Re: The State v. Nakia Johnson
Appellate Case No. 2015-001436

Dear Counsel:

Upon reviewing your record on appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or your appeal may be dismissed:

- The document is improperly paginated. Specifically, you must provide paginated numbers that correlate with the index and actual pages in the record on appeal. The numbers provided only correlate with the transcript pages. For example, there are not any paginated numbers on the sentence sheets and indictments at the end of Volume II of the record on appeal. Please provide an amended record on appeal with numbers in the index that directly correlate with numbers in the record and not just the transcript.

Very truly yours,

Jay A. Kitz
