated in writing. Notice to one mortgagor will be deemed to be notice to all mortgagors.
25. **WAIVERS.** Except to the extent prohibited by law, Mortgagor waives all homestead exemption rights relating to the Property.
26. **OTHER TERMS.** If checked, the following are applicable to this Security Instrument:
- ☐ **Line of Credit.** The Secured Debt includes a revolving line of credit provision. Although the Secured Debt may be reduced to a zero balance, this Security Instrument will remain in effect until released.
 - ☐ **Construction Loan.** This Security Instrument secures an obligation incurred for the construction of an improvement on the Property.
 - ☐ **Fixture Filing.** Mortgagor grants to Lender a security interest in all goods that Mortgagor owns now or in the future and that are or will become fixtures related to the Property. Case # 95-C.P. 18-924

Ms. Marjorie McKissick
Clerk Of Court, Dorchester Cty.
P.O. Box 158
St. George, S.C. 29477

LARRY THOMAS MILLS
VS.
RONNIE JUDY

Dear Ms. McKissick:

gja
I am hereby requesting that you file a summons and complaint for me on Mr. Ronnie Judy for fraudulent misrepresentation of cattle. Mr. Judy advertised 20 purebred Santa Gertrudis cows with 12 calves and balance springing plus a registered Gelbvieh bull in the March '95 issue of the S.C. Market Bulletin. My wife and I visited his farm on Sand Ridge Rd. near St. George and purchased the cattle. Mr. Judy told us that he now had 15 calves and that the cows were 3 to 8 years old and that he had papers for about 12 of the cows and the rest were purebred stock. He also stated that he would register the Gelbvieh bull in my name. He had another young Santa Gertrudis / Limousin cross cow with a calf that we negotiated into my purchase for a total of 21 cows, a yearling bull and 15 calves at \$16,000. In a separate transaction my son also purchased 3 heifers for \$1500. My son is satisfied with his purchase because the heifers were as represented, but I am very unhappy since my purchase was grossly misrepresented by Mr. Judy.

It took three trips to get all the cattle and when I got down to pick up the final load I was expecting to get 7 calves and the balance of the cows but he had only 1 for me. I talked to him for well over an hour trying to resolve the missing calves and his only explanation was that he had miscounted them and said that all the cows would calve by May. He did finally agree to deduct \$200. from the \$16,000. price since the calves were not there. I very reluctantly agreed to this but told him that he was treating me unfairly on this point and that I should have gotten at least \$200. each for the 6 missing calves. Since I was not sure that I had the correct females already hauled for the calves that were at the farm I went ahead and took the final load, but there was no question about the fact that I felt I had been cheated. After I got home I had my cousin who is studying to be a veterinarian to look the cows over and give me his evaluation. The cows had been represented as 3 to 8 years old but my cousin said several of them appeared to be over 15 years old. He said that 7 of the cows were not purebred at all. I called Mr. Judy about my dissatisfaction and told him that I would like to return them all for a refund since he had not produced the registration papers for the 12 cows, 7 cows were not purebred, and the cows were older than he had represented them as, plus the missing calves. He said that he did not have the cash to refund my money. I then made an agreement with him to return 5 cows and a calf in exchange for 7 bred heifers. He kept putting me off on making the exchange due to various farming activities that he said kept him from having the time to catch the

heifers. We finally set a firm date of July 29 to make the exchange and I had the cows loaded and was ready to pull out when he called to say he had not put the heifers up. I told him I wanted to come anyway and either get the 7 heifers or a check for \$3810. He then said he was not going to let me have 7 heifers as he had agreed to do but would only let me have 5 and then only when he got around to catching them. At that point I got upset with his constant lies and delay tactics trying to wear me down and told him I would seek relief through the court. I have been reluctant to do this since I have never gone to court before, but when the fifth cow died yesterday I decided that I was not going to let him get away with cheating me through fraudulent misrepresentation of the cattle. I am enclosing a check for \$55. to file my claim. I am aware of the long docket, but I do want to pursue my claim for the \$15800. I will be ready to return the 17 cows that are left plus the value of the 9 calves I picked up at such time as directed by the court. I only got 13 total calves from the 21 cows instead of the 20 that I had expected. One cow lost a calf after I traded with him but before I picked them up in April of 1995. I estimated the value of the 9 calves received to be \$1800. at the time of purchase. If you need to contact me I can be reached at the above address or by phone at (704)289-6344.

Sincerely Yours,

Larry T. Mills 12/18/95

Request for Summons and Complaint based on the following facts.

- The Seller never never furnished the 12 registration certificates on the Clarendon Cows as promised. In fact he never furnished even 1 certificate for the cattle I received. The certificates would have shown the age of the cattle and would have proved that he lied about the age of the cows. Unregistered cows would not have been worth the price I paid Judy for these cows.
- Seller represented the cows as 3 to 8 years of age. There are several cows which are 12 to 15 years of age and 3 cows have died due to age, 1 due to calving problems, and 1 calf was smashed by large cows due to improper loading for which I must accept my share of the blame since I assisted in the loading.
- Seller represented that 20 of the cows were purebred Santa Gertrudis. In fact there are at least 6 of those 20 that are mixed breed.
- Seller represented that 15 calves would be included plus the young half breed cow that he included in the sale had a calf so I should have received 16 calves. I only picked up 9 calves total.
- Seller represented that all cows were springing to calve by May. 8 cows never dropped a calf.
- Buyer is suing to recover \$15,800. paid to seller less the \$1800. value of the 9 calves received and would expect to return all living cows or settle as directed by judge hearing the case.

Dear Ronnie:

I am writing to advise you of my plans to sell the Santa Gertrudis Cows I purchased from you. I have tried to sell them at private treaty but although I have been able to get quite a few lookers I have not gotten a reasonable offer. As of this date 5 of the cows have died and I am now taking them all to the diagnostic laboratory to get a report on cause of death. The last two have both shown signs of stomach damage from severe worm infestations in the past. You must not have wormed them on a regular basis. Both of the last to die have been cows I tried to work out an equitable trade with you on but after you agreed to trade 7 springing heifers for the 5 cows you reneged on the deal after several weeks of put offs and then letting me load the cows up and start pulling out of the yard before you called to say you did not have the heifers up and would not honor what you had agreed to. It has always been my practice to honor any agreement I make regardless of the financial consequences to me. That is what I expected of you, just as I expected you to furnish the 12 registration certificates on the Clarendon cows. Then later you say you didn't get papers on the Clarendon cows after previously telling me that you got 20 registered heifers from Clarendon. I've always heard that if you lie it would catch up with you because you would forget what you had told. That certainly seems to be the case with you.

I am offering you a chance to get the remaining cows back, 16 head plus calves, for \$12000. and I will drop my pending lawsuit that is filed in district court for Dorchester County. Most of the oldest cows have died but there are still 3 that I am concerned about. I have wormed the cows, fed them well, and provided minerals for them. I have worked with cows for many years and have not experienced excessive problems with any breed until I got these cows. They are much older than you represented them as and the vets have seen loose teeth in both of the last 2 cows to die and neither of them had calves last year and were not bred when they died. They were obviously too old to breed. If you have any different ideas on ways to resolve our dispute I will try to be reasonable in settling the matter with you.

Sincerely Yours,

Larry T. Mills

Appeal From Dorchester County
Luke N. Brown, Jr., Circuit Court Judge

Unpublished Opinion No. 99-UP-208
Submitted February 9, 1999 - Filed March 24, 1999

AFFIRMED

M. Baron Stanton, of Stanton Law Offices, of Columbia, for
appellant.

Larry T. Mills, of Monroe, NC, pro se.

PER CURIAM: Larry T. Mills sued Ronnie F. Judy for breach of contract in connection with Mills's purchase of Judy's cows. The jury awarded Mills \$9,424, the difference between the amount Mills paid for the cows and the amount he received when he later sold the cows. Judy appeals the trial court's denial of his new trial motion based on after-discovered evidence. We affirm.

Mills bought twenty-five cows from Judy, most of them described by Judy as Clarendon-bred Santa Gertrudis Cows. Soon thereafter, Mills became dissatisfied with his purchase, claiming the cows he purchased were not as promised. After negotiations failed, Mills brought this suit in December 1995.

On January 25, 1996, Mills advised Judy of his intent to sell the Santa Gertrudis cows. On February 28, 1996, Mills sold some cows to Earl Rape for a total

MILLS v. JUDY

of \$12,800.00. Rape wrote two checks: one for \$6,000, and the other for \$6,800. At trial, Mills produced only the \$6,000 check.

On August 26, 1997, at the hearing on Judy's new trial motion, Judy argued that, based on Mills's failure to produce the \$6,800 check, the trial court should reconsider its earlier denials of Judy's new trial motions. According to Judy, the \$6,800 check established that Mills did not lose as much money on the transaction as he claimed at trial. The trial court denied the motion.

On appeal, Judy contends that the trial court erred by denying his motion for a new trial based on after-discovered evidence. We disagree.

"[A] motion for a new trial based on after-discovered evidence is addressed to the sound discretion of the trial court and its refusal to grant the motion will not be overturned on appeal unless an abuse of discretion amounting to an error of law is shown." Bettis v. Busbee, 283 S.C. 502, 505, 323 S.E.2d 536, 538 (Ct. App. 1984). To warrant a new trial on the ground of after-discovered evidence, an appellant must demonstrate that "the evidence has been discovered since the trial; that it is not merely cumulative or impeaching, but is material to the issue and such as would probably change the result; and that it could not have been discovered before the trial by the exercise of due diligence." Mutual Sav. & Loan Ass'n v. Monarch Ins. Co. of Ohio, 248 S.C. 272, 282, 149 S.E.2d 633, 638 (1966); accord Ortowski v. Ortowski, 237 S.C. 499, 504, 117 S.E.2d 860, 862 (1961).

In this case, Judy knew well more than a year before trial that Mills planned to sell the cattle, and the cows were sold at a livestock auction, not a private sale. Given these circumstances, we conclude that, through the exercise of due diligence, Judy could have discovered to whom Mills sold the cows and the terms of the sale. Judy thus could have presented the second check at trial to dispute the damages claimed by Mills. The trial court, therefore, properly denied Judy's motion for a new trial.¹ Accordingly, for the foregoing reasons, the decision of the trial court is hereby

AFFIRMED.

HOWELL, C.J., GOOLSBY and CONNOR, JJ., concur.

¹ Judy also contends the trial court applied the wrong standard to his motion, pointing to the court's statement at the hearing that Judy was asking the court "to reconsider your denial for a verdict non obstante verdicto." Because the trial court also stated that "this is information that should have been presented at the trial," we believe that the trial court applied the proper standard to Judy's motion. Moreover, given our conclusion that Judy could have discovered the \$6,800 check through the exercise of due diligence, any error by the trial court is harmless.

Dear Cheryl,

I just received the latest denial of Ronnie Judge's motion on Case 95-CP-18-924 Dated 5-4-2000 and wanted to write to you and give you my new address and daytime phone #. My mailing address is above and I can be reached at (828) 247-1125 or 1-800-266-3914.

I do not know where Sergeant Weathers is on the case now, but at last contact he was ready to advertise the sale of a piece of land that Ronnie owns jointly with his brother. I think Ronnie may have assigned his portion to his son but it was done after the judgement so its invalid. I would be most appreciative if you would give my new address and phone # to Sgt. Weathers as I can't find him since I've moved up here. He said I probably should not bid my judgement on the first sale offering since I could always do it on an upset bid if he didn't get enough to cover the judgement plus interest. I think the parcel has about 80 acres and Ronnie owns half.

Cheryl I feel like I've got friends in St. George and that it must be a pretty neat place with folks like you living there. If you see Judge Brown please give him my regards.

Sincerely

Army

DORCHESTER COUNTY

Plaintiff alleges as follows:

1. Plaintiff Ronnie Judy is a citizen and resident of the State of South Carolina, County of Dorchester.
2. Defendant Ray Nash is the sheriff of Dorchester County, State of South Carolina.
3. That Plaintiff has filed an action in the Dorchester Court of Common Pleas to force Walter Bailey, Solicitor of Dorchester County to prosecute Larry T. Mills for perjury and set aside the judgment of July 22, 1997.
4. The Sheriff has advertised Plaintiff's property for sale on October 2, 2000.
5. That on information and belief, the Sheriff should not be allowed to sell Plaintiff's property until this court receives the disposition of the proceedings to force prosecution of the perjury charge against Larry T. Mills.
6. That the sale of the property should be enjoined because it would cause irreparable harm to the Plaintiff.
7. That the judgment against Plaintiff was a result of Larry T. Mills' erroneous statements to the Court as to the price he actually received for the cattle in question.

8. That evidence presented to Solicitor Walter Bailey is enough to set aside the judgment when Larry T. Mills is prosecuted.

WHEREFORE, Plaintiff prays:

- a. An Order Staying the Sale of Plaintiff's property by a Sheriff's Sale pending the proceedings in the Court of Common Pleas.
- b. For such other further relief as this Court deems just and proper.

Honorable Luke Brown, Circuit Judge
Dorchester County Courthouse
St. George, S.C. 29477

Dear Judge Brown:

I am in receipt of Ronnie Judy's motion for a new trial on the grounds that evidence was tampered with. This is absolutely ridiculous and obviously an attempt by him to get out of the payment of the judgment I won on July 22nd on case 95-CP-18-924. The vet reports had notes that I made while talking to the vet 18 months ago and I changed the age on one of the reports because the vet said she was at least 10 years older than the 4 to 5 which I had told the clerk at the Griffin Clinic, but I certainly made no effort to modify the report. Everything official was typed and my notations were all hand written. The reports did not become evidence until July 22, 1997 when I asked that they be entered as such so that the jury could see them. I stated in court exactly what I had written in and why. I brought the action against Mr. Judy because he misrepresented the cows and gave me six cull cows instead of the registered Clarendon cows that I had traded for, he gave me nine calves when he had told me I would be getting 16 including the one half blood, and he failed to ever give registration papers for the Clarendon cows or the bull. He stated several times under oath that he gave \$2200. each for the Clarendon cows and that they were not registered. I'm sure from your experience that you know that unregistered cows have never brought even close to that kind of money. I feel like he never gave me the papers because the cows were much older than the 3 to 8 span that he represented them to be, plus he had kept six of the cows that were included in the sale. That is consistent with the shortage of calves.

He wants to make a case about the hauling and the weight loss which I see as irrelevant because the case was about failure to perform on the contract and failure to make any good faith effort to resolve the problem. I tried to get refund from the start and later tried to get him to trade other cows for the old cows he switched and he would never do anything even after he agreed to do the trade. He does not deserve a new trial to take up more of the courts time in a frivolous action. He even lied about the amount you told him I would settle for before the trial saying you told him \$7500. instead of the \$5000. I offered to accept. Now he wants to pay me \$5000. instead of the \$9424. award the jury decided on and is trying these delay tactics to pressure me to cave into him, but I feel I deserve the full amount and then some for all the losses I incurred because of his misrepresentation. I asked for nothing for the use of my land, my labor, my feed cost, my hauling expenses, or my health care costs for the year that the cows were here. I never tampered with any evidence, committed any fraud against the court, or committed any blatant misconduct. I told the truth and my wife who was a witness to the misrepresentation told the truth and we do not want to go through this trial again and trust that you will uphold your denial of his motion.

Sincerely Yours,

Larry T. Mills

Statement Of The Respondent

On December 20, 1995 Larry T. Mills (Mills) sued Ronnie F. Judy (Judy) seeking damages in the amount of \$14000. Less the value of the cows Mills offered to return to Judy for breach of a contract involving a sale of cows to Mills. Mills filed the action pro se (complaint). Judy, also pro se, denied all allegations in the complaint. (answer).

Judy requested a jury trial and jury trial was conducted on July 22, 1997 before the Honorable Luke N. Brown. Both parties proceeded pro se. The jury reached a verdict in favor of Mills for \$9424. Actual damages. Judy has since made motions for a new trial and motions were denied.

Judy's request for a new trial was supposedly based on new evidence, a second check that Mills received from Mr. Earl Rape when he disposed of the cattle in February of 1996. That is not evidence at all since the check had no relation to the Judy cattle. The second check in the amount of \$12800. Was for 10 Simmental cows that were purchased from Ron Long in a community called Midway near Lexington, N.C. in June of 1994, for 6 Santa Gertrudis cows purchased from Frank Watson in Waxhaw, N. C. and for veterinary supplies, ear tags, and cattle handling equipment worth \$800. Judy was advised of the reason for the two checks and what the second check was for several months ago and is using the appeal process as a delaying tactic to keep from paying the award. He begged and pleaded with Mills after the trial to accept \$5000. Or a lesser amount than the Jury awarded, after the trial; but Mills refused because Judy had been uncooperative with him at every opportunity to resolve the matter before the complaint was filed and after it was filed. When Judge Brown conferred with each party prior to the trial Mills offered to settle for \$5000. But Judy would not pay anything. Then after the trial Judy said he would have paid the \$5000., but that Judge Brown had told him it would take \$7500. That is just another of Judy's lies in this matter. Mills had Judge Brown to look at his notes in the courtroom and state again to Judy that the offer to settle was for \$5000. Judge Brown also called both parties to a joint meeting prior to the trial where the \$5000. Offer was made in the presence of both Mills and Judy and Judy again refused to pay anything.

On page 2 of the appeal it states that Judy was selling cows he had raised. This is also a lie. In the trial transcript on Pages 22 and 23 Judy stated that he had purchased the cattle from Clarendon Plantation, Martin Davey in Abbeville, S.C. and Riley Lumber Co. Just another example of Judy's problem with making a truthful statement. When Mills and his wife visited the Judy farm to look at the cows Judy represented them to be only Clarendon Plantation stock and their offspring. Judy said he had registration papers for 12 of the Santa Gertrudis cows which he would provide to Mills when the cows were picked up and assured Mills that the cows were from 3 to 8 years of age. Mills asked about the papers on each trip and Judy advised Mills each time that the papers were in his safe at another farm in Reevesville and that he would have them ready next trip. When he did not have them at the third trip he said he would mail them. After calling him several times he finally produced two registration certificates that were not for any of the cows Mills purchased and not for Clarendon bred cattle. It then became obvious to Mills that the cows were older than Judy had represented them to be because registration certificates show the birth date of the cow. Judy would have been caught in a lie about the ages he represented the cows to be if he had produced the papers. Judy stated at the trial that he had paid \$2200. Each for the Clarendon cows when they were young heifers. Anyone who is knowledgeable at all about cattle prices would know that the Clarendon cows would have had to have been registered and of a very exclusive pedigree to have ever sold for \$2200. Each as he stated on page 20 of the trial transcript. Judy advertised the cattle to have 12 calves with them. When Mills and his wife visited he stated that 3 additional Santa Gertrudis cows had calved for a total of 15 calves. Mills also decided to buy a

Santa Gertrudis - Limousin cross young cow that had a calf for a total of 16 calves. When Mills arrived to get the final load of cows and calves Judy only provided 9 total calves which was 7 short of the contract. A long argument ensued and the final result was a \$200. Reduction which was not suitable to Mills, but was reluctantly accepted because of the loads already transported and not knowing for sure which calves went with which cows. It was either go on Judy's terms or return all the cattle and I had already paid him \$5500. Which would have been a problem to get returned. After getting the cows all home Mills realized that several of the cows were not cows he had seen in the pasture when he made the contract to buy the herd. Mills called Judy and advised him of the different cows and the fact that these cows were far older than the 3 to 8 year range that the cows were sold to be and that they were not purebred Santa Gertrudis as he had advertised. Mills did not notice the switch when the cows were being loaded because he had been attacked by one of the Simmental cows on his farm and gotten some ribs cracked and severe contusions a couple months prior to making the Judy purchase and did not want to get closely involved with loading nervous cattle. When Mills described the brindle coloration of the cattle then Judy named the source he had bought them from. Mills told him that he was certain that he had not seen these cows and that Judy had switched these cows for the purebred cows and calves that Mills had contracted for because the cows Mills purchased were supposedly Clarendon or the offspring of Clarendon cows. This theory is consistent with the 7 missing calves that obviously were from the cows Judy switched and replaced with old cull cows from another source that were infertile. The switch was not acceptable to Mills and Mills wanted to return the entire herd less the calf that was killed in transport and Mills offered to take responsibility for the dead calf and deduct the value of that calf from the refund. Judy would not cooperate, so Mills in trying to work out some more settlement of the dispute offered to return the 5 oldest mixed brindle cows to Judy in exchange for 7 bred Santa Gertrudis - Limousin crossed heifers that Judy had advertised in the S.C. Market Bulletin. This amounted to a \$ for \$ trade of paid vs advertised prices and Judy agreed to make the trade and a date for the exchange was established. When the Mills' loaded the cows and were pulling out of the driveway Judy called and the Mills' son ran out and stopped them to talk to Judy on the phone. Judy said he did not have the heifers caught and reneged on the trade of 5 cows for 7 heifers and said he would only trade 5 for 5 and would only catch them at Judy's convenience. Mills said I'll just bring the 5 cows on down for a refund of \$3810. The actual price Mills paid Judy for the cows. Judy refused to give a refund, so Mills told him that he would take the matter to court for a settlement and then filed later with the Dorchester County Clerk. See pages 55, 13, 14, 15, & 16 of trial transcript.

After filing the complaint with the court Mills again tried to work out a settlement with Judy on January 25, 1996 offering to return the 16 surviving cows and any suckling calves for a refund of only \$12000. Mills had never been involved in a civil court case and was attempting to avoid it by resolving the matter at considerable loss to him. The \$12000. would have been \$5700. Less than Mills paid Judy for the herd less than a year earlier. Judy would not respond to this settlement offer, so Mills sold the cows to Mr. Earl Rape for \$6000. after 2 more had died on February 1, 1996. See page 31 and 32 of trial transcript. By this time Mills was so sick over the problems he had experienced with these cows that he decided to liquidate the Judy cows plus a group of Santa Gertrudis cows purchased from Frank Watson of Waxhaw, N.C. and a group of Simmentals purchased from Ron Long of Midway, N.C. hence the 2 checks from Earl Rape. Mills no longer wanted to be in the cattle business and also sold Mr. Earl Rape all his veterinary supplies of medicines, wormers, halters, veterinary instruments for administering medicines, cattle identification tags and installation equipment, cattle handling equipment etc. which Mr. Rape valued to be worth \$800. Mr. Rape made the best of 3 offers which Mills solicited from cattle buyers paying \$375. Each for the cows and bull. No special price consideration was given to the calves he received along with the cows because they were young suckling calves not large enough

to market separately. Mills felt that Mr. Rapes offer was fair and was more than he would expect to get at the livestock auction. Mr. Judy would not take the cows back and Mills had been advised by the clerks office that they were so far behind that it could be two years before the case would be heard, so he accepted what he felt was the best offer he would be able to get. Mills had spent so much time trying to keep the cows alive working on them in the cold and rain that he felt he was jeopardizing his own health and sanity to continue trying to keep them in hopes of a better price later. It was a year and a half later before the matter came before the court on July 22, 1997.

At the bottom of page 3 and on page 4 of the appeal Judy says that he was not advised of the sale of the cattle but in plaintiffs exhibit 9 Mills advised him that the cattle were going to be disposed of and gave him the option to take them back for \$5700. Less than Mills paid for them. Mills was not aware of any need to amend the complaint to reflect the sale of the cattle and no mention was made of the need to do so by the clerks office or by Judge Brown at the trial.

Judy had no basis for requesting a new trial because he knew the \$12,800. Check was not for cattle he had formerly owned and simply used this as another delaying tactic to keep from paying the judgment or hoping to find some error that could possibly prevent him from paying the award from the jury for \$9424. Actual damages. In the trial Mills did not ask for damages for time, feed costs, veterinary expenses or use of a very valuable farm with depreciation costs for lots of buildings and machinery used in the cattle operation at Spring Lake Farms. The jury questioned this and wanted to make the award higher to cover these costs, but Judge Brown advised them that since Mills had not sought compensation for those expenses that it could not be awarded. That was a mistake on Mills part because of his inexperience, but it was a very costly experience and Mills will not make that mistake again if the occasion arises to use this lesson.

On page 3 of the appeal Judy claims to have sold Mills 24 cows and a bull. Judy actually sold 21 cows, 3 unbred heifer calves, and a yearling bull. The trial transcript has a error calling the 3 heifers, three Herefords which is another breed of cattle not in this transaction. Its a typo and is in the transcript in several places on page 20 & 21. Anywhere you see Hereford read it as heifer. Also on page 3 of the appeal Judy says he tried to appease Mills by offering to trade some other cows. He never tried to appease Mills in any way and the idea for the trade came from Mills, not Judy after Judy had refused to give Mills a refund either for the entire herd or for the 5 oldest cows that were obviously not purebred Santa Gertrudis as advertised and not the cows observed on Judy's farm by the Mills'. Judy owned a large number of cows in many pastures and locations.

On page 4 of the appeal the reference to plaintiffs exhibit 5 (check for \$6000.) and plaintiffs exhibit 10 the Chester livestock auction statement showing \$2275.60 for 12 head of cattle. Only 9 head of those cattle technically should have been used in calculating the actual damages because one of the other 3 head was a Simmental bull purchased from Ron Long that was larger than the little Gelbvieh bull purchased from Judy and 2 calves that were born after the cows were purchased by Mills. If there was an error in the total number that died these 3 head would far more than cover the error to Judy's favor. On page 5 of the appeal Judy says that check 1016 which had nothing to do with the Judy cows was evidence that Mills had recovered \$15075. This is a lie and Judy knows it. Mills recovered only \$6000. (check 1015) plus the 9 calves that came with the cows which were sold at the Chester Livestock auction and only about 70% of that \$2275.60 was for cattle received from Judy and Mills had the expense of feeding and caring for them from very young suckling stage to weaning age. Based on the \$200. Credit Judy gave Mills for the 7 missing calves, Judy should only have received \$257. Of the \$2275.60 Mills got for the calves and the award should have been for \$11443. Plus several additional thousand dollars for time and

expenses during the time Mills cared for the cattle. Mills lost \$45211.26 in his beef cattle farming operation in 1995 and the Judy cows were the largest group on the farms.

Again on page 6 of the appeal Judy refers to the after discovered evidence knowing that the second check from Mr. Earl Rape was for a different group of cattle. With Judy's experience as a cattle trader there is no conceivable way that he could really believe that a trader of Earl Rapes experience would have paid \$750. Each for old unregistered cows in February of 1996. The market for old cows at that time was .15 to .18 per pound and none of the cows would have weighed over 1200 pounds and most would not have weighed over 1100 pounds each. If Mills had sold the cattle by the pound the most he could have recovered would have been \$215. Each and you couldn't hardly give a baby calf away at that time. Mr. Rape had to feed the cattle on through the summer and sell them off in small groups as stocker cattle to come out on them. The Judy cows would have brought less than \$3500. At the auction and Judy is certainly savvy enough to know that. Mr. Rape's only hope was to add pounds to the cows, grow the 10 calves out and hope to get more calves soon after the purchase. Mr. Rape said the cows all calved for him and he did in fact do O. K. on them after he added weight, the market got higher for beef, and he was able to sell some of them to other farmers as breeding stock. The old cull cows had died and the fact that the cows conceived and delivered calves is proof they were not starved to death on Mills farm as Judy tried to imply. If Judy had wanted to try to cut his losses he had the opportunity to take them back from Mills for \$5700. less than Mills paid Judy, but obviously he did not think they were worth \$12000. And felt that he had a chance to beat Mills who lives in North Carolina before a jury of his peers in Dorchester County, S.C. As it worked out the jury of his peers judged him to be a liar also and found a verdict in favor of Mills who had obviously worked very hard to settle the matter with Judy outside of the court at a substantial loss to Mills. Judy would not deal in a fair and forthright manner with Mills outside the court and even after a jury of his peers found in favor of Mills he continues to try to wrangle out of his responsibility to pay the damages awarded. Judy also points out on page 9 of the appeal that Mills intentionally falsified material evidence which is another lie. The change made on the autopsy report of one of the cows was notes made in hand writing while Mills was talking to the vet who did the autopsy. The vet said the cow was a good 10 years older than the 4 years Mills gave the clerk at the clinic when Mills took the cow in to be tested. Mills added a 1 to the left of the 4 that was typed in by the clerk prior to the autopsy. Mills also changed the 15 on the \$6000. Check to 16 because Mills forgot to add the Gelbvieh bull that had been a part of the Judy herd Mills purchased when Mills was making the check out for Mr. Rape to sign. When Mills realized the mistake he changed the number to reflect the 16 that came from Judy. Mills was not thinking of either document as evidence at the time the changes were made because he had never been involved in a civil suit before and had no idea what would occur in court. Mills was always in hopes that the case could be settled out of court and made every effort to do so. Please review the evidence and find in favor of what is right by upholding the jury verdict in favor of Mills.

Statement From Mr. Earl Rape In The Matter of Mills Vs Judy Appeal

On February 1, 1996 I purchased the remaining cows and calves from the Spring Lake Farm herd from Mr. Larry Mills There were 31 cows, a Gelbvieh bull and about 10 calves. Some of the cows were Santa Gertrudis , some were Simmental and some were mixed. Mr. Mills asked that I pay him in two checks because he did not want to mix the Judy cows with the cows he had purchased from two other sources. There were 16 of the Judy cows ,but the check only reflected 15 due to a mistake made by Mr. Mills when he filled it out for me in my pickup at the time of loading. I purchase approximately 300 head of cows annually and I do not keep accurate records, but the 32 grown head are firm in my mind because that is what I was basing the price upon. I also got about \$800. worth of vet supplies, ear tags, and equipment. I was figuring the grown cows and the bull at \$375. per head and not putting a valuation on the calves since a number of the cows were ready to calve at the time of purchase and the calves I got were all very young suckling calves. I disposed of the cows in several different ways, some went to neighbors to be used as breeding stock, some went as feeders and some went to the cattle auctions. I do not keep individual record of sales on each group of cattle I buy, but to the best of my memory the above is an accurate account of what I purchased from Larry Mills. The \$6000. check was for the Judy cows and a separate check for \$6800. covered the other 16 cows and the supplies.

Honorable Margie C. McKissick

Dear Ms. McKissick:

I have received an order from the SC Court Of Appeals which was submitted February 9, 1999 and filed March 24, 1999 as Opinion 99-UP-208 which Affirms Judge Browns rulings in the trial and subsequent rulings in regard to Ronnie Judy's Motions for a new trial. The Judgment awarded by the court to me in case 95-CP-18-924 was for \$9424. Plus interest at 14% since July 22, 1997. Judy has used every angle possible to avoid paying this judgment and I feel that the only way for me to get paid is to serve papers on him for attachment of his real property to be sold at auction to cover the amount he has owed for almost 2 years now.

I understand that a \$25. Filing fee is required to attach his property and have therefore enclosed a check for that amount which should be added to the judgment amount since it is a cost of collection of debt he owes.

Thank you for handling this and if you need me I may be contacted at (704) 289-6344 or at the address at top of this letter. I shall look forward to hearing from you and hope that this case can be resolved without further delay.

Sincerely Yours,

Dear Ms. McKissick:

I received an Order today from The Supreme Court Of South Carolina, which denies Ronnie Judy's petition for a writ of certiorari and upholds the original judgment awarded to me by Judge Luke Brown on July 22, 1997 of \$9424. Plus interest at 14% since that date. I am also filing herewith a request for \$750. for my costs involved in answering all the various filings through the Appeals Court and the Supreme Court over the past two years. I feel that this is a very conservative estimate considering the many hours spent, materials used and postage paid for all the letters and briefs filed.

I sent you a check for \$25. To cover the costs for serving Ronnie Judy with the necessary papers to force the sale of whatever assets that may be required to cover the judgment and related costs for interest and the appeals costs which I expect to be reimbursed for. If he does not make immediate payment of the money he owes me I want him served and I am ready to do whatever is required on my end to put this into action.

Please note my new address in Hartsville, S.C. and my new phone number is (843) 332-6058. I see that you were sent a copy of the order dated August 18, 1999 with the signatures of the Chief Justice and four Associate Justices by Daniel Shearhouse, Clerk of The Supreme Court of South Carolina. Thank you for handling this matter for me.

CLERK OF COURT
DORCHESTER COUNTY

The Plaintiff, Meherrin Agricultural & Chemical Company, complaining of the Defendant herein, would respectfully show unto this Court the following:

1. The Plaintiff is a corporation organized and existing pursuant to the laws of a state other than South Carolina, with its principal place of business in a state other than South Carolina, and which is authorized to transact business and transacts business within the State of South Carolina, County of Dorchester.

2. The Defendant is, upon information and belief, a citizen and resident of Dorchester County who owns property and transacts business with the Plaintiff in Dorchester County, South Carolina.

4. Heretofore, from January 31, 2005, through September 9, 2005, the Defendant entered into purchase contracts with the Plaintiff, whereby the Defendant agreed to purchase and did purchase various supplies from the Plaintiff. A copy of a statement summarizing Defendant's purchases and the amounts due and owing therefrom is attached hereto and incorporated herein as Exhibit B.

5. The Plaintiff fully complied with the terms of the purchase contracts and Defendant took delivery of all supplies.

6. Despite repeated demand for payment under the terms of the contracts, the Defendant has failed and refused to make payments when due and is in default.

7. As of June 30, 2006, the Defendant was indebted to the Plaintiff in the total sum of Twenty Four Thousand Two Hundred Thirty Nine and 63/100 (\$24,239.63) Dollars, said sum representing unpaid charges on said unpaid account, all pursuant to the terms of the above-referenced purchase contracts and Credit Application, plus interest at the rate of Eighteen (18%) percent and reasonable attorneys' fees.

8. The Plaintiff has declared the entire balance due and payable, and has demanded and does hereby demand payment of the same, but the Defendant has continually refused to pay said balance due, and there is presently due and owing to the Plaintiff by the Defendant the sum of Twenty Four Thousand Two Hundred Thirty Nine and 63/100 (\$24,239.63) Dollars, which amount represents principal as of June 30, 2006, as verified by the Affidavit of Jeffery T. Vinson

WHEREFORE, the Plaintiff prays for judgment against the Defendant in the sum of Twenty Four Thousand Two Hundred Thirty Nine and 63/100 (\$24,239.63) Dollars, plus all costs and expenses of this action, pre-judgment interest at the rate of Eighteen (18%) percent, attorneys' fees in the amount of Fifteen (15%) percent, and for such other and further relief as this Court may deem just and proper.
