ORDER GRANTING PLAINTIFF'S
PARTIAL MOTION FOR SUMMARY
JUDGMENT AND DENYING
DEFENDANT'S MOTION FOR PARTIAL
SUMMARY JUDGMENT

2015 JUN -2 PM 4:22
JULIE J. ARMSTRONG
CLERK OF COURT

FILED

This matter came before the Court on May 5, 2015, for hearing on the parties' cross-motions for partial summary judgment on the statute of limitations defense asserted by the Defendant. The Plaintiff, Wells Fargo Bank, N.A. ("Wells Fargo"), was represented at the hearing by its attorneys, Robert C. Byrd and A. Smith Podris, and the Defendant, Robert L. Freeman ("Freeman"), was represented by his attorneys, G. Trenholm Walker and Katie Fowler Monoc. Based on the pleadings, affidavits, memoranda of law submitted by both parties, the arguments of counsel, and the applicable law, the Court hereby grants Wells Fargo's Partial Motion for Summary Judgment and denies Freeman's Motion for Partial Summary Judgment.

FINDINGS OF FACT

This case arises out of a series of commercial loans (the "Loans") made by Wells Fargo in 2006 and 2007 to six different entities in which Freeman was a principal member. All the Loans were secured by mortgages on real estate, and all the Loans were personally and unconditionally guaranteed by Freeman.

In April 2010, all the Loans were amended pursuant to written loan modification agreements. Specifically, the loan modifications provided for interest-only monthly payments

and extended the maturity date of each of the Loans to June 15, 2011, at which time all unpaid amounts were due and payable in full.

In Fall of 2010, the borrowers stopped making the interest payments agreed to in the loan modifications. On November 22, 2010, Wells Fargo's lawyer sent the borrowers and Freeman a letter for each of the Loans advising them that the Loans were in default and reserving Wells Fargo's rights and remedies. On December 7, 2010, Wells Fargo's lawyer sent additional letters to the borrowers and Freeman notifying them that the default rate of interest would begin to accrue on each of the Loans. Finally, on May 19, 2011, Wells Fargo's lawyer sent letters to the borrowers and Freeman notifying them that Wells Fargo had elected to accelerate the balance of each of the Loans, and giving them until June 17, 2011 to pay the Loans in full.

From 2010 through 2013, Wells Fargo and Freeman worked together in a cooperative effort to reduce the outstanding balance of the subject Loans. Certain of the mortgaged properties were eventually sold by Freeman through private "short sales", to which Wells Fargo consented under certain terms and conditions outlined in letters executed by the borrowers and Freeman, and the rest of the mortgaged properties were sold through foreclosure actions in three different counties.

On October 30, 2013, after completion of the short sales and foreclosure sales, Wells Fargo commenced this action against Freeman, seeking a judgment for the unpaid deficiency amounts that remained due. In January 2015, Freeman was allowed to amend his Answer to assert the affirmative defense that the statute of limitations had run prior to the filing of the action.

Each of the written guaranties executed by Freeman contain the following attestation clause: **"IN WITNESS WHEREOF**, Guarantor, on the day and year first written above, has

caused this Unconditional Guaranty to be executed under seal.” This attestation clause is a one-sentence stand-alone paragraph located on the signature page just above Freeman’s signature line. The words “**IN WITNESS WHEREOF**” at the beginning of the clause are in bold and capitalized font.

In addition, the word “(SEAL)” appears next to Freeman’s signature line, beneath which line appears Freeman’s printed name “Robert L. Freeman”. The word “(SEAL)” is in all capital letters.

STANDARD OF REVIEW

Rule 56, SCRCP, requires the entry of summary judgment when there is no genuine issue as to any material fact and the moving party is entitled to judgment as a matter of law. See *Fleming v. Rose*, 350 S.C. 488, 494, 567 S.E.2d 857, 860 (2002). Although the moving party bears the initial burden of demonstrating the absence of a genuine issue of material fact, “this initial responsibility may be discharged by ‘showing’ – that is, pointing out to the trial court – that there is an absence of evidence to support the nonmoving party’s case.” *Baughman v. American Tel. and Tel. Co.*, 306 S.C. 101, 115, 410 S.E.2d 537, 545 (1991). Once the moving party makes this demonstration, the opposing party “must, under Rule 56(e), do more than simply show some metaphysical doubt as to the material facts but must come forward with specific facts showing that there is a *genuine issue for trial*.” *Id.* (emphasis in original); *Midland Mutual Life Ins. Co. v. Harrell*, 331 S.C. 394, 397, 503 S.E.2d 189, 190 (Ct. App. 1998). The nonmoving party must specifically set forth such facts “as would be admissible in evidence” to show that a true jury issue exists. Rule 56, SCRCP.

Importantly, Defendant carries the burden of proof for his affirmative defenses. *Cole v. S. C. Elec. & Gas, Inc.*, 355 S.C. 183, 195, 584 S.E.2d 405, 412 (Ct. App. 2003,) *aff’d as modified*, 362 S.C. 445, 608 S.E.2d 859 (2005) (citing *Lorick & Lowrance, Inc. v. Julius H.*

Walker & Co., 153 S.C. 309, 318, 150 S.E. 789, 792 (1929)) (“When a defendant interposes an affirmative defense, he becomes as to that matter the actor in the suit, and the burden of proof rests upon him to establish his affirmative defense by the preponderance of the evidence.”).

The purpose of summary judgment is to expedite disposition of cases which do not require the services of a fact finder. *Dawkins v. Fields*, 354 S.C. 58, 580 S.E.2d 433 (2003); *George v. Fabri*, 345 S.C. 440, 548 S.E.2d 868 (2001). Here, both parties have moved for summary judgment on the statute of limitations issue, agreeing that there are no genuine issues of material fact for trial on this issue.

CONCLUSIONS OF LAW

gen The statute of limitations applicable to “an action upon a sealed instrument, other than a sealed note and personal bond for the payment of money only” is twenty (20) years. S.C. Code Ann. §15-3-520(2). This Court finds and concludes that the guaranties executed by Freeman are “sealed instruments” and that the exception(s) do not apply. Accordingly, this action is subject to a twenty-year statute of limitations and therefore was timely filed as a matter of law.

1. The Guaranties are “Sealed Instruments”.

In determining whether an instrument is a “sealed instrument” for purposes of Section 15-3-520(2), the Court is restricted to the language used in the instrument itself:

Whenever it shall appear *from the attestation clause or from any other part of any instrument in writing* that it was the intention of the party or parties thereto that such instrument should be a sealed instrument then such instrument shall be construed to be, and shall have the effect of, a sealed instrument although no seal be actually attached thereto.

S.C. Code Ann. § 19-1-160 (emphasis added).

Each of the guaranties executed by Freeman, which are virtually identical, contains multiple indicia that the parties intended that the guaranties be “sealed instruments”. First, each

guaranty contain the same attestation clause expressly indicating the intent to seal: **“IN WITNESS WHEREOF**, Guarantor, on the day and year first written above, *has caused this Unconditional Guaranty to be executed under seal.*” (emphasis added). This clause is conspicuously set apart from the rest of the text by the bold and capitalized font of the words at the beginning of the one-sentence paragraph. Second, the word “(SEAL)” conspicuously appears in all capital letters next to Freeman’s signature, further evidencing the parties’ intent that the guaranties be under seal.

 In *South Carolina Dep’t of Soc. Servs. v. Winyah Nursing Homes, Inc.*, 282 S.C. 556, 561, 320 S.E.2d 464, 467 (Ct. App. 1984), the Court of Appeals held that the contracts at issue in that case “clearly” were sealed documents such that an action upon the contracts would fall within the twenty-year statute of limitations provided by Section 15-3-520(2). In determining that the contracts were executed under seal, the Court of Appeals focused on the fact that the contracts contained an attestation clause stating that “the parties hereto have set their hands and seals”, which the Court held evidenced an intent to seal. Moreover, the documents contained the notation “L.S.”¹ following the signatures of the parties.

More recently, in *Carolina Marine Handling, Inc. v. Lasch*, 363 S.C. 169, 609 S.E.2d 548 (Ct. App. 2005), the Court of Appeals considered whether a lease agreement was executed “under seal” so as to fall within the twenty-year statute of limitations. However, because the *only* reference to “seal” was in the “hands and seals” attestation clause, the Court of Appeals found that the lease agreement did not sufficiently evidence that it was executed under seal. *Id.* at 363 S.C. 174-75; 609 S.E.2d 551-52.

¹L.S. is an abbreviation for *Locus sigilli*, meaning “the place of the seal; the place occupied by the seal of written instruments”, and it serves the same purpose as a seal. *Carolina Marine Handling, Inc. v. Lasch*, 363 S.C. 169 at 174, 609 S.E.2d 548 at 551 (2005) (citing Black’s Law Dictionary, 948 (6th ed. 1990) and 68 Am.Jur. *Seals* §6 (2004)).

Importantly, the Court of Appeals in *Lasch* emphasized that the holding was limited to documents where the parties relied upon the “boilerplate [hands and seals] attestation clause, by itself”. *Id.* (emphasis in original). Unlike the agreement in *Lasch*, the guaranties in this case do not rely upon the “hands and seals” type of attestation provision to evidence intent to seal, but instead unequivocally and conspicuously state that Freeman “*has caused this Unconditional Guaranty to be executed under seal.*” (emphasis added).

Moreover, unlike *Lasch*, where the only to “seal” was the “boilerplate hands and seals” attestation provision, the guaranties executed by Freeman also contain the conspicuous notation “(SEAL)”, in all capital letters, next to Freeman’s signature line. As the Court of Appeals held in the *Winyah Nursing Homes* case, the use of a similar notation “clearly” evidences an intention that the instrument be sealed.

Finally, like the sealed agreement at issue in *Treadaway v. Smith*, 325 S.C. 367 (Ct. App. 1996), the guaranties at issue in this matter involve “future, contingent obligations.” *Lasch*, 363 S.C. at 173; 609 S.E.2d at 551. Specifically, the guaranties secure performance of all of the obligations outlined in the underlying notes and mortgages, including those not involving the payment of money.

Freeman relies upon, in part, the federal district court’s decision in *Midwest Dredge & Excavating, Inc. v. Bay Pointe Homeowner’s Assoc.*, 2007 U.S. Dist. LEXIS 99536, 2007 WL 7141921 (D.S.C. May 15, 2007). However, this Court finds the district court’s ruling to be distinguishable.

First, the federal court appears to have ignored the well-settled law in South Carolina and elsewhere that “L.S.” and “SEAL” are in fact interchangeable. In *Wallingford v. Western Union Tel. Co.*, 60 S.C. 201, 38 S.E. 443 (1901), the Supreme Court held that a deposition transcript

was properly "sealed" where the notary's certificate included the language "Witness my hand and official seal" and the notary public attached the word "Seal" to the jurat of the deposition. *See also Cook v. Cooper*, 59 S.C. 560, 38 S.E. 218 (1901) (holding that a deed was properly executed under seal where it contained the notation "seal" after the grantor's signature). In addition, both Black's Law Dictionary and the Am.Jur. 2d *Seals* article, which were both cited as authoritative by the Court of Appeals in *Lasch*, acknowledge that "(SEAL)" may be used in place of "L.S" with the same effect.

In addition, the federal court seemed to conclude that the appearance of the words "(PRINCIPAL)" and "(SURETY)", in parentheses, just prior to the word "(SEAL)" created some sort of ambiguity in that contract about whether the parentheticals were intended to simply mark the location on the page where a seal would have been placed if the parties had intended for the document to be under seal. Here, the word "(SEAL)" appears next to Freeman's signature line, below which his printed name appears, and there are no "stray parentheticals" similar to the ones in *Midwest Dredge*.

Finally, the federal court placed much emphasis on the anticipated six-month duration of the agreement to find that the parties did not intend for the twenty-year statute of limitations to apply. Here, however, the guaranties were executed as part of several mortgage loan transactions and undertook to guarantee performance of the covenants included in those notes and mortgages. Like sealed instruments, mortgage loan transactions also are subject to a twenty-year statute of limitations pursuant to Section 15-3-520, thus making the covenants of a note and mortgage enforceable for at least twenty years. Because the guarantor's future, contingent obligations can reasonably be expected to last as long as the underlying loan documents he guaranteed, this case is distinguishable from *Midwest Dredge*, where the federal court found that

a twenty-year statute of limitations “would serve no purpose in the context of a performance bond for the completion of contractual work which was scheduled to take less than six months to complete.”

Because the guaranties executed by Freeman contain not only an intentional and clear attestation clause but also the legally recognized “(SEAL)” in substitution of an actual physical seal, the Court finds and concludes that they fall within Section 19-1-160 and are therefore subject to the twenty-year statute of limitations.

The Court further finds and concludes that the exception(s) in Section 15-3-520(2) for “sealed notes and personal bonds for the payment of money only” do not apply to the guaranties in this case. Our Supreme Court has noted that guaranty agreements are not categorically excluded from Section 15-3-520(2). *See Transouth Financial Corp. v. Cochran*, 324 S.C. 290, 478 S.E.2d 63 (1996) (referring to a guarantor’s liability on a guaranty after a confession against a borrower had expired and stating that “pursuant to [Section 15-3-520(2)], an action upon a sealed instrument may be brought within the prescribed twenty year period.”) (emphasis added). The guaranties are neither “notes” nor “personal bonds” as described in the statute. Moreover, the guaranties expressly guaranteed performance of all obligations of the borrowers under the various Loans, which included multiple obligations other than “the payment of money only.”

The principal rule of statutory construction is to apply the intent of the legislature. *Bass v. Isochem*, 365 S.C. 454, 617 S.E.2d 369 (Ct. App. 2005). Legislative intent must prevail where it can be reasonably ascertained in the language of the statute. *McClanahan v. Richland County Council*, 350 S.C. 433, 567 S.E.2d 240 (2002); *Ray Bell Constr. Co. v. School Dist. of Greenville County*, 331 S.C. 19, 501 S.E.2d 725 (1998). Courts must look to the plain language of the statute in determining the legislative intent, *Bass v. Isochem*, 365 S.C. 454, 617 S.E.2d 369 (Ct.

App. 2005), while reading the statute “in a sense which harmonizes with its subject matter and accords with its general purpose,” *Univ. of S. Cal. v. Moran*, 365 S.C. 270, 276, 617 S.E.2d 135, 138 (Ct. App. 2005). Where a statute’s terms are “clear and unambiguous on their face,” the court must apply the literal meaning of the statute. *Id.* Importantly, “If there is any doubt as to which of two statutes [of limitation] applies, that doubt must be resolved in favor of the longest period, according to the great weight of authority.” *State v. Life Ins. Co. of Georgia*, 254 S.C. 286, 299, 175 S.E.2d 203, 209–10 (1970).

gn While Section 15-3-520(2) does not define “sealed notes and personal bonds for the payment of money only” the usual and customary meaning of the term “personal bond” appears to be different from the usual and customary meaning of the term “guaranty”, both in the modern sense of those terms, and as those terms were used historically. A “bond” creates a *primary* obligation on the part of the obligor, more akin to a promissory note, 11 C.J.S. *Bonds* § 2 (2014), whereas a “guaranty” creates a *secondary* obligation to perform in the event of the failure to perform by one who is primarily liable. 38A C.J.S. *Guaranty* § 1 (2014).

Moreover, the Supreme Court has held that where a sealed instrument involves an obligation *in addition to* the payment of money, the exception does not apply, and the limitations period is twenty years. *See Stelts v. Martin*, 90 S.C. 14, 72 S.E. 550 (1911); *Strain v. Babb*, 30 S.C. 342, 9 S.E. 271 (1889). In *Strain v. Babb*, the plaintiff sued the administrator of the Clerk of Court’s estate and the sureties on the official Clerk of Court’s bond, based on allegations that the Clerk of Court improperly executed his duties, causing harm to the plaintiff. In holding that the 20-year limitations period applied to the bonds, the Court reasoned that even the breach of the bond sounded in money damages, and the penalty was for a specific amount, the bond was “other than for the payment of money in the sense of the statute.” *Id.* The Court noted that the

bond was “in the nature of a covenant, a contract under seal, by which the obligors thereto bound themselves under the specified penalty to answer for the neglect of duty, if any, on the part of the clerk.” *Id.*

Here, the guaranties executed by Freeman provide that he was expressly guaranteeing the “timely payment *and performance of all liabilities and obligations* of the Borrower” under any Loan Documents, which are defined in the guaranties as expressly including security agreements and mortgages (emphasis added). The “Guaranteed Obligations” not only included the repayment of the loan indebtedness, but also included performance of various covenants under the Loan Documents, such as compliance with applicable environmental laws, enforcement of leases, subleases, and easements on the collateral property; maintenance of adequate property insurance, and maintenance of the collateral properties in good condition and repair. By their express terms, the guaranties assumed obligations greater than “the payment of money only”.

The South Carolina General Assembly could have expressly excluded “sealed guaranties” from the scope of the Section 15-3-520(2), but chose not to do so. It is not the province of the Court to rewrite statutes where a statute’s terms are “clear and unambiguous on their face.” *Univ. of S. Cal. v. Moran*, 365 S.C. 270, 276, 617 S.E.2d 135, 138 (Ct. App. 2005). Importantly, “If there is any doubt as to which of the two statutes [of limitation] applies, that doubt must be resolved in favor of the longest period, according to the great weight of authority.” *State v. Life Ins. Co. of Georgia*, 254 S.C. 286, 299, 175 S.E.2d 203, 209-10 (1970).

Accordingly, for the reasons set forth herein, the Court finds and concludes that the statute of limitations defense asserted by Freeman is insufficient as a matter of law, and Wells Fargo is entitled to summary judgment on this issue.²

² In light of the Court’s ruling that the statute of limitations is twenty years, it is not necessary to decide the other arguments presented by the parties, including whether the so-called mandatory acceleration provision in the

If any payment received by Bank under this Note or other Loan Documents is rescinded, avoided or for any reason returned by Bank because of any adverse claim or threatened action, the returned payment shall remain payable as an obligation of all persons liable under this Note or other Loan Documents as though such payment had not been made.

DEFINITIONS. Loan Documents. The term "Loan Documents", as used in this Note and the other Loan Documents, refers to all documents executed in connection with or related to the loan evidenced by this Note and any prior notes which evidence all or any portion of the loan evidenced by this Note, and any letters of credit issued pursuant to any loan agreement to which this Note is subject, any applications for such letters of credit and any other documents executed in connection therewith or related thereto, and may include, without limitation, a commitment letter that survives closing, a loan agreement, this Note, guaranty agreements, security agreements, security instruments, financing statements, mortgage instruments, any renewals or modifications, whenever any of the foregoing are executed, but does not include swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time). **Obligations.** The term "Obligations", as used in this Note and the other Loan Documents, refers to any and all indebtedness and other obligations under this Note, all other obligations under any other Loan Document(s), and all obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, whenever executed. **Certain Other Terms.** All terms that are used but not otherwise defined in any of the Loan Documents shall have the definitions provided in the Uniform Commercial Code.

LATE CHARGE. If any payments are not timely made, Borrower shall also pay to Bank a late charge equal to 5% of each payment past due for 15 or more days. This late charge shall not apply to payments due at maturity or by acceleration hereof, unless such late payment is in an amount not greater than the highest periodic payment due hereunder.

Acceptance by Bank of any late payment without an accompanying late charge shall not be deemed a waiver of Bank's right to collect such late charge or to collect a late charge for any subsequent late payment received.

If this Note is secured by owner-occupied residential real property located outside the state in which the office of Bank first shown above is located, the late charge laws of the state where the real property is located shall apply to this Note and the late charge shall be the highest amount allowable under such laws. If no amount is stated thereunder, the late charge shall be 5% of each payment past due for 10 or more days.

USURY. If at any time the effective interest rate under this Note would, but for this paragraph, exceed the maximum lawful rate, the effective interest rate under this Note shall be the maximum lawful rate, and any amount received by Bank in excess of such rate shall be applied to principal and then to fees and expenses, or, if no such amounts are owing, returned to Borrower.

Such information shall be true, complete, and accurate.

WAIVERS AND AMENDMENTS. No waivers, amendments or modifications of this Note and other Loan Documents shall be valid unless in writing and signed by an officer of Bank. No waiver by Bank of any Default shall operate as a waiver of any other Default or the same Default on a future occasion. Neither the failure nor any delay on the part of Bank in exercising any right, power, or remedy under this Note and other Loan Documents shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

Except to the extent otherwise provided by the Loan Documents or prohibited by law, each Borrower and each other person liable under this Note waives presentment, protest, notice of dishonor, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale and all other notices of any kind. Further, each agrees that Bank may (i) extend, modify or renew this Note or

THIS AGREEMENT is entered into as of February 29, 2008 by and between Bank and Borrower.

RECITALS

Bank is the holder of a Promissory Note, as modified from time to time, executed and delivered by Borrower, dated May 15, 2006, in the original principal amount of \$1,089,500.00 (the "Note");

Borrower and Bank have agreed to modify the terms of the Note.

In consideration of Bank's continued extension of credit and the agreements contained herein, the parties agree as follows:

AGREEMENT

ACKNOWLEDGMENT OF BALANCE. Borrower acknowledges that the most recent Commercial Loan Invoice sent to Borrower with respect to the Obligations under the Note is correct.

MODIFICATIONS.

1. The Note is hereby modified by deleting the provisions in the Note establishing the applicable interest rate and any indemnification or prepayment obligations, and substituting the following in their place and stead:

INTEREST RATE. Interest shall accrue on the unpaid principal balance of this Note at the rate of 5.45% ("Interest Rate").

DEFAULT RATE. In addition to all other rights contained in this Note, if a Default (as defined herein) occurs and as long as a Default continues, all outstanding Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank or its affiliates, shall bear interest at the Interest Rate plus 3% ("Default Rate"). Interest and fees, if any, shall be computed on the basis of a 360-day year for the actual number of days in the applicable period ("Actual/360 Computation"). The Actual/360 Computation determines the annual effective yield by taking the stated (nominal) rate for a year's period and then dividing said rate by 360 to determine the daily periodic rate to be applied for each day in the applicable period. Application of the Actual/360 Computation produces an annualized effective rate exceeding the nominal rate.

PREPAYMENT ALLOWED. This Note may be prepaid in whole or in part at any time. Any prepayment shall include accrued interest and all other sums then due under any of the Loan Documents (as defined

DEFAULT RATE. In addition to all other rights contained in this Note, if a Default (as defined herein) occurs and as long as a Default continues, all outstanding Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank or its affiliates, shall bear interest at the Interest Rate plus 3% ("Default Rate"). The Default Rate shall also apply from acceleration until the Obligations or any judgment thereon is paid in full.

INTEREST AND FEE(S) COMPUTATION (ACTUAL/360). Interest and fees, if any, shall be computed on the basis of a 360-day year for the actual number of days in the applicable period ("Actual/360 Computation"). The Actual/360 Computation determines the annual effective yield by taking the stated (nominal) rate for a year's period and then dividing said rate by 360 to determine the daily periodic rate to be applied for each day in the applicable period. Application of the Actual/360 Computation produces an annualized effective interest rate exceeding the nominal rate.

REPAYMENT TERMS. This Note shall be due and payable in consecutive monthly payments of accrued interest only, commencing on February 15, 2008, and continuing on the same day of each month thereafter until fully paid. In any event, all principal and accrued interest shall be due and payable on January 15, 2010.

APPLICATION OF PAYMENTS. Monies received by Bank from any source for application toward payment of the Obligations shall be applied to accrued interest and then to principal. If a Default occurs, monies may be applied to the Obligations in any manner or order deemed appropriate by Bank.

If any payment received by Bank under this Note or other Loan Documents is rescinded, avoided or for any reason returned by Bank because of any adverse claim or threatened action, the returned payment shall remain payable as an obligation of all persons liable under this Note or other Loan Documents as though such payment had not been made.

DEFINITIONS. Loan Documents. The term "Loan Documents", as used in this Note and the other Loan Documents, refers to all documents executed in connection with or related to the loan evidenced by this Note and any prior notes which evidence all or any portion of the loan evidenced by this Note, and any letters of credit issued pursuant to any loan agreement to which this Note is subject, any applications for such letters of credit and any other documents executed in connection therewith or related thereto, and may include, without limitation, a commitment letter that survives closing, a loan agreement, this Note, guaranty agreements, security agreements, security instruments, financing statements, mortgage instruments, any renewals or modifications, whenever any of the foregoing are executed, but does not include swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time). **Obligations.** The term "Obligations", as used in this Note and the other Loan Documents, refers to any and all indebtedness and other obligations under this Note, all other obligations under any other Loan Document(s), and all obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, whenever executed. **Certain Other Terms.** All terms that are used but not otherwise defined in any of the Loan Documents shall have the definitions provided in the Uniform Commercial Code.

LATE CHARGE. If any payments are not timely made, Borrower shall also pay to Bank a late charge equal to 5% of each payment past due for 15 or more days. This late charge shall not apply to payments due at maturity or by acceleration hereof, unless such late payment is in an amount not greater than the highest periodic payment due hereunder.

Acceptance by Bank of any late payment without an accompanying late charge shall not be deemed a waiver of Bank's right to collect such late charge or to collect a late charge for any subsequent late payment received.

If this Note is secured by owner-occupied residential real property located outside the state in which the office of Bank first shown above is located, the late charge laws of the state where the real property is located shall apply to this Note and the late charge shall be the highest amount allowable under such

laws. If no amount is stated thereunder, the late charge shall be 5% of each payment past due for 10 or more days.

ATTORNEYS' FEES AND OTHER COLLECTION COSTS. Borrower shall pay all of Bank's reasonable expenses actually incurred to enforce or collect any of the Obligations including, without limitation, reasonable arbitration, paralegals', attorneys' and experts' fees and expenses, whether incurred without the commencement of a suit, in any trial, arbitration, or administrative proceeding, or in any appellate or bankruptcy proceeding.

USURY. If at any time the effective interest rate under this Note would, but for this paragraph, exceed the maximum lawful rate, the effective interest rate under this Note shall be the maximum lawful rate, and any amount received by Bank in excess of such rate shall be applied to principal and then to fees and expenses, or, if no such amounts are owing, returned to Borrower.

DEFAULT. If any of the following occurs, a default ("Default") under this Note shall exist: **Nonpayment; Nonperformance.** The failure of timely payment or performance of the Obligations or Default under this Note or any other Loan Documents. **False Warranty.** A warranty or representation made or deemed made in the Loan Documents or furnished Bank in connection with the loan evidenced by this Note proves materially false, or if of a continuing nature, becomes materially false. **Cross Default.** At Bank's option, any default in payment or performance of any obligation under any other loans, contracts or agreements of Borrower, any Subsidiary or Affiliate of Borrower, any general partner of or the holder(s) of the majority ownership interests of Borrower with Bank or its affiliates ("Affiliate" shall have the meaning as defined in 11 U.S.C. § 101, as in effect from time to time, except that the term "Borrower" shall be substituted for the term "Debtor" therein; "Subsidiary" shall mean any business in which Borrower holds, directly or indirectly, a controlling interest). **Cessation; Bankruptcy.** The death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or commencement of any bankruptcy or insolvency proceeding by or against Borrower, its Subsidiaries or Affiliates, if any, or any general partner of or the holder(s) of the majority ownership interests of Borrower, or any party to the Loan Documents. **Material Capital Structure or Business Alteration.** Without prior written consent of Bank, (i) a material alteration in the kind or type of Borrower's business or that of Borrower's Subsidiaries or Affiliates, if any; (ii) the sale of substantially all of the business or assets of Borrower, any of Borrower's Subsidiaries or Affiliates or any guarantor, or a material portion (10% or more) of such business or assets if such a sale is outside the ordinary course of business of Borrower, or any of Borrower's Subsidiaries or Affiliates or any guarantor, or more than 50% of the outstanding stock or voting power of or in any such entity in a single transaction or a series of transactions; (iii) the acquisition of substantially all of the business or assets or more than 50% of the outstanding stock or voting power of any other entity; or (iv) should any Borrower or any of Borrower's Subsidiaries or Affiliates or any guarantor enter into any merger or consolidation. **Material Adverse Change.** Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Obligations are impaired or there has occurred a material adverse change in the business or prospects of Borrower, financial or otherwise.

REMEDIES UPON DEFAULT. If a Default occurs under this Note or any Loan Documents, Bank may at any time thereafter, take the following actions: **Bank Lien.** Foreclose its security interest or lien against Borrower's deposit accounts and investment property without notice. **Acceleration Upon Default.** Accelerate the maturity of this Note and, at Bank's option, any or all other Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements; whereupon this Note and the accelerated Obligations shall be immediately due and payable; provided, however, if the Default is based upon a bankruptcy or insolvency proceeding commenced by or against Borrower or any guarantor or endorser of this Note, all Obligations (other than Obligations under any swap agreement as referenced above) shall automatically and immediately be due and payable. **Cumulative.** Exercise any rights and remedies as provided under the Note and other Loan Documents, or as provided by law or equity.

FINANCIAL AND OTHER INFORMATION. Borrower shall deliver to Bank such information as Bank may reasonably request from time to time, including without limitation, financial statements and information pertaining to Borrower's financial condition. Such information shall be true, complete, and accurate.

WAIVERS AND AMENDMENTS. No waivers, amendments or modifications of this Note and other Loan Documents shall be valid unless in writing and signed by an officer of Bank. No waiver by Bank of any Default shall operate as a waiver of any other Default or the same Default on a future occasion. Neither the failure nor any delay on the part of Bank in exercising any right, power, or remedy under this Note and other Loan Documents shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

Except to the extent otherwise provided by the Loan Documents or prohibited by law, each Borrower and each other person liable under this Note waives presentment, protest, notice of dishonor, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale and all other notices of any kind. Further, each agrees that Bank may (i) extend, modify or renew this Note or make a novation of the loan evidenced by this Note, and/or (ii) grant releases, compromises or indulgences with respect to any collateral securing this Note, or with respect to any Borrower or other person liable under this Note or any other Loan Documents, all without notice to or consent of each Borrower and other such person, and without affecting the liability of each Borrower and other such person; provided, Bank may not extend, modify or renew this Note or make a novation of the loan evidenced by this Note without the consent of the Borrower, or if there is more than one Borrower, without the consent of at least one Borrower; and further provided, if there is more than one Borrower, Bank may not enter into a modification of this Note which increases the burdens of a Borrower without the consent of that Borrower.

Bank's interests in and rights under this Note and the other Loan Documents are freely assignable, in whole or in part, by Bank. In addition, nothing in this Note or any of the other Loan Documents shall prohibit Bank from pledging or assigning this Note or any of the other Loan Documents or any interest therein to any Federal Reserve Bank. Borrower shall not assign its rights and interest hereunder without the prior written consent of Bank, and any attempt by Borrower to assign without Bank's prior written consent is null and void. Any assignment shall not release Borrower from the obligations. **Organization; Powers.** Borrower represents that Borrower (i) is (a) an adult individual and is *sui juris*, or (b) a corporation, general partnership, limited partnership, limited liability company or other legal entity, duly organized, validly existing and in good standing under the laws of its state of organization, and is authorized to do business in each other jurisdiction wherein its ownership of property or conduct of business legally requires such organization (ii) has the power and authority to own its properties and assets and to carry on its business as now being conducted and as now contemplated; and (iii) has the power and authority to execute, deliver and perform, and by all necessary action has authorized the execution, delivery and performance of, all of its obligations under this Note and any other Loan Document to which it is a party. **Compliance with Laws.** Borrower represents that Borrower and any subsidiary and affiliate of Borrower and any guarantor are in compliance in all respects with all federal, state and local laws, rules and regulations applicable to its properties, operations, business, and finances, including, without limitation, any federal or state laws relating to liquor (including 18 U.S.C. § 3617, et seq.) or narcotics (including 21 U.S.C. § 801, et seq.) and/or any commercial crimes; all applicable federal, state and local laws and regulations intended to protect the environment; and the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), if applicable. 12. Effectiveness of Guaranty. Guarantor hereby agrees to the terms contained herein and acknowledges (i) the modification of the Loan Documents as described herein and confirms that the Guaranty remains in full force and effect taking into account the modifications described in this Agreement; and (ii) hereby waives any and all claims against Bank, its successors and assigns, and its attorneys, for the execution of this Agreement, the consummation of the transactions contemplated herein, and/or with respect to the Loan Documents. Bank and the Obligors acknowledge and agree that this Agreement will be enforceable in accordance with its terms, notwithstanding that any guarantor might decline to execute this Agreement.

13. Release of Claims and Covenant Not to Sue. As a material inducement to Bank to enter into this Agreement, Obligors, jointly and severally, do hereby: (a) remise, release, acquit, satisfy and forever discharge Bank, and all of the past, present and future officers, directors, employees, agents, attorneys, representatives, participants, successors and assigns of Bank, from any and all claims, demands, liabilities, obligations, expenses, damages, judgments, executions and causes of action of any nature whatsoever, whether at law or in equity, either now accrued or hereafter maturing and whether known or unknown, which any Obligor now has or hereafter can, shall or may have by reason of any matter, cause or thing, from the beginning of the world to and including the date of this Agreement, including specifically, but without limitation, matters arising out of, in connection with or relating to (i) this Agreement, (ii) the Loan Documents or the obligations evidenced thereby, including, the administration or funding thereof, and (iii) any other relationship, agreement or transaction between any Obligor and Bank or any of their respective subsidiaries or affiliates; and (b) covenant and agree never to institute or cause to be instituted or continue prosecution of any suit or other form of action or proceeding of any kind or nature whatsoever against Bank or any subsidiaries or affiliates of Bank, or any of its past, present or future officers, directors, employees, agents, attorneys, representatives, participants, successors or assigns, by reason of or in connection with any of the foregoing matters, claims or causes of action, provided, however, that the foregoing release and covenant not to sue shall not apply to any claims arising after the date of this Agreement with respect to acts, occurrences or events which arise after the date of this Agreement.

14.1. Stay Relief. Obligors consent to the entry of an order granting Bank relief from the automatic stay of §362 of the Bankruptcy Code and shall not assert or request any other party to assert that the automatic stay provided by §362 of the Bankruptcy Code shall operate or be interpreted to stay, interdict, condition, reduce or inhibit the ability of Bank to enforce any rights it has under the Loan Documents or any other rights Bank has against any Obligor or against any property owned by any Obligor; and,

14.2. No Actions. Obligors shall not seek or request any other party to seek a supplemental stay or any other relief, whether injunctive or otherwise, to stay, interdict, condition, reduce or inhibit the ability of Bank to enforce any rights it has under the Loan Documents or any other rights Bank has against any Obligor or against any property which it owns.

16. No Novation. The Obligors agree that the execution of this Agreement or any documents contemplated by this Agreement or the consummation of any transaction contemplated by this Agreement shall constitute a modification of the Existing Loans and shall not be construed as a novation.

17. WAIVER OF JURY TRIAL. BANK AND OBLIGORS HEREBY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO WHICH OBLIGORS AND BANK MAY BE PARTIES ARISING OUT OF, IN CONNECTION WITH, OR IN ANY WAY PERTAINING TO, THIS AGREEMENT, THE NOTES, THE MORTGAGE, AND ANY OTHER LOAN DOCUMENTS. IT IS AGREED AND UNDERSTOOD THAT THIS WAIVER CONSTITUTES A WAIVER OF TRIAL BY JURY OF ALL CLAIMS AGAINST PARTIES WHO ARE NOT PARTIES TO THIS AGREEMENT. THIS WAIVER IS KNOWINGLY, WILLINGLY AND VOLUNTARILY MADE BY BANK, OBLIGORS AND BANK, OBLIGORS HEREBY REPRESENT THAT NO REPRESENTATIONS OF FACT OR OPINION HAVE BEEN MADE BY ANY INDIVIDUAL TO INDUCE THIS WAIVER OF TRIAL BY JURY OR TO IN ANY WAY MODIFY OR NULLIFY ITS EFFECT. 19. No Waiver. Bank may, in its discretion, from time to time waive or forbear from enforcing any provision contained in this Agreement, and no such waiver or forbearance shall be deemed a waiver by Bank of any other right or remedy provided herein or by law or be deemed a waiver of the right at any later time to enforce strictly all provisions herein contained and to exercise any and all remedies provided herein and by law.

20. Headings. The headings of the articles, sections and subsections of this Agreement are for the convenience of reference only, are not to be considered a part hereof, and shall not limit or otherwise affect any of the terms hereof or thereof.

21. Admissions. Obligors expressly acknowledge and agree that the waivers, estoppels and releases contained in this Agreement shall not be construed as an admission of wrongdoing, liability or culpability on the part of Bank or an admission by Bank of the existence of any claims of Obligors against Bank.

22. Construction of Agreement. Each party acknowledges that it has participated in the negotiation of this Agreement, and no provision of this Agreement shall be construed against or interpreted to the disadvantage of any party hereto by any court or other governmental or judicial authority by reason of such party having or being deemed to have structured, dictated or drafted such provision. Obligors acknowledge that at all times they have been represented by an attorney in the negotiation of the terms of and in the preparation and execution of this Agreement, or have voluntarily decided not to be represented by an attorney, and have had the opportunity to review and analyze this Agreement for a sufficient period of time prior to the execution and delivery thereof. No representations or warranties have been made by or on behalf of Bank, or relied upon by any Obligor, pertaining to the subject matter of this Agreement, other than those set forth in this Agreement. This Agreement embodies the entire agreement and understanding among the parties to the subject matter hereof and supersede all prior proposals, negotiations, agreements and understanding relating to such subject matter.

[Signatures commence on following page]

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

The laws of South Carolina provide that in any real estate foreclosure proceeding a defendant against whom a personal judgment is taken or asked may within thirty days after the sale of the mortgaged property apply to the court for an order of appraisal. The statutory appraisal value as approved by the court would be substituted for the high bid and may decrease the amount of any deficiency owing in connection with the transaction. **THE UNDERSIGNED HEREBY WAIVES AND RELINQUISHES THE STATUTORY APPRAISAL RIGHTS WHICH MEANS THE HIGH BID AT THE JUDICIAL FORECLOSURE SALE WILL BE APPLIED TO THE DEBT REGARDLESS OF ANY APPRAISED VALUE OF THE MORTGAGED PROPERTY.**

Further, the undersigned acknowledges receipt of written notification before this transaction that signing of a waiver of appraisal rights would be required during this transaction.

 (Hereinafter referred to as "Bank")

To induce Bank to make, extend or renew loans, advances, credit, or other financial accommodations to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, and in consideration of loans, advances, credit, or other financial accommodations made, extended or renewed to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, Guarantor hereby absolutely, irrevocably and unconditionally guarantees to Bank and its successors, assigns and affiliates the timely payment and performance of all liabilities and obligations of Borrower to Bank and its affiliates, including, but not limited to, all obligations under any notes, loan agreements, security agreements, letters of credit, instruments, accounts receivable, contracts, drafts, leases, chattel paper, indemnities, acceptances, repurchase agreements, overdrafts, and the Loan Documents, as defined below, and all obligations of Borrower to Bank or any of its affiliates under any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), however and whenever incurred or evidenced, whether primary, secondary, direct, indirect, absolute, contingent, due or to become due, now existing or hereafter contracted or acquired, and all modifications, extensions and renewals thereof, (collectively, the "Guaranteed Obligations").

Guarantor further covenants and agrees:

GUARANTOR'S LIABILITY. This Guaranty is a continuing and unconditional guaranty of payment and performance and not of collection. The parties to this Guaranty are jointly and severally obligated hereunder. This Guaranty does not impose any obligation on Bank to extend or continue to extend credit or otherwise deal with Borrower at any subsequent time. This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of the Guaranteed Obligations is rescinded, avoided or for any other reason must be returned by Bank, and the returned payment shall remain payable as part of the Guaranteed Obligations, all as though such payment had not been made. Except to the extent the provisions of this Guaranty give Bank additional rights, this Guaranty shall not be deemed to supersede or replace any other guaranties given to Bank by Guarantor; and the obligations guaranteed hereby shall be in addition to any other obligations guaranteed by Guarantor pursuant to any other agreement of guaranty given to Bank and other guaranties of the Guaranteed Obligations.

TERMINATION OF GUARANTY. Guarantor may terminate this Guaranty only by written notice, delivered personally to or received by certified or registered United States Mail by an authorized officer of Bank at the address for notices provided herein. Such termination shall be effective only with respect to Guaranteed Obligations arising more than 15 days after the date such written notice is received by said Bank officer. Such termination shall not be effective with respect to Guaranteed Obligations (including

any subsequent extensions, modifications or compromises of the Guaranteed Obligations) then existing, or Guaranteed Obligations arising subsequent to receipt by Bank of said notice if such Guaranteed Obligations are a result of Bank's obligation to make advances pursuant to a commitment, or are based on Borrower's obligations to make payments pursuant to any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), entered into prior to expiration of the 15 day notice period, or are a result of advances which are necessary for Bank to protect its collateral or otherwise preserve its interests. Termination of this Guaranty by any single Guarantor will not affect the existing and continuing obligations of any other Guarantor hereunder.

CONSENT TO MODIFICATIONS. Guarantor consents and agrees that Bank (and, with respect to swap obligations, its affiliates) may from time to time, in its sole discretion, without affecting, impairing, lessening or releasing the obligations of Guarantor hereunder: (a) extend or modify the time, manner, place or terms of payment or performance and/or otherwise change or modify the credit terms of the Guaranteed Obligations; (b) increase, renew, or enter into a novation of the Guaranteed Obligations; (c) waive or consent to the departure from terms of the Guaranteed Obligations; (d) permit any change in the business or other dealings and relations of Borrower or any other guarantor with Bank; (e) proceed against, exchange, release, realize upon, or otherwise deal with in any manner any collateral that is or may be held by Bank in connection with the Guaranteed Obligations or any liabilities or obligations of Guarantor; and (f) proceed against, settle, release, or compromise with Borrower, any insurance carrier, or any other person or entity liable as to any part of the Guaranteed Obligations, and/or subordinate the payment of any part of the Guaranteed Obligations to the payment of any other obligations, which may at any time be due or owing to Bank; all in such manner and upon such terms as Bank may deem appropriate, and without notice to or further consent from Guarantor. No invalidity, irregularity, discharge or unenforceability of, or action or omission by Bank relating to any part of the Guaranteed Obligations or any security therefor shall affect or impair this Guaranty.

WAIVERS AND ACKNOWLEDGMENTS. Guarantor waives and releases the following rights, demands, and defenses Guarantor may have with respect to Bank (and, with respect to swap obligations, its affiliates) and collection of the Guaranteed Obligations: (a) promptness and diligence in collection of any of the Guaranteed Obligations from Borrower or any other person liable thereon, and in foreclosure of any security interest and sale of any property serving as collateral for the Guaranteed Obligations; (b) any law or statute that requires that Bank (and, with respect to swap obligations, its affiliates) make demand upon, assert claims against, or collect from Borrower or other persons or entities, foreclose any security interest, sell collateral, exhaust any remedies, or take any other action against Borrower or other persons or entities prior to making demand upon, collecting from or taking action against Guarantor with respect to the Guaranteed Obligations, including any such rights Guarantor might otherwise have had under Va. Code §§ 49-25 and 49-26, et seq., N.C.G.S. §§ 26-7, et seq., Tenn. Code Ann. § 47-12-101, O.C.G.A. § 10-7-24, Mississippi Code Ann. Section 87-5-1, and any successor statute and any other applicable law; (c) any law or statute that requires that Borrower or any other person be joined in, notified of or made part of any action against Guarantor; (d) that Bank or its affiliates preserve, insure or perfect any security interest in collateral or sell or dispose of collateral in a particular manner or at a particular time, provided that Bank's obligation to dispose of Collateral in a commercially reasonable manner is not waived hereby; (e) notice of extensions, modifications, renewals, or novations of the Guaranteed Obligations, of any new transactions or other relationships between Bank, Borrower and/or any guarantor, and of changes in the financial condition of, ownership of, or business structure of Borrower or any other guarantor; (f) presentment, protest, notice of dishonor, notice of default, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale, and all other notices of any kind whatsoever to which Guarantor may be entitled; (g) the right to assert against Bank or its affiliates any defense (legal or equitable), set-off, counterclaim, or claim that Guarantor may have at any time against Borrower or any other party liable to Bank or its affiliates; (h) all defenses relating to invalidity, insufficiency, unenforceability, enforcement, release or impairment of Bank or its affiliates' lien on any collateral, of the Loan Documents, or of any other guaranties held by Bank; (i) any right to which Guarantor is or may become entitled to be subrogated to Bank or its affiliates' rights against Borrower or to seek contribution, reimbursement, indemnification, payment or the like, or

participation in any claim, right or remedy of Bank or its affiliates against Borrower or any security which Bank or its affiliates now has or hereafter acquires, until such time as the Guaranteed Obligations have been fully satisfied beyond the expiration of any applicable preference period; (j) any claim or defense that acceleration of maturity of the Guaranteed Obligations is stayed against Guarantor because of the stay of assertion or of acceleration of claims against any other person or entity for any reason including the bankruptcy or insolvency of that person or entity; and (k) the right to marshalling of Borrower's assets or the benefit of any exemption claimed by Guarantor. Guarantor acknowledges and represents that Guarantor has relied upon Guarantor's own due diligence in making an independent appraisal of Borrower, Borrower's business affairs and financial condition, and any collateral; Guarantor will continue to be responsible for making an independent appraisal of such matters; and Guarantor has not relied upon Bank or its affiliates for information regarding Borrower or any collateral.

FINANCIAL CONDITION. Guarantor warrants, represents and covenants to Bank and its affiliates that on and after the date hereof: (a) the fair saleable value of Guarantor's assets exceeds its liabilities, Guarantor is meeting its current liabilities as they mature, and Guarantor is and shall remain solvent; (b) all financial statements of Guarantor furnished to Bank are correct and accurately reflect the financial condition of Guarantor as of the respective dates thereof; (c) since the date of such financial statements, there has not occurred a material adverse change in the financial condition of Guarantor; (d) there are not now pending any court or administrative proceedings or undischarged judgments against Guarantor, no federal or state tax liens have been filed or threatened against Guarantor, and Guarantor is not in default or claimed default under any agreement; and (e) at such reasonable times as Bank requests, Guarantor will furnish Bank and its affiliates with such other financial information as Bank and its affiliates may reasonably request.

INTEREST AND APPLICATION OF PAYMENTS. Regardless of any other provision of this Guaranty or other Loan Documents, if for any reason the effective interest on any of the Guaranteed Obligations should exceed the maximum lawful interest, the effective interest shall be deemed reduced to and shall be such maximum lawful interest, and any sums of interest which have been collected in excess of such maximum lawful interest shall be applied as a credit against the unpaid principal balance of the Guaranteed Obligations. Monies received from any source by Bank or its affiliates for application toward payment of the Guaranteed Obligations may be applied to such Guaranteed Obligations in any manner or order deemed appropriate by Bank and its affiliates.

DEFAULT. If any of the following events occur, a default ("Default") under this Guaranty shall exist: (a) failure of timely payment or performance of the Guaranteed Obligations or a default under any Loan Document; (b) a breach of any agreement or representation contained or referred to in the Guaranty, or any of the Loan Documents, or contained in any other contract or agreement of Guarantor with Bank or its affiliates, whether now existing or hereafter arising; (c) the death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or the commencement of any insolvency or bankruptcy proceeding by or against Guarantor or any general partner of or the holder(s) of the majority ownership interests of Guarantor; and/or (d) Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Guaranteed Obligations are impaired or a material adverse change has occurred in the business or prospects of Borrower or Guarantor, financial or otherwise.

If a Default occurs, the Guaranteed Obligations shall be due immediately and payable without notice, other than Guaranteed Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) with Bank or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements, and, Bank and its affiliates may exercise any rights and remedies as provided in this Guaranty and other Loan Documents, or as provided at law or equity. Guarantor shall pay interest on the Guaranteed Obligations from such Default at the highest rate of interest charged on any of the Guaranteed Obligations.

ATTORNEYS' FEES AND OTHER COSTS OF COLLECTION. Guarantor shall pay all of Bank's and its affiliates' reasonable expenses incurred to enforce or collect any of the Guaranteed Obligations, including, without limitation, reasonable arbitration, paralegals', attorneys' and experts' fees and expenses, whether incurred without the commencement of a suit, in any suit, arbitration, or administrative proceeding, or in any appellate or bankruptcy proceeding.

SUBORDINATION OF OTHER DEBTS. Guarantor agrees: (a) to subordinate the obligations now or hereafter owed by Borrower to Guarantor ("Subordinated Debt") to any and all obligations of Borrower to Bank or its affiliates now or hereafter existing while this Guaranty is in effect, provided however that Guarantor may receive regularly scheduled principal and interest payments on the Subordinated Debt so long as (i) all sums due and payable by Borrower to Bank and its affiliates have been paid in full on or prior to such date, and (ii) no event or condition which constitutes or which with notice or the lapse of time would constitute an event of default with respect to the Guaranteed Obligations shall be continuing on or as of the payment date; (b) Guarantor will either place a legend indicating such subordination on every note, ledger page or other document evidencing any part of the Subordinated Debt or deliver such documents to Bank; and (c) except as permitted by this paragraph, Guarantor will not request or accept payment of or any security for any part of the Subordinated Debt, and any proceeds of the Subordinated Debt paid to Guarantor, through error or otherwise, shall immediately be forwarded to Bank by Guarantor, properly endorsed to the order of Bank, to apply to the Guaranteed Obligations.

Neither the failure nor any delay on the part of Bank or its affiliates in exercising any right, power, or privilege granted pursuant to this Guaranty and other Loan Documents shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise or the exercise of any other right, power or privilege. (Hereinafter referred to as "Bank")

To induce Bank to make, extend or renew loans, advances, credit, or other financial accommodations to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, and in consideration of loans, advances, credit, or other financial accommodations made, extended or renewed to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, Guarantor hereby absolutely, irrevocably and unconditionally guarantees to Bank and its successors, assigns and affiliates the timely payment and performance of all liabilities and obligations of Borrower to Bank and its affiliates, including, but not limited to, all obligations under any notes, loan agreements, security agreements, letters of credit, instruments, accounts receivable, contracts, drafts, leases, chattel paper, indemnities, acceptances, repurchase agreements, overdrafts, and the Loan Documents, as defined below, and all obligations of Borrower to Bank or any of its affiliates under any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), however and whenever incurred or evidenced, whether primary, secondary, direct, indirect, absolute, contingent, due or to become due, now existing or hereafter contracted or acquired, and all modifications, extensions and renewals thereof, (collectively, the "Guaranteed Obligations").

Guarantor further covenants and agrees:

GUARANTOR'S LIABILITY. This Guaranty is a continuing and unconditional guaranty of payment and performance and not of collection. The parties to this Guaranty are jointly and severally obligated together with all other parties obligated for the Guaranteed Obligations. This Guaranty does not impose any obligation on Bank to extend or continue to extend credit or otherwise deal with Borrower at any subsequent time. This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of the Guaranteed Obligations is rescinded, avoided or for any other reason must be returned by Bank, and the returned payment shall remain payable as part of the Guaranteed Obligations, all as though such payment had not been made. Except to the extent the provisions of this Guaranty give Bank additional rights, this Guaranty shall not be deemed to supersede or replace any other guaranties given to Bank by Guarantor; and the obligations guaranteed hereby shall be in addition to any other obligations guaranteed by Guarantor pursuant to any other agreement of guaranty given to Bank and other guaranties of the Guaranteed Obligations.

TERMINATION OF GUARANTY. Guarantor may terminate this Guaranty only by written notice, delivered personally to or received by certified or registered United States Mail by an authorized officer of Bank at the address for notices provided herein. Such termination shall be effective only with respect to

Guaranteed Obligations arising more than 15 days after the date such written notice is received by said Bank officer. Such termination shall not be effective with respect to Guaranteed Obligations (including any subsequent extensions, modifications or compromises of the Guaranteed Obligations) then existing, or Guaranteed Obligations arising subsequent to receipt by Bank of said notice if such Guaranteed Obligations are a result of Bank's obligation to make advances pursuant to a commitment, or are based on Borrower's obligations to make payments pursuant to any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), entered into prior to expiration of the 15 day notice period, or are a result of advances which are necessary for Bank to protect its collateral or otherwise preserve its interests. Termination of this Guaranty by any single Guarantor will not affect the existing and continuing obligations of any other Guarantor hereunder.

CONSENT TO MODIFICATIONS. Guarantor consents and agrees that Bank (and, with respect to swap obligations, its affiliates) may from time to time, in its sole discretion, without affecting, impairing, lessening or releasing the obligations of Guarantor hereunder: (a) extend or modify the time, manner, place or terms of payment or performance and/or otherwise change or modify the credit terms of the Guaranteed Obligations; (b) increase, renew, or enter into a novation of the Guaranteed Obligations; (c) waive or consent to the departure from terms of the Guaranteed Obligations; (d) permit any change in the business or other dealings and relations of Borrower or any other guarantor with Bank; (e) proceed against, exchange, release, realize upon, or otherwise deal with in any manner any collateral that is or may be held by Bank in connection with the Guaranteed Obligations or any liabilities or obligations of Guarantor; and (f) proceed against, settle, release, or compromise with Borrower, any insurance carrier, or any other person or entity liable as to any part of the Guaranteed Obligations, and/or subordinate the payment of any part of the Guaranteed Obligations to the payment of any other obligations, which may at any time be due or owing to Bank; all in such manner and upon such terms as Bank may deem appropriate, and without notice to or further consent from Guarantor. No invalidity, irregularity, discharge or unenforceability of, or action or omission by Bank relating to any part of the Guaranteed Obligations or any security therefor shall affect or impair this Guaranty.

WAIVERS AND ACKNOWLEDGMENTS. Guarantor waives and releases the following rights, demands, and defenses Guarantor may have with respect to Bank (and, with respect to swap obligations, its affiliates) and collection of the Guaranteed Obligations: (a) promptness and diligence in collection of any of the Guaranteed Obligations from Borrower or any other person liable thereon, and in foreclosure of any security interest and sale of any property serving as collateral for the Guaranteed Obligations; (b) any law or statute that requires that Bank (and, with respect to swap obligations, its affiliates) make demand upon, assert claims against, or collect from Borrower or other persons or entities, foreclose any security interest, sell collateral, exhaust any remedies, or take any other action against Borrower or other persons or entities prior to making demand upon, collecting from or taking action against Guarantor with respect to the Guaranteed Obligations, including any such rights Guarantor might otherwise have had under Va. Code §§ 49-25 and 49-26, et seq., N.C.G.S. §§ 26-7, et seq., Tenn. Code Ann. § 47-12-101, O.C.G.A. § 10-7-24, Mississippi Code Ann. Section 87-5-1, California Civil Code Section §§ 2787 to 2855 inclusive, and any successor statute and any other applicable law; (c) any law or statute that requires that Borrower or any other person be joined in, notified of or made part of any action against Guarantor; (d) that Bank or its affiliates preserve, insure or perfect any security interest in collateral or sell or dispose of collateral in a particular manner or at a particular time, provided that Bank's obligation to dispose of Collateral in a commercially reasonable manner is not waived hereby; (e) notice of extensions, modifications, renewals, or novations of the Guaranteed Obligations, of any new transactions or other relationships between Bank, Borrower and/or any guarantor, and of changes in the financial condition of, ownership of, or business structure of Borrower or any other guarantor; (f) presentment, protest, notice of dishonor, notice of default, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale, and all other notices of any kind whatsoever to which Guarantor may be entitled; (g) the right to assert against Bank or its affiliates any defense (legal or equitable), set-off, counterclaim, or claim that Guarantor may have at any time against Borrower or any other party liable to Bank or its affiliates; (h) all defenses relating to invalidity, insufficiency, unenforceability, enforcement, release or impairment of Bank or its affiliates' lien on any

collateral, of the Loan Documents, or of any other guaranties held by Bank; (i) any right to which Guarantor is or may become entitled to be subrogated to Bank or its affiliates' rights against Borrower or to seek contribution, reimbursement, indemnification, payment or the like, or participation in any claim, right or remedy of Bank or its affiliates against Borrower or any security which Bank or its affiliates now has or hereafter acquires, until such time as the Guaranteed Obligations have been fully satisfied beyond the expiration of any applicable preference period; (j) any claim or defense that acceleration of maturity of the Guaranteed Obligations is stayed against Guarantor because of the stay of assertion or of acceleration of claims against any other person or entity for any reason including the bankruptcy or insolvency of that person or entity; and (k) the right to marshalling of Borrower's assets or the benefit of any exemption claimed by Guarantor. Guarantor acknowledges and represents that Guarantor has relied upon Guarantor's own due diligence in making an independent appraisal of Borrower, Borrower's business affairs and financial condition, and any collateral; Guarantor will continue to be responsible for making an independent appraisal of such matters; and Guarantor has not relied upon Bank or its affiliates for information regarding Borrower or any collateral.

FINANCIAL CONDITION. Guarantor warrants, represents and covenants to Bank and its affiliates that on and after the date hereof: (a) the fair saleable value of Guarantor's assets exceeds its liabilities, Guarantor is meeting its current liabilities as they mature, and Guarantor is and shall remain solvent; (b) all financial statements of Guarantor furnished to Bank are correct and accurately reflect the financial condition of Guarantor as of the respective dates thereof; (c) since the date of such financial statements, there has not occurred a material adverse change in the financial condition of Guarantor; (d) there are not now pending any court or administrative proceedings or undischarged judgments against Guarantor, no federal or state tax liens have been filed or threatened against Guarantor, and Guarantor is not in default or claimed default under any agreement; and (e) at such reasonable times as Bank requests, Guarantor will furnish Bank and its affiliates with such other financial information as Bank and its affiliates may reasonably request.

INTEREST AND APPLICATION OF PAYMENTS. Regardless of any other provision of this Guaranty or other Loan Documents, if for any reason the effective interest on any of the Guaranteed Obligations should exceed the maximum lawful interest, the effective interest shall be deemed reduced to and shall be such maximum lawful interest, and any sums of interest which have been collected in excess of such maximum lawful interest shall be applied as a credit against the unpaid principal balance of the Guaranteed Obligations. Monies received from any source by Bank or its affiliates for application toward payment of the Guaranteed Obligations may be applied to such Guaranteed Obligations in any manner or order deemed appropriate by Bank and its affiliates.

DEFAULT. If any of the following events occur, a default ("Default") under this Guaranty shall exist: (a) failure of timely payment or performance of the Guaranteed Obligations or a default under any Loan Document; (b) a breach of any agreement or representation contained or referred to in the Guaranty, or any of the Loan Documents, or contained in any other contract or agreement of Guarantor with Bank or its affiliates, whether now existing or hereafter arising; (c) the death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or the commencement of any insolvency or bankruptcy proceeding by or against Guarantor or any general partner of or the holder(s) of the majority ownership interests of Guarantor; and/or (d) Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Guaranteed Obligations are impaired or a material adverse change has occurred in the business or prospects of Borrower or Guarantor, financial or otherwise.

If a Default occurs, the Guaranteed Obligations shall be due immediately and payable without notice, other than Guaranteed Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) with Bank or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements, and, Bank and its affiliates may exercise any rights and remedies as provided in this Guaranty and other Loan Documents, or as provided at law or equity.

Guarantor shall pay interest on the Guaranteed Obligations from such Default at the highest rate of interest charged on any of the Guaranteed Obligations.

ATTORNEYS' FEES AND OTHER COSTS OF COLLECTION. Guarantor shall pay all of Bank's and its affiliates' reasonable expenses incurred to enforce or collect any of the Guaranteed Obligations, including, without limitation, reasonable arbitration, paralegals', attorneys' and experts' fees and expenses, whether incurred without the commencement of a suit, in any suit, arbitration, or administrative proceeding, or in any appellate, or bankruptcy proceeding.

SUBORDINATION OF OTHER DEBTS. Guarantor agrees: (a) to subordinate the obligations now or hereafter owed by Borrower to Guarantor ("Subordinated Debt") to any and all obligations of Borrower to Bank or its affiliates now or hereafter existing while this Guaranty is in effect, provided however that Guarantor may receive regularly scheduled principal and interest payments on the Subordinated Debt so long as (i) all sums due and payable by Borrower to Bank and its affiliates have been paid in full on or prior to such date, and (ii) no event or condition which constitutes or which with notice or the lapse of time would constitute an event of default with respect to the Guaranteed Obligations shall be continuing on or as of the payment date; (b) Guarantor will either place a legend indicating such subordination on every note, ledger page or other document evidencing any part of the Subordinated Debt or deliver such documents to Bank; and (c) except as permitted by this paragraph, Guarantor will not request or accept payment of or any security for any part of the Subordinated Debt, and any proceeds of the Subordinated Debt paid to Guarantor, through error or otherwise, shall immediately be forwarded to Bank by Guarantor, properly endorsed to the order of Bank, to apply to the Guaranteed Obligations.

MISCELLANEOUS. Assignment. This Guaranty and other Loan Documents shall inure to the benefit of and be binding upon the parties and their respective heirs, legal representatives, successors and assigns. Bank's interests in and rights under this Guaranty and other Loan Documents are freely assignable, in whole or in part, by Bank. Any assignment shall not release Guarantor from the Guaranteed Obligations. **Organization; Powers.** Guarantor (i) is (a) an adult individual and is sui juris, or (b) a corporation, general partnership, limited partnership, limited liability company or other legal entity (as indicated below), duly organized, validly existing and in good standing under the laws of its state of organization, and is authorized to do business in each other jurisdiction wherein its ownership of property or conduct of business legally requires such organization, (ii) has the power and authority to own its properties and assets and to carry on its business as now being conducted and as now contemplated; and (iii) has the power and authority to execute, deliver and perform, and by all necessary action has authorized the execution, delivery and performance of, all of its obligations under this Guaranty and any other Loan Document to which it is a party. **Applicable Law; Conflict Between Documents.** This Guaranty shall be governed by and interpreted in accordance with federal law and, except as preempted by federal law, the laws of the state named in Bank's address on the first page hereof without regard to that state's conflict of laws principles. If the terms of this Guaranty should conflict with the terms of any commitment letter that survives closing, the terms of this Guaranty shall control. **Guarantor's Accounts.** Except as prohibited by law, Guarantor grants Bank and its affiliates a security interest in all of Guarantor's deposit accounts and investment properties maintained with Bank and its affiliates. **Jurisdiction.** Guarantor irrevocably agrees to non-exclusive personal jurisdiction in the state named in Bank's address on the first page hereof. **Severability.** If any provision of this Guaranty or of the other Loan Documents shall be prohibited or invalid under applicable law, such provision shall be ineffective but only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Guaranty or other Loan Documents. **Payments.** All payments shall be mailed to Commercial Loan Services, P. O. Box 740502, Atlanta, GA 30374-0502. **Notices.** Any notices to Guarantor shall be sufficiently given if in writing and mailed or delivered to Guarantor's address shown above or such other address as provided hereunder, and to Bank, if in writing and mailed or delivered to Wachovia Bank, National Association, Mail Code VA7628, P.O. Box 13327, Roanoke, VA 24040 or Wachovia Bank, National Association, Mail Code VA7628, 10 South Jefferson Street, Roanoke, VA 24011 or such other address as Bank may specify in writing from time to time. Notices to Bank must include the mail code. In the event that Guarantor changes Guarantor's address at any time prior to the date the Guaranteed Obligations are paid in full, Guarantor agrees to promptly give written notice of said change of address to

Bank by registered or certified mail, return receipt requested, all charges prepaid. **Plural; Captions.** All references in the Loan Documents to borrower, guarantor, person, document or other nouns of reference mean both the singular and plural form, as the case may be, and the term "person" shall mean any individual person or entity. The captions contained in the Loan Documents are inserted for convenience only and shall not affect the meaning or interpretation of the Loan Documents. **Binding Contract.** Guarantor by execution of and Bank by acceptance of this Guaranty agree that each party is bound to all terms and provisions of this Guaranty. **Amendments, Waivers and Remedies.** No waivers, amendments or modifications of this Guaranty and other Loan Documents shall be valid unless in writing and signed by an officer of Bank. No waiver by Bank or its affiliates of any Default shall operate as a waiver of any other Default or the same Default on a future occasion. Neither the failure nor any delay on the part of Bank or its affiliates in exercising any right, power, or privilege granted pursuant to this Guaranty and other Loan Documents shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise or the exercise of any other right, power or privilege. All remedies available to Bank or its affiliates with respect to this Guaranty and other Loan Documents and remedies available at law or in equity shall be cumulative and may be pursued concurrently or successively. **Partnerships.** If Guarantor is a partnership, the obligations, liabilities and agreements on the part of Guarantor shall remain in full force and effect and fully applicable notwithstanding any changes in the individuals comprising the partnership. The term "Guarantor" includes any altered or successive partnerships, and predecessor partnership(s) and the partners shall not be released from any obligations or liabilities hereunder. **Loan Documents.** The term "Loan Documents" refers to all documents executed in connection with or related to the Guaranteed Obligations and may include, without limitation, commitment letters that survive closing, loan agreements, other guaranty agreements, security agreements, instruments, financing statements, mortgages, deeds of trust, deeds to secure debt, letters of credit and any amendments or supplements (excluding swap agreements as defined in 11 U.S.C. § 101, as in effect from time to time). **LIMITATION ON LIABILITY; WAIVER OF PUNITIVE DAMAGES.** EACH OF THE PARTIES HERETO, INCLUDING BANK BY ACCEPTANCE HEREOF, AGREES THAT IN ANY JUDICIAL, MEDIATION OR ARBITRATION PROCEEDING OR ANY CLAIM OR CONTROVERSY BETWEEN OR AMONG THEM THAT MAY ARISE OUT OF OR BE IN ANY WAY CONNECTED WITH THIS AGREEMENT, THE LOAN DOCUMENTS OR ANY OTHER AGREEMENT OR DOCUMENT BETWEEN OR AMONG THEM OR THE OBLIGATIONS EVIDENCED HEREBY OR RELATED HERETO, IN NO EVENT SHALL ANY PARTY HAVE A REMEDY OF, OR BE LIABLE TO THE OTHER FOR, (1) INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES OR (2) PUNITIVE OR EXEMPLARY DAMAGES. EACH OF THE PARTIES HEREBY EXPRESSLY WAIVES ANY RIGHT OR CLAIM TO PUNITIVE OR EXEMPLARY DAMAGES THEY MAY HAVE OR WHICH MAY ARISE IN THE FUTURE IN CONNECTION WITH ANY SUCH PROCEEDING, CLAIM OR CONTROVERSY, WHETHER THE SAME IS RESOLVED BY ARBITRATION, MEDIATION, JUDICIALLY OR OTHERWISE. **Final Agreement.** This Agreement and the other Loan Documents represent the final agreement between the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent agreements of the parties. There are no unwritten agreements between the parties.

FINANCIAL AND OTHER INFORMATION. Guarantor shall deliver to Bank such information as Bank may reasonably request from time to time, including without limitation, financial statements and information pertaining to Guarantor's financial condition. PROMISSORY NOTE

\$500,000.00

December 7, 2006

SeaFree Edisto, Inc.
 Attention: Robert L. Freeman
 17 Lockwood Drive
 Charleston, South Carolina 29401
 (Hereinafter referred to as "Borrower")

Wachovia Bank, National Association
 Greenville, South Carolina 29601
 (Hereinafter referred to as "Bank")

Borrower promises to pay to the order of Bank, in lawful money of the United States of America, at its office indicated above or wherever else Bank may specify, the sum of Five Hundred Thousand and No/100 Dollars (\$500,000.00) or such sum as may be advanced and outstanding from time to time, with interest on the unpaid principal balance at the rate and on the terms provided in this Promissory Note (including all renewals, extensions or modifications hereof, this "Note").

USE OF PROCEEDS. Borrower shall use the proceeds of the loan(s) evidenced by this Note for the commercial purposes of Borrower, as follows: moving debt from AH to CLAS and from Good Hope Plantation LLC to SeaFree Edisto, Inc..

SECURITY. Borrower has granted Bank a security interest in the collateral described in the Loan Documents, including, but not limited to, real and personal property collateral described in that certain security instrument of even date herewith.

INTEREST RATE. Interest shall accrue on the unpaid principal balance of this Note from the date hereof at the rate of 6.9% ("Interest Rate").

DEFAULT RATE. In addition to all other rights contained in this Note, if a Default (as defined herein) occurs and as long as a Default continues, all outstanding Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank or its affiliates, shall bear interest at the Interest Rate plus 3% ("Default Rate"). The Default Rate shall also apply from demand until the Obligations or any judgment thereon is paid in full.

INTEREST AND FEES(S) COMPUTATION (ACTUAL/360). Interest and fees, if any, shall be computed on the basis of a 360-day year for the actual number of days in the applicable period ("Actual/360 Computation"). The Actual/360 Computation determines the annual effective yield by taking the stated (nominal) rate for a year's period and then dividing said rate by 360 to determine the daily periodic rate to be applied for each day in the applicable period. Application of the Actual/360 Computation produces an annualized effective rate exceeding the nominal rate.

PREPAYMENT ALLOWED. This Note may be prepaid in whole or in part at any time. Any prepayment shall include accrued interest and all other sums then due under any of the Loan Documents (as defined below). No partial prepayment shall affect Borrower's obligation to make any payment of principal or interest due under this Note on the date specified below in the Repayment Terms paragraph of this Note until this Note has been paid in full.

REPAYMENT TERMS. This Note shall be due and payable in consecutive monthly payments of accrued interest only, commencing on January 5, 2007, and continuing on the same day of each month thereafter until fully paid. In any event, all principal and accrued interest shall be due and payable on December 5, 2009.

APPLICATION OF PAYMENTS. Monies received by Bank from any source for application toward payment of the Obligations shall be applied to accrued interest and then to principal. If a Default occurs, monies may be applied to the Obligations in any manner or order deemed appropriate by Bank.

If any payment received by Bank under this Note or other Loan Documents is rescinded, avoided or for any reason returned by Bank because of any adverse claim or threatened action, the returned payment shall remain payable as an obligation of all persons liable under this Note or other Loan Documents as though such payment had not been made.

DEFINITIONS. Loan Documents. The term "Loan Documents", as used in this Note and the other Loan Documents, refers to all documents executed in connection with or related to the loan evidenced by this Note and any prior notes which evidence all or any portion of the loan evidenced by this Note, and any letters of credit issued pursuant to any loan agreement to which this Note is subject, any applications for such letters of credit and any other documents executed in connection therewith or related thereto, and may include, without limitation, a commitment letter that survives closing, a loan agreement, this Note, guaranty agreements, security agreements, security instruments, financing statements, mortgage instruments, any renewals or modifications, whenever any of the foregoing are executed, but does not include swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time). **Obligations.** The term "Obligations", as used in this Note and the other Loan Documents, refers to any and all indebtedness and other obligations under this Note, all other obligations under any other Loan Document(s), and all obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, whenever executed. **Certain Other Terms.** All terms that are used but not otherwise defined in any of the Loan Documents shall have the definitions provided in the Uniform Commercial Code.

LATE CHARGE. If any payments are not timely made, Borrower shall also pay to Bank a late charge equal to 5% of each payment past due for 15 or more days. This late charge shall not apply to payments due at maturity or by acceleration hereof, unless such late payment is in an amount not greater than the highest periodic payment due hereunder.

Acceptance by Bank of any late payment without an accompanying late charge shall not be deemed a waiver of Bank's right to collect such late charge or to collect a late charge for any subsequent late payment received.

If this Note is secured by owner-occupied residential real property located outside the state in which the office of Bank first shown above is located, the late charge laws of the state where the real property is located shall apply to this Note and the late charge shall be the highest amount allowable under such laws. If no amount is stated thereunder, the late charge shall be 5% of each payment past due for 10 or more days.

ATTORNEYS' FEES AND OTHER COLLECTION COSTS. Borrower shall pay all of Bank's reasonable expenses actually incurred to enforce or collect any of the Obligations including, without limitation, reasonable arbitration, paralegals', attorneys' and experts' fees and expenses, whether incurred without the commencement of a suit, in any trial, arbitration, or administrative proceeding, or in any appellate or bankruptcy proceeding.

USURY. If at any time the effective interest rate under this Note would, but for this paragraph, exceed the maximum lawful rate, the effective interest rate under this Note shall be the maximum lawful rate, and any amount received by Bank in excess of such rate shall be applied to principal and then to fees and expenses, or, if no such amounts are owing, returned to Borrower.

535080 (Rev 24.0)

DEFAULT. If any of the following occurs, a default ("Default") under this Note shall exist: **Nonpayment; Nonperformance.** The failure of timely payment or performance of the Obligations or Default under this Note or any other Loan Documents. **False Warranty.** A warranty or representation made or deemed made in the Loan Documents or furnished Bank in connection with the loan evidenced by this Note proves materially false, or if of a continuing nature, becomes materially false. **Cross Default.** At Bank's option, any default in payment or performance of any obligation under any other loans, contracts or agreements of Borrower, any Subsidiary or Affiliate of Borrower, any general partner of or the holder(s) of the majority ownership interests of Borrower with Bank or its affiliates ("Affiliate" shall have the meaning as defined in 11 U.S.C. § 101, as in effect from time to time, except that the term "Borrower" shall be substituted for the term "Debtor" therein; "Subsidiary" shall mean any business in which Borrower holds, directly or indirectly, a controlling interest). **Cessation; Bankruptcy:** The death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or commencement of any bankruptcy or insolvency proceeding by or against Borrower, its Subsidiaries or Affiliates, if any, or any general partner of or the holder(s) of the majority ownership interests of Borrower, or any party to the Loan Documents. **Material Capital Structure or Business Alteration.** Without prior written consent of Bank, (i) a material alteration in the kind or type of Borrower's business or that of Borrower's Subsidiaries or Affiliates, if any; (ii) the sale of substantially all of the business or assets of Borrower, any of Borrower's Subsidiaries or Affiliates or any guarantor, or a material portion (10% or more) of such business or assets if such a sale is outside the ordinary course of business of Borrower, or any of Borrower's Subsidiaries or Affiliates or any guarantor, or more than 50% of the outstanding stock or voting power of or in any such entity in a single transaction or a series of transactions; (iii) the acquisition of substantially all of the business or assets or more than 50% of the outstanding stock or voting power of any other entity; or (iv) should any Borrower or any of Borrower's Subsidiaries or Affiliates or any guarantor enter into any merger or consolidation. **Material Adverse Change.** Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Obligations are impaired or there has occurred a material adverse change in the business or prospects of Borrower, financial or otherwise.

REMEDIES UPON DEFAULT. If a Default occurs under this Note or any Loan Documents, Bank may at any time thereafter, take the following actions: **Bank Lien.** Foreclose its security interest or lien against Borrower's deposit accounts and investment property without notice. **Acceleration Upon Default.** Accelerate the maturity of this Note and, at Bank's option, any or all other Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements; whereupon this Note and the accelerated Obligations shall be immediately due and payable; provided, however, if the Default is based upon a bankruptcy or insolvency proceeding commenced by or against Borrower or any guarantor or endorser of this Note, all Obligations (other than Obligations under any swap agreement as referenced above) shall automatically and immediately be due and payable. **Cumulative.** Exercise any rights and remedies as provided under the Note and other Loan Documents, or as provided by law or equity.

FINANCIAL AND OTHER INFORMATION. Borrower shall deliver to Bank such information as Bank may reasonably request from time to time, including without limitation, financial statements and information pertaining to Borrower's financial condition. Such information shall be true, complete, and accurate.

WAIVERS AND AMENDMENTS. No waivers, amendments or modifications of this Note and other Loan Documents shall be valid unless in writing and signed by an officer of Bank. No waiver by Bank of any Default shall operate as a waiver of any other Default or the same Default on a future occasion. Neither the failure nor any delay on the part of Bank in exercising any right, power, or remedy under this Note and other Loan Documents shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

Except to the extent otherwise provided by the Loan Documents or prohibited by law, each Borrower and each other person liable under this Note waives presentment, protest, notice of dishonor, demand for

payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale and all other notices of any kind. Further, each agrees that Bank may (i) extend, modify or renew this Note or make a novation of the loan evidenced by this Note, and/or (ii) grant releases, compromises or indulgences with respect to any collateral securing this Note, or with respect to any Borrower or other person liable under this Note or any other Loan Documents, all without notice to or consent of each Borrower and other such person, and without affecting the liability of each Borrower and other such person; provided, Bank may not extend, modify or renew this Note or make a novation of the loan evidenced by this Note without the consent of the Borrower, or if there is more than one Borrower, without the consent of at least one Borrower; and further provided, if there is more than one Borrower, Bank may not enter into a modification of this Note which increases the burdens of a Borrower without the consent of that Borrower.

MISCELLANEOUS PROVISIONS. Assignment. This Note and the other Loan Documents shall inure to the benefit of and be binding upon the parties and their respective heirs, legal representatives, successors and assigns. Bank's interests in and rights under this Note and the other Loan Documents are freely assignable, in whole or in part, by Bank. In addition, nothing in this Note or any of the other Loan Documents shall prohibit Bank from pledging or assigning this Note or any of the other Loan Documents or any interest therein to any Federal Reserve Bank. Borrower shall not assign its rights and interest hereunder without the prior written consent of Bank, and any attempt by Borrower to assign without Bank's prior written consent is null and void. (Hereinafter referred to as "Borrower")

Wachovia Bank, National Association
Greenville, South Carolina 29601
(Hereinafter referred to as "Bank")

THIS AGREEMENT is entered into as of February 29, 2008 by and between Bank and Borrower.

RECITALS

Bank is the holder of a Promissory Note, as modified from time to time, executed and delivered by Borrower, dated December 7, 2006, in the original principal amount of \$500,000.00 (the "Note");

Borrower and Bank have agreed to modify the terms of the Note.

In consideration of Bank's continued extension of credit and the agreements contained herein, the parties agree as follows:

AGREEMENT

ACKNOWLEDGMENT OF BALANCE. Borrower acknowledges that the most recent Commercial Loan Invoice sent to Borrower with respect to the Obligations under the Note is correct.

MODIFICATIONS.

The Note is hereby modified by deleting the provisions in the Note establishing the applicable interest rate and any indemnification or prepayment obligations, and substituting the following in their place and stead:

INTEREST RATE. Interest shall accrue on the unpaid principal balance of this Note at the rate of 5.45% ("Interest Rate").

DEFAULT RATE. In addition to all other rights contained in this Note, if a Default (as defined herein) occurs and as long as a Default continues, all outstanding Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank or its affiliates, shall bear interest at the Interest Rate plus 3% ("Default Rate"). The Default Rate shall also apply from demand until the Obligations or any judgment thereon is paid in full.

INTEREST AND FEES(S) COMPUTATION (ACTUAL/360). Interest and fees, if any, shall be computed on the basis of a 360-day year for the actual number of days in the applicable period ("Actual/360 Computation"). The Actual/360 Computation determines the annual effective yield by taking the stated (nominal) rate for a year's period and then dividing said rate by 360 to determine the daily periodic rate to be applied for each day in the applicable period. Application of the Actual/360 Computation produces an annualized effective rate exceeding the nominal rate.

PREPAYMENT ALLOWED. This Note may be prepaid in whole or in part at any time. Any prepayment shall include accrued interest and all other sums then due under any of the Loan Documents (as defined below). No partial prepayment shall affect Borrower's obligation to make any payment of principal or

interest due under this Note on the date specified below in the Repayment Terms paragraph of this Note until this Note has been paid in full.

ACKNOWLEDGMENTS AND REPRESENTATIONS. Borrower acknowledges and represents that the Note and other Loan Documents, as amended hereby, are in full force and effect without any defense, counterclaim, right or claim of set-off; that, after giving effect to this Agreement, no default or event that with the passage of time or giving of notice would constitute a default under the Loan Documents has occurred, all representations and warranties contained in the Loan Documents are true and correct as of this date, all necessary action to authorize the execution and delivery of this Agreement has been taken; and this Agreement is a modification of an existing obligation and is not a novation.

COLLATERAL. Borrower acknowledges and confirms that there have been no changes in the ownership of any collateral pledged to secure the Obligations (the "Collateral") since the Collateral was originally pledged; Borrower acknowledges and confirms that the Bank has existing, valid first priority security interests and liens in the Collateral; and that such security interests and liens shall secure Borrower's Obligations, including any modification of the Note or Loan Agreement, if any, and all future modifications, extensions, renewals and/or replacements of the Loan Documents.

MISCELLANEOUS. This Agreement shall be construed in accordance with and governed by the laws of the applicable state as originally provided in the Loan Documents, without reference to that state's conflicts of law principles. This Agreement and the other Loan Documents constitute the sole agreement of the parties with respect to the subject matter thereof and supersede all oral negotiations and prior writings with respect to the subject matter thereof. No amendment of this Agreement, and no waiver of any one or more of the provisions hereof shall be effective unless set forth in writing and signed by the parties hereto. The illegality, unenforceability or inconsistency of any provision of this Agreement shall not in any way affect or impair the legality, enforceability or consistency of the remaining provisions of this Agreement or the other Loan Documents. This Agreement and the other Loan Documents are intended to be consistent. However, in the event of any inconsistencies among this Agreement and any of the Loan Documents, the terms of this Agreement, and then the Note, shall control. This Agreement may be executed in any number of counterparts and by the different parties on separate counterparts. Each such counterpart shall be deemed an original, but all such counterparts shall together constitute one and the same agreement. Terms used in this Agreement which are capitalized and not otherwise defined herein shall have the meanings ascribed to such terms in the Note. **LIMITATION ON LIABILITY; WAIVER OF PUNITIVE DAMAGES.** EACH OF THE PARTIES HERETO, INCLUDING BANK BY ACCEPTANCE HEREOF, AGREES THAT IN ANY JUDICIAL, MEDIATION OR ARBITRATION PROCEEDING OR ANY CLAIM OR CONTROVERSY BETWEEN OR AMONG THEM THAT MAY ARISE OUT OF OR BE IN ANY WAY CONNECTED WITH THIS AGREEMENT; THE LOAN DOCUMENTS OR ANY OTHER AGREEMENT OR DOCUMENT BETWEEN OR AMONG THEM OR THE OBLIGATIONS EVIDENCED HEREBY OR RELATED HERETO, IN NO EVENT SHALL ANY PARTY HAVE A REMEDY OF, OR BE LIABLE TO THE OTHER FOR, (1) INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES OR (2) PUNITIVE OR EXEMPLARY DAMAGES. EACH OF THE PARTIES HEREBY EXPRESSLY WAIVES ANY RIGHT OR CLAIM TO PUNITIVE OR EXEMPLARY DAMAGES THEY MAY HAVE OR WHICH MAY ARISE IN THE FUTURE IN CONNECTION WITH ANY SUCH PROCEEDING, CLAIM OR CONTROVERSY, WHETHER THE SAME IS RESOLVED BY ARBITRATION, MEDIATION, JUDICIALLY OR OTHERWISE. **Final Agreement.** This Agreement and the other Loan Documents represent the final agreement between the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent agreements of the parties. There are no unwritten agreements between the parties.

WAIVER OF JURY TRIAL. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH OF BORROWER BY EXECUTION HEREOF AND BANK BY ACCEPTANCE HEREOF, KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHT EACH MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT, THE LOAN DOCUMENTS OR ANY AGREEMENT CONTEMPLATED TO BE EXECUTED IN CONNECTION WITH THIS AGREEMENT, OR ANY COURSE OF CONDUCT, COURSE

OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY WITH RESPECT HERETO. THIS PROVISION IS A MATERIAL INDUCEMENT TO BANK TO ACCEPT THIS AGREEMENT. The proceeds from the Loan will not be used to fund any operations in, finance any investments or activities in, or make any payments to, a Sanctioned Person or a Sanctioned Country. 18. Headings. The headings of the articles, sections and subsections of this Agreement are for the convenience of reference only, are not to be considered a part hereof, and shall not limit or otherwise affect any of the terms hereof or thereof.

19. Admissions. [Signatures commence on following page]

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

The laws of South Carolina provide that in any real estate foreclosure proceeding a defendant against whom a personal judgment is taken or asked may within thirty days after the sale of the mortgaged property apply to the court for an order of appraisal. The statutory appraisal value as approved by the court would be substituted for the high bid and may decrease the amount of any deficiency owing in connection with the transaction. THE UNDERSIGNED HEREBY WAIVES AND RELINQUISHES THE STATUTORY APPRAISAL RIGHTS WHICH MEANS THE HIGH BID AT THE JUDICIAL FORECLOSURE SALE WILL BE APPLIED TO THE DEBT REGARDLESS OF ANY APPRAISED VALUE OF THE MORTGAGED PROPERTY.

Further, the undersigned acknowledges receipt of written notification before this transaction that signing of a waiver of appraisal rights would be required during this transaction.

(Hereinafter referred to as "Bank")

To induce Bank to make, extend or renew loans, advances, credit, or other financial accommodations to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, and in consideration of loans, advances, credit, or other financial accommodations made, extended or renewed to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, Guarantor hereby absolutely, irrevocably and unconditionally guarantees to Bank and its successors, assigns and affiliates the timely payment and performance of all liabilities and obligations of Borrower to Bank and its affiliates, including, but not limited to, all obligations under any notes, loan agreements, security agreements, letters of credit, instruments, accounts receivable, contracts, drafts, leases, chattel paper, indemnities, acceptances, repurchase agreements, overdrafts, and the Loan Documents, as defined below, and all obligations of Borrower to Bank or any of its affiliates under any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), however and whenever incurred or evidenced, whether primary, secondary, direct, indirect, absolute, contingent, due or to become due, now existing or hereafter contracted or acquired, and all modifications, extensions and renewals thereof, (collectively, the "Guaranteed Obligations").

Guarantor further covenants and agrees:

GUARANTOR'S LIABILITY. This Guaranty is a continuing and unconditional guaranty of payment and performance and not of collection. The parties to this Guaranty are jointly and severally obligated together with all other parties obligated for the Guaranteed Obligations. This Guaranty does not impose any obligation on Bank to extend or continue to extend credit or otherwise deal with Borrower at any subsequent time. This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of the Guaranteed Obligations is rescinded, avoided or for any other reason must be returned by Bank, and the returned payment shall remain payable as part of the Guaranteed Obligations, all as though such payment had not been made. Except to the extent the provisions of this Guaranty give Bank additional rights, this Guaranty shall not be deemed to supersede or replace any other guaranties given to Bank by Guarantor; and the obligations guaranteed hereby shall be in addition to any other obligations guaranteed by Guarantor pursuant to any other agreement of guaranty given to Bank and other guaranties of the Guaranteed Obligations.

TERMINATION OF GUARANTY. Guarantor may terminate this Guaranty only by written notice, delivered personally to or received by certified or registered United States Mail by an authorized officer of Bank at the address for notices provided herein. Such termination shall be effective only with respect to Guaranteed Obligations arising more than 15 days after the date such written notice is received by said

Bank officer. Such termination shall not be effective with respect to Guaranteed Obligations (including any subsequent extensions, modifications or compromises of the Guaranteed Obligations) then existing, or Guaranteed Obligations arising subsequent to receipt by Bank of said notice if such Guaranteed Obligations are a result of Bank's obligation to make advances pursuant to a commitment, or are based on Borrower's obligations to make payments pursuant to any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), entered into prior to expiration of the 15 day notice period, or are a result of advances which are necessary for Bank to protect its collateral or otherwise preserve its interests. Termination of this Guaranty by any single Guarantor will not affect the existing and continuing obligations of any other Guarantor hereunder.

CONSENT TO MODIFICATIONS. Guarantor consents and agrees that Bank (and, with respect to swap obligations, its affiliates) may from time to time, in its sole discretion, without affecting, impairing, lessening or releasing the obligations of Guarantor hereunder: (a) extend or modify the time, manner, place or terms of payment or performance and/or otherwise change or modify the credit terms of the Guaranteed Obligations; (b) increase, renew, or enter into a novation of the Guaranteed Obligations; (c) waive or consent to the departure from terms of the Guaranteed Obligations; (d) permit any change in the business or other dealings and relations of Borrower or any other guarantor with Bank; (e) proceed against, exchange, release, realize upon, or otherwise deal with in any manner any collateral that is or may be held by Bank in connection with the Guaranteed Obligations or any liabilities or obligations of Guarantor; and (f) proceed against, settle, release, or compromise with Borrower, any insurance carrier, or any other person or entity liable as to any part of the Guaranteed Obligations, and/or subordinate the payment of any part of the Guaranteed Obligations to the payment of any other obligations, which may at any time be due or owing to Bank; all in such manner and upon such terms as Bank may deem appropriate, and without notice to or further consent from Guarantor. No invalidity, irregularity, discharge or unenforceability of, or action or omission by Bank relating to any part of the Guaranteed Obligations or any security therefor shall affect or impair this Guaranty.

WAIVERS AND ACKNOWLEDGMENTS. Guarantor waives and releases the following rights, demands, and defenses Guarantor may have with respect to Bank (and, with respect to swap obligations, its affiliates) and collection of the Guaranteed Obligations: (a) promptness and diligence in collection of any of the Guaranteed Obligations from Borrower or any other person liable thereon, and in foreclosure of any security interest and sale of any property serving as collateral for the Guaranteed Obligations; (b) any law or statute that requires that Bank (and, with respect to swap obligations, its affiliates) make demand upon, assert claims against, or collect from Borrower or other persons or entities, foreclose any security interest, sell collateral, exhaust any remedies, or take any other action against Borrower or other persons or entities prior to making demand upon, collecting from or taking action against Guarantor with respect to the Guaranteed Obligations, including any such rights Guarantor might otherwise have had under Va. Code §§ 49-25 and 49-26, *et seq.*, N.C.G.S. §§ 26-7, *et seq.*, Tenn. Code Ann. § 47-12-101, O.C.G.A. § 10-7-24, Mississippi Code Ann. Section 87-5-1, California Civil Code §§ 2787 to 2855 inclusive, and any successor statute and any other applicable law; (c) any law or statute that requires that Borrower or any other person be joined in, notified of or made part of any action against Guarantor; (d) that Bank or its affiliates preserve, insure or perfect any security interest in collateral or sell or dispose of collateral in a particular manner or at a particular time, provided that Bank's obligation to dispose of Collateral in a commercially reasonable manner is not waived hereby; (e) notice of extensions, modifications, renewals, or novations of the Guaranteed Obligations, of any new transactions or other relationships between Bank, Borrower and/or any guarantor, and of changes in the financial condition of, ownership of, or business structure of Borrower or any other guarantor; (f) presentment, protest, notice of dishonor, notice of default, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale, and all other notices of any kind whatsoever to which Guarantor may be entitled; (g) the right to assert against Bank or its affiliates any defense (legal or equitable), set-off, counterclaim, or claim that Guarantor may have at any time against Borrower or any other party liable to Bank or its affiliates; (h) all defenses relating to invalidity, insufficiency, unenforceability, enforcement, release or impairment of Bank or its affiliates' lien on any collateral, of the Loan Documents, or of any other guaranties held by Bank; (i) any right to which Guarantor is or may become entitled to be

subrogated to Bank or its affiliates' rights against Borrower or to seek contribution, reimbursement, indemnification, payment or the like, or participation in any claim, right or remedy of Bank or its affiliates against Borrower or any security which Bank or its affiliates now has or hereafter acquires, until such time as the Guaranteed Obligations have been fully satisfied beyond the expiration of any applicable preference period; (j) any claim or defense that acceleration of maturity of the Guaranteed Obligations is stayed against Guarantor because of the stay of assertion or of acceleration of claims against any other person or entity for any reason including the bankruptcy or insolvency of that person or entity; and (k) the right to marshalling of Borrower's assets or the benefit of any exemption claimed by Guarantor. Guarantor acknowledges and represents that Guarantor has relied upon Guarantor's own due diligence in making an independent appraisal of Borrower, Borrower's business affairs and financial condition, and any collateral; Guarantor will continue to be responsible for making an independent appraisal of such matters; and Guarantor has not relied upon Bank or its affiliates for information regarding Borrower or any collateral.

FINANCIAL CONDITION. Guarantor warrants, represents and covenants to Bank and its affiliates that on and after the date hereof: (a) the fair saleable value of Guarantor's assets exceeds its liabilities, Guarantor is meeting its current liabilities as they mature, and Guarantor is and shall remain solvent; (b) all financial statements of Guarantor furnished to Bank are correct and accurately reflect the financial condition of Guarantor as of the respective dates thereof; (c) since the date of such financial statements, there has not occurred a material adverse change in the financial condition of Guarantor; (d) there are not now pending any court or administrative proceedings or undischarged judgments against Guarantor, no federal or state tax liens have been filed or threatened against Guarantor, and Guarantor is not in default or claimed default under any agreement; and (e) at such reasonable times as Bank requests, Guarantor will furnish Bank and its affiliates with such other financial information as Bank and its affiliates may reasonably request.

INTEREST AND APPLICATION OF PAYMENTS. Regardless of any other provision of this Guaranty or other Loan Documents, if for any reason the effective interest on any of the Guaranteed Obligations should exceed the maximum lawful interest, the effective interest shall be deemed reduced to and shall be such maximum lawful interest, and any sums of interest which have been collected in excess of such maximum lawful interest shall be applied as a credit against the unpaid principal balance of the Guaranteed Obligations. Monies received from any source by Bank or its affiliates for application toward payment of the Guaranteed Obligations may be applied to such Guaranteed Obligations in any manner or order deemed appropriate by Bank and its affiliates.

DEFAULT. Neither the failure nor any delay on the part of Bank or its affiliates in exercising any right, power, or privilege granted pursuant to this Guaranty and other Loan Documents shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise or the exercise of any other right, power or privilege. All remedies available to Bank or its affiliates with respect to this Guaranty and other Loan Documents and remedies available at law or in equity shall be cumulative and may be pursued concurrently or successively. **Partnerships.** If Guarantor is a partnership, the obligations, liabilities and agreements on the part of Guarantor shall remain in full force and effect and fully applicable notwithstanding any changes in the individuals comprising the partnership. INTEREST RATE. Interest shall accrue on the unpaid principal balance of this Note from the date hereof at the rate of 6.90% ("Interest Rate").

DEFAULT RATE. THIS AGREEMENT is entered into as of February 29, 2008 by and between Bank and Borrower.

RECITALS

Bank is the holder of a Promissory Note, as modified from time to time, executed and delivered by Borrower, dated December 21, 2006, in the original principal amount of \$950,000.00 (the "Note");

Borrower and Bank have agreed to modify the terms of the Note.

In consideration of Bank's continued extension of credit and the agreements contained herein, the parties agree as follows:

AGREEMENT

ACKNOWLEDGMENT OF BALANCE. Borrower acknowledges that the most recent Commercial Loan Invoice sent to Borrower with respect to the Obligations under the Note is correct.

MODIFICATIONS.

The Note is hereby modified by deleting the provisions in the Note establishing the applicable interest rate and any indemnification or prepayment obligations, and substituting the following in their place and stead:

INTEREST RATE. Interest shall accrue on the unpaid principal balance of this Note at the rate of 5.45% ("Interest Rate").

DEFAULT RATE. In addition to all other rights contained in this Note, if a Default (as defined herein) occurs and as long as a Default continues, all outstanding Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank or its affiliates, shall bear interest at the Interest Rate plus 3% ("Default Rate"). The Default Rate shall also apply from demand until the Obligations or any judgment thereon is paid in full.

INTEREST AND FEES(S) COMPUTATION (ACTUAL/360). Interest and fees, if any, shall be computed on the basis of a 360-day year for the actual number of days in the applicable period ("Actual/360 Computation"). The Actual/360 Computation determines the annual effective yield by taking the stated (nominal) rate for a year's period and then dividing said rate by 360 to determine the daily periodic rate to be applied for each day in the applicable period. Application of the Actual/360 Computation produces an annualized effective rate exceeding the nominal rate.

PREPAYMENT ALLOWED. This Note may be prepaid in whole or in part at any time. Any prepayment shall include accrued interest and all other sums then due under any of the Loan Documents (as defined below). No partial prepayment shall affect Borrower's obligation to make any payment of principal or

interest due under this Note on the date specified below in the Repayment Terms paragraph of this Note until this Note has been paid in full.

ACKNOWLEDGMENTS AND REPRESENTATIONS. Borrower acknowledges and represents that the Note and other Loan Documents, as amended hereby, are in full force and effect without any defense, counterclaim, right or claim of set-off; that, after giving effect to this Agreement, no default or event that with the passage of time or giving of notice would constitute a default under the Loan Documents has occurred, all representations and warranties contained in the Loan Documents are true and correct as of this date, all necessary action to authorize the execution and delivery of this Agreement has been taken; and this Agreement is a modification of an existing obligation and is not a novation.

COLLATERAL. Borrower acknowledges and confirms that there have been no changes in the ownership of any collateral pledged to secure the Obligations (the "Collateral") since the Collateral was originally pledged; Borrower acknowledges and confirms that the Bank has existing, valid first priority security interests and liens in the Collateral; and that such security interests and liens shall secure Borrower's Obligations, including any modification of the Note or Loan Agreement, if any, and all future modifications, extensions, renewals and/or replacements of the Loan Documents.

MISCELLANEOUS. This Agreement shall be construed in accordance with and governed by the laws of the applicable state as originally provided in the Loan Documents, without reference to that state's conflicts of law principles. This Agreement and the other Loan Documents constitute the sole agreement of the parties with respect to the subject matter thereof and supersede all oral negotiations and prior writings with respect to the subject matter thereof. No amendment of this Agreement, and no waiver of any one or more of the provisions hereof shall be effective unless set forth in writing and signed by the parties hereto. The illegality, unenforceability or inconsistency of any provision of this Agreement shall not in any way affect or impair the legality, enforceability or consistency of the remaining provisions of this Agreement or the other Loan Documents. This Agreement and the other Loan Documents are intended to be consistent. However, in the event of any inconsistencies among this Agreement and any of the Loan Documents, the terms of this Agreement, and then the Note, shall control. This Agreement may be executed in any number of counterparts and by the different parties on separate counterparts. Each such counterpart shall be deemed an original, but all such counterparts shall together constitute one and the same agreement. Terms used in this Agreement which are capitalized and not otherwise defined herein shall have the meanings ascribed to such terms in the Note. **LIMITATION ON LIABILITY; WAIVER OF PUNITIVE DAMAGES.** EACH OF THE PARTIES HERETO, INCLUDING BANK BY ACCEPTANCE HEREOF, AGREES THAT IN ANY JUDICIAL, MEDIATION OR ARBITRATION PROCEEDING OR ANY CLAIM OR CONTROVERSY BETWEEN OR AMONG THEM THAT MAY ARISE OUT OF OR BE IN ANY WAY CONNECTED WITH THIS AGREEMENT, THE LOAN DOCUMENTS OR ANY OTHER AGREEMENT OR DOCUMENT BETWEEN OR AMONG THEM OR THE OBLIGATIONS EVIDENCED HEREBY OR RELATED HERETO, IN NO EVENT SHALL ANY PARTY HAVE A REMEDY OF, OR BE LIABLE TO THE OTHER FOR, (1) INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES OR (2) PUNITIVE OR EXEMPLARY DAMAGES. EACH OF THE PARTIES HEREBY EXPRESSLY WAIVES ANY RIGHT OR CLAIM TO PUNITIVE OR EXEMPLARY DAMAGES THEY MAY HAVE OR WHICH MAY ARISE IN THE FUTURE IN CONNECTION WITH ANY SUCH PROCEEDING, CLAIM OR CONTROVERSY, WHETHER THE SAME IS RESOLVED BY ARBITRATION, MEDIATION, JUDICIALLY OR OTHERWISE. **Final Agreement.** This Agreement and the other Loan Documents represent the final agreement between the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent agreements of the parties. USE OF PROCEEDS. Borrower shall use the proceeds of the loan(s) evidenced by this Note for the commercial purposes of Borrower, as follows: To cover cost of some infrastructure improvements to property acquired in December.

LINE OF CREDIT. Borrower may borrow, repay and reborrow, and, upon the request of Borrower, Bank shall advance and readvance under this Note from time to time until the maturity hereof (each an "Advance" and together the "Advances"), so long as the total principal balance outstanding under this Note at any one time does not exceed the principal amount stated on the face of this Note, subject to the limitations described in any loan agreement to which this Note is subject. Bank's obligation to make Advances under this Note shall terminate if Borrower is in Default. As of the date of each proposed Advance, Borrower shall be deemed to represent that each representation made in the Loan Documents is true as of such date.

If Borrower subscribes to Bank's cash management services and such services are applicable to this line of credit, the terms of such service shall control the manner in which funds are transferred between the applicable demand deposit account and the line of credit for credit or debit to the line of credit.

SECURITY. Borrower has granted Bank a security interest in the collateral described in the Loan Documents, including, but not limited to, real and personal property collateral described in that certain security instrument of even date herewith.

INTEREST RATE. Interest shall accrue on the unpaid principal balance of this Note from the date hereof at the LIBOR Market Index Rate plus 1.70%, as that rate may change from day to day in accordance with changes in the LIBOR Market Index Rate ("Interest Rate"). "LIBOR Market Index Rate", for any day, means the rate for 1 month U.S. dollar deposits as reported on Telerate page 3750 as of 11:00 a.m., London time, on such day, or if such day is not a London business day, then the immediately preceding London business day (or if not so reported, then as determined by Bank from another recognized source or interbank quotation).

DEFAULT RATE. In addition to all other rights contained in this Note, if a Default (as defined herein) occurs and as long as a Default continues, all outstanding Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and

Bank or its affiliates, shall bear interest at the Interest Rate plus 3% ("Default Rate"). The Default Rate shall also apply from acceleration until the Obligations or any judgment thereon is paid in full.

INTEREST AND FEE(S) COMPUTATION (ACTUAL/360). Interest and fees, if any, shall be computed on the basis of a 360-day year for the actual number of days in the applicable period ("Actual/360 Computation"). The Actual/360 Computation determines the annual effective interest yield by taking the stated (nominal) rate for a year's period and then dividing said rate by 360 to determine the daily periodic rate to be applied for each day in the applicable period. Application of the Actual/360 Computation produces an annualized effective rate exceeding the nominal rate.

REPAYMENT TERMS. This Note shall be due and payable in consecutive monthly payments of accrued interest only, commencing on April 5, 2007, and continuing on the same day of each month thereafter until fully paid. In any event, all principal and accrued interest shall be due and payable on January 5, 2010.

APPLICATION OF PAYMENTS. Monies received by Bank from any source for application toward payment of the Obligations shall be applied to accrued interest and then to principal. If a Default occurs, monies may be applied to the Obligations in any manner or order deemed appropriate by Bank.

If any payment received by Bank under this Note or other Loan Documents is rescinded, avoided or for any reason returned by Bank because of any adverse claim or threatened action, the returned payment shall remain payable as an obligation of all persons liable under this Note or other Loan Documents as though such payment had not been made.

DEFINITIONS. Loan Documents. The term "Loan Documents", as used in this Note and the other Loan Documents, refers to all documents executed in connection with or related to the loan evidenced by this Note and any prior notes which evidence all or any portion of the loan evidenced by this Note, and any letters of credit issued pursuant to any loan agreement to which this Note is subject, any applications for such letters of credit and any other documents executed in connection therewith or related thereto, and may include, without limitation, a commitment letter that survives closing, a loan agreement, this Note, guaranty agreements, security agreements, security instruments, financing statements, mortgage instruments, any renewals or modifications, whenever any of the foregoing are executed, but does not include swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time). **Obligations.** The term "Obligations", as used in this Note and the other Loan Documents, refers to any and all indebtedness and other obligations under this Note, all other obligations under any other Loan Document(s), and all obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, whenever executed. **Certain Other Terms.** All terms that are used but not otherwise defined in any of the Loan Documents shall have the definitions provided in the Uniform Commercial Code.

LATE CHARGE. If any payments are not timely made, Borrower shall also pay to Bank a late charge equal to 5% of each payment past due for 15 or more days. This late charge shall not apply to payments due at maturity or by acceleration hereof, unless such late payment is in an amount not greater than the highest periodic payment due hereunder.

Acceptance by Bank of any late payment without an accompanying late charge shall not be deemed a waiver of Bank's right to collect such late charge or to collect a late charge for any subsequent late payment received.

If this Note is secured by owner-occupied residential real property located outside the state in which the office of Bank first shown above is located, the late charge laws of the state where the real property is located shall apply to this Note and the late charge shall be the highest amount allowable under such laws. If no amount is stated thereunder, the late charge shall be 5% of each payment past due for 10 or more days.

USURY. If at any time the effective interest rate under this Note would, but for this paragraph, exceed the maximum lawful rate, the effective interest rate under this Note shall be the maximum lawful rate, and any amount received by Bank in excess of such rate shall be applied to principal and then to fees and expenses, or, if no such amounts are owing, returned to Borrower.

If any of the following occurs, a default ("Default") under this Note shall exist: **Nonpayment; Nonperformance.** The failure of timely payment or performance of the Obligations or Default under this Note or any other Loan Documents. **False Warranty.** A warranty or representation made or deemed made in the Loan Documents or furnished Bank in connection with the loan evidenced by this Note proves materially false, or if of a continuing nature, becomes materially false. **Cross Default.** At Bank's option, any default in payment or performance of any obligation under any other loans, contracts or agreements of Borrower, any Subsidiary or Affiliate of Borrower, any general partner of or the holder(s) of the majority ownership interests of Borrower with Bank or its affiliates ("Affiliate" shall have the meaning as defined in 11 U.S.C. § 101, as in effect from time to time, except that the term "Borrower" shall be substituted for the term "Debtor" therein; "Subsidiary" shall mean any business in which Borrower holds, directly or indirectly, a controlling interest). **Cessation; Bankruptcy.** The death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or commencement of any bankruptcy or insolvency proceeding by or against Borrower, its Subsidiaries or Affiliates, if any, or any general partner of or the holder(s) of the majority ownership interests of Borrower, or any party to the Loan Documents. **Material Capital Structure or Business Alteration.** Without prior written consent of Bank, (i) a material alteration in the kind or type of Borrower's business or that of Borrower's Subsidiaries or Affiliates, if any; (ii) the sale of substantially all of the business or assets of Borrower, any of Borrower's Subsidiaries or Affiliates or any guarantor, or a material portion (10% or more) of such business or assets if such a sale is outside the ordinary course of business of Borrower, or any of Borrower's Subsidiaries or Affiliates or any guarantor, or more than 50% of the outstanding stock or voting power of or in any such entity in a single transaction or a series of transactions; (iii) the acquisition of substantially all of the business or assets or more than 50% of the outstanding stock or voting power of any other entity; or (iv) should any Borrower or any of Borrower's Subsidiaries or Affiliates or any guarantor enter into any merger or consolidation. **Material Adverse Change.** Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Obligations are impaired or there has occurred a material adverse change in the business or prospects of Borrower, financial or otherwise.

Such information shall be true, complete, and accurate.

WAIVERS AND AMENDMENTS. No waivers, amendments or modifications of this Note and other Loan Documents shall be valid unless in writing and signed by an officer of Bank. No waiver by Bank of any Default shall operate as a waiver of any other Default or the same Default on a future occasion. Neither the failure nor any delay on the part of Bank in exercising any right, power, or remedy under this Note and other Loan Documents shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

Except to the extent otherwise provided by the Loan Documents or prohibited by law, each Borrower and each other person liable under this Note waives presentment, protest, notice of dishonor, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale and all other notices of any kind. Further, each agrees that Bank may (i) extend, modify or renew this Note or make a novation of the loan evidenced by this Note, and/or (ii) grant releases, compromises or indulgences with respect to any collateral securing this Note, or with respect to any Borrower or other person liable under this Note or any other Loan Documents, all without notice to or consent of each Borrower and other such person, and without affecting the liability of each Borrower and other such person; provided, Bank may not extend, modify or renew this Note or make a novation of the loan evidenced by this Note without the consent of the Borrower, or if there is more than one Borrower, without the consent of at least one Borrower; and further provided, if there is more than one Borrower, Bank may not enter into a modification of this Note which increases the burdens of a Borrower without the consent of that Borrower.

14. No Novation. The Obligors agree that the execution of this Agreement or any documents contemplated by this Agreement or the consummation of any transaction contemplated by this Agreement shall constitute a modification of the Existing Loans and shall not be construed as a novation.

15. WAIVER OF JURY TRIAL. BANK AND OBLIGORS HEREBY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO WHICH OBLIGORS AND BANK MAY BE PARTIES ARISING OUT OF, IN CONNECTION WITH, OR IN ANY WAY PERTAINING TO, THIS AGREEMENT, THE NOTES, THE MORTGAGE, AND ANY OTHER LOAN DOCUMENTS. IT IS AGREED AND UNDERSTOOD THAT THIS WAIVER CONSTITUTES A WAIVER OF TRIAL BY JURY OF ALL CLAIMS AGAINST PARTIES WHO ARE NOT PARTIES TO THIS AGREEMENT. THIS WAIVER IS KNOWINGLY, WILLINGLY AND VOLUNTARILY MADE BY BANK, OBLIGORS AND BANK, OBLIGORS HEREBY REPRESENT THAT NO REPRESENTATIONS OF FACT OR OPINION HAVE BEEN MADE BY ANY INDIVIDUAL TO INDUCE THIS WAIVER OF TRIAL BY JURY OR TO IN ANY WAY MODIFY OR NULLIFY ITS EFFECT. BANK AND OBLIGORS FURTHER REPRESENT AND WARRANT THAT THEY HAVE BEEN REPRESENTED IN THE SIGNING OF THIS AGREEMENT AND IN THE MAKING OF THIS WAIVER BY INDEPENDENT LEGAL COUNSEL, OR HAVE HAD THE OPPORTUNITY TO BE REPRESENTED BY INDEPENDENT LEGAL COUNSEL SELECTED OF ITS OWN FREE WILL, AND THAT THEY HAVE HAD THE OPPORTUNITY TO DISCUSS THIS WAIVER WITH COUNSEL.

16. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

17. No Waiver. Bank may, in its discretion, from time to time waive or forbear from enforcing any provision contained in this Agreement, and no such waiver or forbearance shall be deemed a waiver by Bank of any other right or remedy provided herein or by law or be deemed a waiver of the right at any later time to enforce strictly all provisions herein contained and to exercise any and all remedies provided herein and by law.

18. Headings. The headings of the articles, sections and subsections of this Agreement are for the convenience of reference only, are not to be considered a part hereof, and shall not limit or otherwise affect any of the terms hereof or thereof.

19. Admissions. Obligors expressly acknowledge and agree that the waivers, estoppels and releases contained in this Agreement shall not be construed as an admission of wrongdoing, liability or culpability on the part of Bank or an admission by Bank of the existence of any claims of Obligors against Bank.

20. Construction of Agreement. Each party acknowledges that it has participated in the negotiation of this Agreement, and no provision of this Agreement shall be construed against or interpreted to the disadvantage of any party hereto by any court or other governmental or judicial authority by reason of such party having or being deemed to have structured, dictated or drafted such provision. Obligors acknowledge that at all times they have been represented by an attorney in the negotiation of the terms of and in the preparation and execution of this Agreement, or have voluntarily decided not to be represented by an attorney, and have had the opportunity to review and analyze this Agreement for a sufficient period of time prior to the execution and delivery thereof. No representations or warranties have been made by or on behalf of Bank, or relied upon by any Obligor, pertaining to the subject matter of this Agreement, other than those set forth in this Agreement. This Agreement embodies the entire agreement and understanding among the parties to the subject matter hereof and supersedes all prior proposals, negotiations, agreements and understanding relating to such subject matter.

21. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of South Carolina.

22. No Modifications. The terms of this Agreement may not be changed, modified, waived, discharged or terminated orally, but only by an instrument or instruments in writing, signed by the party against whom the enforcement of the change, modification, waiver, discharge or termination is asserted.

23. Invalid Provision to Affect No Others. If any provisions of this Agreement shall be held invalid, then such provision only shall be deemed invalid, and the remainder of this Agreement shall remain operative and in full force and effect.

[Signatures commence on following page]

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

The laws of South Carolina provide that in any real estate foreclosure proceeding a defendant against whom a personal judgment is taken or asked may within thirty days after the sale of the mortgaged property apply to the court for an order of appraisal. The statutory appraisal value as approved by the court would be substituted for the high bid and may decrease the amount of any deficiency owing in connection with the transaction. THE UNDERSIGNED HEREBY WAIVES AND RELINQUISHES THE STATUTORY APPRAISAL RIGHTS WHICH MEANS THE HIGH BID AT THE JUDICIAL FORECLOSURE SALE WILL BE APPLIED TO THE DEBT REGARDLESS OF ANY APPRAISED VALUE OF THE MORTGAGED PROPERTY.

Further, the undersigned acknowledges receipt of written notification before this transaction that signing of a waiver of appraisal rights would be required during this transaction.

 (Hereinafter referred to as "Bank")

To induce Bank to make, extend or renew loans, advances, credit, or other financial accommodations to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, and in consideration of loans, advances, credit, or other financial accommodations made, extended or renewed to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, Guarantor hereby absolutely, irrevocably and unconditionally guarantees to Bank and its successors, assigns and affiliates the timely payment and performance of all liabilities and obligations of Borrower to Bank and its affiliates, including, but not limited to, all obligations under any notes, loan agreements, security agreements, letters of credit, instruments, accounts receivable, contracts, drafts, leases, chattel paper, indemnities, acceptances, repurchase agreements, overdrafts, and the Loan Documents, as defined below, and all obligations of Borrower to Bank or any of its affiliates under any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), however and whenever incurred or evidenced, whether primary, secondary, direct, indirect, absolute, contingent, due or to become due, now existing or hereafter contracted or acquired, and all modifications, extensions and renewals thereof, (collectively, the "Guaranteed Obligations").

Guarantor further covenants and agrees:

GUARANTOR'S LIABILITY. This Guaranty is a continuing and unconditional guaranty of payment and performance and not of collection. The parties to this Guaranty are jointly and severally obligated together with all other parties obligated for the Guaranteed Obligations. This Guaranty does not impose any obligation on Bank to extend or continue to extend credit or otherwise deal with Borrower at any subsequent time. This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of the Guaranteed Obligations is rescinded, avoided or for any other reason must be returned by Bank, and the returned payment shall remain payable as part of the Guaranteed Obligations, all as though such payment had not been made. Except to the extent the provisions of this Guaranty give Bank additional rights, this Guaranty shall not be deemed to supersede or replace any other guaranties given to Bank by Guarantor; and the obligations guaranteed hereby shall be in addition to any other obligations guaranteed by Guarantor pursuant to any other agreement of guaranty given to Bank and other guaranties of the Guaranteed Obligations.

TERMINATION OF GUARANTY. Guarantor may terminate this Guaranty only by written notice, delivered personally to or received by certified or registered United States Mail by an authorized officer of Bank at the address for notices provided herein. Such termination shall be effective only with respect to Guaranteed Obligations arising more than 15 days after the date such written notice is received by said

Bank officer. Such termination shall not be effective with respect to Guaranteed Obligations (including any subsequent extensions, modifications or compromises of the Guaranteed Obligations) then existing, or Guaranteed Obligations arising subsequent to receipt by Bank of said notice if such Guaranteed Obligations are a result of Bank's obligation to make advances pursuant to a commitment, or are based on Borrower's obligations to make payments pursuant to any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), entered into prior to expiration of the 15 day notice period, or are a result of advances which are necessary for Bank to protect its collateral or otherwise preserve its interests. Termination of this Guaranty by any single Guarantor will not affect the existing and continuing obligations of any other Guarantor hereunder.

CONSENT TO MODIFICATIONS. Guarantor consents and agrees that Bank (and, with respect to swap obligations, its affiliates) may from time to time, in its sole discretion, without affecting, impairing, lessening or releasing the obligations of Guarantor hereunder: (a) extend or modify the time, manner, place or terms of payment or performance and/or otherwise change or modify the credit terms of the Guaranteed Obligations; (b) increase, renew, or enter into a novation of the Guaranteed Obligations; (c) waive or consent to the departure from terms of the Guaranteed Obligations; (d) permit any change in the business or other dealings and relations of Borrower or any other guarantor with Bank; (e) proceed against, exchange, release, realize upon, or otherwise deal with in any manner any collateral that is or may be held by Bank in connection with the Guaranteed Obligations or any liabilities or obligations of Guarantor; and (f) proceed against, settle, release, or compromise with Borrower, any insurance carrier, or any other person or entity liable as to any part of the Guaranteed Obligations, and/or subordinate the payment of any part of the Guaranteed Obligations to the payment of any other obligations, which may at any time be due or owing to Bank; all in such manner and upon such terms as Bank may deem appropriate, and without notice to or further consent from Guarantor. No invalidity, irregularity, discharge or unenforceability of, or action or omission by Bank relating to any part of the Guaranteed Obligations or any security therefor shall affect or impair this Guaranty.

WAIVERS AND ACKNOWLEDGMENTS. Guarantor waives and releases the following rights, demands, and defenses Guarantor may have with respect to Bank (and, with respect to swap obligations, its affiliates) and collection of the Guaranteed Obligations: (a) promptness and diligence in collection of any of the Guaranteed Obligations from Borrower or any other person liable thereon, and in foreclosure of any security interest and sale of any property serving as collateral for the Guaranteed Obligations; (b) any law or statute that requires that Bank (and, with respect to swap obligations, its affiliates) make demand upon, assert claims against, or collect from Borrower or other persons or entities, foreclose any security interest, sell collateral, exhaust any remedies, or take any other action against Borrower or other persons or entities prior to making demand upon, collecting from or taking action against Guarantor with respect to the Guaranteed Obligations, including any such rights Guarantor might otherwise have had under Va. Code §§ 49-25 and 49-26, et seq., N.C.G.S. §§ 26-7, et seq., Tenn. Code Ann. § 47-12-101, O.C.G.A. § 10-7-24, Mississippi Code Ann. Section 87-5-1, California Civil Code Section §§ 2787 to 2855 inclusive, and any successor statute and any other applicable law; (c) any law or statute that requires that Borrower or any other person be joined in, notified of or made part of any action against Guarantor; (d) that Bank or its affiliates preserve, insure or perfect any security interest in collateral or sell or dispose of collateral in a particular manner or at a particular time, provided that Bank's obligation to dispose of Collateral in a commercially reasonable manner is not waived hereby; (e) notice of extensions, modifications, renewals, or novations of the Guaranteed Obligations, of any new transactions or other relationships between Bank, Borrower and/or any guarantor, and of changes in the financial condition of, ownership of, or business structure of Borrower or any other guarantor; (f) presentment, protest, notice of dishonor, notice of default, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale, and all other notices of any kind whatsoever to which Guarantor may be entitled; (g) the right to assert against Bank or its affiliates any defense (legal or equitable), set-off, counterclaim, or claim that Guarantor may have at any time against Borrower or any other party liable to Bank or its affiliates; (h) all defenses relating to invalidity, insufficiency, unenforceability, enforcement, release or impairment of Bank or its affiliates' lien on any collateral, of the Loan Documents, or of any other guaranties held by Bank; (i) any right to which

Guarantor is or may become entitled to be subrogated to Bank or its affiliates' rights against Borrower or to seek contribution, reimbursement, indemnification, payment or the like, or participation in any claim, right or remedy of Bank or its affiliates against Borrower or any security which Bank or its affiliates now has or hereafter acquires, until such time as the Guaranteed Obligations have been fully satisfied beyond the expiration of any applicable preference period; (j) any claim or defense that acceleration of maturity of the Guaranteed Obligations is stayed against Guarantor because of the stay of assertion or of acceleration of claims against any other person or entity for any reason including the bankruptcy or insolvency of that person or entity; and (k) the right to marshalling of Borrower's assets or the benefit of any exemption claimed by Guarantor. Guarantor acknowledges and represents that Guarantor has relied upon Guarantor's own due diligence in making an independent appraisal of Borrower, Borrower's business affairs and financial condition, and any collateral; Guarantor will continue to be responsible for making an independent appraisal of such matters; and Guarantor has not relied upon Bank or its affiliates for information regarding Borrower or any collateral.

FINANCIAL CONDITION. Guarantor warrants, represents and covenants to Bank and its affiliates that on and after the date hereof: (a) the fair saleable value of Guarantor's assets exceeds its liabilities, Guarantor is meeting its current liabilities as they mature, and Guarantor is and shall remain solvent; (b) all financial statements of Guarantor furnished to Bank are correct and accurately reflect the financial condition of Guarantor as of the respective dates thereof; (c) since the date of such financial statements, there has not occurred a material adverse change in the financial condition of Guarantor; (d) there are not now pending any court or administrative proceedings or undischarged judgments against Guarantor, no federal or state tax liens have been filed or threatened against Guarantor, and Guarantor is not in default or claimed default under any agreement; and (e) at such reasonable times as Bank requests, Guarantor will furnish Bank and its affiliates with such other financial information as Bank and its affiliates may reasonably request.

INTEREST AND APPLICATION OF PAYMENTS. Regardless of any other provision of this Guaranty or other Loan Documents, if for any reason the effective interest on any of the Guaranteed Obligations should exceed the maximum lawful interest, the effective interest shall be deemed reduced to and shall be such maximum lawful interest, and any sums of interest which have been collected in excess of such maximum lawful interest shall be applied as a credit against the unpaid principal balance of the Guaranteed Obligations. Monies received from any source by Bank or its affiliates for application toward payment of the Guaranteed Obligations may be applied to such Guaranteed Obligations in any manner or order deemed appropriate by Bank and its affiliates.

DEFAULT. If any of the following events occur, a default ("Default") under this Guaranty shall exist: (a) failure of timely payment or performance of the Guaranteed Obligations or a default under any Loan Document; (b) a breach of any agreement or representation contained or referred to in the Guaranty, or any of the Loan Documents, or contained in any other contract or agreement of Guarantor with Bank or its affiliates, whether now existing or hereafter arising; (c) the death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or the commencement of any insolvency or bankruptcy proceeding by or against Guarantor or any general partner of or the holder(s) of the majority ownership interests of Guarantor; and/or (d) Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Guaranteed Obligations are impaired or a material adverse change has occurred in the business or prospects of Borrower or Guarantor, financial or otherwise.

If a Default occurs, the Guaranteed Obligations shall be due immediately and payable without notice, other than Guaranteed Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) with Bank or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements, and, Bank and its affiliates may exercise any rights and remedies as provided in this Guaranty and other Loan Documents, or as provided at law or equity. Guarantor shall pay interest on the Guaranteed Obligations from such Default at the highest rate of interest charged on any of the Guaranteed Obligations.

ATTORNEYS' FEES AND OTHER COSTS OF COLLECTION. Guarantor shall pay all of Bank's and its affiliates' reasonable expenses incurred to enforce or collect any of the Guaranteed Obligations, including, without limitation, reasonable arbitration, paralegals', attorneys' and experts' fees and expenses, whether incurred without the commencement of a suit, in any suit, arbitration, or administrative proceeding, or in any appellate, or bankruptcy proceeding.

SUBORDINATION OF OTHER DEBTS. Guarantor agrees: (a) to subordinate the obligations now or hereafter owed by Borrower to Guarantor ("Subordinated Debt") to any and all obligations of Borrower to Bank or its affiliates now or hereafter existing while this Guaranty is in effect, provided however that Guarantor may receive regularly scheduled principal and interest payments on the Subordinated Debt so long as (i) all sums due and payable by Borrower to Bank and its affiliates have been paid in full on or prior to such date; and (ii) no event or condition which constitutes or which with notice or the lapse of time would constitute an event of default with respect to the Guaranteed Obligations shall be continuing on or as of the payment date; (b) Guarantor will either place a legend indicating such subordination on every note, ledger page or other document evidencing any part of the Subordinated Debt or deliver such documents to Bank; and (c) except as permitted by this paragraph, Guarantor will not request or accept payment of or any security for any part of the Subordinated Debt, and any proceeds of the Subordinated Debt paid to Guarantor, through error or otherwise, shall immediately be forwarded to Bank by Guarantor, properly endorsed to the order of Bank, to apply to the Guaranteed Obligations.

Guaranteed Obligations arising more than 15 days after the date such written notice is received by said Bank officer. Such termination shall not be effective with respect to Guaranteed Obligations (including any subsequent extensions, modifications or compromises of the Guaranteed Obligations) then existing, or Guaranteed Obligations arising subsequent to receipt by Bank of said notice if such Guaranteed Obligations are a result of Bank's obligation to make advances pursuant to a commitment, or are based on Borrower's obligations to make payments pursuant to any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), entered into prior to expiration of the 15 day notice period, or are a result of advances which are necessary for Bank to protect its collateral or otherwise preserve its interests. No invalidity, irregularity, discharge or unenforceability of, or action or omission by Bank relating to any part of the Guaranteed Obligations or any security therefor shall affect or impair this Guaranty.

WAIVERS AND ACKNOWLEDGMENTS. Code §§ 49-25 and 49-26, et seq., N.C.G.S. §§ 26-7, et seq., Tenn. Code Ann. § 47-12-101, O.C.G.A. § 10-7-24, Mississippi Code Ann. Guarantor acknowledges and represents that Guarantor has relied upon Guarantor's own due diligence in making an independent appraisal of Borrower, Borrower's business affairs and financial condition, and any collateral; Guarantor will continue to be responsible for making an independent appraisal of such matters; and Guarantor has not relied upon Bank or its affiliates for information regarding Borrower or any collateral.

INTEREST AND APPLICATION OF PAYMENTS. Regardless of any other provision of this Guaranty or other Loan Documents, if for any reason the effective interest on any of the Guaranteed Obligations should exceed the maximum lawful interest, the effective interest shall be deemed reduced to and shall be such maximum lawful interest, and any sums of interest which have been collected in excess of such maximum lawful interest shall be applied as a credit against the unpaid principal balance of the Guaranteed Obligations. Monies received from any source by Bank or its affiliates for application toward payment of the Guaranteed Obligations may be applied to such Guaranteed Obligations in any manner or order deemed appropriate by Bank and its affiliates.

If any of the following events occur, a default ("Default") under this Guaranty shall exist: (a) failure of timely payment or performance of the Guaranteed Obligations or a default under any Loan Document; (b) a breach of any agreement or representation contained or referred to in the Guaranty, or any of the Loan Documents, or contained in any other contract or agreement of Guarantor with Bank or its affiliates, whether now existing or hereafter arising; (c) the death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or the commencement of any insolvency or bankruptcy proceeding by or against Guarantor or any general partner of or the holder(s) of the majority ownership interests of Guarantor; and/or (d) Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Guaranteed Obligations are impaired or a material adverse change has occurred in the business or prospects of Borrower or Guarantor, financial or otherwise.

If a Default occurs, the Guaranteed Obligations shall be due immediately and payable without notice, other than Guaranteed Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) with Bank or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements, and, Bank and its affiliates may exercise any rights and remedies as provided in this Guaranty and other Loan Documents, or as provided at law or equity.

\$1,205,000.00

June 6, 2006

JADIEKATE, LLC
 3 Barre Street
 Charleston, South Carolina 29401
 (Hereinafter referred to as "Borrower")

Wachovia Bank, National Association
 Greenville, South Carolina 29601
 (Hereinafter referred to as "Bank")

Borrower promises to pay to the order of Bank, in lawful money of the United States of America, at its office indicated above or wherever else Bank may specify, the sum of One Million, Two Hundred Five Thousand and No/100 Dollars (\$1,205,000.00) or such sum as may be advanced and outstanding from time to time, with interest on the unpaid principal balance at the rate and on the terms provided in this Promissory Note (including all renewals, extensions or modifications hereof, this "Note").

USE OF PROCEEDS. Borrower shall use the proceeds of the loan(s) evidenced by this Note for the commercial purposes of Borrower, as follows: Purchase and refinance land and improvements located at 1387 and 1391 Stuart Engals Blvd, Mount Pleasant, SC.

SECURITY. Borrower has granted Bank a security interest in the collateral described in the Loan Documents, including, but not limited to, real and personal property collateral described in that certain security instrument of even date herewith.

INTEREST RATE. Interest shall accrue on the unpaid principal balance of this Note from the date hereof at the rate of 7.4% ("Interest Rate").

DEFAULT RATE. In addition to all other rights contained in this Note, if a Default (as defined herein) occurs and as long as a Default continues, all outstanding Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank or its affiliates, shall bear interest at the Interest Rate plus 3% ("Default Rate"). The Default Rate shall also apply from demand until the Obligations or any judgment thereon is paid in full.

INTEREST AND FEES(S) COMPUTATION (ACTUAL/360). Interest and fees, if any, shall be computed on the basis of a 360-day year for the actual number of days in the applicable period ("Actual/360 Computation"). The Actual/360 Computation determines the annual effective yield by taking the stated (nominal) rate for a year's period and then dividing said rate by 360 to determine the daily periodic rate to be applied for each day in the applicable period. Application of the Actual/360 Computation produces an annualized effective rate exceeding the nominal rate.

PREPAYMENT ALLOWED. This Note may be prepaid in whole or in part at any time. Any prepayment shall include accrued interest and all other sums then due under any of the Loan Documents (as defined below). No partial prepayment shall affect Borrower's obligation to make any payment of principal or interest due under this Note on the date specified below in the Repayment Terms paragraph of this Note until this Note has been paid in full.

REPAYMENT TERMS. This Note shall be due and payable in consecutive monthly payments of principal and interest in the amount of \$9,633.85 commencing on July 6, 2006, and continuing on the same day of

each month thereafter until fully paid. In any event, all principal and accrued interest shall be due and payable on June 6, 2009.

APPLICATION OF PAYMENTS. Monies received by Bank from any source for application toward payment of the Obligations shall be applied to accrued interest and then to principal. If a Default occurs, monies may be applied to the Obligations in any manner or order deemed appropriate by Bank.

If any payment received by Bank under this Note or other Loan Documents is rescinded, avoided or for any reason returned by Bank because of any adverse claim or threatened action, the returned payment shall remain payable as an obligation of all persons liable under this Note or other Loan Documents as though such payment had not been made.

DEFINITIONS. Loan Documents. The term "Loan Documents", as used in this Note and the other Loan Documents, refers to all documents executed in connection with or related to the loan evidenced by this Note and any prior notes which evidence all or any portion of the loan evidenced by this Note, and any letters of credit issued pursuant to any loan agreement to which this Note is subject, any applications for such letters of credit and any other documents executed in connection therewith or related thereto, and may include, without limitation, a commitment letter that survives closing, a loan agreement, this Note, guaranty agreements, security agreements, security instruments, financing statements, mortgage instruments, any renewals or modifications, whenever any of the foregoing are executed, but does not include swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time). **Obligations.** The term "Obligations", as used in this Note and the other Loan Documents, refers to any and all indebtedness and other obligations under this Note, all other obligations under any other Loan Document(s), and all obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, whenever executed. **Certain Other Terms.** All terms that are used but not otherwise defined in any of the Loan Documents shall have the definitions provided in the Uniform Commercial Code.

LATE CHARGE. If any payments are not timely made, Borrower shall also pay to Bank a late charge equal to 5% of each payment past due for 15 or more days. This late charge shall not apply to payments due at maturity or by acceleration hereof, unless such late payment is in an amount not greater than the highest periodic payment due hereunder.

Acceptance by Bank of any late payment without an accompanying late charge shall not be deemed a waiver of Bank's right to collect such late charge or to collect a late charge for any subsequent late payment received.

If this Note is secured by owner-occupied residential real property located outside the state in which the office of Bank first shown above is located, the late charge laws of the state where the real property is located shall apply to this Note and the late charge shall be the highest amount allowable under such laws. If no amount is stated thereunder, the late charge shall be 5% of each payment past due for 10 or more days.

ATTORNEYS' FEES AND OTHER COLLECTION COSTS. Borrower shall pay all of Bank's reasonable expenses actually incurred to enforce or collect any of the Obligations including, without limitation, reasonable arbitration, paralegals', attorneys' and experts' fees and expenses, whether incurred without the commencement of a suit, in any trial, arbitration, or administrative proceeding, or in any appellate or bankruptcy proceeding.

USURY. If at any time the effective interest rate under this Note would, but for this paragraph, exceed the maximum lawful rate, the effective interest rate under this Note shall be the maximum lawful rate, and any amount received by Bank in excess of such rate shall be applied to principal and then to fees and expenses, or, if no such amounts are owing, returned to Borrower.

DEFAULT. If any of the following occurs, a default ("Default") under this Note shall exist: **Nonpayment; Nonperformance.** The failure of timely payment or performance of the Obligations or Default under this

Note or any other Loan Documents. **False Warranty.** A warranty or representation made or deemed made in the Loan Documents or furnished Bank in connection with the loan evidenced by this Note proves materially false, or if of a continuing nature, becomes materially false. **Cross Default.** At Bank's option, any default in payment or performance of any obligation under any other loans, contracts or agreements of Borrower, any Subsidiary or Affiliate of Borrower, any general partner of or the holder(s) of the majority ownership interests of Borrower with Bank or its affiliates ("Affiliate" shall have the meaning as defined in 11 U.S.C. § 101, as in effect from time to time, except that the term "Borrower" shall be substituted for the term "Debtor" therein; "Subsidiary" shall mean any business in which Borrower holds, directly or indirectly, a controlling interest). **Cessation; Bankruptcy.** The death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or commencement of any bankruptcy or insolvency proceeding by or against Borrower, its Subsidiaries or Affiliates, if any, or any general partner of or the holder(s) of the majority ownership interests of Borrower, or any party to the Loan Documents. **Material Capital Structure or Business Alteration.** Without prior written consent of Bank, (i) a material alteration in the kind or type of Borrower's business or that of Borrower's Subsidiaries or Affiliates, if any; (ii) the sale of substantially all of the business or assets of Borrower, any of Borrower's Subsidiaries or Affiliates or any guarantor, or a material portion (10% or more) of such business or assets if such a sale is outside the ordinary course of business of Borrower, or any of Borrower's Subsidiaries or Affiliates or any guarantor, or more than 50% of the outstanding stock or voting power of or in any such entity in a single transaction or a series of transactions; (iii) the acquisition of substantially all of the business or assets or more than 50% of the outstanding stock or voting power of any other entity; or (iv) should any Borrower or any of Borrower's Subsidiaries or Affiliates or any guarantor enter into any merger or consolidation. **Material Adverse Change.** Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Obligations are impaired or there has occurred a material adverse change in the business or prospects of Borrower, financial or otherwise.

REMEDIES UPON DEFAULT. If a Default occurs under this Note or any Loan Documents, Bank may at any time thereafter, take the following actions: **Bank Lien.** Foreclose its security interest or lien against Borrower's accounts without notice. **Acceleration Upon Default.** Accelerate the maturity of this Note and, at Bank's option, any or all other Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements; whereupon this Note and the accelerated Obligations shall be immediately due and payable; provided, however, if the Default is based upon a bankruptcy or insolvency proceeding commenced by or against Borrower or any guarantor or endorser of this Note, all Obligations (other than Obligations under any swap agreement as referenced above) shall automatically and immediately be due and payable. **Cumulative.** Exercise any rights and remedies as provided under the Note and other Loan Documents, or as provided by law or equity.

FINANCIAL AND OTHER INFORMATION. Borrower shall deliver to Bank such information as Bank may reasonably request from time to time, including without limitation, financial statements and information pertaining to Borrower's financial condition. Such information shall be true, complete, and accurate.

WAIVERS AND AMENDMENTS. No waivers, amendments or modifications of this Note and other Loan Documents shall be valid unless in writing and signed by an officer of Bank. No waiver by Bank of any Default shall operate as a waiver of any other Default or the same Default on a future occasion. Neither the failure nor any delay on the part of Bank in exercising any right, power, or remedy under this Note and other Loan Documents shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

Except to the extent otherwise provided by the Loan Documents or prohibited by law, each Borrower and each other person liable under this Note waives presentment, protest, notice of dishonor, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale and all other notices of any kind. Further, each agrees that Bank may (i) extend, modify or renew this Note or make a novation of the loan evidenced by this Note, and/or (ii) grant releases, compromises or indulgences with respect to any collateral securing this Note, or with respect to any Borrower or other

person liable under this Note or any other Loan Documents, all without notice to or consent of each Borrower and other such person, and without affecting the liability of each Borrower and other such person; provided, Bank may not extend, modify or renew this Note or make a novation of the loan evidenced by this Note without the consent of the Borrower, or if there is more than one Borrower, without the consent of at least one Borrower; and further provided, if there is more than one Borrower, Bank may not enter into a modification of this Note which increases the burdens of a Borrower without the consent of that Borrower.

MISCELLANEOUS PROVISIONS. Assignment. This Note and the other Loan Documents shall inure to the benefit of and be binding upon the parties and their respective heirs, legal representatives, successors and assigns. Bank's interests in and rights under this Note and the other Loan Documents are freely assignable, in whole or in part, by Bank. In addition, nothing in this Note or any of the other Loan Documents shall prohibit Bank from pledging or assigning this Note or any of the other Loan Documents or any interest therein to any Federal Reserve Bank. Borrower shall not assign its rights and interest hereunder without the prior written consent of Bank, and any attempt by Borrower to assign without Bank's prior written consent is null and void. Any assignment shall not release Borrower from the Obligations. **Organization; Powers.** Borrower represents that Borrower (i) is (a) an adult individual and is *sui juris*, or (b) a corporation, general partnership, limited partnership, limited liability company or other legal entity, duly organized, validly existing and in good standing under the laws of its state of organization, and is authorized to do business in each other jurisdiction wherein its ownership of property or conduct of business legally requires such organization (ii) has the power and authority to own its properties and assets and to carry on its business as now being conducted and as now contemplated; and (iii) has the power and authority to execute, deliver and perform, and by all necessary action has authorized the execution, delivery and performance of, all of its obligations under this Note and any other Loan Document to which it is a party. **Compliance with Laws.** Borrower represents that Borrower and any subsidiary and affiliate of Borrower and any guarantor are in compliance in all respects with all federal, state and local laws, rules and regulations applicable to its properties, operations, business, and finances, including, without limitation, any federal or state laws relating to liquor (including 18 U.S.C. § 3617, et seq.) or narcotics (including 21 U.S.C. § 801, et seq.) and/or any commercial crimes; all applicable federal, state and local laws and regulations intended to protect the environment; and the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), if applicable. MODIFICATION NUMBER ONE TO PROMISSORY NOTE

Jadiekate, LLC
3 Barre Street
Charleston, South Carolina 29401
(Hereinafter referred to as "Borrower")

Wachovia Bank, National Association
Greenville, South Carolina 29601
(Hereinafter referred to as "Bank")

THIS AGREEMENT is entered into as of February 14, 2008 by and between Bank and Borrower.

RECITALS

Bank is the holder of a Promissory Note, as modified from time to time, executed and delivered by Borrower, dated June 6, 2006, in the original principal amount of \$1,205,000.00 (the "Note");

Borrower and Bank have agreed to modify the terms of the Note.

In consideration of Bank's continued extension of credit and the agreements contained herein, the parties agree as follows:

AGREEMENT

ACKNOWLEDGMENT OF BALANCE. Borrower acknowledges that the most recent Commercial Loan Invoice sent to Borrower with respect to the Obligations under the Note is correct.

MODIFICATIONS.

1. The Note is hereby modified by deleting the provisions in the Note establishing the applicable interest rate and any indemnification or prepayment obligations, and substituting the following in their place and stead:

INTEREST RATE. Interest shall accrue on the unpaid principal balance of this Note at the rate of 5.39% ("Interest Rate").

DEFAULT RATE. In addition to all other rights contained in this Note, if a Default (as defined herein) occurs and as long as a Default continues, all outstanding Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank or its affiliates, shall bear interest at the Interest Rate plus 3% ("Default Rate"). The Default Rate shall also apply from demand until the Obligations or any judgment thereon is paid in full.

INTEREST AND FEES COMPUTATION (ACTUAL/360). Interest and fees, if any, shall be computed on the basis of a 360-day year for the actual number of days in the applicable period ("Actual/360 Computation"). The Actual/360 Computation determines the annual effective yield by taking the stated (nominal) rate for a year's period and then dividing said rate by 360 to determine the daily periodic rate to be applied for each day in the applicable period. Application of the Actual/360 Computation produces an annualized effective rate exceeding the nominal rate.

PREPAYMENT ALLOWED. This Note may be prepaid in whole or in part at any time. Any prepayment shall include accrued interest and all other sums then due under any of the Loan Documents (as defined below). No partial prepayment shall affect Borrower's obligation to make any payment of principal or interest due under this Note on the date specified below in the Repayment Terms paragraph of this Note until this Note has been paid in full.

2. The Note is hereby modified by deleting the provisions in the Note establishing the repayment terms and substituting the following in their place and stead:

REPAYMENT TERMS. The Note shall be due and payable in consecutive monthly payments of principal and interest in the amount of \$7,911.33 commencing on March 5, 2008, and continuing on the same day of each month thereafter until fully paid. In any event, all principal and accrued interest shall be due and payable on June 6, 2009.

ACKNOWLEDGMENTS AND REPRESENTATIONS. Borrower acknowledges and represents that the Note and other Loan Documents, as amended hereby, are in full force and effect without any defense, counterclaim, right or claim of set-off; that, after giving effect to this Agreement, no default or event that with the passage of time or giving of notice would constitute a default under the Loan Documents has occurred, all representations and warranties contained in the Loan Documents are true and correct as of this date, all necessary action to authorize the execution and delivery of this Agreement has been taken; and this Agreement is a modification of an existing obligation and is not a novation.

COLLATERAL. Borrower acknowledges and confirms that there have been no changes in the ownership of any collateral pledged to secure the Obligations (the "Collateral") since the Collateral was originally pledged; Borrower acknowledges and confirms that the Bank has existing, valid first priority security interests and liens in the Collateral; and that such security interests and liens shall secure Borrower's Obligations, including any modification of the Note or Loan Agreement, if any, and all future modifications, extensions, renewals and/or replacements of the Loan Documents.

MISCELLANEOUS. This Agreement shall be construed in accordance with and governed by the laws of the applicable state as originally provided in the Loan Documents, without reference to that state's conflicts of law principles. This Agreement and the other Loan Documents constitute the sole agreement of the parties with respect to the subject matter thereof and supersede all oral negotiations and prior writings with respect to the subject matter thereof. No amendment of this Agreement, and no waiver of any one or more of the provisions hereof shall be effective unless set forth in writing and signed by the parties hereto. The illegality, unenforceability or inconsistency of any provision of this Agreement shall not in any way affect or impair the legality, enforceability or consistency of the remaining provisions of this Agreement or the other Loan Documents. This Agreement and the other Loan Documents are intended to be consistent. However, in the event of any inconsistencies among this Agreement and any of the Loan Documents, the terms of this Agreement, and then the Note, shall control. This Agreement may be executed in any number of counterparts and by the different parties on separate counterparts. Each such counterpart shall be deemed an original, but all such counterparts shall together constitute one and the same agreement. Terms used in this Agreement which are capitalized and not otherwise defined herein shall have the meanings ascribed to such terms in the Note. **LIMITATION ON LIABILITY; WAIVER OF PUNITIVE DAMAGES.** EACH OF THE PARTIES HERETO, INCLUDING BANK BY ACCEPTANCE HEREOF, AGREES THAT IN ANY JUDICIAL, MEDIATION OR ARBITRATION PROCEEDING OR ANY CLAIM OR CONTROVERSY BETWEEN OR AMONG THEM THAT MAY ARISE OUT OF OR BE IN ANY WAY CONNECTED WITH THIS AGREEMENT, THE LOAN DOCUMENTS OR ANY OTHER AGREEMENT OR DOCUMENT BETWEEN OR AMONG THEM OR THE OBLIGATIONS EVIDENCED HEREBY OR RELATED HERETO, IN NO EVENT SHALL ANY PARTY HAVE A REMEDY OF, OR BE LIABLE TO THE OTHER FOR, (1) INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES OR (2) PUNITIVE OR EXEMPLARY DAMAGES. EACH OF THE PARTIES HEREBY EXPRESSLY WAIVES ANY RIGHT OR CLAIM TO PUNITIVE OR EXEMPLARY DAMAGES THEY MAY HAVE OR WHICH

MAY ARISE IN THE FUTURE IN CONNECTION WITH ANY SUCH PROCEEDING, CLAIM OR CONTROVERSY, WHETHER THE SAME IS RESOLVED BY ARBITRATION, MEDIATION, JUDICIALLY OR OTHERWISE. **Final Agreement.** This Agreement and the other Loan Documents represent the final agreement between the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent agreements of the parties. PREPAYMENT ALLOWED. This Note may be prepaid in whole or in part at any time. Any prepayment shall include accrued interest and all other sums then due under any of the Loan Documents (as defined below). REPAYMENT TERMS. This Note shall be due and payable in consecutive monthly payments of accrued interest only, commencing on October 6, 2006, and continuing on the same day of each month thereafter until fully paid. In any event, all principal and accrued interest shall be due and payable on September 6, 2009.

If any payment received by Bank under this Note or other Loan Documents is rescinded, avoided or for any reason returned by Bank because of any adverse claim or threatened action, the returned payment shall remain payable as an obligation of all persons liable under this Note or other Loan Documents as though such payment had not been made.

DEFINITIONS. **Loan Documents.** The term "Loan Documents", as used in this Note and the other Loan Documents, refers to all documents executed in connection with or related to the loan evidenced by this Note and any prior notes which evidence all or any portion of the loan evidenced by this Note, and any letters of credit issued pursuant to any loan agreement to which this Note is subject, any applications for such letters of credit and any other documents executed in connection therewith or related thereto, and may include, without limitation, a commitment letter that survives closing, a loan agreement, this Note, guaranty agreements, security agreements, security instruments, financing statements, mortgage instruments, any renewals or modifications, whenever any of the foregoing are executed, but does not include swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time). **Obligations.** The term "Obligations", as used in this Note and the other Loan Documents, refers to any and all indebtedness and other obligations under this Note, all other obligations under any other Loan Document(s), and all obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, whenever executed. **Certain Other Terms.** All terms that are used but not otherwise defined in any of the Loan Documents shall have the definitions provided in the Uniform Commercial Code.

LATE CHARGE. If any payments are not timely made, Borrower shall also pay to Bank a late charge equal to 5% of each payment past due for 15 or more days. This late charge shall not apply to payments due at maturity or by acceleration hereof, unless such late payment is in an amount not greater than the highest periodic payment due hereunder.

Acceptance by Bank of any late payment without an accompanying late charge shall not be deemed a waiver of Bank's right to collect such late charge or to collect a late charge for any subsequent late payment received.

If this Note is secured by owner-occupied residential real property located outside the state in which the office of Bank first shown above is located, the late charge laws of the state where the real property is located shall apply to this Note and the late charge shall be the highest amount allowable under such laws. If no amount is stated thereunder, the late charge shall be 5% of each payment past due for 10 or more days.

ATTORNEYS' FEES AND OTHER COLLECTION COSTS. USURY. If at any time the effective interest rate under this Note would, but for this paragraph, exceed the maximum lawful rate, the effective interest rate under this Note shall be the maximum lawful rate, and any amount received by Bank in excess of such rate shall be applied to principal and then to fees and expenses, or, if no such amounts are owing, returned to Borrower.

If any of the following occurs, a default ("Default") under this Note shall exist: **Nonpayment; Nonperformance.** The failure of timely payment or performance of the Obligations or Default under this Note or any other Loan Documents. **False Warranty.** A warranty or representation made or deemed made in the Loan Documents or furnished Bank in connection with the loan evidenced by this Note proves materially false, or if of a continuing nature, becomes materially false. **Cross Default.** At Bank's option, any default in payment or performance of any obligation under any other loans, contracts or agreements of Borrower, any Subsidiary or Affiliate of Borrower, any general partner of or the holder(s) of the majority ownership interests of Borrower with Bank or its affiliates ("Affiliate" shall have the meaning as defined in 11 U.S.C. § 101, as in effect from time to time, except that the term "Borrower" shall be substituted for the term "Debtor" therein; "Subsidiary" shall mean any business in which Borrower holds, directly or indirectly, a controlling interest). **Cessation; Bankruptcy.** The death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or commencement of any bankruptcy or insolvency proceeding by or against Borrower, its Subsidiaries or Affiliates, if any, or any general partner of or the holder(s) of the majority ownership interests of Borrower, or any party to the Loan Documents. **Material Capital Structure or Business Alteration.** Without prior written consent of Bank, (i) a material alteration in the kind or type of Borrower's business or that of Borrower's Subsidiaries or Affiliates, if any; (ii) the sale of substantially all of the business or assets of Borrower, any of Borrower's Subsidiaries or Affiliates or any guarantor, or a material portion (10% or more) of such business or assets if such a sale is outside the ordinary course of business of Borrower, or any of Borrower's Subsidiaries or Affiliates or any guarantor, or more than 50% of the outstanding stock or voting power of or in any such entity in a single transaction or a series of transactions; (iii) the acquisition of substantially all of the business or assets or more than 50% of the outstanding stock or voting power of any other entity; or (iv) should any Borrower or any of Borrower's Subsidiaries or Affiliates or any guarantor enter into any merger or consolidation. **Material Adverse Change.** Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Obligations are impaired or there has occurred a material adverse change in the business or prospects of Borrower, financial or otherwise.

If a Default occurs under this Note or any Loan Documents, Bank may at any time thereafter, take the following actions: **Bank Lien.** Foreclose its security interest or lien against Borrower's deposit accounts and investment property without notice. **Acceleration Upon Default.** Accelerate the maturity of this Note and, at Bank's option, any or all other Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements; whereupon this Note and the accelerated Obligations shall be immediately due and payable; provided, however, if the Default is based upon a bankruptcy or insolvency proceeding commenced by or against Borrower or any guarantor or endorser of this Note, all Obligations (other than Obligations under any swap agreement as referenced above) shall automatically and immediately be due and payable. **Cumulative.** Exercise any rights and remedies as provided under the Note and other Loan Documents, or as provided by law or equity.

FINANCIAL AND OTHER INFORMATION. Borrower shall deliver to Bank such information as Bank may reasonably request from time to time, including without limitation, financial statements and information pertaining to Borrower's financial condition. Such information shall be true, complete, and accurate.

WAIVERS AND AMENDMENTS. No waivers, amendments or modifications of this Note and other Loan Documents shall be valid unless in writing and signed by an officer of Bank. No waiver by Bank of any Default shall operate as a waiver of any other Default or the same Default on a future occasion. Neither the failure nor any delay on the part of Bank in exercising any right, power, or remedy under this Note and other Loan Documents shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

Except to the extent otherwise provided by the Loan Documents or prohibited by law, each Borrower and each other person liable under this Note waives presentment, protest, notice of dishonor, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale and all other notices of any kind. Further, each agrees that Bank may (i) extend, modify or renew this Note or make a novation of the loan evidenced by this Note, and/or (ii) grant releases, compromises or indulgences with respect to any collateral securing this Note, or with respect to any Borrower or other person liable under this Note or any other Loan Documents, all without notice to or consent of each Borrower and other such person, and without affecting the liability of each Borrower and other such person; provided, Bank may not extend, modify or renew this Note or make a novation of the loan evidenced by this Note without the consent of the Borrower, or if there is more than one Borrower, without the consent of at least one Borrower; and further provided, if there is more than one Borrower, Bank may not enter into a modification of this Note which increases the burdens of a Borrower without the consent of that Borrower.

This Note and the other Loan Documents shall inure to the benefit of and be binding upon the parties and their respective heirs, legal representatives, successors and assigns. Bank's interests in and rights under this Note and the other Loan Documents are freely assignable, in whole or in part, by Bank. In addition, nothing in this Note or any of the other Loan Documents shall prohibit Bank from pledging or assigning this Note or any of the other Loan Documents or any interest therein to any Federal Reserve Bank. Borrower shall not assign its rights and interest hereunder without the prior written consent of Bank, and any attempt by Borrower to assign without Bank's prior written consent is null and void. None of Borrower, or any subsidiary or affiliate of Borrower or any guarantor is a Sanctioned Person or has any of its assets in a Sanctioned Country or does business in or with, or derives any of its operating income from investments in or transactions with, Sanctioned Persons or Sanctioned Countries in violation of economic sanctions administered by OFAC. The proceeds from the Loan will not be used to fund any operations in, finance any investments or activities in, or make any payments to, a Sanctioned Person or a Sanctioned Country. 3 Barre Street
Charleston, South Carolina 29401
(Hereinafter referred to as "Borrower")

Wachovia Bank, National Association
Greenville, South Carolina 29601
(Hereinafter referred to as "Bank")

THIS AGREEMENT is entered into as of February 14, 2008 by and between Bank and Borrower.

RECITALS

Bank is the holder of a Promissory Note, as modified from time to time, executed and delivered by Borrower, dated September 6, 2006, in the original principal amount of \$1,520,000.00 (the "Note");

Borrower and Bank have agreed to modify the terms of the Note.

In consideration of Bank's continued extension of credit and the agreements contained herein, the parties agree as follows:

AGREEMENT

ACKNOWLEDGMENT OF BALANCE. Borrower acknowledges that the most recent Commercial Loan Invoice sent to Borrower with respect to the Obligations under the Note is correct.

MODIFICATIONS.

The Note is hereby modified by deleting the provisions in the Note establishing the applicable interest rate and any indemnification or prepayment obligations, and substituting the following in their place and stead:

INTEREST RATE. Interest shall accrue on the unpaid principal balance of this Note at the rate of 5.39% ("Interest Rate").

DEFAULT RATE. In addition to all other rights contained in this Note, if a Default (as defined herein) occurs and as long as a Default continues, all outstanding Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank or its affiliates, shall bear interest at the Interest Rate plus 3% ("Default Rate"). The Default Rate shall also apply from demand until the Obligations or any judgment thereon is paid in full.

INTEREST AND FEES COMPUTATION (ACTUAL/360). Interest and fees, if any, shall be computed on the basis of a 360-day year for the actual number of days in the applicable period ("Actual/360 Computation"). The Actual/360 Computation determines the annual effective yield by taking the stated (nominal) rate for a year's period and then dividing said rate by 360 to determine the daily periodic rate to be applied for each day in the applicable period. Application of the Actual/360 Computation produces an annualized effective rate exceeding the nominal rate.

PREPAYMENT ALLOWED. This Note may be prepaid in whole or in part at any time. Any prepayment shall include accrued interest and all other sums then due under any of the Loan Documents (as defined below). No partial prepayment shall affect Borrower's obligation to make any payment of principal or

interest due under this Note on the date specified below in the Repayment Terms paragraph of this Note until this Note has been paid in full.

ACKNOWLEDGMENTS AND REPRESENTATIONS. Borrower acknowledges and represents that the Note and other Loan Documents, as amended hereby, are in full force and effect without any defense, counterclaim, right or claim of set-off; that, after giving effect to this Agreement, no default or event that with the passage of time or giving of notice would constitute a default under the Loan Documents has occurred, all representations and warranties contained in the Loan Documents are true and correct as of this date, all necessary action to authorize the execution and delivery of this Agreement has been taken; and this Agreement is a modification of an existing obligation and is not a novation.

COLLATERAL. Borrower acknowledges and confirms that there have been no changes in the ownership of any collateral pledged to secure the Obligations (the "Collateral") since the Collateral was originally pledged; Borrower acknowledges and confirms that the Bank has existing, valid first priority security interests and liens in the Collateral; and that such security interests and liens shall secure Borrower's Obligations, including any modification of the Note or Loan Agreement, if any, and all future modifications, extensions, renewals and/or replacements of the Loan Documents.

MISCELLANEOUS. This Agreement shall be construed in accordance with and governed by the laws of the applicable state as originally provided in the Loan Documents, without reference to that state's conflicts of law principles. This Agreement and the other Loan Documents constitute the sole agreement of the parties with respect to the subject matter thereof and supersede all oral negotiations and prior writings with respect to the subject matter thereof. No amendment of this Agreement, and no waiver of any one or more of the provisions hereof shall be effective unless set forth in writing and signed by the parties hereto. The illegality, unenforceability or inconsistency of any provision of this Agreement shall not in any way affect or impair the legality, enforceability or consistency of the remaining provisions of this Agreement or the other Loan Documents. This Agreement and the other Loan Documents are intended to be consistent. However, in the event of any inconsistencies among this Agreement and any of the Loan Documents, the terms of this Agreement, and then the Note, shall control. This Agreement may be executed in any number of counterparts and by the different parties on separate counterparts. Each such counterpart shall be deemed an original, but all such counterparts shall together constitute one and the same agreement. Terms used in this Agreement which are capitalized and not otherwise defined herein shall have the meanings ascribed to such terms in the Note. **LIMITATION ON LIABILITY; WAIVER OF PUNITIVE DAMAGES.** EACH OF THE PARTIES HERETO, INCLUDING BANK BY ACCEPTANCE HEREOF, AGREES THAT IN ANY JUDICIAL, MEDIATION OR ARBITRATION PROCEEDING OR ANY CLAIM OR CONTROVERSY BETWEEN OR AMONG THEM THAT MAY ARISE OUT OF OR BE IN ANY WAY CONNECTED WITH THIS AGREEMENT, THE LOAN DOCUMENTS OR ANY OTHER AGREEMENT OR DOCUMENT BETWEEN OR AMONG THEM OR THE OBLIGATIONS EVIDENCED HEREBY OR RELATED HERETO, IN NO EVENT SHALL ANY PARTY HAVE A REMEDY OF, OR BE LIABLE TO THE OTHER FOR, (1) INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES OR (2) PUNITIVE OR EXEMPLARY DAMAGES. EACH OF THE PARTIES HEREBY EXPRESSLY WAIVES ANY RIGHT OR CLAIM TO PUNITIVE OR EXEMPLARY DAMAGES THEY MAY HAVE OR WHICH MAY ARISE IN THE FUTURE IN CONNECTION WITH ANY SUCH PROCEEDING, CLAIM OR CONTROVERSY, WHETHER THE SAME IS RESOLVED BY ARBITRATION, MEDIATION, JUDICIALLY OR OTHERWISE. **Final Agreement.** This Agreement and the other Loan Documents represent the final agreement between the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent agreements of the parties. There are no unwritten agreements between the parties.

WAIVER OF JURY TRIAL. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH OF BORROWER BY EXECUTION HEREOF AND BANK BY ACCEPTANCE HEREOF, KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHT EACH MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT, THE LOAN DOCUMENTS OR ANY AGREEMENT CONTEMPLATED TO BE EXECUTED IN CONNECTION WITH THIS AGREEMENT, OR ANY COURSE OF CONDUCT, COURSE

OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY WITH RESPECT HERETO. THIS PROVISION IS A MATERIAL INDUCEMENT TO BANK TO ACCEPT THIS AGREEMENT. EACH OF THE PARTIES AGREES THAT THE TERMS HEREOF SHALL SUPERSEDE AND REPLACE ANY PRIOR AGREEMENT RELATED TO ARBITRATION OF DISPUTES BETWEEN THE PARTIES CONTAINED IN ANY LOAN DOCUMENT OR ANY OTHER DOCUMENT OR AGREEMENT HERETOFORE EXECUTED IN CONNECTION WITH, RELATED TO OR BEING REPLACED, SUPPLEMENTED, EXTENDED OR MODIFIED BY, THIS AGREEMENT.

IN WITNESS WHEREOF, the undersigned have duly signed and sealed this Agreement the day and year first above written.

SECURITY. Borrower has granted Bank a security interest in the collateral described in the Loan Documents, including, but not limited to, real and personal property collateral described in that certain security instrument of even date herewith.

INTEREST RATE. Interest shall accrue on the unpaid principal balance of this Note from the date hereof at the rate of 7.10% ("Interest Rate").

DEFAULT RATE. In addition to all other rights contained in this Note, if a Default (as defined herein) occurs and as long as a Default continues, all outstanding Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank or its affiliates, shall bear interest at the Interest Rate plus 3% ("Default Rate"). The Default Rate shall also apply from demand until the Obligations or any judgment thereon is paid in full.

INTEREST AND FEES(S) COMPUTATION (ACTUAL/360). Interest and fees, if any, shall be computed on the basis of a 360-day year for the actual number of days in the applicable period ("Actual/360 Computation"). The Actual/360 Computation determines the annual effective yield by taking the stated (nominal) rate for a year's period and then dividing said rate by 360 to determine the daily periodic rate to be applied for each day in the applicable period. Application of the Actual/360 Computation produces an annualized effective rate exceeding the nominal rate.

PREPAYMENT ALLOWED. This Note may be prepaid in whole or in part at any time. Any prepayment shall include accrued interest and all other sums then due under any of the Loan Documents (as defined below). No partial prepayment shall affect Borrower's obligation to make any payment of principal or interest due under this Note on the date specified below in the Repayment Terms paragraph of this Note until this Note has been paid in full.

06299P301405

REPAYMENT TERMS. This Note shall be due and payable in consecutive monthly payments of accrued interest only, commencing on November 11, 2006, and continuing on the same day of each month thereafter until fully paid. In any event, all principal and accrued interest shall be due and payable on October 11, 2009.

APPLICATION OF PAYMENTS. Monies received by Bank from any source for application toward payment of the Obligations shall be applied to accrued interest and then to principal. If a Default occurs, monies may be applied to the Obligations in any manner or order deemed appropriate by Bank.

If any payment received by Bank under this Note or other Loan Documents is rescinded, avoided or for any reason returned by Bank because of any adverse claim or threatened action, the returned payment shall remain payable as an obligation of all persons liable under this Note or other Loan Documents as though such payment had not been made.

DEFINITIONS. Loan Documents. The term "Loan Documents", as used in this Note and the other Loan Documents, refers to all documents executed in connection with or related to the loan evidenced by this Note and any prior notes which evidence all or any portion of the loan evidenced by this Note, and any letters of credit issued pursuant to any loan agreement to which this Note is subject, any applications for such letters of credit and any other documents executed in connection therewith or related thereto, and may include, without limitation, a commitment letter that survives closing, a loan agreement, this Note, guaranty agreements, security agreements, security instruments, financing statements, mortgage instruments, any renewals or modifications, whenever any of the foregoing are executed, but does not include swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time). **Obligations.** The term "Obligations", as used in this Note and the other Loan Documents, refers to any and all indebtedness and other obligations under this Note, all other obligations under any other Loan Document(s), and all obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, whenever executed. **Certain Other Terms.** All terms that are used but not otherwise defined in any of the Loan Documents shall have the definitions provided in the Uniform Commercial Code.

LATE CHARGE. If any payments are not timely made, Borrower shall also pay to Bank a late charge equal to 5% of each payment past due for 15 or more days. This late charge shall not apply to payments due at maturity or by acceleration hereof, unless such late payment is in an amount not greater than the highest periodic payment due hereunder.

Acceptance by Bank of any late payment without an accompanying late charge shall not be deemed a waiver of Bank's right to collect such late charge or to collect a late charge for any subsequent late payment received.

If this Note is secured by owner-occupied residential real property located outside the state in which the office of Bank first shown above is located, the late charge laws of the state where the real property is located shall apply to this Note and the late charge shall be the highest amount allowable under such laws. If no amount is stated thereunder, the late charge shall be 5% of each payment past due for 10 or more days.

ATTORNEYS' FEES AND OTHER COLLECTION COSTS. Borrower shall pay all of Bank's reasonable expenses actually incurred to enforce or collect any of the Obligations including, without limitation, reasonable arbitration, paralegals', attorneys' and experts' fees and expenses, whether incurred without the commencement of a suit, in any trial, arbitration, or administrative proceeding, or in any appellate or bankruptcy proceeding.

USURY. If at any time the effective interest rate under this Note would, but for this paragraph, exceed the maximum lawful rate, the effective interest rate under this Note shall be the maximum lawful rate, and any amount received by Bank in excess of such rate shall be applied to principal and then to fees and expenses, or, if no such amounts are owing, returned to Borrower.

DEFAULT. If any of the following occurs, a default ("Default") under this Note shall exist: **Nonpayment; Nonperformance.** The failure of timely payment or performance of the Obligations or Default under this Note or any other Loan Documents. **False Warranty.** A warranty or representation made or deemed made in the Loan Documents or furnished Bank in connection with the loan evidenced by this Note proves materially false, or if of a continuing nature, becomes materially false. **Cross Default.** At Bank's option, any default in payment or performance of any obligation under any other loans, contracts or agreements of Borrower, any Subsidiary or Affiliate of Borrower, any general partner of or the holder(s) of the majority ownership interests of Borrower with Bank or its affiliates ("Affiliate" shall have the meaning as defined in 11 U.S.C. § 101, as in effect from time to time, except that the term "Borrower" shall be substituted for the term "Debtor" therein; "Subsidiary" shall mean any business in which Borrower holds, directly or indirectly, a controlling interest). **Cessation; Bankruptcy.** The death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or commencement of any bankruptcy or insolvency proceeding by or against Borrower, its Subsidiaries or Affiliates, if any, or any general partner of or the holder(s) of the majority ownership interests of Borrower, or any party to the Loan Documents. **Material Capital Structure or Business Alteration.** Without prior written consent of Bank, (i) a material alteration in the kind or type of Borrower's business or that of Borrower's Subsidiaries or Affiliates, if any; (ii) the sale of substantially all of the business or assets of Borrower, any of Borrower's Subsidiaries or Affiliates or any guarantor, or a material portion (10% or more) of such business or assets if such a sale is outside the ordinary course of business of Borrower, or any of Borrower's Subsidiaries or Affiliates or any guarantor, or more than 50% of the outstanding stock or voting power of or in any such entity in a single transaction or a series of transactions; (iii) the acquisition of substantially all of the business or assets or more than 50% of the outstanding stock or voting power of any other entity; or (iv) should any Borrower or any of Borrower's Subsidiaries or Affiliates or any guarantor enter into any merger or consolidation. **Material Adverse Change.** Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Obligations are impaired or there has occurred a material adverse change in the business or prospects of Borrower, financial or otherwise.

REMEDIES UPON DEFAULT. If a Default occurs under this Note or any Loan Documents, Bank may at any time thereafter, take the following actions: **Bank Lien.** Foreclose its security interest or lien against Borrower's deposit accounts and investment property without notice. **Acceleration Upon Default.** Accelerate the maturity of this Note and, at Bank's option, any or all other Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements; whereupon this Note and the accelerated Obligations shall be immediately due and payable; provided, however, if the Default is based upon a bankruptcy or insolvency proceeding commenced by or against Borrower or any guarantor or endorser of this Note, all Obligations (other than Obligations under any swap agreement as referenced above) shall automatically and immediately be due and payable. **Cumulative.** Exercise any rights and remedies as provided under the Note and other Loan Documents, or as provided by law or equity.

ANNUAL FINANCIAL STATEMENTS. Borrower shall deliver to Bank, within 90 days after the close of each fiscal year, unaudited management-prepared financial statements reflecting its operations during such fiscal year, including, without limitation, a balance sheet, profit and loss statement and statement of cash flows, with supporting schedules and in reasonable detail, prepared in conformity with generally accepted accounting principles, applied on a basis consistent with that of the preceding year. If unaudited statements are required, such statements shall be certified as to their correctness by a principal financial officer of Borrower.

TAX RETURNS. Borrower shall deliver to Bank, within 30 days of filing, complete copies of federal and state tax returns, as applicable, together with all schedules thereto, each of which shall be signed and certified by Borrower to be true and complete copies of such returns. In the event an extension is filed, Borrower shall deliver a copy of the extension within 30 days of filing.

00299301408

FINANCIAL AND OTHER INFORMATION. Borrower shall deliver to Bank such information as Bank may reasonably request from time to time, including without limitation, financial statements and information pertaining to Borrower's financial condition. Such information shall be true, complete, and accurate.

WAIVERS AND AMENDMENTS. No waivers, amendments or modifications of this Note and other Loan Documents shall be valid unless in writing and signed by an officer of Bank. No waiver by Bank of any Default shall operate as a waiver of any other Default or the same Default on a future occasion. Neither the failure nor any delay on the part of Bank in exercising any right, power, or remedy under this Note and other Loan Documents shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

Except to the extent otherwise provided by the Loan Documents or prohibited by law, each Borrower and each other person liable under this Note waives presentment, protest, notice of dishonor, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale and all other notices of any kind. Further, each agrees that Bank may (i) extend, modify or renew this Note or make a novation of the loan evidenced by this Note, and/or (ii) grant releases, compromises or indulgences with respect to any collateral securing this Note, or with respect to any Borrower or other person liable under this Note or any other Loan Documents, all without notice to or consent of each Borrower and other such person, and without affecting the liability of each Borrower and other such person; provided, Bank may not extend, modify or renew this Note or make a novation of the loan evidenced by this Note without the consent of the Borrower, or if there is more than one Borrower, without the consent of at least one Borrower; and further provided, if there is more than one Borrower, Bank may not enter into a modification of this Note which increases the burdens of a Borrower without the consent of that Borrower.

MISCELLANEOUS PROVISIONS. Assignment. This Note and the other Loan Documents shall inure to the benefit of and be binding upon the parties and their respective heirs, legal representatives, successors and assigns. Bank's interests in and rights under this Note and the other Loan Documents are freely assignable, in whole or in part, by Bank. In addition, nothing in this Note or any of the other Loan Documents shall prohibit Bank from pledging or assigning this Note or any of the other Loan Documents or any interest therein to any Federal Reserve Bank. Borrower shall not assign its rights and interest hereunder without the prior written consent of Bank, and any attempt by Borrower to assign without Bank's prior written consent is null and void. Any assignment shall not release Borrower from the Obligations. **Organization; Powers.** Borrower represents that Borrower (i) is (a) an adult individual and is *sui juris*, or (b) a corporation, general partnership, limited partnership, limited liability company or other legal entity, duly organized, validly existing and in good standing under the laws of its state of organization, and is authorized to do business in each other jurisdiction wherein its ownership of property or conduct of business legally requires such organization (ii) has the power and authority to own its properties and assets and to carry on its business as now being conducted and as now contemplated; and (iii) has the power and authority to execute, deliver and perform, and by all necessary action has authorized the execution, delivery and performance of, all of its obligations under this Note and any other Loan Document to which it is a party. **Compliance with Laws.** Borrower represents that Borrower and any subsidiary and affiliate of Borrower and any guarantor are in compliance in all respects with all federal, state and local laws, rules and regulations applicable to its properties, operations, business, and finances, including, without limitation, any federal or state laws relating to liquor (including 18 U.S.C. § 3617, et seq.) or narcotics (including 21 U.S.C. § 801, et seq.) and/or any commercial crimes; all applicable federal, state and local laws and regulations intended to protect the environment; and the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), if applicable. THIS AGREEMENT is entered into as of February 14, 2008 by and between Bank and Borrower.

RECITALS

Bank is the holder of a Promissory Note, as modified from time to time, executed and delivered by Borrower, dated October 11, 2006, in the original principal amount of \$790,000.00 (the "Note");

Borrower and Bank have agreed to modify the terms of the Note.

In consideration of Bank's continued extension of credit and the agreements contained herein, the parties agree as follows:

AGREEMENT

ACKNOWLEDGMENT OF BALANCE. Borrower acknowledges that the most recent Commercial Loan Invoice sent to Borrower with respect to the Obligations under the Note is correct.

MODIFICATIONS.

The Note is hereby modified by deleting the provisions in the Note establishing the applicable interest rate and any indemnification or prepayment obligations, and substituting the following in their place and stead:

INTEREST RATE. Interest shall accrue on the unpaid principal balance of this Note at the rate of 5.39% ("Interest Rate").

DEFAULT RATE. In addition to all other rights contained in this Note, if a Default (as defined herein) occurs and as long as a Default continues, all outstanding Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank or its affiliates, shall bear interest at the Interest Rate plus 3% ("Default Rate"). The Default Rate shall also apply from demand until the Obligations or any judgment thereon is paid in full.

INTEREST AND FEES COMPUTATION (ACTUAL/360). Interest and fees, if any, shall be computed on the basis of a 360-day year for the actual number of days in the applicable period ("Actual/360 Computation"). The Actual/360 Computation determines the annual effective yield by taking the stated (nominal) rate for a year's period and then dividing said rate by 360 to determine the daily periodic rate to be applied for each day in the applicable period. Application of the Actual/360 Computation produces an annualized effective rate exceeding the nominal rate.

PREPAYMENT ALLOWED. This Note may be prepaid in whole or in part at any time. Any prepayment shall include accrued interest and all other sums then due under any of the Loan Documents (as defined below). No partial prepayment shall affect Borrower's obligation to make any payment of principal or

interest due under this Note on the date specified below in the Repayment Terms paragraph of this Note until this Note has been paid in full.

ACKNOWLEDGMENTS AND REPRESENTATIONS. Borrower acknowledges and represents that the Note and other Loan Documents, as amended hereby, are in full force and effect without any defense, counterclaim, right or claim of set-off; that, after giving effect to this Agreement, no default or event that with the passage of time or giving of notice would constitute a default under the Loan Documents has occurred, all representations and warranties contained in the Loan Documents are true and correct as of this date, all necessary action to authorize the execution and delivery of this Agreement has been taken; and this Agreement is a modification of an existing obligation and is not a novation.

COLLATERAL. Borrower acknowledges and confirms that there have been no changes in the ownership of any collateral pledged to secure the Obligations (the "Collateral") since the Collateral was originally pledged; Borrower acknowledges and confirms that the Bank has existing, valid first priority security interests and liens in the Collateral; and that such security interests and liens shall secure Borrower's Obligations, including any modification of the Note or Loan Agreement, if any, and all future modifications, extensions, renewals and/or replacements of the Loan Documents.

MISCELLANEOUS. This Agreement shall be construed in accordance with and governed by the laws of the applicable state as originally provided in the Loan Documents, without reference to that state's conflicts of law principles. This Agreement and the other Loan Documents constitute the sole agreement of the parties with respect to the subject matter thereof and supersede all oral negotiations and prior writings with respect to the subject matter thereof. No amendment of this Agreement, and no waiver of any one or more of the provisions hereof shall be effective unless set forth in writing and signed by the parties hereto. The illegality, unenforceability or inconsistency of any provision of this Agreement shall not in any way affect or impair the legality, enforceability or consistency of the remaining provisions of this Agreement or the other Loan Documents. This Agreement and the other Loan Documents are intended to be consistent. However, in the event of any inconsistencies among this Agreement and any of the Loan Documents, the terms of this Agreement, and then the Note, shall control. This Agreement may be executed in any number of counterparts and by the different parties on separate counterparts. Each such counterpart shall be deemed an original, but all such counterparts shall together constitute one and the same agreement. Terms used in this Agreement which are capitalized and not otherwise defined herein shall have the meanings ascribed to such terms in the Note. **LIMITATION ON LIABILITY; WAIVER OF PUNITIVE DAMAGES.** EACH OF THE PARTIES HERETO, INCLUDING BANK BY ACCEPTANCE HEREOF, AGREES THAT IN ANY JUDICIAL, MEDIATION OR ARBITRATION PROCEEDING OR ANY CLAIM OR CONTROVERSY BETWEEN OR AMONG THEM THAT MAY ARISE OUT OF OR BE IN ANY WAY CONNECTED WITH THIS AGREEMENT, THE LOAN DOCUMENTS OR ANY OTHER AGREEMENT OR DOCUMENT BETWEEN OR AMONG THEM OR THE OBLIGATIONS EVIDENCED HEREBY OR RELATED HERETO, IN NO EVENT SHALL ANY PARTY HAVE A REMEDY OF, OR BE LIABLE TO THE OTHER FOR, (1) INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES OR (2) PUNITIVE OR EXEMPLARY DAMAGES. EACH OF THE PARTIES HEREBY EXPRESSLY WAIVES ANY RIGHT OR CLAIM TO PUNITIVE OR EXEMPLARY DAMAGES THEY MAY HAVE OR WHICH MAY ARISE IN THE FUTURE IN CONNECTION WITH ANY SUCH PROCEEDING, CLAIM OR CONTROVERSY, WHETHER THE SAME IS RESOLVED BY ARBITRATION, MEDIATION, JUDICIALLY OR OTHERWISE. **Final Agreement.** This Agreement and the other Loan Documents represent the final agreement between the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent agreements of the parties. There are no unwritten agreements between the parties.

WAIVER OF JURY TRIAL. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH OF BORROWER BY EXECUTION HEREOF AND BANK BY ACCEPTANCE HEREOF, KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHT EACH MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT, THE LOAN DOCUMENTS OR ANY AGREEMENT CONTEMPLATED TO BE EXECUTED IN CONNECTION WITH THIS AGREEMENT, OR ANY COURSE OF CONDUCT, COURSE

OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY WITH RESPECT HERETO. THIS PROVISION IS A MATERIAL INDUCEMENT TO BANK TO ACCEPT THIS AGREEMENT. EACH OF THE PARTIES AGREES THAT THE TERMS HEREOF SHALL SUPERSEDE AND REPLACE ANY PRIOR AGREEMENT RELATED TO ARBITRATION OF DISPUTES BETWEEN THE PARTIES CONTAINED IN ANY LOAN DOCUMENT OR ANY OTHER DOCUMENT OR AGREEMENT HERETOFORE EXECUTED IN CONNECTION WITH, RELATED TO OR BEING REPLACED, SUPPLEMENTED, EXTENDED OR MODIFIED BY, THIS AGREEMENT.

IN WITNESS WHEREOF, the undersigned have duly signed and sealed this Agreement the day and year first above written.

CNOTE

APPLICATION OF PAYMENTS. Monies received by Bank from any source for application toward payment of the Obligations shall be applied to accrued interest and then to principal. If a Default occurs, monies may be applied to the Obligations in any manner or order deemed appropriate by Bank.

If any payment received by Bank under this Note or other Loan Documents is rescinded, avoided or for any reason returned by Bank because of any adverse claim or threatened action, the returned payment shall remain payable as an obligation of all persons liable under this Note or other Loan Documents as though such payment had not been made.

DEFINITIONS. Loan Documents. The term "Loan Documents", as used in this Note and the other Loan Documents, refers to all documents executed in connection with or related to the loan evidenced by this Note and any prior notes which evidence all or any portion of the loan evidenced by this Note, and any letters of credit issued pursuant to any loan agreement to which this Note is subject, any applications for such letters of credit and any other documents executed in connection therewith or related thereto, and may include, without limitation, a commitment letter that survives closing, a loan agreement, this Note, guaranty agreements, security agreements, security instruments, financing statements, mortgage instruments, any renewals or modifications, whenever any of the foregoing are executed, but does not include swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time). **Obligations.** The term "Obligations", as used in this Note and the other Loan Documents, refers to any and all indebtedness and other obligations under this Note, all other obligations under any other Loan Document(s), and all obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, whenever executed. **Certain Other Terms.** All terms that are used but not otherwise defined in any of the Loan Documents shall have the definitions provided in the Uniform Commercial Code.

LATE CHARGE. If any payments are not timely made, Borrower shall also pay to Bank a late charge equal to 5% of each payment past due for 15 or more days. This late charge shall not apply to payments due at maturity or by acceleration hereof, unless such late payment is in an amount not greater than the highest periodic payment due hereunder.

Acceptance by Bank of any late payment without an accompanying late charge shall not be deemed a waiver of Bank's right to collect such late charge or to collect a late charge for any subsequent late payment received.

If this Note is secured by owner-occupied residential real property located outside the state in which the office of Bank first shown above is located, the late charge laws of the state where the real property is located shall apply to this Note and the late charge shall be the highest amount allowable under such laws. If no amount is stated thereunder, the late charge shall be 5% of each payment past due for 10 or more days.

ATTORNEYS' FEES AND OTHER COLLECTION COSTS. Borrower shall pay all of Bank's reasonable expenses actually incurred to enforce or collect any of the Obligations including, without limitation, reasonable arbitration, paralegals', attorneys' and experts' fees and expenses, whether incurred without the commencement of a suit, in any trial, arbitration, or administrative proceeding, or in any appellate or bankruptcy proceeding.

USURY. If at any time the effective interest rate under this Note would, but for this paragraph, exceed the maximum lawful rate, the effective interest rate under this Note shall be the maximum lawful rate, and any amount received by Bank in excess of such rate shall be applied to principal and then to fees and expenses, or, if no such amounts are owing, returned to Borrower.

DEFAULT. If any of the following occurs, a default ("Default") under this Note shall exist: **Nonpayment; Nonperformance.** The failure of timely payment or performance of the Obligations or Default under this Note or any other Loan Documents. **False Warranty.** A warranty or representation made or deemed made in the Loan Documents or furnished Bank in connection with the loan evidenced by this Note proves materially false, or if of a continuing nature, becomes materially false. **Cross Default.** At Bank's

option, any default in payment or performance of any obligation under any other loans, contracts or agreements of Borrower, any Subsidiary or Affiliate of Borrower, any general partner of or the holder(s) of the majority ownership interests of Borrower with Bank or its affiliates ("Affiliate" shall have the meaning as defined in 11 U.S.C. § 101, as in effect from time to time, except that the term "Borrower" shall be substituted for the term "Debtor" therein; "Subsidiary" shall mean any business in which Borrower holds, directly or indirectly, a controlling interest). **Cessation; Bankruptcy.** The death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or commencement of any bankruptcy or insolvency proceeding by or against Borrower, its Subsidiaries or Affiliates, if any, or any general partner of or the holder(s) of the majority ownership interests of Borrower, or any party to the Loan Documents. **Material Capital Structure or Business Alteration.** Without prior written consent of Bank, (i) a material alteration in the kind or type of Borrower's business or that of Borrower's Subsidiaries or Affiliates, if any; (ii) the sale of substantially all of the business or assets of Borrower, any of Borrower's Subsidiaries or Affiliates or any guarantor, or a material portion (10% or more) of such business or assets if such a sale is outside the ordinary course of business of Borrower, or any of Borrower's Subsidiaries or Affiliates or any guarantor, or more than 50% of the outstanding stock or voting power of or in any such entity in a single transaction or a series of transactions; (iii) the acquisition of substantially all of the business or assets or more than 50% of the outstanding stock or voting power of any other entity; or (iv) should any Borrower or any of Borrower's Subsidiaries or Affiliates or any guarantor enter into any merger or consolidation. **Material Adverse Change.** Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Obligations are impaired or there has occurred a material adverse change in the business or prospects of Borrower, financial or otherwise.

REMEDIES UPON DEFAULT. If a Default occurs under this Note or any Loan Documents, Bank may at any time thereafter, take the following actions: **Bank Lien.** Foreclose its security interest or lien against Borrower's deposit accounts and investment property without notice. **Acceleration Upon Default.** Accelerate the maturity of this Note and, at Bank's option, any or all other Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements; whereupon this Note and the accelerated Obligations shall be immediately due and payable; provided, however, if the Default is based upon a bankruptcy or insolvency proceeding commenced by or against Borrower or any guarantor or endorser of this Note, all Obligations (other than Obligations under any swap agreement as referenced above) shall automatically and immediately be due and payable. **Cumulative.** Exercise any rights and remedies as provided under the Note and other Loan Documents, or as provided by law or equity.

ANNUAL FINANCIAL STATEMENTS. Borrower shall deliver to Bank, within 90 days after the close of each fiscal year, unaudited management-prepared financial statements reflecting its operations during such fiscal year, including, without limitation, a balance sheet, profit and loss statement and statement of cash flows, with supporting schedules and in reasonable detail, prepared in conformity with generally accepted accounting principles, applied on a basis consistent with that of the preceding year. If unaudited statements are required, such statements shall be certified as to their correctness by a principal financial officer of Borrower.

TAX RETURNS. Borrower shall deliver to Bank, within 30 days of filing, complete copies of federal and state tax returns, as applicable, together with all schedules thereto, each of which shall be signed and certified by Borrower to be true and complete copies of such returns. In the event an extension is filed, Borrower shall deliver a copy of the extension within 30 days of filing.

FINANCIAL AND OTHER INFORMATION. Borrower shall deliver to Bank such information as Bank may reasonably request from time to time, including without limitation, financial statements and information pertaining to Borrower's financial condition. Such information shall be true, complete, and accurate.

WAIVERS AND AMENDMENTS. No waivers, amendments or modifications of this Note and other Loan Documents shall be valid unless in writing and signed by an officer of Bank. No waiver by Bank of any Default shall operate as a waiver of any other Default or the same Default on a future occasion. Neither

the failure nor any delay on the part of Bank in exercising any right, power, or remedy under this Note and other Loan Documents shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

Except to the extent otherwise provided by the Loan Documents or prohibited by law, each Borrower and each other person liable under this Note waives presentment, protest, notice of dishonor, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale and all other notices of any kind. Further, each agrees that Bank may (i) extend, modify or renew this Note or make a novation of the loan evidenced by this Note, and/or (ii) grant releases, compromises or indulgences with respect to any collateral securing this Note, or with respect to any Borrower or other person liable under this Note or any other Loan Documents, all without notice to or consent of each Borrower and other such person, and without affecting the liability of each Borrower and other such person; provided, Bank may not extend, modify or renew this Note or make a novation of the loan evidenced by this Note without the consent of the Borrower, or if there is more than one Borrower, without the consent of at least one Borrower; and further provided, if there is more than one Borrower, Bank may not enter into a modification of this Note which increases the burdens of a Borrower without the consent of that Borrower.

MISCELLANEOUS PROVISIONS. Assignment. This Note and the other Loan Documents shall inure to the benefit of and be binding upon the parties and their respective heirs, legal representatives, successors and assigns. Bank's interests in and rights under this Note and the other Loan Documents are freely assignable, in whole or in part, by Bank. In addition, nothing in this Note or any of the other Loan Documents shall prohibit Bank from pledging or assigning this Note or any of the other Loan Documents or any interest therein to any Federal Reserve Bank. Borrower shall not assign its rights and interest hereunder without the prior written consent of Bank, and any attempt by Borrower to assign without Bank's prior written consent is null and void. Any assignment shall not release Borrower from the Obligations. **Organization; Powers.** Borrower represents that Borrower (i) is (a) an adult individual and is *sui juris*, or (b) a corporation, general partnership, limited partnership, limited liability company or other legal entity, duly organized, validly existing and in good standing under the laws of its state of organization, and is authorized to do business in each other jurisdiction wherein its ownership of property or conduct of business legally requires such organization (ii) has the power and authority to own its properties and assets and to carry on its business as now being conducted and as now contemplated; and (iii) has the power and authority to execute, deliver and perform, and by all necessary action has authorized the execution, delivery and performance of, all of its obligations under this Note and any other Loan Document to which it is a party. **Compliance with Laws.** Borrower represents that Borrower and any subsidiary and affiliate of Borrower and any guarantor are in compliance in all respects with all federal, state and local laws, rules and regulations applicable to its properties, operations, business, and finances, including, without limitation, any federal or state laws relating to liquor (including 18 U.S.C. § 3617, et seq.) or narcotics (including 21 U.S.C. § 801, et seq.) and/or any commercial crimes; all applicable federal, state and local laws and regulations intended to protect the environment; and the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), if applicable. None of Borrower, or any subsidiary or affiliate of Borrower or any guarantor is a Sanctioned Person or has any of its assets in a Sanctioned Country or does business in or with, or derives any of its operating income from investments in or transactions with, Sanctioned Persons or Sanctioned Countries in violation of economic sanctions administered by OFAC. The proceeds from the Loan will not be used to fund any operations in, finance any investments or activities in, or make any payments to, a Sanctioned Person or a Sanctioned Country. "OFAC" means the U.S. Department of the Treasury's Office of Foreign Assets Control. "Sanctioned Country" means a country subject to a sanctions program identified on the list maintained by OFAC and available at <http://www.treas.gov/offices/enforcement/ofac/sanctions/>, or as otherwise published from time to time. interpreted under the laws of the state named in Bank's address on the first page hereof without regard to that state's conflict of laws principles. If the terms of this Note should conflict with the terms of any loan agreement or any commitment letter that survives closing, the terms of this Note shall control.

Borrower's Accounts. Except as prohibited by law, Borrower grants Bank a security interest in all of Borrower's deposit accounts and investment property with Bank and any of its affiliates.

Swap Agreements. All swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time), if any, between Borrower and Bank or its affiliates are independent agreements governed by the written provisions of said swap agreements, which will remain in full force and effect, unaffected by any repayment, prepayment, acceleration, reduction, increase or change in the terms of this Note, except as otherwise expressly provided in said written swap agreements, and any payoff statement from Bank relating to this Note shall not apply to said swap agreements except as otherwise expressly provided in such payoff statement.

Jurisdiction. Borrower irrevocably agrees to non-exclusive personal jurisdiction in the state identified as the Jurisdiction above.

Severability. If any provision of this Note or of the other Loan Documents shall be prohibited or invalid under applicable law, such provision shall be ineffective but only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Note or other such document.

Posting of Payments. All payments received during normal banking hours after 2:00 p.m. local time at the office of Bank first shown above shall be deemed received at the opening of the next banking day.

Joint and Several Obligations. If there is more than one Borrower, each is jointly and severally obligated together with all other parties obligated for the Obligations.

Fees and Taxes. Borrower shall promptly pay all documentary, intangible recordation and/or similar taxes on this transaction whether assessed at closing or arising from time to time.

THIS AGREEMENT is entered into as of February 14, 2008 by and between Bank and Borrower.

RECITALS

Bank is the holder of a Promissory Note, as modified from time to time, executed and delivered by Borrower, dated February 20, 2007, in the original principal amount of \$495,000.00 (the "Note");

Borrower and Bank have agreed to modify the terms of the Note.

In consideration of Bank's continued extension of credit and the agreements contained herein, the parties agree as follows:

AGREEMENT

ACKNOWLEDGMENT OF BALANCE. Borrower acknowledges that the most recent Commercial Loan Invoice sent to Borrower with respect to the Obligations under the Note is correct.

MODIFICATIONS.

The Note is hereby modified by deleting the provisions in the Note establishing the applicable interest rate and any indemnification or prepayment obligations, and substituting the following in their place and stead:

INTEREST RATE. Interest shall accrue on the unpaid principal balance of this Note at the rate of 5.39% ("Interest Rate").

DEFAULT RATE. In addition to all other rights contained in this Note, if a Default (as defined herein) occurs and as long as a Default continues, all outstanding Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank or its affiliates, shall bear interest at the Interest Rate plus 3% ("Default Rate"). The Default Rate shall also apply from demand until the Obligations or any judgment thereon is paid in full.

INTEREST AND FEES COMPUTATION (ACTUAL/360). Interest and fees, if any, shall be computed on the basis of a 360-day year for the actual number of days in the applicable period ("Actual/360 Computation"). The Actual/360 Computation determines the annual effective yield by taking the stated (nominal) rate for a year's period and then dividing said rate by 360 to determine the daily periodic rate to be applied for each day in the applicable period. Application of the Actual/360 Computation produces an annualized effective rate exceeding the nominal rate.

PREPAYMENT ALLOWED. This Note may be prepaid in whole or in part at any time. Any prepayment shall include accrued interest and all other sums then due under any of the Loan Documents (as defined below). No partial prepayment shall affect Borrower's obligation to make any payment of principal or

interest due under this Note on the date specified below in the Repayment Terms paragraph of this Note until this Note has been paid in full.

ACKNOWLEDGMENTS AND REPRESENTATIONS. Borrower acknowledges and represents that the Note and other Loan Documents, as amended hereby, are in full force and effect without any defense, counterclaim, right or claim of set-off; that, after giving effect to this Agreement, no default or event that with the passage of time or giving of notice would constitute a default under the Loan Documents has occurred, all representations and warranties contained in the Loan Documents are true and correct as of this date, all necessary action to authorize the execution and delivery of this Agreement has been taken; and this Agreement is a modification of an existing obligation and is not a novation.

COLLATERAL. Borrower acknowledges and confirms that there have been no changes in the ownership of any collateral pledged to secure the Obligations (the "Collateral") since the Collateral was originally pledged; Borrower acknowledges and confirms that the Bank has existing, valid first priority security interests and liens in the Collateral; and that such security interests and liens shall secure Borrower's Obligations, including any modification of the Note or Loan Agreement, if any, and all future modifications, extensions, renewals and/or replacements of the Loan Documents.

MISCELLANEOUS. This Agreement shall be construed in accordance with and governed by the laws of the applicable state as originally provided in the Loan Documents, without reference to that state's conflicts of law principles. [Signatures commence on following page]

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

The laws of South Carolina provide that in any real estate foreclosure proceeding a defendant against whom a personal judgment is taken or asked may within thirty days after the sale of the mortgaged property apply to the court for an order of appraisal. The statutory appraisal value as approved by the court would be substituted for the high bid and may decrease the amount of any deficiency owing in connection with the transaction. **THE UNDERSIGNED HEREBY WAIVES AND RELINQUISHES THE STATUTORY APPRAISAL RIGHTS WHICH MEANS THE HIGH BID AT THE JUDICIAL FORECLOSURE SALE WILL BE APPLIED TO THE DEBT REGARDLESS OF ANY APPRAISED VALUE OF THE MORTGAGED PROPERTY.**

Further, the undersigned acknowledges receipt of written notification before this transaction that signing of a waiver of appraisal rights would be required during this transaction.

Code §§ 49-25 and 49-26, et seq., N.C.G.S. §§ 26-7, et seq., Tenn. Code Ann. § 47-12-101, O.C.G.A. § 10-7-24, Mississippi Code Ann. Guarantor acknowledges and represents that Guarantor has relied upon Guarantor's own due diligence in making an independent appraisal of Borrower, Borrower's business affairs and financial condition, and any collateral; Guarantor will continue to be responsible for making an independent appraisal of such matters; and Guarantor has not relied upon Bank or its affiliates for information regarding Borrower or any collateral.

To induce Bank to make, extend or renew loans, advances, credit, or other financial accommodations to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, and in consideration of loans, advances, credit, or other financial accommodations made, extended or renewed to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, Guarantor hereby absolutely, irrevocably and unconditionally guarantees to Bank and its successors, assigns and affiliates the timely payment and performance of all liabilities and obligations of Borrower to Bank and its affiliates, including, but not limited to, all obligations under any notes, loan agreements, security agreements, letters of credit, instruments, accounts receivable, contracts, drafts, leases, chattel paper, indemnities, acceptances, repurchase agreements, overdrafts, and the Loan Documents, as defined below, and all obligations of Borrower to Bank or any of its affiliates under any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), however and whenever incurred or evidenced, whether primary, secondary, direct, indirect, absolute, contingent, due or to become due, now existing or hereafter contracted or acquired, and all modifications, extensions and renewals thereof, (collectively, the "Guaranteed Obligations").

Except to the extent the provisions of this Guaranty give Bank additional rights, this Guaranty shall not be deemed to supersede or replace any other guaranties given to Bank by Guarantor; and the obligations guaranteed hereby shall be in addition to any other obligations guaranteed by Guarantor pursuant to any other agreement of guaranty given to Bank and other guaranties of the Guaranteed Obligations.

TERMINATION OF GUARANTY. Guarantor may terminate this Guaranty only by written notice, delivered personally to or received by certified or registered United States Mail by an authorized officer of Bank at the address for notices provided herein. Such termination shall be effective only with respect to Guaranteed Obligations arising more than 15 days after the date such written notice is received by said Bank officer. Such termination shall not be effective with respect to Guaranteed Obligations (including any subsequent extensions, modifications or compromises of the Guaranteed Obligations) then existing, or Guaranteed Obligations arising subsequent to receipt by Bank of said notice if such Guaranteed Obligations are a result of Bank's obligation to make advances pursuant to a commitment, or are based on Borrower's obligations to make payments pursuant to any swap agreement (as defined in 11 U.S.C. § 101; as in effect from time to time), entered into prior to expiration of the 15 day notice period, or are a result of advances which are necessary for Bank to protect its collateral or otherwise preserve its interests. Termination of this Guaranty by any single Guarantor will not affect the existing and continuing obligations of any other Guarantor hereunder.

CONSENT TO MODIFICATIONS. Guarantor consents and agrees that Bank (and, with respect to swap obligations, its affiliates) may from time to time, in its sole discretion, without affecting, impairing, lessening or releasing the obligations of Guarantor hereunder: (a) extend or modify the time, manner, place or terms of payment or performance and/or otherwise change or modify the credit terms of the Guaranteed Obligations; (b) increase, renew, or enter into a novation of the Guaranteed Obligations; (c) waive or consent to the departure from terms of the Guaranteed Obligations; (d) permit any change in the business or other dealings and relations of Borrower or any other guarantor with Bank; (e) proceed against, exchange, release, realize upon, or otherwise deal with in any manner any collateral that is or may be held by Bank in connection with the Guaranteed Obligations or any liabilities or obligations of Guarantor; and (f) proceed against, settle, release, or compromise with Borrower, any insurance carrier, or any other person or entity liable as to any part of the Guaranteed Obligations, and/or subordinate the payment of any part of the Guaranteed Obligations to the payment of any other obligations, which may at any time be due or owing to Bank; all in such manner and upon such terms as Bank may deem appropriate, and without notice to or further consent from Guarantor. No invalidity, irregularity, discharge or unenforceability of, or action or omission by Bank relating to any part of the Guaranteed Obligations or any security therefor shall affect or impair this Guaranty.

WAIVERS AND ACKNOWLEDGMENTS. Guarantor waives and releases the following rights, demands, and defenses Guarantor may have with respect to Bank (and, with respect to swap obligations, its affiliates) and collection of the Guaranteed Obligations: (a) promptness and diligence in collection of any of the Guaranteed Obligations from Borrower or any other person liable thereon, and in foreclosure of any security interest and sale of any property serving as collateral for the Guaranteed Obligations; (b) any law or statute that requires that Bank (and, with respect to swap obligations, its affiliates) make demand upon, assert claims against, or collect from Borrower or other persons or entities, foreclose any security interest, sell collateral, exhaust any remedies, or take any other action against Borrower or other persons or entities prior to making demand upon, collecting from or taking action against Guarantor with respect to the Guaranteed Obligations, including any such rights Guarantor might otherwise have had under Va. Code §§ 49-25 and 49-26, et seq., N.C.G.S. §§ 26-7, et seq., Tenn. Code Ann. § 47-12-101, O.C.G.A. § 10-7-24, Mississippi Code Ann. Section 87-5-1, California Civil Code §§ 2787 to 2855 inclusive, and any successor statute and any other applicable law; (c) any law or statute that requires that Borrower or any other person be joined in, notified of or made part of any action against Guarantor; (d) that Bank or its affiliates preserve, insure or perfect any security interest in collateral or sell or dispose of collateral in a particular manner or at a particular time, provided that Bank's obligation to dispose of Collateral in a commercially reasonable manner is not waived hereby; (e) notice of extensions, modifications, renewals, or novations of the Guaranteed Obligations, of any new transactions or other relationships between Bank, Borrower and/or any guarantor, and of changes in the financial condition of, ownership of, or business structure of Borrower or any other guarantor; (f) presentment, protest, notice of dishonor, notice of default, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale, and all other notices of any kind whatsoever to which Guarantor may be entitled; (g) the right to assert against Bank or its affiliates any defense (legal or equitable), set-

off, counterclaim, or claim that Guarantor may have at any time against Borrower or any other party liable to Bank or its affiliates; (h) all defenses relating to invalidity, insufficiency, unenforceability, enforcement, release or impairment of Bank or its affiliates' lien on any collateral, of the Loan Documents, or of any other guaranties held by Bank; (i) any right to which Guarantor is or may become entitled to be subrogated to Bank or its affiliates' rights against Borrower or to seek contribution, reimbursement, indemnification, payment or the like, or participation in any claim, right or remedy of Bank or its affiliates against Borrower or any security which Bank or its affiliates now has or hereafter acquires, until such time as the Guaranteed Obligations have been fully satisfied beyond the expiration of any applicable preference period; (j) any claim or defense that acceleration of maturity of the Guaranteed Obligations is stayed against Guarantor because of the stay of assertion or of acceleration of claims against any other person or entity for any reason including the bankruptcy or insolvency of that person or entity; and (k) the right to marshalling of Borrower's assets or the benefit of any exemption claimed by Guarantor. Guarantor acknowledges and represents that Guarantor has relied upon Guarantor's own due diligence in making an independent appraisal of Borrower, Borrower's business affairs and financial condition, and any collateral; Guarantor will continue to be responsible for making an independent appraisal of such matters; and Guarantor has not relied upon Bank or its affiliates for information regarding Borrower or any collateral.

FINANCIAL CONDITION. Guarantor warrants, represents and covenants to Bank and its affiliates that on and after the date hereof: (a) the fair saleable value of Guarantor's assets exceeds its liabilities, Guarantor is meeting its current liabilities as they mature, and Guarantor is and shall remain solvent; (b) all financial statements of Guarantor furnished to Bank are correct and accurately reflect the financial condition of Guarantor as of the respective dates thereof; (c) since the date of such financial statements, there has not occurred a material adverse change in the financial condition of Guarantor; (d) there are not now pending any court or administrative proceedings or undischarged judgments against Guarantor, no federal or state tax liens have been filed or threatened against Guarantor, and Guarantor is not in default or claimed default under any agreement; and (e) at such reasonable times as Bank requests, Guarantor will furnish Bank and its affiliates with such other financial information as Bank and its affiliates may reasonably request.

INTEREST AND APPLICATION OF PAYMENTS. Regardless of any other provision of this Guaranty or other Loan Documents, if for any reason the effective interest on any of the Guaranteed Obligations should exceed the maximum lawful interest, the effective interest shall be deemed reduced to and shall be such maximum lawful interest, and any sums of interest which have been collected in excess of such maximum lawful interest shall be applied as a credit against the unpaid principal balance of the Guaranteed Obligations. Monies received from any source by Bank or its affiliates for application toward payment of the Guaranteed Obligations may be applied to such Guaranteed Obligations in any manner or order deemed appropriate by Bank and its affiliates.

DEFAULT. If any of the following events occur, a default ("Default") under this Guaranty shall exist: (a) failure of timely payment or performance of the Guaranteed Obligations or a default under any Loan Document; (b) a breach of any agreement or representation contained or referred to in the Guaranty, or any of the Loan Documents, or contained in any other contract or agreement of Guarantor with Bank or its affiliates, whether now existing or hereafter arising; (c) the death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or the commencement of any insolvency or bankruptcy proceeding by or against Guarantor or any general partner of or the holder(s) of the majority ownership interests of Guarantor; and/or (d) Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Guaranteed Obligations are impaired or a material adverse change has occurred in the business or prospects of Borrower or Guarantor, financial or otherwise.

If a Default occurs, the Guaranteed Obligations shall be due immediately and payable without notice, other than Guaranteed Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) with Bank or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements, and, Bank and its affiliates may exercise any rights and remedies as provided in this Guaranty and other Loan Documents, or as provided at law or equity. Guarantor shall pay interest on the Guaranteed Obligations from such Default at the highest rate of interest charged on any of the Guaranteed Obligations.

ATTORNEYS' FEES AND OTHER COSTS OF COLLECTION. Guarantor shall pay all of Bank's and its affiliates' reasonable expenses incurred to enforce or collect any of the Guaranteed Obligations, including, without limitation, reasonable arbitration, paralegals', attorneys' and experts' fees and expenses, whether incurred without the commencement of a suit, in any suit, arbitration, or administrative proceeding, or in any appellate, or bankruptcy proceeding.

SUBORDINATION OF OTHER DEBTS. Guarantor agrees: (a) to subordinate the obligations now or hereafter owed by Borrower to Guarantor ("Subordinated Debt") to any and all obligations of Borrower to Bank or its affiliates now or hereafter existing while this Guaranty is in effect, provided however that Guarantor may receive regularly scheduled principal and interest payments on the Subordinated Debt so long as (i) all sums due and payable by Borrower to Bank and its affiliates have been paid in full on or prior to such date, and (ii) no event or condition which constitutes or which with notice or the lapse of time would constitute an event of default with respect to the Guaranteed Obligations shall be continuing on or as of the payment date; (b) Guarantor will either place a legend indicating such subordination on every note, ledger page or other document evidencing any part of the Subordinated Debt or deliver such documents to Bank; and (c) except as permitted by this paragraph, Guarantor will not request or accept payment of or any security for any part of the Subordinated Debt, and any proceeds of the Subordinated Debt paid to Guarantor, through error or otherwise, shall immediately be forwarded to Bank by Guarantor, properly endorsed to the order of Bank, to apply to the Guaranteed Obligations.

MISCELLANEOUS. Assignment. This Guaranty and other Loan Documents shall inure to the benefit of and be binding upon the parties and their respective heirs, legal representatives, successors and assigns. Bank's interests in and rights under this Guaranty and other Loan Documents are freely assignable, in whole or in part, by Bank. Any assignment shall not release Guarantor from the Guaranteed Obligations. **Organization; Powers.** Guarantor (i) is (a) an adult individual and is sui juris, or (b) a corporation, general partnership, limited partnership, limited liability company or other legal entity (as indicated below), duly organized, validly existing and in good standing under the laws of its state of organization, and is authorized to do business in each other jurisdiction wherein its ownership of property or conduct of business legally requires such organization, (ii) has the power and authority to own its properties and assets and to carry on its business as now being conducted and as now contemplated; and (iii) has the power and authority to execute, deliver and perform, and by all necessary action has authorized the execution, delivery and performance of, all of its obligations under this Guaranty and any other Loan Document to which it is a party. **Applicable Law; Conflict Between Documents.** This Guaranty shall be governed by and construed under the laws of the state named in Bank's address shown above without regard to that state's conflict of laws principles. If the terms of this Guaranty should conflict with the terms of any commitment letter that survives closing, the terms of this Guaranty shall control. **Guarantor's Accounts.** Except as prohibited by law, Guarantor grants Bank and its affiliates a security interest in all of Guarantor's deposit accounts and investment properties maintained with Bank and its affiliates. **Jurisdiction.** Guarantor irrevocably agrees to non-exclusive personal jurisdiction in the state named in Bank's address shown above. **Severability.** If any provision of this Guaranty or of the other Loan Documents shall be prohibited or invalid under applicable law, such provision shall be ineffective but only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Guaranty or other Loan Documents. **Notices.** Any notices to Guarantor shall be sufficiently given if in writing and mailed or delivered to Guarantor's address shown above or such other address as provided hereunder, and to Bank, if in writing and mailed or delivered to Wachovia Bank, National Association, Mail Code VA7628, P.O. Box 13327, Roanoke, VA 24040 or Wachovia

Bank, National Association, Mail Code VA7628, 10 South Jefferson Street, Roanoke, VA 24011 or such other address as Bank may specify in writing from time to time. Notices to Bank must include the mail code. In the event that Guarantor changes Guarantor's address at any time prior to the date the Guaranteed Obligations are paid in full, Guarantor agrees to promptly give written notice of said change of address to Bank by registered or certified mail, return receipt requested, all charges prepaid. **Plural; Captions.** All references in the Loan Documents to borrower, guarantor, person, document or other nouns of reference mean both the singular and plural form, as the case may be, and the term "person" shall mean any individual person or entity. The captions contained in the Loan Documents are inserted for convenience only and shall not affect the meaning or interpretation of the Loan Documents. **Binding Contract.** Guarantor by execution of and Bank by acceptance of this Guaranty agree that each party is bound to all terms and provisions of this Guaranty. **Amendments, Waivers and Remedies.** No waivers, amendments or modifications of this Guaranty and other Loan Documents shall be valid unless in writing and signed by an officer of Bank. No waiver by Bank or its affiliates of any Default shall operate as a waiver of any other Default or the same Default on a future occasion. Neither the failure nor any delay on the part of Bank or its affiliates in exercising any right, power, or privilege granted pursuant to this Guaranty and other Loan Documents shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise or the exercise of any other right, power or privilege. All remedies available to Bank or its affiliates with respect to this Guaranty and other Loan Documents and remedies available at law or in equity shall be cumulative and may be pursued concurrently or successively. **Partnerships.** If Guarantor is a partnership, the obligations, liabilities and agreements on the part of Guarantor shall remain in full force and effect and fully applicable notwithstanding any changes in the individuals comprising the partnership. The term "Guarantor" includes any altered or successive partnerships, and predecessor partnership(s) and the partners shall not be released from any obligations or liabilities hereunder. **Loan Documents.** The term "Loan Documents" refers to all documents executed in connection with or related to the Guaranteed Obligations and may include, without limitation, commitment letters that survive closing, loan agreements, other guaranty agreements, security agreements, instruments, financing statements, mortgages, deeds of trust, deeds to secure debt, letters of credit and any amendments or supplements (excluding swap agreements as defined in 11 U.S.C. § 101, as in effect from time to time). **LIMITATION ON LIABILITY; WAIVER OF PUNITIVE DAMAGES.** EACH OF THE PARTIES HERETO, INCLUDING BANK BY ACCEPTANCE HEREOF, AGREES THAT IN ANY JUDICIAL, MEDIATION OR ARBITRATION PROCEEDING OR ANY CLAIM OR CONTROVERSY BETWEEN OR AMONG THEM THAT MAY ARISE OUT OF OR BE IN ANY WAY CONNECTED WITH THIS AGREEMENT, THE LOAN DOCUMENTS OR ANY OTHER AGREEMENT OR DOCUMENT BETWEEN OR AMONG THEM OR THE OBLIGATIONS EVIDENCED HEREBY OR RELATED HERETO, IN NO EVENT SHALL ANY PARTY HAVE A REMEDY OF, OR BE LIABLE TO THE OTHER FOR, (1) INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES OR (2) PUNITIVE OR EXEMPLARY DAMAGES. EACH OF THE PARTIES HEREBY EXPRESSLY WAIVES ANY RIGHT OR CLAIM TO PUNITIVE OR EXEMPLARY DAMAGES THEY MAY HAVE OR WHICH MAY ARISE IN THE FUTURE IN CONNECTION WITH ANY SUCH PROCEEDING, CLAIM OR CONTROVERSY, WHETHER THE SAME IS RESOLVED BY ARBITRATION, MEDIATION, JUDICIALLY OR OTHERWISE. **Final Agreement.** This Agreement and the other Loan Documents represent the final agreement between the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties.

To induce Bank to make, extend or renew loans, advances, credit, or other financial accommodations to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, and in consideration of loans, advances, credit, or other financial accommodations made, extended or renewed to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, Guarantor hereby absolutely, irrevocably and unconditionally guarantees to Bank and its successors, assigns and affiliates the timely payment and performance of all liabilities and obligations of Borrower to Bank and its affiliates, including, but not limited to, all obligations under any notes, loan agreements, security agreements, letters of credit, instruments, accounts receivable, contracts, drafts, leases, chattel paper, indemnities, acceptances, repurchase agreements, overdrafts, and the Loan Documents, as defined below, and all obligations of Borrower to Bank or any of its affiliates under any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), however and whenever incurred or evidenced, whether primary, secondary, direct, indirect, absolute, contingent, due or to become due, now existing or hereafter contracted or acquired, and all modifications, extensions and renewals thereof, (collectively, the "Guaranteed Obligations").

Guarantor further covenants and agrees:

GUARANTOR'S LIABILITY. This Guaranty is a continuing and unconditional guaranty of payment and performance and not of collection. The parties to this Guaranty are jointly and severally obligated together with all other parties obligated for the Guaranteed Obligations. This Guaranty does not impose any obligation on Bank to extend or continue to extend credit or otherwise deal with Borrower at any subsequent time. This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of the Guaranteed Obligations is rescinded, avoided or for any other reason must be returned by Bank, and the returned payment shall remain payable as part of the Guaranteed Obligations, all as though such payment had not been made. Except to the extent the provisions of this Guaranty give Bank additional rights, this Guaranty shall not be deemed to supersede or replace any other guaranties given to Bank by Guarantor; and the obligations guaranteed hereby shall be in addition to any other obligations guaranteed by Guarantor pursuant to any other agreement of guaranty given to Bank and other guaranties of the Guaranteed Obligations.

Bank officer. Such termination shall not be effective with respect to Guaranteed Obligations (including any subsequent extensions, modifications or compromises of the Guaranteed Obligations) then existing, or Guaranteed Obligations arising subsequent to receipt by Bank of said notice if such Guaranteed Obligations are a result of Bank's obligation to make advances pursuant to a commitment, or are based on Borrower's obligations to make payments pursuant to any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), entered into prior to expiration of the 15 day notice period, or are a result of advances which are necessary for Bank to protect its collateral or otherwise preserve its interests. Termination of this Guaranty by any single Guarantor will not affect the existing and continuing obligations of any other Guarantor hereunder.

CONSENT TO MODIFICATIONS. Guarantor consents and agrees that Bank (and, with respect to swap obligations, its affiliates) may from time to time, in its sole discretion, without affecting, impairing, lessening or releasing the obligations of Guarantor hereunder: (a) extend or modify the time, manner, place or terms of payment or performance and/or otherwise change or modify the credit terms of the Guaranteed Obligations; (b) increase, renew, or enter into a novation of the Guaranteed Obligations; (c) waive or consent to the departure from terms of the Guaranteed Obligations; (d) permit any change in the business or other dealings and relations of Borrower or any other guarantor with Bank; (e) proceed against, exchange, release, realize upon, or otherwise deal with in any manner any collateral that is or may be held by Bank in connection with the Guaranteed Obligations or any liabilities or obligations of Guarantor; and (f) proceed against, settle, release, or compromise with Borrower, any insurance carrier, or any other person or entity liable as to any part of the Guaranteed Obligations, and/or subordinate the payment of any part of the Guaranteed Obligations to the payment of any other obligations, which may at any time be due or owing to Bank; all in such manner and upon such terms as Bank may deem appropriate, and without notice to or further consent from Guarantor. No invalidity, irregularity, discharge or unenforceability of, or action or omission by Bank relating to any part of the Guaranteed Obligations or any security therefor shall affect or impair this Guaranty.

WAIVERS AND ACKNOWLEDGMENTS. Guarantor waives and releases the following rights, demands, and defenses Guarantor may have with respect to Bank (and, with respect to swap obligations, its affiliates) and collection of the Guaranteed Obligations: (a) promptness and diligence in collection of any of the Guaranteed Obligations from Borrower or any other person liable thereon, and in foreclosure of any security interest and sale of any property serving as collateral for the Guaranteed Obligations; (b) any law or statute that requires that Bank (and, with respect to swap obligations, its affiliates) make demand upon, assert claims against, or collect from Borrower or other persons or entities, foreclose any security interest, sell collateral, exhaust any remedies, or take any other action against Borrower or other persons or entities prior to making demand upon, collecting from or taking action against Guarantor with respect to the Guaranteed Obligations, including any such rights Guarantor might otherwise have had under Va. Code §§ 49-25 and 49-26, *et seq.*, N.C.G.S. §§ 26-7, *et seq.*, Tenn. Code Ann. § 47-12-101, O.C.G.A. § 10-7-24, Mississippi Code Ann. Section 87-5-1, California Civil Code §§ 2787 to 2855 inclusive, and any successor statute and any other applicable law; (c) any law or statute that requires that Borrower or any other person be joined in, notified of or made part of any action against Guarantor; (d) that Bank or its affiliates preserve, insure or perfect any security interest in collateral or sell or dispose of collateral in a particular manner or at a particular time, provided that Bank's obligation to dispose of Collateral in a commercially reasonable manner is not waived hereby; (e) notice of extensions, modifications, renewals, or novations of the Guaranteed Obligations, of any new transactions or other relationships between Bank, Borrower and/or any guarantor, and of changes in the financial condition of, ownership of, or business structure of Borrower or any other guarantor; (f) presentment, protest, notice of dishonor, notice of default, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale, and all other notices of any kind whatsoever to which Guarantor may be entitled; (g) the right to assert against Bank or its affiliates any defense (legal or equitable), set-off, counterclaim, or claim that Guarantor may have at any time against Borrower or any other party liable to Bank or its affiliates; (h) all defenses relating to invalidity, insufficiency, unenforceability, enforcement, release or impairment of Bank or its affiliates' lien on any collateral, of the Loan Documents, or of any other guaranties held by Bank; (i) any right to which Guarantor is or may become entitled to be

subrogated to Bank or its affiliates' rights against Borrower or to seek contribution, reimbursement, indemnification, payment or the like, or participation in any claim, right or remedy of Bank or its affiliates against Borrower or any security which Bank or its affiliates now has or hereafter acquires, until such time as the Guaranteed Obligations have been fully satisfied beyond the expiration of any applicable preference period; (j) any claim or defense that acceleration of maturity of the Guaranteed Obligations is stayed against Guarantor because of the stay of assertion or of acceleration of claims against any other person or entity for any reason including the bankruptcy or insolvency of that person or entity; and (k) the right to marshalling of Borrower's assets or the benefit of any exemption claimed by Guarantor. Guarantor acknowledges and represents that Guarantor has relied upon Guarantor's own due diligence in making an independent appraisal of Borrower, Borrower's business affairs and financial condition, and any collateral; Guarantor will continue to be responsible for making an independent appraisal of such matters; and Guarantor has not relied upon Bank or its affiliates for information regarding Borrower or any collateral.

FINANCIAL CONDITION. Guarantor warrants, represents and covenants to Bank and its affiliates that on and after the date hereof: (a) the fair saleable value of Guarantor's assets exceeds its liabilities, Guarantor is meeting its current liabilities as they mature, and Guarantor is and shall remain solvent; (b) all financial statements of Guarantor furnished to Bank are correct and accurately reflect the financial condition of Guarantor as of the respective dates thereof; (c) since the date of such financial statements, there has not occurred a material adverse change in the financial condition of Guarantor; (d) there are not now pending any court or administrative proceedings or undischarged judgments against Guarantor, no federal or state tax liens have been filed or threatened against Guarantor, and Guarantor is not in default or claimed default under any agreement; and (e) at such reasonable times as Bank requests, Guarantor will furnish Bank and its affiliates with such other financial information as Bank and its affiliates may reasonably request.

INTEREST AND APPLICATION OF PAYMENTS. Regardless of any other provision of this Guaranty or other Loan Documents, if for any reason the effective interest on any of the Guaranteed Obligations should exceed the maximum lawful interest, the effective interest shall be deemed reduced to and shall be such maximum lawful interest, and any sums of interest which have been collected in excess of such maximum lawful interest shall be applied as a credit against the unpaid principal balance of the Guaranteed Obligations. Monies received from any source by Bank or its affiliates for application toward payment of the Guaranteed Obligations may be applied to such Guaranteed Obligations in any manner or order deemed appropriate by Bank and its affiliates.

DEFAULT. If any of the following events occur, a default ("Default") under this Guaranty shall exist: (a) failure of timely payment or performance of the Guaranteed Obligations or a default under any Loan Document; (b) a breach of any agreement or representation contained or referred to in the Guaranty, or any of the Loan Documents, or contained in any other contract or agreement of Guarantor with Bank or its affiliates, whether now existing or hereafter arising; (c) the death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or the commencement of any insolvency or bankruptcy proceeding by or against Guarantor or any general partner of or the holder(s) of the majority ownership interests of Guarantor; and/or (d) Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Guaranteed Obligations are impaired or a material adverse change has occurred in the business or prospects of Borrower or Guarantor, financial or otherwise.

If a Default occurs, the Guaranteed Obligations shall be due immediately and payable without notice, other than Guaranteed Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) with Bank or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements, and, Bank and its affiliates may exercise any rights and remedies as provided in this Guaranty and other Loan Documents, or as provided at law or equity. Guarantor shall pay interest on the Guaranteed Obligations from such Default at the highest rate of interest charged on any of the Guaranteed Obligations.

ATTORNEYS' FEES AND OTHER COSTS OF COLLECTION. Guarantor shall pay all of Bank's and its affiliates' reasonable expenses incurred to enforce or collect any of the Guaranteed Obligations, including, without limitation, reasonable arbitration, paralegals', attorneys' and experts' fees and expenses, whether incurred without the commencement of a suit, in any suit, arbitration, or administrative proceeding, or in any appellate, or bankruptcy proceeding.

SUBORDINATION OF OTHER DEBTS. To induce Bank to make, extend or renew loans, advances, credit, or other financial accommodations to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, and in consideration of loans, advances, credit, or other financial accommodations made, extended or renewed to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, Guarantor hereby absolutely, irrevocably and unconditionally guarantees to Bank and its successors, assigns and affiliates the timely payment and performance of all liabilities and obligations of Borrower to Bank and its affiliates, including, but not limited to, all obligations under any notes, loan agreements, security agreements, letters of credit, instruments, accounts receivable, contracts, drafts, leases, chattel paper, indemnities, acceptances, repurchase agreements, overdrafts, and the Loan Documents, as defined below, and all obligations of Borrower to Bank or any of its affiliates under any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), however and whenever incurred or evidenced, whether primary, secondary, direct, indirect, absolute, contingent, due or to become due, now existing or hereafter contracted or acquired, and all modifications, extensions and renewals thereof, (collectively, the "Guaranteed Obligations").

Guarantor further covenants and agrees:

GUARANTOR'S LIABILITY. This Guaranty is a continuing and unconditional guaranty of payment and performance and not of collection. The parties to this Guaranty are jointly and severally obligated together with all other parties obligated for the Guaranteed Obligations. This Guaranty does not impose any obligation on Bank to extend or continue to extend credit or otherwise deal with Borrower at any subsequent time. This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of the Guaranteed Obligations is rescinded, avoided or for any other reason must be returned by Bank, and the returned payment shall remain payable as part of the Guaranteed Obligations; all as though such payment had not been made. Except to the extent the provisions of this Guaranty give Bank additional rights, this Guaranty shall not be deemed to supersede or replace any other guaranties given to Bank by Guarantor; and the obligations guaranteed hereby shall be in addition to any other obligations guaranteed by Guarantor pursuant to any other agreement of guaranty given to Bank and other guaranties of the Guaranteed Obligations.

Bank officer. Such termination shall not be effective with respect to Guaranteed Obligations (including any subsequent extensions, modifications or compromises of the Guaranteed Obligations) then existing, or Guaranteed Obligations arising subsequent to receipt by Bank of said notice if such Guaranteed Obligations are a result of Bank's obligation to make advances pursuant to a commitment, or are based on Borrower's obligations to make payments pursuant to any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), entered into prior to expiration of the 15 day notice period, or are a result of advances which are necessary for Bank to protect its collateral or otherwise preserve its interests. Termination of this Guaranty by any single Guarantor will not affect the existing and continuing obligations of any other Guarantor hereunder.

CONSENT TO MODIFICATIONS. Guarantor consents and agrees that Bank (and, with respect to swap obligations, its affiliates) may from time to time, in its sole discretion, without affecting, impairing, lessening or releasing the obligations of Guarantor hereunder: (a) extend or modify the time, manner, place or terms of payment or performance and/or otherwise change or modify the credit terms of the Guaranteed Obligations; (b) increase, renew, or enter into a novation of the Guaranteed Obligations; (c) waive or consent to the departure from terms of the Guaranteed Obligations; (d) permit any change in the business or other dealings and relations of Borrower or any other guarantor with Bank; (e) proceed against, exchange, release, realize upon, or otherwise deal with in any manner any collateral that is or may be held by Bank in connection with the Guaranteed Obligations or any liabilities or obligations of Guarantor; and (f) proceed against, settle, release, or compromise with Borrower, any insurance carrier, or any other person or entity liable as to any part of the Guaranteed Obligations, and/or subordinate the payment of any part of the Guaranteed Obligations to the payment of any other obligations, which may at any time be due or owing to Bank; all in such manner and upon such terms as Bank may deem appropriate, and without notice to or further consent from Guarantor. No invalidity, irregularity, discharge or unenforceability of, or action or omission by Bank relating to any part of the Guaranteed Obligations or any security therefor shall affect or impair this Guaranty.

WAIVERS AND ACKNOWLEDGMENTS. Guarantor waives and releases the following rights, demands, and defenses Guarantor may have with respect to Bank (and, with respect to swap obligations, its affiliates) and collection of the Guaranteed Obligations: (a) promptness and diligence in collection of any of the Guaranteed Obligations from Borrower or any other person liable thereon, and in foreclosure of any security interest and sale of any property serving as collateral for the Guaranteed Obligations; (b) any law or statute that requires that Bank (and, with respect to swap obligations, its affiliates) make demand upon, assert claims against, or collect from Borrower or other persons or entities, foreclose any security interest, sell collateral, exhaust any remedies, or take any other action against Borrower or other persons or entities prior to making demand upon, collecting from or taking action against Guarantor with respect to the Guaranteed Obligations, including any such rights Guarantor might otherwise have had under Va. Code §§ 49-25 and 49-26, *et seq.*, N.C.G.S. §§ 26-7, *et seq.*, Tenn. Code Ann. § 47-12-101, O.C.G.A. § 10-7-24, Mississippi Code Ann. Section 87-5-1, California Civil Code Section §§ 2787 to 2855 inclusive, and any successor statute and any other applicable law; (c) any law or statute that requires that Borrower or any other person be joined in, notified of or made part of any action against Guarantor; (d) that Bank or its affiliates preserve, insure or perfect any security interest in collateral or sell or dispose of collateral in a particular manner or at a particular time, provided that Bank's obligation to dispose of Collateral in a commercially reasonable manner is not waived hereby; (e) notice of extensions, modifications, renewals, or novations of the Guaranteed Obligations, of any new transactions or other relationships between Bank, Borrower and/or any guarantor, and of changes in the financial condition of, ownership of, or business structure of Borrower or any other guarantor; (f) presentment, protest, notice of dishonor, notice of default, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale, and all other notices of any kind whatsoever to which Guarantor may be entitled; (g) the right to assert against Bank or its affiliates any defense (legal or equitable), set-off, counterclaim, or claim that Guarantor may have at any time against Borrower or any other party liable to Bank or its affiliates; (h) all defenses relating to invalidity, insufficiency, unenforceability, enforcement, release or impairment of Bank or its affiliates' lien on any collateral, of the Loan Documents, or of any other guaranties held by Bank; (i) any right to which

Guarantor is or may become entitled to be subrogated to Bank or its affiliates' rights against Borrower or to seek contribution, reimbursement, indemnification, payment or the like, or participation in any claim, right or remedy of Bank or its affiliates against Borrower or any security which Bank or its affiliates now has or hereafter acquires, until such time as the Guaranteed Obligations have been fully satisfied beyond the expiration of any applicable preference period; (j) any claim or defense that acceleration of maturity of the Guaranteed Obligations is stayed against Guarantor because of the stay of assertion or of acceleration of claims against any other person or entity for any reason including the bankruptcy or insolvency of that person or entity; and (k) the right to marshalling of Borrower's assets or the benefit of any exemption claimed by Guarantor. Guarantor acknowledges and represents that Guarantor has relied upon Guarantor's own due diligence in making an independent appraisal of Borrower, Borrower's business affairs and financial condition, and any collateral; Guarantor will continue to be responsible for making an independent appraisal of such matters; and Guarantor has not relied upon Bank or its affiliates for information regarding Borrower or any collateral.

FINANCIAL CONDITION. Guarantor warrants, represents and covenants to Bank and its affiliates that on and after the date hereof: (a) the fair saleable value of Guarantor's assets exceeds its liabilities, Guarantor is meeting its current liabilities as they mature, and Guarantor is and shall remain solvent; (b) all financial statements of Guarantor furnished to Bank are correct and accurately reflect the financial condition of Guarantor as of the respective dates thereof; (c) since the date of such financial statements, there has not occurred a material adverse change in the financial condition of Guarantor; (d) there are not now pending any court or administrative proceedings or undischarged judgments against Guarantor, no federal or state tax liens have been filed or threatened against Guarantor, and Guarantor is not in default or claimed default under any agreement; and (e) at such reasonable times as Bank requests, Guarantor will furnish Bank and its affiliates with such other financial information as Bank and its affiliates may reasonably request.

INTEREST AND APPLICATION OF PAYMENTS. Regardless of any other provision of this Guaranty or other Loan Documents, if for any reason the effective interest on any of the Guaranteed Obligations should exceed the maximum lawful interest, the effective interest shall be deemed reduced to and shall be such maximum lawful interest, and any sums of interest which have been collected in excess of such maximum lawful interest shall be applied as a credit against the unpaid principal balance of the Guaranteed Obligations. Monies received from any source by Bank or its affiliates for application toward payment of the Guaranteed Obligations may be applied to such Guaranteed Obligations in any manner or order deemed appropriate by Bank and its affiliates.

DEFAULT. If any of the following events occur, a default ("Default") under this Guaranty shall exist: (a) failure of timely payment or performance of the Guaranteed Obligations or a default under any Loan Document; (b) a breach of any agreement or representation contained or referred to in the Guaranty, or any of the Loan Documents, or contained in any other contract or agreement of Guarantor with Bank or its affiliates, whether now existing or hereafter arising; (c) the death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or the commencement of any insolvency or bankruptcy proceeding by or against Guarantor or any general partner of or the holder(s) of the majority ownership interests of Guarantor; and/or (d) Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Guaranteed Obligations are impaired or a material adverse change has occurred in the business or prospects of Borrower or Guarantor, financial or otherwise.

If a Default occurs, the Guaranteed Obligations shall be due immediately and payable without notice, other than Guaranteed Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) with Bank or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements, and, Bank and its affiliates may exercise any rights and remedies as provided in this Guaranty and other Loan Documents, or as provided at law or equity. Guarantor shall pay interest on the Guaranteed Obligations from such Default at the highest rate of interest charged on any of the Guaranteed Obligations.

ATTORNEYS' FEES AND OTHER COSTS OF COLLECTION. Guarantor shall pay all of Bank's and its affiliates' reasonable expenses incurred to enforce or collect any of the Guaranteed Obligations, including, without limitation, reasonable arbitration, paralegals', attorneys' and experts' fees and expenses, whether incurred without the commencement of a suit, in any suit, arbitration, or administrative proceeding, or in any appellate, or bankruptcy proceeding.

SUBORDINATION OF OTHER DEBTS. Guarantor agrees: (a) to subordinate the obligations now or hereafter owed by Borrower to Guarantor ("Subordinated Debt") to any and all obligations of Borrower to Bank or its affiliates now or hereafter existing while this Guaranty is in effect, provided however that Guarantor may receive regularly scheduled principal and interest payments on the Subordinated Debt so long as (i) all sums due and payable by Borrower to Bank and its affiliates have been paid in full on or prior to such date, and (ii) no event or condition which constitutes or which with notice or the lapse of time would constitute an event of default with respect to the Guaranteed Obligations shall be continuing on or as of the payment date; (b) Guarantor will either place a legend indicating such subordination on every note, ledger page or other document evidencing any part of the Subordinated Debt or deliver such documents to Bank; and (c) except as permitted by this paragraph, Guarantor will not request or accept payment of or any security for any part of the Subordinated Debt, and any proceeds of the Subordinated Debt paid to Guarantor, through error or otherwise, shall immediately be forwarded to Bank by Guarantor, properly endorsed to the order of Bank, to apply to the Guaranteed Obligations.

DEFAULT RATE. In addition to all other rights contained in this Note, if a Default (as defined herein) occurs and as long as a Default continues, all outstanding Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank or its affiliates, shall bear interest at the Interest Rate plus 3% ("Default Rate"). The Default Rate shall also apply from demand until the Obligations or any judgment thereon is paid in full.

INTEREST AND FEES(S) COMPUTATION (ACTUAL/360). Interest and fees, if any, shall be computed on the basis of a 360-day year for the actual number of days in the applicable period ("Actual/360 Computation"). The Actual/360 Computation determines the annual effective yield by taking the stated (nominal) rate for a year's period and then dividing said rate by 360 to determine the daily periodic rate to be applied for each day in the applicable period. Application of the Actual/360 Computation produces an annualized effective rate exceeding the nominal rate.

PREPAYMENT ALLOWED. This Note may be prepaid in whole or in part at any time. No partial prepayment shall affect Borrower's obligation to make any payment of principal or interest due under this Note on the date specified below in the Repayment Terms paragraph of this Note until this Note has been paid in full.

REPAYMENT TERMS. This Note shall be due and payable in consecutive monthly payments of accrued interest only, commencing on September 18, 2006, and continuing on the same day of each month thereafter until fully paid. APPLICATION OF PAYMENTS. Monies received by Bank from any source for application toward payment of the Obligations shall be applied to accrued interest and then to principal. If a Default occurs, monies may be applied to the Obligations in any manner or order deemed appropriate by Bank.

If any payment received by Bank under this Note or other Loan Documents is rescinded, avoided or for any reason returned by Bank because of any adverse claim or threatened action, the returned payment shall remain payable as an obligation of all persons liable under this Note or other Loan Documents as though such payment had not been made.

DEFINITIONS. Loan Documents. The term "Loan Documents", as used in this Note and the other Loan Documents, refers to all documents executed in connection with or related to the loan evidenced by this Note and any prior notes which evidence all or any portion of the loan evidenced by this Note, and any letters of credit issued pursuant to any loan agreement to which this Note is subject, any applications for such letters of credit and any other documents executed in connection therewith or related thereto, and may include, without limitation, a commitment letter that survives closing, a loan agreement, this Note, guaranty agreements, security agreements, security instruments, financing statements, mortgage instruments, any renewals or modifications, whenever any of the foregoing are executed, but does not include swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time). **Obligations.** The term "Obligations", as used in this Note and the other Loan Documents, refers to any and all indebtedness and other obligations under this Note, all other obligations under any other Loan Document(s), and all obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, whenever executed. **Certain Other Terms.** All terms that are used but not otherwise defined in any of the Loan Documents shall have the definitions provided in the Uniform Commercial Code.

LATE CHARGE. If any payments are not timely made, Borrower shall also pay to Bank a late charge equal to 5% of each payment past due for 15 or more days. This late charge shall not apply to payments due at maturity or by acceleration hereof, unless such late payment is in an amount not greater than the highest periodic payment due hereunder.

Acceptance by Bank of any late payment without an accompanying late charge shall not be deemed a waiver of Bank's right to collect such late charge or to collect a late charge for any subsequent late payment received.

ATTORNEYS' FEES AND OTHER COLLECTION COSTS. Borrower shall pay all of Bank's reasonable expenses actually incurred to enforce or collect any of the Obligations including, without limitation, reasonable arbitration, paralegals', attorneys' and experts' fees and expenses, whether incurred without the commencement of a suit, in any trial, arbitration, or administrative proceeding, or in any appellate or bankruptcy proceeding.

USURY. If at any time the effective interest rate under this Note would, but for this paragraph, exceed the maximum lawful rate, the effective interest rate under this Note shall be the maximum lawful rate, and any amount received by Bank in excess of such rate shall be applied to principal and then to fees and expenses, or, if no such amounts are owing, returned to Borrower.

DEFAULT. If any of the following occurs, a default ("Default") under this Note shall exist: **Nonpayment; Nonperformance.** The failure of timely payment or performance of the Obligations or Default under this Note or any other Loan Documents. **False Warranty.** A warranty or representation made or deemed made in the Loan Documents or furnished Bank in connection with the loan evidenced by this Note proves materially false, or if of a continuing nature, becomes materially false. **Cross Default.** At Bank's option, any default in payment or performance of any obligation under any other loans, contracts or agreements of Borrower, any Subsidiary or Affiliate of Borrower, any general partner of or the holder(s) of the majority ownership interests of Borrower with Bank or its affiliates ("Affiliate" shall have the meaning as defined in 11 U.S.C. § 101, as in effect from time to time, except that the term "Borrower" shall be substituted for the term "Debtor" therein; "Subsidiary" shall mean any business in which Borrower holds, directly or indirectly, a controlling interest). **Cessation; Bankruptcy.** The death of, appointment of a

FINANCIAL AND OTHER INFORMATION. Borrower shall deliver to Bank such information as Bank may reasonably request from time to time, including without limitation, financial statements and information pertaining to Borrower's financial condition. Such information shall be true, complete, and accurate.

WAIVERS AND AMENDMENTS. No waivers, amendments or modifications of this Note and other Loan Documents shall be valid unless in writing and signed by an officer of Bank. No waiver by Bank of any Default shall operate as a waiver of any other Default or the same Default on a future occasion. Neither the failure nor any delay on the part of Bank in exercising any right, power, or remedy under this Note and other Loan Documents shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

Except to the extent otherwise provided by the Loan Documents or prohibited by law, each Borrower and each other person liable under this Note waives presentment, protest, notice of dishonor, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale and all other notices of any kind. Further, each agrees that Bank may (i) extend, modify or renew this Note or make a novation of the loan evidenced by this Note, and/or (ii) grant releases, compromises or indulgences with respect to any collateral securing this Note, or with respect to any Borrower or other person liable under this Note or any other Loan Documents, all without notice to or consent of each Borrower and other such person, and without affecting the liability of each Borrower and other such person; provided, Bank may not extend, modify or renew this Note or make a novation of the loan evidenced by this Note without the consent of the Borrower, or if there is more than one Borrower, without

THIS AGREEMENT is entered into as of February 29th, 2008 by and between Bank and Borrower.

RECITALS

Bank is the holder of a Promissory Note, as modified from time to time, executed and delivered by Borrower, dated August 18, 2006, in the original principal amount of \$239,700.00 (the "Note");

Borrower and Bank have agreed to modify the terms of the Note.

In consideration of Bank's continued extension of credit and the agreements contained herein, the parties agree as follows:

AGREEMENT

ACKNOWLEDGMENT OF BALANCE. Borrower acknowledges that the most recent Commercial Loan Invoice sent to Borrower with respect to the Obligations under the Note is correct.

MODIFICATIONS.

The Note is hereby modified by deleting the provisions in the Note establishing the applicable interest rate and any indemnification or prepayment obligations, and substituting the following in their place and stead:

INTEREST RATE. Interest shall accrue on the unpaid principal balance of this Note at the rate of 6.60% ("Interest Rate").

DEFAULT RATE. In addition to all other rights contained in this Note, if a Default (as defined herein) occurs and as long as a Default continues, all outstanding Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank or its affiliates, shall bear interest at the Interest Rate plus 3% ("Default Rate"). The Default Rate shall also apply from demand until the Obligations or any judgment thereon is paid in full.

INTEREST AND FEES(S) COMPUTATION (ACTUAL/360). Interest and fees, if any, shall be computed on the basis of a 360-day year for the actual number of days in the applicable period ("Actual/360 Computation"). The Actual/360 Computation determines the annual effective yield by taking the stated (nominal) rate for a year's period and then dividing said rate by 360 to determine the daily periodic rate to be applied for each day in the applicable period. Application of the Actual/360 Computation produces an annualized effective rate exceeding the nominal rate.

PREPAYMENT ALLOWED. This Note may be prepaid in whole or in part at any time. Any prepayment shall include accrued interest and all other sums then due under any of the Loan Documents (as defined below). No partial prepayment shall affect Borrower's obligation to make any payment of principal or

ACKNOWLEDGMENTS AND REPRESENTATIONS. Borrower acknowledges and represents that the Note and other Loan Documents, as amended hereby, are in full force and effect without any defense, counterclaim, right or claim of set-off; that, after giving effect to this Agreement, no default or event that with the passage of time or giving of notice would constitute a default under the Loan Documents has occurred, all representations and warranties contained in the Loan Documents are true and correct as of this date, all necessary action to authorize the execution and delivery of this Agreement has been taken; and this Agreement is a modification of an existing obligation and is not a novation.

MISCELLANEOUS. This Agreement shall be construed in accordance with and governed by the laws of the applicable state as originally provided in the Loan Documents, without reference to that state's conflicts of law principles. This Agreement and the other Loan Documents constitute the sole agreement of the parties with respect to the subject matter thereof and supersede all oral negotiations and prior writings with respect to the subject matter thereof. No amendment of this Agreement, and no waiver of any one or more of the provisions hereof shall be effective unless set forth in writing and signed by the parties hereto. The illegality, unenforceability or inconsistency of any provision of this Agreement shall not in any way affect or impair the legality, enforceability or consistency of the remaining provisions of this Agreement or the other Loan Documents. This Agreement and the other Loan Documents are intended to be consistent. However, in the event of any inconsistencies among this Agreement and any of the Loan Documents, the terms of this Agreement, and then the Note, shall control. This Agreement may be executed in any number of counterparts and by the different parties on separate counterparts. Each such counterpart shall be deemed an original, but all such counterparts shall together constitute one and the same agreement. EACH OF THE PARTIES HEREBY EXPRESSLY WAIVES ANY RIGHT OR CLAIM TO PUNITIVE OR EXEMPLARY DAMAGES THEY MAY HAVE OR WHICH MAY ARISE IN THE FUTURE IN CONNECTION WITH ANY SUCH PROCEEDING, CLAIM OR CONTROVERSY, WHETHER THE SAME IS RESOLVED BY ARBITRATION, MEDIATION, JUDICIALLY OR OTHERWISE. **Final Agreement.** This Agreement and the other Loan Documents represent the final agreement between the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent agreements of the parties. There are no unwritten agreements between the parties.

MODIFICATION NUMBER ONE TO PROMISSORY NOTE

708 Ocean, LLC
3-Barre Street
Charleston, South Carolina 29401
(Hereinafter referred to as "Borrower")

Wachovia Bank, National Association
Greenville, South Carolina 29601
(Hereinafter referred to as "Bank")

THIS AGREEMENT is entered into as of February 25th, 2008 by and between Bank and Borrower.

RECITALS

Bank is the holder of a Promissory Note, as modified from time to time, executed and delivered by Borrower, dated June 6, 2007, in the original principal amount of \$400,000.00 (the "Note");

Borrower and Bank have agreed to modify the terms of the Note.

In consideration of Bank's continued extension of credit and the agreements contained herein, the parties agree as follows:

AGREEMENT

ACKNOWLEDGMENT OF BALANCE. Borrower acknowledges that the most recent Commercial Loan Invoice sent to Borrower with respect to the Obligations under the Note is correct.

MODIFICATIONS.

The Note is hereby modified by deleting the provisions in the Note establishing the applicable interest rate and any indemnification or prepayment obligations, and substituting the following in their place and stead:

INTEREST RATE. Interest shall accrue on the unpaid principal balance of this Note at the rate of 6.08% ("Interest Rate").

DEFAULT RATE. In addition to all other rights contained in this Note, if a Default (as defined herein) occurs and as long as a Default continues, all outstanding Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank or its affiliates, shall bear interest at the Interest Rate plus 3% ("Default Rate"). The Default Rate shall also apply from demand until the Obligations or any judgment thereon is paid in full.

INTEREST AND FEES(S) COMPUTATION (ACTUAL/360). Interest and fees, if any, shall be computed on the basis of a 360-day year for the actual number of days in the applicable period ("Actual/360 Computation"). The Actual/360 Computation determines the annual effective yield by taking the stated (nominal) rate for a year's period and then dividing said rate by 360 to determine the daily periodic rate to be applied for each day in the applicable period. Application of the Actual/360 Computation produces an annualized effective rate exceeding the nominal rate.

PREPAYMENT ALLOWED. This Note may be prepaid in whole or in part at any time. Any prepayment shall include accrued interest and all other sums then due under any of the Loan Documents (as defined below). No partial prepayment shall affect Borrower's obligation to make any payment of principal or

interest due under this Note on the date specified below in the Repayment Terms paragraph of this Note until this Note has been paid in full.

ACKNOWLEDGMENTS AND REPRESENTATIONS. Borrower acknowledges and represents that the Note and other Loan Documents, as amended hereby, are in full force and effect without any defense, counterclaim, right or claim of set-off; that, after giving effect to this Agreement, no default or event that with the passage of time or giving of notice would constitute a default under the Loan Documents has occurred, all representations and warranties contained in the Loan Documents are true and correct as of this date, all necessary action to authorize the execution and delivery of this Agreement has been taken; and this Agreement is a modification of an existing obligation and is not a novation.

COLLATERAL. Borrower acknowledges and confirms that there have been no changes in the ownership of any collateral pledged to secure the Obligations (the "Collateral") since the Collateral was originally pledged; Borrower acknowledges and confirms that the Bank has existing, valid first priority security interests and liens in the Collateral; and that such security interests and liens shall secure Borrower's Obligations, including any modification of the Note or Loan Agreement, if any, and all future modifications, extensions, renewals and/or replacements of the Loan Documents.

MISCELLANEOUS. This Agreement shall be construed in accordance with and governed by the laws of the applicable state as originally provided in the Loan Documents, without reference to that state's conflicts of law principles. This Agreement and the other Loan Documents constitute the sole agreement of the parties with respect to the subject matter thereof and supersede all oral negotiations and prior writings with respect to the subject matter thereof. No amendment of this Agreement, and no waiver of any one or more of the provisions hereof shall be effective unless set forth in writing and signed by the parties hereto. The illegality, unenforceability or inconsistency of any provision of this Agreement shall not in any way affect or impair the legality, enforceability or consistency of the remaining provisions of this Agreement or the other Loan Documents. This Agreement and the other Loan Documents are intended to be consistent. However, in the event of any inconsistencies among this Agreement and any of the Loan Documents, the terms of this Agreement, and then the Note, shall control. This Agreement may be executed in any number of counterparts and by the different parties on separate counterparts. Each such counterpart shall be deemed an original, but all such counterparts shall together constitute one and the same agreement. Terms used in this Agreement which are capitalized and not otherwise defined herein shall have the meanings ascribed to such terms in the Note. **LIMITATION ON LIABILITY; WAIVER OF PUNITIVE DAMAGES.** EACH OF THE PARTIES HERETO, INCLUDING BANK BY ACCEPTANCE HEREOF, AGREES THAT IN ANY JUDICIAL, MEDIATION OR ARBITRATION PROCEEDING OR ANY CLAIM OR CONTROVERSY BETWEEN OR AMONG THEM THAT MAY ARISE OUT OF OR BE IN ANY WAY CONNECTED WITH THIS AGREEMENT, THE LOAN DOCUMENTS OR ANY OTHER AGREEMENT OR DOCUMENT BETWEEN OR AMONG THEM OR THE OBLIGATIONS EVIDENCED HEREBY OR RELATED HERETO, IN NO EVENT SHALL ANY PARTY HAVE A REMEDY OF, OR BE LIABLE TO THE OTHER FOR, (1) INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES OR (2) PUNITIVE OR EXEMPLARY DAMAGES. EACH OF THE PARTIES HEREBY EXPRESSLY WAIVES ANY RIGHT OR CLAIM TO PUNITIVE OR EXEMPLARY DAMAGES THEY MAY HAVE OR WHICH MAY ARISE IN THE FUTURE IN CONNECTION WITH ANY SUCH PROCEEDING, CLAIM OR CONTROVERSY, WHETHER THE SAME IS RESOLVED BY ARBITRATION, MEDIATION, JUDICIALLY OR OTHERWISE. **Final Agreement.** This Agreement and the other Loan Documents represent the final agreement between the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent agreements of the parties. There are no unwritten agreements between the parties.

WAIVER OF JURY TRIAL. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH OF BORROWER BY EXECUTION HEREOF AND BANK BY ACCEPTANCE HEREOF, KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHT EACH MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT, THE LOAN DOCUMENTS OR ANY AGREEMENT CONTEMPLATED TO BE EXECUTED IN CONNECTION WITH THIS AGREEMENT, OR ANY COURSE OF CONDUCT, COURSE

08064E103009

OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY WITH RESPECT HERETO. THIS PROVISION IS A MATERIAL INDUCEMENT TO BANK TO ACCEPT THIS AGREEMENT. EACH OF THE PARTIES AGREES THAT THE TERMS HEREOF SHALL SUPERSEDE AND REPLACE ANY PRIOR AGREEMENT RELATED TO ARBITRATION OF DISPUTES BETWEEN THE PARTIES CONTAINED IN ANY LOAN DOCUMENT OR ANY OTHER DOCUMENT OR AGREEMENT HERETOFORE EXECUTED IN CONNECTION WITH, RELATED TO OR BEING REPLACED, SUPPLEMENTED, EXTENDED OR MODIFIED BY, THIS AGREEMENT.

IN WITNESS WHEREOF, the undersigned have duly signed and sealed this Agreement the day and year first above written.

14. Waiver of Automatic Stay; Supplemental Stay. Obligors acknowledge and agree that in the event of the filing of any petition for bankruptcy relief filed by or against any Obligor:

14.1. Stay Relief. Obligors consent to the entry of an order granting Bank relief from the automatic stay of §362 of the Bankruptcy Code and shall not assert or request any other party to assert that the automatic stay provided by §362 of the Bankruptcy Code shall operate or be interpreted to stay, interdict, condition, reduce or inhibit the ability of Bank to enforce any rights it has under the Loan Documents or any other rights Bank has against any Obligor or against any property owned by any Obligor; and,

14.2. No Actions. Obligors shall not seek or request any other party to seek a supplemental stay or any other relief, whether injunctive or otherwise, to stay, interdict, condition, reduce or inhibit the ability of Bank to enforce any rights it has under the Loan Documents or any other rights Bank has against any Obligor or against any property which it owns.

Obligors shall, upon demand by Bank, pay or reimburse Bank for all reasonable costs and expenses incurred by Bank in connection with any defaults under the Loan Documents, including, without limitation, all reasonable attorneys' fees, premiums for title insurance and policy endorsements, fees incurred by Bank in connection with appraisals of any property securing the indebtedness, and any environmental compliance assessments and remediation costs (if any) required by law or regulation or otherwise deemed necessary or desirable by Bank, and all recording fees. Notwithstanding any other provisions contained in the Loan Documents, if Bank retains an attorney in order to enforce, defend or protect Bank's rights and/or remedies under the Loan Documents, or if Bank retains an attorney in connection with any default of any stated or accelerated maturity under the Loan Documents in order to collect any debt due Bank, or if Bank retains an attorney in connection with any lawsuits, reorganization, bankruptcy or other proceeding involving the Loan Documents, or if any Obligor sues Bank, then in any such instance Obligors agree to pay Bank in addition to all principal and interest, including periodic payments, late charges, fees, and other amounts payable by Obligors or any of them all of Bank's reasonable costs and expenses including reasonable attorneys' fees incurred by Bank.

16. No Novation. The Obligors agree that the execution of this Agreement or any documents contemplated by this Agreement or the consummation of any transaction contemplated by this Agreement shall constitute a modification of the Existing Loans and shall not be construed as a novation.

17. WAIVER OF JURY TRIAL. BANK AND OBLIGORS HEREBY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO WHICH OBLIGORS AND BANK MAY BE PARTIES ARISING OUT OF, IN CONNECTION WITH, OR IN ANY WAY PERTAINING TO, THIS AGREEMENT, THE NOTES, THE MORTGAGE, AND ANY OTHER LOAN DOCUMENTS. IT IS AGREED AND UNDERSTOOD THAT THIS WAIVER CONSTITUTES A WAIVER OF TRIAL BY JURY OF ALL CLAIMS AGAINST PARTIES WHO ARE NOT PARTIES TO THIS AGREEMENT. THIS WAIVER IS KNOWINGLY, WILLINGLY AND VOLUNTARILY MADE

BY BANK, OBLIGORS AND BANK, OBLIGORS HEREBY REPRESENT THAT NO REPRESENTATIONS OF FACT OR OPINION HAVE BEEN MADE BY ANY INDIVIDUAL TO INDUCE THIS WAIVER OF TRIAL BY JURY OR TO IN ANY WAY MODIFY OR NULLIFY ITS EFFECT. BANK AND OBLIGORS FURTHER REPRESENT AND WARRANT THAT THEY HAVE BEEN REPRESENTED IN THE SIGNING OF THIS AGREEMENT AND IN THE MAKING OF THIS WAIVER BY INDEPENDENT LEGAL COUNSEL, OR HAVE HAD THE OPPORTUNITY TO BE REPRESENTED BY INDEPENDENT LEGAL COUNSEL SELECTED OF ITS OWN FREE WILL, AND THAT THEY HAVE HAD THE OPPORTUNITY TO DISCUSS THIS WAIVER WITH COUNSEL.

18. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

19. No Waiver. Bank may, in its discretion, from time to time waive or forbear from enforcing any provision contained in this Agreement, and no such waiver or forbearance shall be deemed a waiver by Bank of any other right or remedy provided herein or by law or be deemed a waiver of the right at any later time to enforce strictly all provisions herein contained and to exercise any and all remedies provided herein and by law.

20. Headings. The headings of the articles, sections and subsections of this Agreement are for the convenience of reference only, are not to be considered a part hereof, and shall not limit or otherwise affect any of the terms hereof or thereof.

21. Admissions. Obligors expressly acknowledge and agree that the waivers, estoppels and releases contained in this Agreement shall not be construed as an admission of wrongdoing, liability or culpability on the part of Bank or an admission by Bank of the existence of any claims of Obligors against Bank.

22. Construction of Agreement. Each party acknowledges that it has participated in the negotiation of this Agreement, and no provision of this Agreement shall be construed against or interpreted to the disadvantage of any party hereto by any court or other governmental or judicial authority by reason of such party having or being deemed to have structured, dictated or drafted such provision. Obligors acknowledge that at all times they have been represented by an attorney in the negotiation of the terms of and in the preparation and execution of this Agreement, or have voluntarily decided not to be represented by an attorney, and have had the opportunity to review and analyze this Agreement for a sufficient period of time prior to the execution and delivery thereof. No representations or warranties have been made by or on behalf of Bank, or relied upon by any Obligor, pertaining to the subject matter of this Agreement, other than those set forth in this Agreement. This Agreement embodies the entire agreement and understanding among the parties to the subject matter hereof and supersede all prior proposals, negotiations, agreements and understanding relating to such subject matter.

24. No Modifications. The terms of this Agreement may not be changed, modified, waived, discharged or terminated orally, but only by an instrument or instruments in writing, signed by the

party against whom the enforcement of the change, modification, waiver, discharge or termination is asserted.

25. Invalid Provision to Affect No Others. If any provisions of this Agreement shall be held invalid, then such provision only shall be deemed invalid, and the remainder of this Agreement shall remain operative and in full force and effect.

[Signatures commence on following page]

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

The laws of South Carolina provide that in any real estate foreclosure proceeding a defendant against whom a personal judgment is taken or asked may within thirty days after the sale of the mortgaged property apply to the court for an order of appraisal. The statutory appraisal value as approved by the court would be substituted for the high bid and may decrease the amount of any deficiency owing in connection with the transaction. THE UNDERSIGNED HEREBY WAIVES AND RELINQUISHES THE STATUTORY APPRAISAL RIGHTS WHICH MEANS THE HIGH BID AT THE JUDICIAL FORECLOSURE SALE WILL BE APPLIED TO THE DEBT REGARDLESS OF ANY APPRAISED VALUE OF THE MORTGAGED PROPERTY.

Further, the undersigned acknowledges receipt of written notification before this transaction that signing of a waiver of appraisal rights would be required during this transaction.

Robert L. Freeman

(Hereinafter referred to as "Guarantor")

Wachovia Bank, National Association
Greenville, South Carolina 29601
(Hereinafter referred to as "Bank")

To induce Bank to make, extend or renew loans, advances, credit, or other financial accommodations to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, and in consideration of loans, advances, credit, or other financial accommodations made, extended or renewed to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, Guarantor hereby absolutely, irrevocably and unconditionally guarantees to Bank and its successors, assigns and affiliates the timely payment and performance of all liabilities and obligations of Borrower to Bank and its affiliates, including, but not limited to, all obligations under any notes, loan agreements, security agreements, letters of credit, instruments, accounts receivable, contracts, drafts, leases, chattel paper, indemnities, acceptances, repurchase agreements, overdrafts, and the Loan Documents, as defined below, and all obligations of Borrower to Bank or any of its affiliates under any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), however and whenever incurred or evidenced, whether primary, secondary, direct, indirect, absolute, contingent, due or to become due, now existing or hereafter contracted or acquired, and all modifications, extensions and renewals thereof, (collectively, the "Guaranteed Obligations").

Guarantor further covenants and agrees:

GUARANTOR'S LIABILITY. This Guaranty is a continuing and unconditional guaranty of payment and performance and not of collection. The parties to this Guaranty are jointly and severally obligated hereunder. This Guaranty does not impose any obligation on Bank to extend or continue to extend credit or otherwise deal with Borrower at any subsequent time. This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of the Guaranteed Obligations is rescinded, avoided or for any other reason must be returned by Bank, and the returned payment shall remain payable as part of the Guaranteed Obligations, all as though such payment had not been made. Except to the extent the provisions of this Guaranty give Bank additional rights, this Guaranty shall not be deemed to supersede or replace any other guaranties given to Bank by Guarantor; and the obligations guaranteed hereby shall be in addition to any other obligations guaranteed by Guarantor pursuant to any other agreement of guaranty given to Bank and other guaranties of the Guaranteed Obligations.

TERMINATION OF GUARANTY. Guarantor may terminate this Guaranty only by written notice, delivered personally to or received by certified or registered United States Mail by an authorized officer of Bank at the address for notices provided herein. Such termination shall be effective only with respect to Guaranteed Obligations arising more than 15 days after the date such written notice is received by said Bank officer. Such termination shall not be effective with respect to Guaranteed Obligations (including

any subsequent extensions, modifications or compromises of the Guaranteed Obligations) then existing, or Guaranteed Obligations arising subsequent to receipt by Bank of said notice if such Guaranteed Obligations are a result of Bank's obligation to make advances pursuant to a commitment, or are based on Borrower's obligations to make payments pursuant to any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), entered into prior to expiration of the 15 day notice period, or are a result of advances which are necessary for Bank to protect its collateral or otherwise preserve its interests. Termination of this Guaranty by any single Guarantor will not affect the existing and continuing obligations of any other Guarantor hereunder.

CONSENT TO MODIFICATIONS. Guarantor consents and agrees that Bank (and, with respect to swap obligations, its affiliates) may from time to time, in its sole discretion, without affecting, impairing, lessening or releasing the obligations of Guarantor hereunder: (a) extend or modify the time, manner, place or terms of payment or performance and/or otherwise change or modify the credit terms of the Guaranteed Obligations; (b) increase, renew, or enter into a novation of the Guaranteed Obligations; (c) waive or consent to the departure from terms of the Guaranteed Obligations; (d) permit any change in the business or other dealings and relations of Borrower or any other guarantor with Bank; (e) proceed against, exchange, release, realize upon, or otherwise deal with in any manner any collateral that is or may be held by Bank in connection with the Guaranteed Obligations or any liabilities or obligations of Guarantor; and (f) proceed against, settle, release, or compromise with Borrower, any insurance carrier, or any other person or entity liable as to any part of the Guaranteed Obligations, and/or subordinate the payment of any part of the Guaranteed Obligations to the payment of any other obligations, which may at any time be due or owing to Bank; all in such manner and upon such terms as Bank may deem appropriate, and without notice to or further consent from Guarantor. No invalidity, irregularity, discharge or unenforceability of, or action or omission by Bank relating to any part of the Guaranteed Obligations or any security therefor shall affect or impair this Guaranty.

WAIVERS AND ACKNOWLEDGMENTS. Guarantor waives and releases the following rights, demands, and defenses Guarantor may have with respect to Bank (and, with respect to swap obligations, its affiliates) and collection of the Guaranteed Obligations: (a) promptness and diligence in collection of any of the Guaranteed Obligations from Borrower or any other person liable thereon, and in foreclosure of any security interest and sale of any property serving as collateral for the Guaranteed Obligations; (b) any law or statute that requires that Bank (and, with respect to swap obligations, its affiliates) make demand upon, assert claims against, or collect from Borrower or other persons or entities, foreclose any security interest, sell collateral, exhaust any remedies, or take any other action against Borrower or other persons or entities prior to making demand upon, collecting from or taking action against Guarantor with respect to the Guaranteed Obligations, including any such rights Guarantor might otherwise have had under Va. Code §§ 49-25 and 49-26, et seq., N.C.G.S. §§ 26-7, et seq., Tenn. Code Ann. § 47-12-101, O.C.G.A. § 10-7-24, Mississippi Code Ann. Section 87-5-1, and any successor statute and any other applicable law; (c) any law or statute that requires that Borrower or any other person be joined in, notified of or made part of any action against Guarantor; (d) that Bank or its affiliates preserve, insure or perfect any security interest in collateral or sell or dispose of collateral in a particular manner or at a particular time, provided that Bank's obligation to dispose of Collateral in a commercially reasonable manner is not waived hereby; (e) notice of extensions, modifications, renewals, or novations of the Guaranteed Obligations, of any new transactions or other relationships between Bank, Borrower and/or any guarantor, and of changes in the financial condition of, ownership of, or business structure of Borrower or any other guarantor; (f) presentment, protest, notice of dishonor, notice of default, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale, and all other notices of any kind whatsoever to which Guarantor may be entitled; (g) the right to assert against Bank or its affiliates any defense (legal or equitable), set-off, counterclaim, or claim that Guarantor may have at any time against Borrower or any other party liable to Bank or its affiliates; (h) all defenses relating to invalidity, insufficiency, unenforceability, enforcement, release or impairment of Bank or its affiliates' lien on any collateral, of the Loan Documents, or of any other guaranties held by Bank; (i) any right to which Guarantor is or may become entitled to be subrogated to Bank or its affiliates' rights against Borrower or to seek contribution, reimbursement, indemnification, payment or the like, or

participation in any claim, right or remedy of Bank or its affiliates against Borrower or any security which Bank or its affiliates now has or hereafter acquires, until such time as the Guaranteed Obligations have been fully satisfied beyond the expiration of any applicable preference period; (j) any claim or defense that acceleration of maturity of the Guaranteed Obligations is stayed against Guarantor because of the stay of assertion or of acceleration of claims against any other person or entity for any reason including the bankruptcy or insolvency of that person or entity; and (k) the right to marshalling of Borrower's assets or the benefit of any exemption claimed by Guarantor. Guarantor acknowledges and represents that Guarantor has relied upon Guarantor's own due diligence in making an independent appraisal of Borrower, Borrower's business affairs and financial condition, and any collateral; Guarantor will continue to be responsible for making an independent appraisal of such matters; and Guarantor has not relied upon Bank or its affiliates for information regarding Borrower or any collateral.

FINANCIAL CONDITION. Guarantor warrants, represents and covenants to Bank and its affiliates that on and after the date hereof: (a) the fair saleable value of Guarantor's assets exceeds its liabilities, Guarantor is meeting its current liabilities as they mature, and Guarantor is and shall remain solvent; (b) all financial statements of Guarantor furnished to Bank are correct and accurately reflect the financial condition of Guarantor as of the respective dates thereof; (c) since the date of such financial statements, there has not occurred a material adverse change in the financial condition of Guarantor; (d) there are not now pending any court or administrative proceedings or undischarged judgments against Guarantor, no federal or state tax liens have been filed or threatened against Guarantor, and Guarantor is not in default or claimed default under any agreement; and (e) at such reasonable times as Bank requests, Guarantor will furnish Bank and its affiliates with such other financial information as Bank and its affiliates may reasonably request.

INTEREST AND APPLICATION OF PAYMENTS. Regardless of any other provision of this Guaranty or other Loan Documents, if for any reason the effective interest on any of the Guaranteed Obligations should exceed the maximum lawful interest, the effective interest shall be deemed reduced to and shall be such maximum lawful interest, and any sums of interest which have been collected in excess of such maximum lawful interest shall be applied as a credit against the unpaid principal balance of the Guaranteed Obligations. Monies received from any source by Bank or its affiliates for application toward payment of the Guaranteed Obligations may be applied to such Guaranteed Obligations in any manner or order deemed appropriate by Bank and its affiliates.

DEFAULT. If any of the following events occur, a default ("Default") under this Guaranty shall exist: (a) failure of timely payment or performance of the Guaranteed Obligations or a default under any Loan Document; (b) a breach of any agreement or representation contained or referred to in the Guaranty, or any of the Loan Documents, or contained in any other contract or agreement of Guarantor with Bank or its affiliates, whether now existing or hereafter arising; (c) the death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or the commencement of any insolvency or bankruptcy proceeding by or against Guarantor or any general partner of or the holder(s) of the majority ownership interests of Guarantor; and/or (d) Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Guaranteed Obligations are impaired or a material adverse change has occurred in the business or prospects of Borrower or Guarantor, financial or otherwise.

If a Default occurs, the Guaranteed Obligations shall be due immediately and payable without notice, other than Guaranteed Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) with Bank or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements, and, Bank and its affiliates may exercise any rights and remedies as provided in this Guaranty and other Loan Documents, or as provided at law or equity. Guarantor shall pay interest on the Guaranteed Obligations from such Default at the highest rate of interest charged on any of the Guaranteed Obligations.

ATTORNEYS' FEES AND OTHER COSTS OF COLLECTION. Guarantor shall pay all of Bank's and its affiliates' reasonable expenses incurred to enforce or collect any of the Guaranteed Obligations, including, without limitation, reasonable arbitration, paralegals', attorneys' and experts' fees and expenses, whether incurred without the commencement of a suit, in any suit, arbitration, or administrative proceeding, or in any appellate or bankruptcy proceeding.

SUBORDINATION OF OTHER DEBTS. Guarantor agrees: (a) to subordinate the obligations now or hereafter owed by Borrower to Guarantor ("Subordinated Debt") to any and all obligations of Borrower to Bank or its affiliates now or hereafter existing while this Guaranty is in effect, provided however that Guarantor may receive regularly scheduled principal and interest payments on the Subordinated Debt so long as (i) all sums due and payable by Borrower to Bank and its affiliates have been paid in full on or prior to such date, and (ii) no event or condition which constitutes or which with notice or the lapse of time would constitute an event of default with respect to the Guaranteed Obligations shall be continuing on or as of the payment date; (b) Guarantor will either place a legend indicating such subordination on every note, ledger page or other document evidencing any part of the Subordinated Debt or deliver such documents to Bank; and (c) except as permitted by this paragraph, Guarantor will not request or accept payment of or any security for any part of the Subordinated Debt, and any proceeds of the Subordinated Debt paid to Guarantor, through error or otherwise, shall immediately be forwarded to Bank by Guarantor, properly endorsed to the order of Bank, to apply to the Guaranteed Obligations.

(Hereinafter referred to as "Bank")

To induce Bank to make, extend or renew loans, advances, credit, or other financial accommodations to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, and in consideration of loans, advances, credit, or other financial accommodations made, extended or renewed to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, Guarantor hereby absolutely, irrevocably and unconditionally guarantees to Bank and its successors, assigns and affiliates the timely payment and performance of all liabilities and obligations of Borrower to Bank and its affiliates, including, but not limited to, all obligations under any notes, loan agreements, security agreements, letters of credit, instruments, accounts receivable, contracts, drafts, leases, chattel paper, indemnities, acceptances, repurchase agreements, overdrafts, and the Loan Documents, as defined below, and all obligations of Borrower to Bank or any of its affiliates under any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), however and whenever incurred or evidenced, whether primary, secondary, direct, indirect, absolute, contingent, due or to become due, now existing or hereafter contracted or acquired, and all modifications, extensions and renewals thereof, (collectively, the "Guaranteed Obligations").

Guarantor further covenants and agrees:

GUARANTOR'S LIABILITY. This Guaranty is a continuing and unconditional guaranty of payment and performance and not of collection. The parties to this Guaranty are jointly and severally obligated hereunder. This Guaranty does not impose any obligation on Bank to extend or continue to extend credit or otherwise deal with Borrower at any subsequent time. This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of the Guaranteed Obligations is rescinded, avoided or for any other reason must be returned by Bank, and the returned payment shall remain payable as part of the Guaranteed Obligations, all as though such payment had not been made. Except to the extent the provisions of this Guaranty give Bank additional rights, this Guaranty shall not be deemed to supersede or replace any other guaranties given to Bank by Guarantor; and the obligations guaranteed hereby shall be in addition to any other obligations guaranteed by Guarantor pursuant to any other agreement of guaranty given to Bank and other guaranties of the Guaranteed Obligations.

TERMINATION OF GUARANTY. Guarantor may terminate this Guaranty only by written notice, delivered personally to or received by certified or registered United States Mail by an authorized officer of Bank at the address for notices provided herein. Such termination shall be effective only with respect to Guaranteed Obligations arising more than 15 days after the date such written notice is received by said Bank officer. Such termination shall not be effective with respect to Guaranteed Obligations (including

any subsequent extensions, modifications or compromises of the Guaranteed Obligations) then existing, or Guaranteed Obligations arising subsequent to receipt by Bank of said notice if such Guaranteed Obligations are a result of Bank's obligation to make advances pursuant to a commitment, or are based on Borrower's obligations to make payments pursuant to any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), entered into prior to expiration of the 15 day notice period, or are a result of advances which are necessary for Bank to protect its collateral or otherwise preserve its interests. Termination of this Guaranty by any single Guarantor will not affect the existing and continuing obligations of any other Guarantor hereunder.

CONSENT TO MODIFICATIONS. Guarantor consents and agrees that Bank (and, with respect to swap obligations, its affiliates) may from time to time, in its sole discretion, without affecting, impairing, lessening or releasing the obligations of Guarantor hereunder: (a) extend or modify the time, manner, place or terms of payment or performance and/or otherwise change or modify the credit terms of the Guaranteed Obligations; (b) increase, renew, or enter into a novation of the Guaranteed Obligations; (c) waive or consent to the departure from terms of the Guaranteed Obligations; (d) permit any change in the business or other dealings and relations of Borrower or any other guarantor with Bank; (e) proceed against, exchange, release, realize upon, or otherwise deal with in any manner any collateral that is or may be held by Bank in connection with the Guaranteed Obligations or any liabilities or obligations of Guarantor; and (f) proceed against, settle, release, or compromise with Borrower, any insurance carrier, or any other person or entity liable as to any part of the Guaranteed Obligations, and/or subordinate the payment of any part of the Guaranteed Obligations to the payment of any other obligations, which may at any time be due or owing to Bank; all in such manner and upon such terms as Bank may deem appropriate, and without notice to or further consent from Guarantor. No invalidity, irregularity, discharge or unenforceability of, or action or omission by Bank relating to any part of the Guaranteed Obligations or any security therefor shall affect or impair this Guaranty.

WAIVERS AND ACKNOWLEDGMENTS. Guarantor waives and releases the following rights, demands, and defenses Guarantor may have with respect to Bank (and, with respect to swap obligations, its affiliates) and collection of the Guaranteed Obligations: (a) promptness and diligence in collection of any of the Guaranteed Obligations from Borrower or any other person liable thereon, and in foreclosure of any security interest and sale of any property serving as collateral for the Guaranteed Obligations; (b) any law or statute that requires that Bank (and, with respect to swap obligations, its affiliates) make demand upon, assert claims against, or collect from Borrower or other persons or entities, foreclose any security interest, sell collateral, exhaust any remedies, or take any other action against Borrower or other persons or entities prior to making demand upon, collecting from or taking action against Guarantor with respect to the Guaranteed Obligations, including any such rights Guarantor might otherwise have had under Va. Code §§ 49-25 and 49-26, *et seq.*, N.C.G.S. §§ 26-7, *et seq.*, Tenn. Code Ann. § 47-12-101, O.C.G.A. § 10-7-24, Mississippi Code Ann. Section 87-5-1, and any successor statute and any other applicable law; (c) any law or statute that requires that Borrower or any other person be joined in, notified of or made part of any action against Guarantor; (d) that Bank or its affiliates preserve, insure or perfect any security interest in collateral or sell or dispose of collateral in a particular manner or at a particular time, provided that Bank's obligation to dispose of Collateral in a commercially reasonable manner is not waived hereby; (e) notice of extensions, modifications, renewals, or novations of the Guaranteed Obligations, of any new transactions or other relationships between Bank, Borrower and/or any guarantor, and of changes in the financial condition of, ownership of, or business structure of Borrower or any other guarantor; (f) presentment, protest, notice of dishonor, notice of default, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale, and all other notices of any kind whatsoever to which Guarantor may be entitled; (g) the right to assert against Bank or its affiliates any defense (legal or equitable), set-off, counterclaim, or claim that Guarantor may have at any time against Borrower or any other party liable to Bank or its affiliates; (h) all defenses relating to invalidity, insufficiency, unenforceability, enforcement, release or impairment of Bank or its affiliates' lien on any collateral, of the Loan Documents, or of any other guaranties held by Bank; (i) any right to which Guarantor is or may become entitled to be subrogated to Bank or its affiliates' rights against Borrower or to seek contribution, reimbursement, indemnification, payment or the like, or

participation in any claim, right or remedy of Bank or its affiliates against Borrower or any security which Bank or its affiliates now has or hereafter acquires, until such time as the Guaranteed Obligations have been fully satisfied beyond the expiration of any applicable preference period; (j) any claim or defense that acceleration of maturity of the Guaranteed Obligations is stayed against Guarantor because of the stay of assertion or of acceleration of claims against any other person or entity for any reason including the bankruptcy or insolvency of that person or entity; and (k) the right to marshalling of Borrower's assets or the benefit of any exemption claimed by Guarantor. Guarantor acknowledges and represents that Guarantor has relied upon Guarantor's own due diligence in making an independent appraisal of Borrower, Borrower's business affairs and financial condition, and any collateral; Guarantor will continue to be responsible for making an independent appraisal of such matters; and Guarantor has not relied upon Bank or its affiliates for information regarding Borrower or any collateral.

FINANCIAL CONDITION. Guarantor warrants, represents and covenants to Bank and its affiliates that on and after the date hereof: (a) the fair saleable value of Guarantor's assets exceeds its liabilities, Guarantor is meeting its current liabilities as they mature, and Guarantor is and shall remain solvent; (b) all financial statements of Guarantor furnished to Bank are correct and accurately reflect the financial condition of Guarantor as of the respective dates thereof; (c) since the date of such financial statements, there has not occurred a material adverse change in the financial condition of Guarantor; (d) there are not now pending any court or administrative proceedings or undischarged judgments against Guarantor, no federal or state tax liens have been filed or threatened against Guarantor, and Guarantor is not in default or claimed default under any agreement; and (e) at such reasonable times as Bank requests, Guarantor will furnish Bank and its affiliates with such other financial information as Bank and its affiliates may reasonably request.

INTEREST AND APPLICATION OF PAYMENTS. Regardless of any other provision of this Guaranty or other Loan Documents, if for any reason the effective interest on any of the Guaranteed Obligations should exceed the maximum lawful interest, the effective interest shall be deemed reduced to and shall be such maximum lawful interest, and any sums of interest which have been collected in excess of such maximum lawful interest shall be applied as a credit against the unpaid principal balance of the Guaranteed Obligations. Monies received from any source by Bank or its affiliates for application toward payment of the Guaranteed Obligations may be applied to such Guaranteed Obligations in any manner or order deemed appropriate by Bank and its affiliates.

DEFAULT. If any of the following events occur, a default ("Default") under this Guaranty shall exist: (a) failure of timely payment or performance of the Guaranteed Obligations or a default under any Loan Document; (b) a breach of any agreement or representation contained or referred to in the Guaranty, or any of the Loan Documents, or contained in any other contract or agreement of Guarantor with Bank or its affiliates, whether now existing or hereafter arising; (c) the death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or the commencement of any insolvency or bankruptcy proceeding by or against Guarantor or any general partner of or the holder(s) of the majority ownership interests of Guarantor; and/or (d) Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Guaranteed Obligations are impaired or a material adverse change has occurred in the business or prospects of Borrower or Guarantor, financial or otherwise.

If a Default occurs, the Guaranteed Obligations shall be due immediately and payable without notice, other than Guaranteed Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) with Bank or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements, and, Bank and its affiliates may exercise any rights and remedies as provided in this Guaranty and other Loan Documents, or as provided at law or equity. Guarantor shall pay interest on the Guaranteed Obligations from such Default at the highest rate of interest charged on any of the Guaranteed Obligations.

ATTORNEYS' FEES AND OTHER COSTS OF COLLECTION. Guarantor shall pay all of Bank's and its affiliates' reasonable expenses incurred to enforce or collect any of the Guaranteed Obligations, including, without limitation, reasonable arbitration, paralegals', attorneys' and experts' fees and expenses, whether incurred without the commencement of a suit, in any suit, arbitration, or administrative proceeding, or in any appellate or bankruptcy proceeding.

SUBORDINATION OF OTHER DEBTS. Guarantor agrees: (a) to subordinate the obligations now or hereafter owed by Borrower to Guarantor ("Subordinated Debt") to any and all obligations of Borrower to Bank or its affiliates now or hereafter existing while this Guaranty is in effect, provided however that Guarantor may receive regularly scheduled principal and interest payments on the Subordinated Debt so long as (i) all sums due and payable by Borrower to Bank and its affiliates have been paid in full on or prior to such date, and (ii) no event or condition which constitutes or which with notice or the lapse of time would constitute an event of default with respect to the Guaranteed Obligations shall be continuing on or as of the payment date; (b) Guarantor will either place a legend indicating such subordination on every note, ledger page or other document evidencing any part of the Subordinated Debt or deliver such documents to Bank; and (c) except as permitted by this paragraph, Guarantor will not request or accept payment of or any security for any part of the Subordinated Debt, and any proceeds of the Subordinated Debt paid to Guarantor, through error or otherwise, shall immediately be forwarded to Bank by Guarantor, properly endorsed to the order of Bank, to apply to the Guaranteed Obligations.

Neither the failure nor any delay on the part of Bank or its affiliates in exercising any right, power, or privilege granted pursuant to this Guaranty and other Loan Documents shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise or the exercise of any other right, power or privilege. Guarantor may terminate this Guaranty only by written notice, delivered personally to or received by certified or registered United States Mail by an authorized officer of Bank at the address for notices provided herein. Such termination shall be effective only with respect to Guaranteed Obligations arising more than 15 days after the date such written notice is received by said Bank officer. Such termination shall not be effective with respect to Guaranteed Obligations (including any subsequent extensions, modifications or compromises of the Guaranteed Obligations) then existing, or Guaranteed Obligations arising subsequent to receipt by Bank of said notice if such Guaranteed Obligations are a result of Bank's obligation to make advances pursuant to a commitment, or are based on Borrower's obligations to make payments pursuant to any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), entered into prior to expiration of the 15 day notice period, or are a result of advances which are necessary for Bank to protect its collateral or otherwise preserve its interests. Termination of this Guaranty by any single Guarantor will not affect the existing and continuing obligations of any other Guarantor hereunder.

CONSENT TO MODIFICATIONS. Guarantor consents and agrees that Bank (and, with respect to swap obligations, its affiliates) may from time to time, in its sole discretion, without affecting, impairing, lessening or releasing the obligations of Guarantor hereunder: (a) extend or modify the time, manner, place or terms of payment or performance and/or otherwise change or modify the credit terms of the Guaranteed Obligations; (b) increase, renew, or enter into a novation of the Guaranteed Obligations; (c) waive or consent to the departure from terms of the Guaranteed Obligations; (d) permit any change in the business or other dealings and relations of Borrower or any other guarantor with Bank; (e) proceed against, exchange, release, realize upon, or otherwise deal with in any manner any collateral that is or may be held by Bank in connection with the Guaranteed Obligations or any liabilities or obligations of Guarantor; and (f) proceed against, settle, release, or compromise with Borrower, any insurance carrier, or any other person or entity liable as to any part of the Guaranteed Obligations, and/or subordinate the payment of any part of the Guaranteed Obligations to the payment of any other obligations, which may at any time be due or owing to Bank; all in such manner and upon such terms as Bank may deem appropriate, and without notice to or further consent from Guarantor. No invalidity, irregularity, discharge or unenforceability of, or action or omission by Bank relating to any part of the Guaranteed Obligations or any security therefor shall affect or impair this Guaranty.

WAIVERS AND ACKNOWLEDGMENTS. Guarantor waives and releases the following rights, demands, and defenses Guarantor may have with respect to Bank (and, with respect to swap obligations, its affiliates) and collection of the Guaranteed Obligations: (a) promptness and diligence in collection of any of the Guaranteed Obligations from Borrower or any other person liable thereon, and in foreclosure of any security interest and sale of any property serving as collateral for the Guaranteed Obligations; (b) any law or statute that requires that Bank (and, with respect to swap obligations, its affiliates) make demand upon, assert claims against, or collect from Borrower or other persons or entities, foreclose any security interest, sell collateral, exhaust any remedies, or take any other action against Borrower or other persons or entities prior to making demand upon, collecting from or taking action against Guarantor with respect to the Guaranteed Obligations, including any such rights Guarantor might otherwise have had under Va. Code §§ 49-25 and 49-26, *et seq.*, N.C.G.S. §§ 26-7, *et seq.*, Tenn. Code Ann. § 47-12-101, O.C.G.A. § 10-7-24, Mississippi Code Ann. defense (legal or equitable), set-off, counterclaim, or claim that Guarantor may have at any time against Borrower or any other party liable to Bank or its affiliates; (h) all defenses relating to invalidity, insufficiency, unenforceability, enforcement, release or impairment of Bank or its affiliates' lien on any collateral, of the Loan Documents, or of any other guaranties held by Bank; (i) any right to which Guarantor is or may become entitled to be subrogated to Bank or its affiliates' rights against Borrower or to seek contribution, reimbursement, indemnification, payment or the like, or participation in any claim, right or remedy of Bank or its affiliates against Borrower or any security which Bank or its affiliates now has or hereafter acquires, until such time as the Guaranteed Obligations have been fully satisfied beyond the expiration of any applicable preference period; (j) any claim or defense that acceleration of maturity of the Guaranteed Obligations is stayed against Guarantor because of the stay of assertion or of acceleration of claims against any other person or entity for any reason including the bankruptcy or insolvency of that person or entity; and (k) the right to marshalling of Borrower's assets or the benefit of any exemption claimed by Guarantor. Guarantor acknowledges and represents that Guarantor has relied upon Guarantor's own due diligence in making an independent appraisal of Borrower, Borrower's business affairs and financial condition, and any collateral; Guarantor will continue to be responsible for making an independent appraisal of such matters; and Guarantor has not relied upon Bank or its affiliates for information regarding Borrower or any collateral.

FINANCIAL CONDITION. Guarantor warrants, represents and covenants to Bank and its affiliates that on and after the date hereof: (a) the fair saleable value of Guarantor's assets exceeds its liabilities, Guarantor is meeting its current liabilities as they mature, and Guarantor is and shall remain solvent; (b) all financial statements of Guarantor furnished to Bank are correct and accurately reflect the financial condition of Guarantor as of the respective dates thereof; (c) since the date of such financial statements, there has not occurred a material adverse change in the financial condition of Guarantor; (d) there are not now pending any court or administrative proceedings or undischarged judgments against Guarantor, no federal or state tax liens have been filed or threatened against Guarantor, and Guarantor is not in default or claimed default under any agreement; and (e) at such reasonable times as Bank requests, Guarantor will furnish Bank and its affiliates with such other financial information as Bank and its affiliates may reasonably request.

INTEREST AND APPLICATION OF PAYMENTS. Regardless of any other provision of this Guaranty or other Loan Documents, if for any reason the effective interest on any of the Guaranteed Obligations should exceed the maximum lawful interest, the effective interest shall be deemed reduced to and shall be such maximum lawful interest, and any sums of interest which have been collected in excess of such maximum lawful interest shall be applied as a credit against the unpaid principal balance of the Guaranteed Obligations. Monies received from any source by Bank or its affiliates for application toward payment of the Guaranteed Obligations may be applied to such Guaranteed Obligations in any manner or order deemed appropriate by Bank and its affiliates.

DEFAULT. PROMISSORY NOTE

\$1,500,000.00

July 24, 2006

1F3S, LLC

145 King Street

P.O. Box 759
Charleston, South Carolina 29402
(Hereinafter referred to as "Borrower")Wachovia Bank, National Association
Greenville, South Carolina 29601
(Hereinafter referred to as "Bank")

Borrower promises to pay to the order of Bank, in lawful money of the United States of America, at its office indicated above or wherever else Bank may specify, the sum of One Million, Five Hundred Thousand and No/100 Dollars (\$1,500,000.00) or such sum as may be advanced and outstanding from time to time, with interest on the unpaid principal balance at the rate and on the terms provided in this Promissory Note (including all renewals, extensions or modifications hereof, this "Note").

USE OF PROCEEDS. Borrower shall use the proceeds of the loan(s) evidenced by this Note for the commercial purposes of Borrower, as follows: To purchase 2.21 acres on Highway 61, Charleston, South Carolina.

SECURITY. Borrower has granted Bank a security interest in the collateral described in the Loan Documents, including, but not limited to, real and personal property collateral described in that certain security instrument of even date herewith.

INTEREST RATE. Interest shall accrue on the unpaid principal balance of this Note from the date hereof at the rate of 7.65% ("Interest Rate").

DEFAULT RATE. In addition to all other rights contained in this Note, if a Default (as defined herein) occurs and as long as a Default continues, all outstanding Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank or its affiliates, shall bear interest at the Interest Rate plus 3% ("Default Rate"). The Default Rate shall also apply from demand until the Obligations or any judgment thereon is paid in full.

INTEREST AND FEES(S) COMPUTATION (ACTUAL/360). Interest and fees, if any, shall be computed on the basis of a 360-day year for the actual number of days in the applicable period ("Actual/360 Computation"). The Actual/360 Computation determines the annual effective yield by taking the stated (nominal) rate for a year's period and then dividing said rate by 360 to determine the daily periodic rate to be applied for each day in the applicable period. Application of the Actual/360 Computation produces an annualized effective rate exceeding the nominal rate.

PREPAYMENT ALLOWED. This Note may be prepaid in whole or in part at any time. Any prepayment shall include accrued interest and all other sums then due under any of the Loan Documents (as defined below). No partial prepayment shall affect Borrower's obligation to make any payment of principal or interest due under this Note on the date specified below in the Repayment Terms paragraph of this Note until this Note has been paid in full.

06214P308812

REPAYMENT TERMS. This Note shall be due and payable in consecutive monthly payments of accrued interest only, commencing on August 24, 2006, and continuing on the same day of each month thereafter until fully paid. In any event, all principal and accrued interest shall be due and payable on July 24, 2009.

APPLICATION OF PAYMENTS. Monies received by Bank from any source for application toward payment of the Obligations shall be applied to accrued interest and then to principal. If a Default occurs, monies may be applied to the Obligations in any manner or order deemed appropriate by Bank.

If any payment received by Bank under this Note or other Loan Documents is rescinded, avoided or for any reason returned by Bank because of any adverse claim or threatened action, the returned payment shall remain payable as an obligation of all persons liable under this Note or other Loan Documents as though such payment had not been made.

DEFINITIONS. **Loan Documents.** The term "Loan Documents", as used in this Note and the other Loan Documents, refers to all documents executed in connection with or related to the loan evidenced by this Note and any prior notes which evidence all or any portion of the loan evidenced by this Note, and any letters of credit issued pursuant to any loan agreement to which this Note is subject, any applications for such letters of credit and any other documents executed in connection therewith or related thereto, and may include, without limitation, a commitment letter that survives closing, a loan agreement, this Note, guaranty agreements, security agreements, security instruments, financing statements, mortgage instruments, any renewals or modifications, whenever any of the foregoing are executed, but does not include swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time). **Obligations.** The term "Obligations", as used in this Note and the other Loan Documents, refers to any and all indebtedness and other obligations under this Note, all other obligations under any other Loan Document(s), and all obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, whenever executed. **Certain Other Terms.** All terms that are used but not otherwise defined in any of the Loan Documents shall have the definitions provided in the Uniform Commercial Code.

LATE CHARGE. If any payments are not timely made, Borrower shall also pay to Bank a late charge equal to 5% of each payment past due for 15 or more days. This late charge shall not apply to payments due at maturity or by acceleration hereof, unless such late payment is in an amount not greater than the highest periodic payment due hereunder.

Acceptance by Bank of any late payment without an accompanying late charge shall not be deemed a waiver of Bank's right to collect such late charge or to collect a late charge for any subsequent late payment received.

If this Note is secured by owner-occupied residential real property located outside the state in which the office of Bank first shown above is located, the late charge laws of the state where the real property is located shall apply to this Note and the late charge shall be the highest amount allowable under such laws. If no amount is stated thereunder, the late charge shall be 5% of each payment past due for 10 or more days.

ATTORNEYS' FEES AND OTHER COLLECTION COSTS. Borrower shall pay all of Bank's reasonable expenses actually incurred to enforce or collect any of the Obligations including, without limitation, reasonable arbitration, paralegals', attorneys' and experts' fees and expenses, whether incurred without the commencement of a suit, in any trial, arbitration, or administrative proceeding, or in any appellate or bankruptcy proceeding.

USURY. If at any time the effective interest rate under this Note would, but for this paragraph, exceed the maximum lawful rate, the effective interest rate under this Note shall be the maximum lawful rate, and any amount received by Bank in excess of such rate shall be applied to principal and then to fees and expenses, or, if no such amounts are owing, returned to Borrower.

DEFAULT. If any of the following occurs, a default ("Default") under this Note shall exist: **Nonpayment; Nonperformance.** The failure of timely payment or performance of the Obligations or Default under this Note or any other Loan Documents. **False Warranty.** A warranty or representation made or deemed made in the Loan Documents or furnished Bank in connection with the loan evidenced by this Note proves materially false, or if of a continuing nature, becomes materially false. **Cross Default.** At Bank's option, any default in payment or performance of any obligation under any other loans, contracts or agreements of Borrower, any Subsidiary or Affiliate of Borrower, any general partner of or the holder(s) of the majority ownership interests of Borrower with Bank or its affiliates ("Affiliate" shall have the meaning as defined in 11 U.S.C. § 101, as in effect from time to time, except that the term "Borrower" shall be substituted for the term "Debtor" therein; "Subsidiary" shall mean any business in which Borrower holds, directly or indirectly, a controlling interest). **Cessation; Bankruptcy.** The death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or commencement of any bankruptcy or insolvency proceeding by or against Borrower, its Subsidiaries or Affiliates, if any, or any general partner of or the holder(s) of the majority ownership interests of Borrower, or any party to the Loan Documents. **Material Capital Structure or Business Alteration.** Without prior written consent of Bank, (i) a material alteration in the kind or type of Borrower's business or that of Borrower's Subsidiaries or Affiliates, if any; (ii) the sale of substantially all of the business or assets of Borrower, any of Borrower's Subsidiaries or Affiliates or any guarantor, or a material portion (10% or more) of such business or assets if such a sale is outside the ordinary course of business of Borrower, or any of Borrower's Subsidiaries or Affiliates or any guarantor, or more than 50% of the outstanding stock or voting power of or in any such entity in a single transaction or a series of transactions; (iii) the acquisition of substantially all of the business or assets or more than 50% of the outstanding stock or voting power of any other entity; or (iv) should any Borrower or any of Borrower's Subsidiaries or Affiliates or any guarantor enter into any merger or consolidation. **Material Adverse Change.** Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Obligations are impaired or there has occurred a material adverse change in the business or prospects of Borrower, financial or otherwise.

REMEDIES UPON DEFAULT. If a Default occurs under this Note or any Loan Documents, Bank may at any time thereafter, take the following actions: **Bank Lien.** Foreclose its security interest or lien against Borrower's accounts without notice. **Acceleration Upon Default.** Accelerate the maturity of this Note and, at Bank's option, any or all other Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements; whereupon this Note and the accelerated Obligations shall be immediately due and payable; provided, however, if the Default is based upon a bankruptcy or insolvency proceeding commenced by or against Borrower or any guarantor or endorser of this Note, all Obligations (other than Obligations under any swap agreement as referenced above) shall automatically and immediately be due and payable. **Cumulative.** Exercise any rights and remedies as provided under the Note and other Loan Documents, or as provided by law or equity.

FINANCIAL AND OTHER INFORMATION. Borrower shall deliver to Bank such information as Bank may reasonably request from time to time, including without limitation, financial statements and information pertaining to Borrower's financial condition. Such information shall be true, complete, and accurate.

WAIVERS AND AMENDMENTS. No waivers, amendments or modifications of this Note and other Loan Documents shall be valid unless in writing and signed by an officer of Bank. No waiver by Bank of any Default shall operate as a waiver of any other Default or the same Default on a future occasion. Neither the failure nor any delay on the part of Bank in exercising any right, power, or remedy under this Note and other Loan Documents shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

Except to the extent otherwise provided by the Loan Documents or prohibited by law, each Borrower and each other person liable under this Note waives presentment, protest, notice of dishonor, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale and all other notices of any kind. Further, each agrees that Bank may (i) extend, modify or renew this Note or make a novation of the loan evidenced by this Note, and/or (ii) grant releases, compromises or indulgences with respect to any collateral securing this Note, or with respect to any Borrower or other person liable under this Note or any other Loan Documents, all without notice to or consent of each Borrower and other such person, and without affecting the liability of each Borrower and other such person; provided, Bank may not extend, modify or renew this Note or make a novation of the loan evidenced by this Note without the consent of the Borrower, or if there is more than one Borrower, without the consent of at least one Borrower; and further provided, if there is more than one Borrower, Bank may not enter into a modification of this Note which increases the burdens of a Borrower without the consent of that Borrower.

MISCELLANEOUS PROVISIONS. Assignment. This Note and the other Loan Documents shall inure to the benefit of and be binding upon the parties and their respective heirs, legal representatives, successors and assigns. Bank's interests in and rights under this Note and the other Loan Documents are freely assignable, in whole or in part, by Bank. In addition, nothing in this Note or any of the other Loan Documents shall prohibit Bank from pledging or assigning this Note or any of the other Loan Documents or any interest therein to any Federal Reserve Bank. Borrower shall not assign its rights and interest hereunder without the prior written consent of Bank, and any attempt by Borrower to assign without Bank's prior written consent is null and void. Any assignment shall not release Borrower from the Obligations. **Organization; Powers.** Borrower represents that Borrower (i) is (a) an adult individual and is *sui juris*, or (b) a corporation, general partnership, limited partnership, limited liability company or other legal entity, duly organized, validly existing and in good standing under the laws of its state of organization, and is authorized to do business in each other jurisdiction wherein its ownership of property or conduct of business legally requires such organization (ii) has the power and authority to own its properties and assets and to carry on its business as now being conducted and as now contemplated; and (iii) has the power and authority to execute, deliver and perform, and by all necessary action has authorized the execution, delivery and performance of, all of its obligations under this Note and any other Loan Document to which it is a party. **Compliance with Laws.** Borrower represents that Borrower and any subsidiary and affiliate of Borrower and any guarantor are in compliance in all respects with all federal, state and local laws, rules and regulations applicable to its properties, operations, business, and finances, including, without limitation, any federal or state laws relating to liquor (including 18 U.S.C. § 3617, et seq.) or narcotics (including 21 U.S.C. § 801, et seq.) and/or any commercial crimes; all applicable federal, state and local laws and regulations intended to protect the environment; and the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), if applicable. TO PROMISSORY NOTE**

Charleston, South Carolina 29401
(Hereinafter referred to as "Borrower")

Wachovia Bank, National Association
Greenville, South Carolina 29601
(Hereinafter referred to as "Bank")

THIS AGREEMENT is entered into as of February 29, 2008 by and between Bank and Borrower.

RECITALS

Bank is the holder of a Promissory Note, as modified from time to time, executed and delivered by Borrower, dated July 24, 2006, in the original principal amount of \$1,500,000.00 (the "Note");

Borrower and Bank have agreed to modify the terms of the Note.

In consideration of Bank's continued extension of credit and the agreements contained herein, the parties agree as follows:

AGREEMENT

ACKNOWLEDGMENT OF BALANCE. Borrower acknowledges that the most recent Commercial Loan Invoice sent to Borrower with respect to the Obligations under the Note is correct.

MODIFICATIONS.

The Note is hereby modified by deleting the provisions in the Note establishing the applicable interest rate and any indemnification or prepayment obligations, and substituting the following in their place and stead:

INTEREST RATE. Interest shall accrue on the unpaid principal balance of this Note at the rate of 5.45% ("Interest Rate").

DEFAULT RATE. In addition to all other rights contained in this Note, if a Default (as defined herein) occurs and as long as a Default continues, all outstanding Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank or its affiliates, shall bear interest at the Interest Rate plus 3% ("Default Rate"). The Default Rate shall also apply from demand until the Obligations or any judgment thereon is paid in full.

INTEREST AND FEES(S) COMPUTATION (ACTUAL/360). Interest and fees, if any, shall be computed on the basis of a 360-day year for the actual number of days in the applicable period ("Actual/360 Computation"). The Actual/360 Computation determines the annual effective yield by taking the stated (nominal) rate for a year's period and then dividing said rate by 360 to determine the daily periodic rate to be applied for each day in the applicable period. Application of the Actual/360 Computation produces an annualized effective rate exceeding the nominal rate.

PREPAYMENT ALLOWED. This Note may be prepaid in whole or in part at any time. Any prepayment shall include accrued interest and all other sums then due under any of the Loan Documents (as defined below). No partial prepayment shall affect Borrower's obligation to make any payment of principal or

08064E102230

interest due under this Note on the date specified below in the Repayment Terms paragraph of this Note until this Note has been paid in full.

ACKNOWLEDGMENTS AND REPRESENTATIONS. Borrower acknowledges and represents that the Note and other Loan Documents, as amended hereby, are in full force and effect without any defense, counterclaim, right or claim of set-off; that, after giving effect to this Agreement, no default or event that with the passage of time or giving of notice would constitute a default under the Loan Documents has occurred, all representations and warranties contained in the Loan Documents are true and correct as of this date, all necessary action to authorize the execution and delivery of this Agreement has been taken; and this Agreement is a modification of an existing obligation and is not a novation.

COLLATERAL. Borrower acknowledges and confirms that there have been no changes in the ownership of any collateral pledged to secure the Obligations (the "Collateral") since the Collateral was originally pledged; Borrower acknowledges and confirms that the Bank has existing, valid first priority security interests and liens in the Collateral; and that such security interests and liens shall secure Borrower's Obligations, including any modification of the Note or Loan Agreement, if any, and all future modifications, extensions, renewals and/or replacements of the Loan Documents.

MISCELLANEOUS. This Agreement shall be construed in accordance with and governed by the laws of the applicable state as originally provided in the Loan Documents, without reference to that state's conflicts of law principles. This Agreement and the other Loan Documents constitute the sole agreement of the parties with respect to the subject matter thereof and supersede all oral negotiations and prior writings with respect to the subject matter thereof. No amendment of this Agreement, and no waiver of any one or more of the provisions hereof shall be effective unless set forth in writing and signed by the parties hereto. The illegality, unenforceability or inconsistency of any provision of this Agreement shall not in any way affect or impair the legality, enforceability or consistency of the remaining provisions of this Agreement or the other Loan Documents. This Agreement and the other Loan Documents are intended to be consistent. However, in the event of any inconsistencies among this Agreement and any of the Loan Documents, the terms of this Agreement, and then the Note, shall control. This Agreement may be executed in any number of counterparts and by the different parties on separate counterparts. Each such counterpart shall be deemed an original, but all such counterparts shall together constitute one and the same agreement. Terms used in this Agreement which are capitalized and not otherwise defined herein shall have the meanings ascribed to such terms in the Note. **LIMITATION ON LIABILITY; WAIVER OF PUNITIVE DAMAGES.** EACH OF THE PARTIES HERETO, INCLUDING BANK BY ACCEPTANCE HEREOF, AGREES THAT IN ANY JUDICIAL, MEDIATION OR ARBITRATION PROCEEDING OR ANY CLAIM OR CONTROVERSY BETWEEN OR AMONG THEM THAT MAY ARISE OUT OF OR BE IN ANY WAY CONNECTED WITH THIS AGREEMENT, THE LOAN DOCUMENTS OR ANY OTHER AGREEMENT OR DOCUMENT BETWEEN OR AMONG THEM OR THE OBLIGATIONS EVIDENCED HEREBY OR RELATED HERETO, IN NO EVENT SHALL ANY PARTY HAVE A REMEDY OF, OR BE LIABLE TO THE OTHER FOR, (1) INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES OR (2) PUNITIVE OR EXEMPLARY DAMAGES. EACH OF THE PARTIES HEREBY EXPRESSLY WAIVES ANY RIGHT OR CLAIM TO PUNITIVE OR EXEMPLARY DAMAGES THEY MAY HAVE OR WHICH MAY ARISE IN THE FUTURE IN CONNECTION WITH ANY SUCH PROCEEDING, CLAIM OR CONTROVERSY, WHETHER THE SAME IS RESOLVED BY ARBITRATION, MEDIATION, JUDICIALLY OR OTHERWISE. **Final Agreement.** This Agreement and the other Loan Documents represent the final agreement between the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent agreements of the parties. There are no unwritten agreements between the parties.

WAIVER OF JURY TRIAL. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH OF BORROWER BY EXECUTION HEREOF AND BANK BY ACCEPTANCE HEREOF, KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHT EACH MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT, THE LOAN DOCUMENTS OR ANY AGREEMENT CONTEMPLATED TO BE EXECUTED IN CONNECTION WITH THIS AGREEMENT, OR ANY COURSE OF CONDUCT, COURSE

OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY WITH RESPECT HERETO. THIS PROVISION IS A MATERIAL INDUCEMENT TO BANK TO ACCEPT THIS AGREEMENT. EACH OF THE PARTIES AGREES THAT THE TERMS HEREOF SHALL SUPERSEDE AND REPLACE ANY PRIOR AGREEMENT RELATED TO ARBITRATION OF DISPUTES BETWEEN THE PARTIES CONTAINED IN ANY LOAN DOCUMENT OR ANY OTHER DOCUMENT OR AGREEMENT HERETOFORE EXECUTED IN CONNECTION WITH, RELATED TO OR BEING REPLACED, SUPPLEMENTED, EXTENDED OR MODIFIED BY, THIS AGREEMENT.

REPAYMENT TERMS. This Note shall be due and payable in consecutive monthly payments of accrued interest only, commencing on December 15, 2006, and continuing on the same day of each month thereafter until fully paid. In any event, all principal and accrued interest shall be due and payable on November 15, 2009.

APPLICATION OF PAYMENTS. Monies received by Bank from any source for application toward payment of the Obligations shall be applied to accrued interest and then to principal. If a Default occurs, monies may be applied to the Obligations in any manner or order deemed appropriate by Bank.

If any payment received by Bank under this Note or other Loan Documents is rescinded, avoided or for any reason returned by Bank because of any adverse claim or threatened action, the returned payment shall remain payable as an obligation of all persons liable under this Note or other Loan Documents as though such payment had not been made.

DEFINITIONS. Loan Documents. The term "Loan Documents", as used in this Note and the other Loan Documents, refers to all documents executed in connection with or related to the loan evidenced by this Note and any prior notes which evidence all or any portion of the loan evidenced by this Note, and any letters of credit issued pursuant to any loan agreement to which this Note is subject, any applications for such letters of credit and any other documents executed in connection therewith or related thereto, and may include, without limitation, a commitment letter that survives closing, a loan agreement, this Note, guaranty agreements, security agreements, security instruments, financing statements, mortgage instruments, any renewals or modifications, whenever any of the foregoing are executed, but does not include swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time). **Obligations.** The term "Obligations", as used in this Note and the other Loan Documents, refers to any and all indebtedness and other obligations under this Note, all other obligations under any other Loan Document(s), and all obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, whenever executed. **Certain Other Terms.** All terms that are used but not otherwise defined in any of the Loan Documents shall have the definitions provided in the Uniform Commercial Code.

LATE CHARGE. If any payments are not timely made, Borrower shall also pay to Bank a late charge equal to 5% of each payment past due for 15 or more days. This late charge shall not apply to payments due at maturity or by acceleration hereof, unless such late payment is in an amount not greater than the highest periodic payment due hereunder.

Acceptance by Bank of any late payment without an accompanying late charge shall not be deemed a waiver of Bank's right to collect such late charge or to collect a late charge for any subsequent late payment received.

If this Note is secured by owner-occupied residential real property located outside the state in which the office of Bank first shown above is located, the late charge laws of the state where the real property is located shall apply to this Note and the late charge shall be the highest amount allowable under such laws. If no amount is stated thereunder, the late charge shall be 5% of each payment past due for 10 or more days.

ATTORNEYS' FEES AND OTHER COLLECTION COSTS. USURY. If at any time the effective interest rate under this Note would, but for this paragraph, exceed the maximum lawful rate, the effective interest rate under this Note shall be the maximum lawful rate, and any amount received by Bank in excess of such rate shall be applied to principal and then to fees and expenses, or, if no such amounts are owing, returned to Borrower.

DEFAULT. If any of the following occurs, a default ("Default") under this Note shall exist: **Nonpayment; Nonperformance.** The failure of timely payment or performance of the Obligations or Default under this Note or any other Loan Documents. **False Warranty.** A warranty or representation made or deemed made in the Loan Documents or furnished Bank in connection with the loan evidenced by this Note proves materially false, or if of a continuing nature, becomes materially false. **Cross Default.** At Bank's option, any default in payment or performance of any obligation under any other loans, contracts or agreements of Borrower, any Subsidiary or Affiliate of Borrower, any general partner of or the holder(s) of the majority ownership interests of Borrower with Bank or its affiliates ("Affiliate" shall have the meaning as defined in 11 U.S.C. § 101, as in effect from time to time, except that the term "Borrower" shall be substituted for the term "Debtor" therein; "Subsidiary" shall mean any business in which Borrower holds, directly or indirectly, a controlling interest). **Cessation; Bankruptcy.** The death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or commencement of any bankruptcy or insolvency proceeding by or against Borrower, its Subsidiaries or Affiliates, if any, or any general partner of or the holder(s) of the majority ownership interests of Borrower, or any party to the Loan Documents. **Material Capital Structure or Business Alteration.** Without prior written consent of Bank, (i) a material alteration in the kind or type of Borrower's business or that of Borrower's Subsidiaries or Affiliates, if any; (ii) the sale of substantially all of the business or assets of Borrower, any of Borrower's Subsidiaries or Affiliates or any guarantor, or a material portion (10% or more) of such business or assets if such a sale is outside the ordinary course of business of Borrower, or any of Borrower's Subsidiaries or Affiliates or any guarantor, or more than 50% of the outstanding stock or voting power of or in any such entity in a single transaction or a series of transactions; (iii) the acquisition of substantially all of the business or assets or more than 50% of the outstanding stock or voting power of any other entity; or (iv) should any Borrower or any of Borrower's Subsidiaries or Affiliates or any guarantor enter into any merger or consolidation. **Material Adverse Change.** Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Obligations are impaired or there has occurred a material adverse change in the business or prospects of Borrower, financial or otherwise.

REMEDIES UPON DEFAULT. If a Default occurs under this Note or any Loan Documents, Bank may at any time thereafter, take the following actions: **Bank Lien.** Foreclose its security interest or lien against Borrower's deposit accounts and investment property without notice. **Acceleration Upon Default.** Accelerate the maturity of this Note and, at Bank's option, any or all other Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank, or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements; whereupon this Note and the accelerated Obligations shall be immediately due and payable; provided, however, if the Default is based upon a bankruptcy or insolvency proceeding commenced by or against Borrower or any guarantor or endorser of this Note, all Obligations (other than Obligations under any swap agreement as referenced above) shall automatically and immediately be due and payable. **Cumulative.** Exercise any rights and remedies as provided under the Note and other Loan Documents, or as provided by law or equity.

FINANCIAL AND OTHER INFORMATION. Borrower shall deliver to Bank such information as Bank may reasonably request from time to time, including without limitation, financial statements and information pertaining to Borrower's financial condition. Such information shall be true, complete, and accurate.

WAIVERS AND AMENDMENTS. No waivers, amendments or modifications of this Note and other Loan Documents shall be valid unless in writing and signed by an officer of Bank. No waiver by Bank of any Default shall operate as a waiver of any other Default or the same Default on a future occasion. Neither the failure nor any delay on the part of Bank in exercising any right, power, or remedy under this Note and other Loan Documents shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

Except to the extent otherwise provided by the Loan Documents or prohibited by law, each Borrower and each other person liable under this Note waives presentment, protest, notice of dishonor, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale and all other notices of any kind. Further, each agrees that Bank may (i) extend, modify or renew this Note or make a novation of the loan evidenced by this Note, and/or (ii) grant releases, compromises or indulgences with respect to any collateral securing this Note, or with respect to any Borrower or other person liable under this Note or any other Loan Documents, all without notice to or consent of each Borrower and other such person, and without affecting the liability of each Borrower and other such person; provided, Bank may not extend, modify or renew this Note or make a novation of the loan evidenced by this Note without the consent of the Borrower, or if there is more than one Borrower, without the consent of at least one Borrower; and further provided, if there is more than one Borrower, Bank may not enter into a modification of this Note which increases the burdens of a Borrower without the consent of that Borrower.

Bank's interests in and rights under this Note and the other Loan Documents are freely assignable, in whole or in part, by Bank. In addition, nothing in this Note or any of the other Loan Documents shall prohibit Bank from pledging or assigning this Note or any of the other Loan Documents or any interest therein to any Federal Reserve Bank. 06326P30810

MODIFICATION NUMBER ONE TO PROMISSORY NOTE

1F3S, LLC
145 King Street
Charleston, South Carolina 29401
(Hereinafter referred to as "Borrower")

Wachovia Bank, National Association
Greenville, South Carolina 29601
(Hereinafter referred to as "Bank")

THIS AGREEMENT is entered into as of February 29, 2008 by and between Bank and Borrower.

RECITALS

Bank is the holder of a Promissory Note, as modified from time to time, executed and delivered by Borrower, dated November 3, 2006, in the original principal amount of \$320,000.00 (the "Note");

Borrower and Bank have agreed to modify the terms of the Note.

In consideration of Bank's continued extension of credit and the agreements contained herein, the parties agree as follows:

AGREEMENT

ACKNOWLEDGMENT OF BALANCE. Borrower acknowledges that the most recent Commercial Loan Invoice sent to Borrower with respect to the Obligations under the Note is correct.

MODIFICATIONS.

The Note is hereby modified by deleting the provisions in the Note establishing the applicable interest rate and any indemnification or prepayment obligations, and substituting the following in their place and stead:

INTEREST RATE. Interest shall accrue on the unpaid principal balance of this Note at the rate of 5.45% ("Interest Rate").

DEFAULT RATE. In addition to all other rights contained in this Note, if a Default (as defined herein) occurs and as long as a Default continues, all outstanding Obligations, other than Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) between Borrower and Bank or its affiliates, shall bear interest at the Interest Rate plus 3% ("Default Rate"). The Default Rate shall also apply from demand until the Obligations or any judgment thereon is paid in full.

INTEREST AND FEES(S) COMPUTATION (ACTUAL/360). Interest and fees, if any, shall be computed on the basis of a 360-day year for the actual number of days in the applicable period ("Actual/360 Computation"). The Actual/360 Computation determines the annual effective yield by taking the stated (nominal) rate for a year's period and then dividing said rate by 360 to determine the daily periodic rate to be applied for each day in the applicable period. Application of the Actual/360 Computation produces an annualized effective rate exceeding the nominal rate.

PREPAYMENT ALLOWED. This Note may be prepaid in whole or in part at any time. Any prepayment shall include accrued interest and all other sums then due under any of the Loan Documents (as defined below). No partial prepayment shall affect Borrower's obligation to make any payment of principal or

interest due under this Note on the date specified below in the Repayment Terms paragraph of this Note until this Note has been paid in full.

ACKNOWLEDGMENTS AND REPRESENTATIONS. Borrower acknowledges and represents that the Note and other Loan Documents, as amended hereby, are in full force and effect without any defense, counterclaim, right or claim of set-off; that, after giving effect to this Agreement, no default or event that with the passage of time or giving of notice would constitute a default under the Loan Documents has occurred, all representations and warranties contained in the Loan Documents are true and correct as of this date, all necessary action to authorize the execution and delivery of this Agreement has been taken; and this Agreement is a modification of an existing obligation and is not a novation.

COLLATERAL. Borrower acknowledges and confirms that there have been no changes in the ownership of any collateral pledged to secure the Obligations (the "Collateral") since the Collateral was originally pledged; Borrower acknowledges and confirms that the Bank has existing, valid first priority security interests and liens in the Collateral; and that such security interests and liens shall secure Borrower's Obligations, including any modification of the Note or Loan Agreement, if any, and all future modifications, extensions, renewals and/or replacements of the Loan Documents.

MISCELLANEOUS. This Agreement shall be construed in accordance with and governed by the laws of the applicable state as originally provided in the Loan Documents, without reference to that state's conflicts of law principles. This Agreement and the other Loan Documents constitute the sole agreement of the parties with respect to the subject matter thereof and supersede all oral negotiations and prior writings with respect to the subject matter thereof. No amendment of this Agreement, and no waiver of any one or more of the provisions hereof shall be effective unless set forth in writing and signed by the parties hereto. The illegality, unenforceability or inconsistency of any provision of this Agreement shall not in any way affect or impair the legality, enforceability or consistency of the remaining provisions of this Agreement or the other Loan Documents. This Agreement and the other Loan Documents are intended to be consistent. However, in the event of any inconsistencies among this Agreement and any of the Loan Documents, the terms of this Agreement, and then the Note, shall control. This Agreement may be executed in any number of counterparts and by the different parties on separate counterparts. Each such counterpart shall be deemed an original, but all such counterparts shall together constitute one and the same agreement. Terms used in this Agreement which are capitalized and not otherwise defined herein shall have the meanings ascribed to such terms in the Note. **LIMITATION ON LIABILITY; WAIVER OF PUNITIVE DAMAGES.** EACH OF THE PARTIES HERETO, INCLUDING BANK BY ACCEPTANCE HEREOF, AGREES THAT IN ANY JUDICIAL, MEDIATION OR ARBITRATION PROCEEDING OR ANY CLAIM OR CONTROVERSY BETWEEN OR AMONG THEM THAT MAY ARISE OUT OF OR BE IN ANY WAY CONNECTED WITH THIS AGREEMENT, THE LOAN DOCUMENTS OR ANY OTHER AGREEMENT OR DOCUMENT BETWEEN OR AMONG THEM, OR THE OBLIGATIONS EVIDENCED HEREBY OR RELATED HERETO, IN NO EVENT SHALL ANY PARTY HAVE A REMEDY OF, OR BE LIABLE TO THE OTHER FOR, (1) INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES OR (2) PUNITIVE OR EXEMPLARY DAMAGES. EACH OF THE PARTIES HEREBY EXPRESSLY WAIVES ANY RIGHT OR CLAIM TO PUNITIVE OR EXEMPLARY DAMAGES THEY MAY HAVE OR WHICH MAY ARISE IN THE FUTURE IN CONNECTION WITH ANY SUCH PROCEEDING, CLAIM OR CONTROVERSY, WHETHER THE SAME IS RESOLVED BY ARBITRATION, MEDIATION, JUDICIALLY OR OTHERWISE. **Final Agreement.** This Agreement and the other Loan Documents represent the final agreement between the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent agreements of the parties. There are no unwritten agreements between the parties.

WAIVER OF JURY TRIAL. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH OF BORROWER BY EXECUTION HEREOF AND BANK BY ACCEPTANCE HEREOF, KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHT EACH MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT, THE LOAN DOCUMENTS OR ANY AGREEMENT CONTEMPLATED TO BE EXECUTED IN CONNECTION WITH THIS AGREEMENT, OR ANY COURSE OF CONDUCT, COURSE

OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY WITH RESPECT HERETO. THIS PROVISION IS A MATERIAL INDUCEMENT TO BANK TO ACCEPT THIS AGREEMENT. 6. Financial Reporting Covenants. Until the Existing Loans are paid in full, Obligors shall deliver promptly to Bank upon request such financial information as Bank may reasonably request;

which information may include, without limitation, unaudited financial reports, including balance sheet, income statement, and cash flow statement, and such other information regarding the operation, business affairs, and financial condition of Obligors which Bank may request.

Neither the execution and delivery of this Agreement nor the performance of any actions required by this Agreement is being consummated by any party to hinder, delay or defraud any entity to which Obligors were, are now or will hereafter become indebted.

10. Additional Covenants of Obligors.

10.1. Deposit Account. Until such time as the Obligations are paid in full, Guarantor agrees to maintain its primary deposit account with Bank.

10.2. Minimum Liquidity. Freeman agrees to maintain not less than \$200,000.00 in unencumbered funds on deposit (including any funds deposited in individual retirement accounts) with Bank at all times until the Obligations are paid in full (inclusive of deposits held as required under other loan facilities with Bank).

10.3. Reduction in Balances. Freeman agrees that by December 31, 2010, the total amount owed under all outstanding loans with Bank made to or guaranteed by Freeman shall be less than \$13,152,200.00. Any cash payments made by Freeman to reduce such outstanding obligations may be applied to any of the Existing Loans in Bank's discretion.

Within ninety (90) days after the date hereof, Obligors shall reimburse Bank for one-half of such amount (\$1,712.06), and within one hundred eighty (180) days after the date hereof, Obligors shall pay the remaining one-half of such amount to Bank.

¹ This sum represents all of Bank's legal fees and expenses incurred through the time of negotiation, preparation, and execution of this Agreement; provided, however, additional legal fees and expenses may become due under the "Expenses" section of this Agreement.

10.5. Reimbursement of Appraisal Costs. Appraisal costs associated with this Agreement are \$2,100.00. Within ninety (90) days after the date hereof, Obligors shall reimburse Bank for one-half of such amount (\$1,050.00), and within one hundred eighty (180) days after the date hereof, Obligors shall pay the remaining one-half of such amount to Bank.

11. Effectiveness of Guaranty. Guarantor hereby agrees to the terms contained herein and acknowledges (i) the modification of the Loan Documents as described herein and confirms that the Guaranty remains in full force and effect taking into account the modifications described in this Agreement; and (ii) hereby waives any and all claims against Bank, its successors and assigns, and its attorneys, for the execution of this Agreement, the consummation of the transactions contemplated herein, and/or with respect to the Loan Documents. Bank and the Obligors acknowledge and agree that this Agreement will be enforceable in accordance with its terms, notwithstanding that any guarantor might decline to execute this Agreement.

12. Release of Claims and Covenant Not to Sue. As a material inducement to Bank to enter into this Agreement, Obligors, jointly and severally, do hereby: (a) remise, release, acquit, satisfy and forever discharge Bank, and all of the past, present and future officers, directors, employees, agents, attorneys, representatives, participants, successors and assigns of Bank, from any and all claims, demands, liabilities, obligations, expenses, damages, judgments, executions and causes of action of any nature whatsoever, whether at law or in equity, either now accrued or hereafter maturing and whether known or unknown, which any Obligor now has or hereafter can, shall or may have by reason of any matter, cause or thing, from the beginning of the world to and including the date of this Agreement, including specifically, but without limitation, matters arising out of, in connection with or relating to (i) this Agreement, (ii) the Loan Documents or the obligations evidenced thereby, including, the administration or funding thereof, and (iii) any other relationship, agreement or transaction between any Obligor and Bank or any of their respective subsidiaries or affiliates; and (b) covenant and agree never to institute or cause to be instituted or continue prosecution of any suit or other form of action or proceeding of any kind or nature whatsoever against Bank or any subsidiaries or affiliates of Bank, or any of its past, present or future officers, directors, employees, agents, attorneys, representatives, participants, successors or assigns, by reason of or in connection with any of the foregoing matters, claims or causes of action, provided, however, that the foregoing release and covenant not to sue shall not apply to any claims arising after the date of this Agreement with respect to acts, occurrences or events which arise after the date of this Agreement.

13. Waiver of Automatic Stay; Supplemental Stay. Obligors acknowledge and agree that in the event of the filing of any petition for bankruptcy relief filed by or against any Obligor:

13.1. Stay Relief. Obligors consent to the entry of an order granting Bank relief from the automatic stay of §362 of the Bankruptcy Code and shall not assert or request any other party to assert that the automatic stay provided by §362 of the Bankruptcy Code shall operate or be interpreted to stay, interdict, condition, reduce or inhibit the ability of Bank to enforce any rights it has under the Loan Documents or any other rights Bank has against any Obligor or against any property owned by any Obligor; and,

13.2. No Actions. Obligors shall not seek or request any other party to seek a supplemental stay or any other relief, whether injunctive or otherwise, to stay, interdict, condition, reduce or inhibit the ability of Bank to enforce any rights it has under the Loan Documents or any other rights Bank has against any Obligor or against any property which it owns.

14. Expenses. Obligor shall, upon demand by Bank, pay or reimburse Bank for all reasonable costs and expenses incurred by Bank in connection with any defaults under the Loan Documents, including, without limitation, all reasonable attorneys' fees, premiums for title insurance and policy endorsements, fees incurred by Bank in connection with appraisals of any property securing the indebtedness, and any environmental compliance assessments and remediation costs (if any) required by law or regulation or otherwise deemed necessary or desirable by Bank, and all recording fees. Notwithstanding any other provisions contained in the Loan Documents, if Bank retains an attorney in order to enforce, defend or protect Bank's rights and/or remedies under the Loan Documents, or if Bank retains an attorney in connection with any default of any stated or accelerated maturity under the Loan Documents in order to collect any debt due Bank, or if Bank retains an attorney in connection with any lawsuits, reorganization, bankruptcy or other proceeding involving the Loan Documents, or if any Obligor sues Bank, then in any such instance Obligor agree to pay Bank in addition to all principal and interest, including periodic payments, late charges, fees, and other amounts payable by Obligor or any of them all of Bank's reasonable costs and expenses including reasonable attorneys' fees incurred by Bank.

15. No Novation. The Obligor agree that the execution of this Agreement or any documents contemplated by this Agreement or the consummation of any transaction contemplated by this Agreement shall constitute a modification of the Existing Loans and shall not be construed as a novation.

16. WAIVER OF JURY TRIAL. BANK AND OBLIGORS HEREBY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO WHICH OBLIGORS AND BANK MAY BE PARTIES ARISING OUT OF, IN CONNECTION WITH, OR IN ANY WAY PERTAINING TO, THIS AGREEMENT, THE NOTES, THE MORTGAGE, AND ANY OTHER LOAN DOCUMENTS. IT IS AGREED AND UNDERSTOOD THAT THIS WAIVER CONSTITUTES A WAIVER OF TRIAL BY JURY OF ALL CLAIMS AGAINST PARTIES WHO ARE NOT PARTIES TO THIS AGREEMENT. THIS WAIVER IS KNOWINGLY, WILLINGLY AND VOLUNTARILY MADE BY BANK, OBLIGORS AND BANK, OBLIGORS HEREBY REPRESENT THAT NO REPRESENTATIONS OF FACT OR OPINION HAVE BEEN MADE BY ANY INDIVIDUAL TO INDUCE THIS WAIVER OF TRIAL BY JURY OR TO IN ANY WAY MODIFY OR NULLIFY ITS EFFECT. BANK AND OBLIGORS FURTHER REPRESENT AND WARRANT THAT THEY HAVE BEEN REPRESENTED IN THE SIGNING OF THIS AGREEMENT AND IN THE MAKING OF THIS WAIVER BY INDEPENDENT LEGAL COUNSEL, OR HAVE HAD THE OPPORTUNITY TO BE REPRESENTED BY INDEPENDENT LEGAL COUNSEL SELECTED OF ITS OWN FREE WILL, AND THAT THEY HAVE HAD THE OPPORTUNITY TO DISCUSS THIS WAIVER WITH COUNSEL.

17. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

18. No Waiver. Bank may, in its discretion, from time to time waive or forbear from enforcing any provision contained in this Agreement, and no such waiver or forbearance shall be deemed a waiver by Bank of any other right or remedy provided herein or by law or be deemed a waiver of the right at any later time to enforce strictly all provisions herein contained and to exercise any and all remedies provided herein and by law.

19. Headings. The headings of the articles, sections and subsections of this Agreement are for the convenience of reference only, are not to be considered a part hereof, and shall not limit or otherwise affect any of the terms hereof or thereof.

20. Admissions. Obligors expressly acknowledge and agree that the waivers, estoppels and releases contained in this Agreement shall not be construed as an admission of wrongdoing, liability or culpability on the part of Bank or an admission by Bank of the existence of any claims of Obligors against Bank.

21. Construction of Agreement. Each party acknowledges that it has participated in the negotiation of this Agreement, and no provision of this Agreement shall be construed against or interpreted to the disadvantage of any party hereto by any court or other governmental or judicial authority by reason of such party having or being deemed to have structured, dictated or drafted such provision. Obligors acknowledge that at all times they have been represented by an attorney in the negotiation of the terms of and in the preparation and execution of this Agreement, or have voluntarily decided not to be represented by an attorney, and have had the opportunity to review and analyze this Agreement for a sufficient period of time prior to the execution and delivery thereof. No representations or warranties have been made by or on behalf of Bank, or relied upon by any Obligor, pertaining to the subject matter of this Agreement, other than those set forth in this Agreement. This Agreement embodies the entire agreement and understanding among the parties to the subject matter hereof and supersede all prior proposals, negotiations, agreements and understanding relating to such subject matter.

22. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of South Carolina.

23. No Modifications. The terms of this Agreement may not be changed, modified, waived, discharged or terminated orally, but only by an instrument or instruments in writing, signed by the party against whom the enforcement of the change, modification, waiver, discharge or termination is asserted.

24. Invalid Provision to Affect No Others. If any provisions of this Agreement shall be held invalid, then such provision only shall be deemed invalid, and the remainder of this Agreement shall remain operative and in full force and effect.

[Signatures commence on following page]

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

The laws of South Carolina provide that in any real estate foreclosure proceeding a defendant against whom a personal judgment is taken or asked may within thirty days after the sale of the mortgaged property apply to the court for an order of appraisal. The statutory appraisal value as approved by the court would be substituted for the high bid and may decrease the amount of any deficiency owing in connection with the transaction. **THE UNDERSIGNED HEREBY WAIVES AND RELINQUISHES THE STATUTORY APPRAISAL RIGHTS WHICH MEANS THE HIGH BID AT THE JUDICIAL FORECLOSURE SALE WILL BE APPLIED TO THE DEBT REGARDLESS OF ANY APPRAISED VALUE OF THE MORTGAGED PROPERTY.**

Further, the undersigned acknowledges receipt of written notification before this transaction that signing of a waiver of appraisal rights would be required during this transaction.

Guarantor further covenants and agrees:

GUARANTOR'S LIABILITY. This Guaranty is a continuing and unconditional guaranty of payment and performance and not of collection. The parties to this Guaranty are jointly and severally obligated hereunder. This Guaranty does not impose any obligation on Bank to extend or continue to extend credit or otherwise deal with Borrower at any subsequent time. This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of the Guaranteed Obligations is rescinded, avoided or for any other reason must be returned by Bank, and the returned payment shall remain payable as part of the Guaranteed Obligations, all as though such payment had not been made. Except to the extent the provisions of this Guaranty give Bank additional rights, this Guaranty shall not be deemed to supersede or replace any other guaranties given to Bank by Guarantor; and the obligations guaranteed hereby shall be in addition to any other obligations guaranteed by Guarantor pursuant to any other agreement of guaranty given to Bank and other guaranties of the Guaranteed Obligations.

TERMINATION OF GUARANTY. Guarantor may terminate this Guaranty only by written notice, delivered personally to or received by certified or registered United States Mail by an authorized officer of Bank at the address for notices provided herein. Such termination shall be effective only with respect to Guaranteed Obligations arising more than 15 days after the date such written notice is received by said Bank officer. Such termination shall not be effective with respect to Guaranteed Obligations (including any subsequent extensions, modifications or compromises of the Guaranteed Obligations) then existing, or Guaranteed Obligations arising subsequent to receipt by Bank of said notice if such Guaranteed Obligations are a result of Bank's obligation to make advances pursuant to a commitment, or are based on Borrower's obligations to make payments pursuant to any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), entered into prior to expiration of the 15 day notice period, or are a result of advances which are necessary for Bank to protect its collateral or otherwise preserve its interests. Termination of this Guaranty by any single Guarantor will not affect the existing and continuing obligations of any other Guarantor hereunder.

CONSENT TO MODIFICATIONS. Guarantor consents and agrees that Bank (and, with respect to swap obligations, its affiliates) may from time to time, in its sole discretion, without affecting, impairing, lessening or releasing the obligations of Guarantor hereunder: (a) extend or modify the time, manner, place or terms of payment or performance and/or otherwise change or modify the credit terms of the Guaranteed Obligations; (b) increase, renew, or enter into a novation of the Guaranteed Obligations; (c) waive or consent to the departure from terms of the Guaranteed Obligations; (d) permit any change in the business or other dealings and relations of Borrower or any other guarantor with Bank; (e) proceed against, exchange, release, realize upon, or otherwise deal with in any manner any collateral that is or may be held by Bank in connection with the Guaranteed Obligations or any liabilities or obligations of Guarantor; and (f) proceed against, settle, release, or compromise with Borrower, any insurance carrier, or any other person or entity liable as to any part of the Guaranteed Obligations, and/or subordinate the payment of any part of the Guaranteed Obligations to the payment of any other obligations, which may at any time be due or owing to Bank; all in such manner and upon such terms as Bank may deem appropriate, and without notice to or further consent from Guarantor. No invalidity, irregularity, discharge or unenforceability of, or action or omission by Bank relating to any part of the Guaranteed Obligations or any security therefor shall affect or impair this Guaranty.

WAIVERS AND ACKNOWLEDGMENTS. Guarantor waives and releases the following rights, demands, and defenses Guarantor may have with respect to Bank (and, with respect to swap obligations, its affiliates) and collection of the Guaranteed Obligations: (a) promptness and diligence in collection of any of the Guaranteed Obligations from Borrower or any other person liable thereon, and in foreclosure of any security interest and sale of any property serving as collateral for the Guaranteed Obligations; (b) any law or statute that requires that Bank (and, with respect to swap obligations, its affiliates) make demand upon, assert claims against, or collect from Borrower or other persons or entities, foreclose any security interest, sell collateral, exhaust any remedies, or take any other action against Borrower or other persons or entities prior to making demand upon, collecting from or taking action against Guarantor with respect to the Guaranteed Obligations, including any such rights Guarantor might otherwise have had under Va. Code §§ 49-25 and 49-26, et seq., N.C.G.S. §§ 26-7, et seq., Tenn. Code Ann. § 47-12-101, O.C.G.A. § 10-7-24, Mississippi Code Ann. Section 87-5-1, and any successor statute and any other applicable law; (c) any law or statute that requires that Borrower or any other person be joined in, notified of or made part of any action against Guarantor; (d) that Bank or its affiliates preserve, insure or perfect any security interest in collateral or sell or dispose of collateral in a particular manner or at a particular time, provided that Bank's obligation to dispose of Collateral in a commercially reasonable manner is not waived hereby; (e) notice of extensions, modifications, renewals, or novations of the Guaranteed Obligations, of any new transactions or other relationships between Bank, Borrower and/or any guarantor, and of changes in the financial condition of, ownership of, or business structure of Borrower or any other guarantor; (f) presentment, protest, notice of dishonor, notice of default, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale, and all other notices of any kind whatsoever to which Guarantor may be entitled; (g) the right to assert against Bank or its affiliates any defense (legal or equitable), set-off, counterclaim, or claim that

Guarantor may have at any time against Borrower or any other party liable to Bank or its affiliates; (h) all defenses relating to invalidity, insufficiency, unenforceability, enforcement, release or impairment of Bank or its affiliates' lien on any collateral, of the Loan Documents, or of any other guaranties held by Bank; (i) any right to which Guarantor is or may become entitled to be subrogated to Bank or its affiliates' rights against Borrower or to seek contribution, reimbursement, indemnification, payment or the like, or participation in any claim, right or remedy of Bank or its affiliates against Borrower or any security which Bank or its affiliates now has or hereafter acquires, until such time as the Guaranteed Obligations have been fully satisfied beyond the expiration of any applicable preference period; (j) any claim or defense that acceleration of maturity of the Guaranteed Obligations is stayed against Guarantor because of the stay of assertion or of acceleration of claims against any other person or entity for any reason including the bankruptcy or insolvency of that person or entity; and (k) the right to marshalling of Borrower's assets or the benefit of any exemption claimed by Guarantor. Guarantor acknowledges and represents that Guarantor has relied upon Guarantor's own due diligence in making an independent appraisal of Borrower, Borrower's business affairs and financial condition, and any collateral; Guarantor will continue to be responsible for making an independent appraisal of such matters; and Guarantor has not relied upon Bank or its affiliates for information regarding Borrower or any collateral.

FINANCIAL CONDITION. INTEREST AND APPLICATION OF PAYMENTS. Regardless of any other provision of this Guaranty or other Loan Documents, if for any reason the effective interest on any of the Guaranteed Obligations should exceed the maximum lawful interest, the effective interest shall be deemed reduced to and shall be such maximum lawful interest, and any sums of interest which have been collected in excess of such maximum lawful interest shall be applied as a credit against the unpaid principal balance of the Guaranteed Obligations. Monies received from any source by Bank or its affiliates for application toward payment of the Guaranteed Obligations may be applied to such Guaranteed Obligations in any manner or order deemed appropriate by Bank and its affiliates.

DEFAULT. If any of the following events occur, a default ("Default") under this Guaranty shall exist: (a) failure of timely payment or performance of the Guaranteed Obligations or a default under any Loan Document; (b) a breach of any agreement or representation contained or referred to in the Guaranty, or any of the Loan Documents, or contained in any other contract or agreement of Guarantor with Bank or its affiliates, whether now existing or hereafter arising; (c) the death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or the commencement of any insolvency or bankruptcy proceeding by or against Guarantor or any general partner of or the holder(s) of the majority ownership interests of Guarantor; and/or (d) Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Guaranteed Obligations are impaired or a material adverse change has occurred in the business or prospects of Borrower or Guarantor, financial or otherwise.

If a Default occurs, the Guaranteed Obligations shall be due immediately and payable without notice, other than Guaranteed Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) with Bank or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements, and, Bank and its affiliates may exercise any rights and remedies as provided in this Guaranty and other Loan Documents, or as provided at law or equity. SUBORDINATION OF OTHER DEBTS. Guarantor agrees: (a) to subordinate the obligations now or hereafter owed by Borrower to Guarantor ("Subordinated Debt") to any and all obligations of Borrower to Bank or its affiliates now or hereafter existing while this Guaranty is in effect, provided however that Guarantor may receive regularly scheduled principal and interest payments on the Subordinated Debt so long as (i) all sums due and payable by Borrower to Bank and its affiliates have been paid in full on or prior to such date, and (ii) no event or condition which constitutes or which with notice or the lapse of time would constitute an event of default with respect to the Guaranteed Obligations shall be continuing on or as of the payment date; (b) Guarantor will either place a legend indicating such subordination on every note, ledger page or other document evidencing any part of the Subordinated Debt or deliver such documents to Bank; and (c) except as permitted by this paragraph, Guarantor will not request or accept payment of or any security for any part of the Subordinated Debt, and any proceeds of the Subordinated Debt paid to Guarantor, through error or otherwise, shall immediately be forwarded to Bank by Guarantor, properly endorsed to the order of Bank, to apply to the Guaranteed Obligations.

No invalidity, irregularity, discharge or unenforceability of, or action or omission by Bank relating to any part of the Guaranteed Obligations or any security therefor shall affect or impair this Guaranty.

WAIVERS AND ACKNOWLEDGMENTS. Guarantor waives and releases the following rights, demands, and defenses Guarantor may have with respect to Bank (and, with respect to swap obligations, its affiliates) and collection of the Guaranteed Obligations: (a) promptness and diligence in collection of any of the Guaranteed Obligations from Borrower or any other person liable thereon, and in foreclosure of any security interest and sale of any property serving as collateral for the Guaranteed Obligations; (b) any law or statute that requires that Bank (and, with respect to swap obligations, its affiliates) make demand upon, assert claims against, or collect from Borrower or other persons or entities, foreclose any security interest, sell collateral, exhaust any remedies, or take any other action against Borrower or other persons or entities prior to making demand upon, collecting from or taking action against Guarantor with respect to the Guaranteed Obligations, including any such rights Guarantor might otherwise have had under Va. Code §§ 49-25 and 49-26, et seq., N.C.G.S. §§ 26-7, et seq., Tenn. Code Ann. § 47-12-101, O.C.G.A. § 10-7-24, Mississippi Code Ann. Guarantor may have at any time against Borrower or any other party liable to Bank or its affiliates; (h) all defenses relating to invalidity, insufficiency, unenforceability, enforcement, release or impairment of Bank or its affiliates' lien on any collateral, of the Loan Documents, or of any other guaranties held by Bank; (i) any right to which Guarantor is or may become entitled to be subrogated to Bank or its affiliates' rights against Borrower or to seek contribution, reimbursement, indemnification, payment or the like, or participation in any claim, right or remedy of Bank or its affiliates against Borrower or any security which Bank or its affiliates now has or hereafter acquires, until such time as the Guaranteed Obligations have been fully satisfied beyond the expiration of any applicable preference period; (j) any claim or defense that acceleration of maturity of the Guaranteed Obligations is stayed against Guarantor because of the stay of assertion or of acceleration of claims against any other person or entity for any reason including the bankruptcy or insolvency of that person or entity; and (k) the right to marshalling of Borrower's assets or the benefit of any exemption claimed by Guarantor. Guarantor acknowledges and represents that Guarantor has relied upon Guarantor's own due diligence in making an independent appraisal of Borrower, Borrower's business affairs and financial condition, and any collateral; Guarantor will continue to be responsible for making an independent appraisal of such matters; and Guarantor has not relied upon Bank or its affiliates for information regarding Borrower or any collateral.

FINANCIAL CONDITION. Guarantor warrants, represents and covenants to Bank and its affiliates that on and after the date hereof: (a) the fair saleable value of Guarantor's assets exceeds its liabilities, Guarantor is meeting its current liabilities as they mature, and Guarantor is and shall remain solvent; (b) all financial statements of Guarantor furnished to Bank are correct and accurately reflect the financial condition of Guarantor as of the respective dates thereof; (c) since the date of such financial statements, there has not occurred a material adverse change in the financial condition of Guarantor; (d) there are not now pending any court or administrative proceedings or undischarged judgments against Guarantor, no federal or state tax liens have been filed or threatened against Guarantor, and Guarantor is not in default or claimed default under any agreement; and (e) at such reasonable times as Bank requests, Guarantor will furnish Bank and its affiliates with such other financial information as Bank and its affiliates may reasonably request.

INTEREST AND APPLICATION OF PAYMENTS. Regardless of any other provision of this Guaranty or other Loan Documents, if for any reason the effective interest on any of the Guaranteed Obligations should exceed the maximum lawful interest, the effective interest shall be deemed reduced to and shall be such maximum lawful interest, and any sums of interest which have been collected in excess of such maximum lawful interest shall be applied as a credit against the unpaid principal balance of the Guaranteed Obligations. Monies received from any source by Bank or its affiliates for application toward payment of the Guaranteed Obligations may be applied to such Guaranteed Obligations in any manner or order deemed appropriate by Bank and its affiliates.

DEFAULT. If any of the following events occur, a default ("Default") under this Guaranty shall exist: (a) failure of timely payment or performance of the Guaranteed Obligations or a default under any Loan Document; (b) a breach of any agreement or representation contained or referred to in the Guaranty, or any of the Loan Documents, or contained in any other contract or agreement of Guarantor with Bank or its affiliates, whether now existing or hereafter arising; (c) the death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or the commencement of any insolvency or bankruptcy proceeding by or against Guarantor or any general partner of or the holder(s) of the majority ownership interests of Guarantor; and/or (d) Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Guaranteed Obligations are impaired or a material adverse change has occurred in the business or prospects of Borrower or Guarantor, financial or otherwise.

If a Default occurs, the Guaranteed Obligations shall be due immediately and payable without notice, other than Guaranteed Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) with Bank or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements, and, Bank and its affiliates may exercise any rights and remedies as provided in this Guaranty and other Loan Documents, or as provided at law or equity. Guarantor shall pay interest on the Guaranteed Obligations from such Default at the highest rate of interest charged on any of the Guaranteed Obligations.

(Hereinafter referred to as "Bank")

To induce Bank to make, extend or renew loans, advances, credit, or other financial accommodations to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, and in consideration of loans, advances, credit, or other financial accommodations made, extended or renewed to or for the benefit of Borrower, which are and will be to the direct interest and advantage of the Guarantor, Guarantor hereby absolutely, irrevocably and unconditionally guarantees to Bank and its successors, assigns and affiliates the timely payment and performance of all liabilities and obligations of Borrower to Bank and its affiliates, including, but not limited to, all obligations under any notes, loan agreements, security agreements, letters of credit, instruments, accounts receivable, contracts, drafts, leases, chattel paper, indemnities, acceptances, repurchase agreements, overdrafts, and the Loan Documents, as defined below, and all obligations of Borrower to Bank or any of its affiliates under any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), however and whenever incurred or evidenced, whether primary, secondary, direct, indirect, absolute, contingent, due or to become due, now existing or hereafter contracted or acquired, and all modifications, extensions and renewals thereof, (collectively, the "Guaranteed Obligations").

Guarantor further covenants and agrees:

GUARANTOR'S LIABILITY. This Guaranty is a continuing and unconditional guaranty of payment and performance and not of collection. The parties to this Guaranty are jointly and severally obligated together with all other parties obligated for the Guaranteed Obligations. This Guaranty does not impose any obligation on Bank to extend or continue to extend credit or otherwise deal with Borrower at any subsequent time. This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of the Guaranteed Obligations is rescinded, avoided or for any other reason must be returned by Bank, and the returned payment shall remain payable as part of the Guaranteed Obligations, all as though such payment had not been made. Except to the extent the provisions of this Guaranty give Bank additional rights, this Guaranty shall not be deemed to supersede or replace any other guaranties given to Bank by Guarantor; and the obligations guaranteed hereby shall be in addition to any other obligations guaranteed by Guarantor pursuant to any other agreement of guaranty given to Bank and other guaranties of the Guaranteed Obligations.

TERMINATION OF GUARANTY. Guarantor may terminate this Guaranty only by written notice, delivered personally to or received by certified or registered United States Mail by an authorized officer of Bank at the address for notices provided herein. Such termination shall be effective only with respect to Guaranteed Obligations arising more than 15 days after the date such written notice is received by said

Bank officer. Such termination shall not be effective with respect to Guaranteed Obligations (including any subsequent extensions, modifications or compromises of the Guaranteed Obligations) then existing, or Guaranteed Obligations arising subsequent to receipt by Bank of said notice if such Guaranteed Obligations are a result of Bank's obligation to make advances pursuant to a commitment, or are based on Borrower's obligations to make payments pursuant to any swap agreement (as defined in 11 U.S.C. § 101, as in effect from time to time), entered into prior to expiration of the 15 day notice period, or are a result of advances which are necessary for Bank to protect its collateral or otherwise preserve its interests. Termination of this Guaranty by any single Guarantor will not affect the existing and continuing obligations of any other Guarantor hereunder.

CONSENT TO MODIFICATIONS. Guarantor consents and agrees that Bank (and, with respect to swap obligations, its affiliates) may from time to time, in its sole discretion, without affecting, impairing, lessening or releasing the obligations of Guarantor hereunder: (a) extend or modify the time, manner, place or terms of payment or performance and/or otherwise change or modify the credit terms of the Guaranteed Obligations; (b) increase, renew, or enter into a novation of the Guaranteed Obligations; (c) waive or consent to the departure from terms of the Guaranteed Obligations; (d) permit any change in the business or other dealings and relations of Borrower or any other guarantor with Bank; (e) proceed against, exchange, release, realize upon, or otherwise deal with in any manner any collateral that is or may be held by Bank in connection with the Guaranteed Obligations or any liabilities or obligations of Guarantor; and (f) proceed against, settle, release, or compromise with Borrower, any insurance carrier, or any other person or entity liable as to any part of the Guaranteed Obligations, and/or subordinate the payment of any part of the Guaranteed Obligations to the payment of any other obligations, which may at any time be due or owing to Bank; all in such manner and upon such terms as Bank may deem appropriate, and without notice to or further consent from Guarantor. No invalidity, irregularity, discharge or unenforceability of, or action or omission by Bank relating to any part of the Guaranteed Obligations or any security therefor shall affect or impair this Guaranty.

WAIVERS AND ACKNOWLEDGMENTS. Guarantor waives and releases the following rights, demands, and defenses Guarantor may have with respect to Bank (and, with respect to swap obligations, its affiliates) and collection of the Guaranteed Obligations: (a) promptness and diligence in collection of any of the Guaranteed Obligations from Borrower or any other person liable thereon, and in foreclosure of any security interest and sale of any property serving as collateral for the Guaranteed Obligations; (b) any law or statute that requires that Bank (and, with respect to swap obligations, its affiliates) make demand upon, assert claims against, or collect from Borrower or other persons or entities, foreclose any security interest, sell collateral, exhaust any remedies; or take any other action against Borrower or other persons or entities prior to making demand upon, collecting from or taking action against Guarantor with respect to the Guaranteed Obligations, including any such rights Guarantor might otherwise have had under Va. Code §§ 49-25 and 49-26, et seq., N.C.G.S. §§ 26-7, et seq., Tenn. Code Ann. § 47-12-101, O.C.G.A. § 10-7-24, Mississippi Code Ann. Section 87-5-1, California Civil Code §§ 2787 to 2855 inclusive, and any successor statute and any other applicable law; (c) any law or statute that requires that Borrower or any other person be joined in, notified of or made part of any action against Guarantor; (d) that Bank or its affiliates preserve, insure or perfect any security interest in collateral or sell or dispose of collateral in a particular manner or at a particular time, provided that Bank's obligation to dispose of Collateral in a commercially reasonable manner is not waived hereby; (e) notice of extensions, modifications, renewals, or novations of the Guaranteed Obligations, of any new transactions or other relationships between Bank, Borrower and/or any guarantor, and of changes in the financial condition of, ownership of, or business structure of Borrower or any other guarantor; (f) presentment, protest, notice of dishonor, notice of default, demand for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, notice of sale, and all other notices of any kind whatsoever to which Guarantor may be entitled; (g) the right to assert against Bank or its affiliates any defense (legal or equitable), set-off, counterclaim, or claim that Guarantor may have at any time against Borrower or any other party liable to Bank or its affiliates; (h) all defenses relating to invalidity, insufficiency, unenforceability, enforcement, release or impairment of Bank or its affiliates' lien on any collateral, of the Loan Documents, or of any other guaranties held by Bank; (i) any right to which Guarantor is or may become entitled to be

subrogated to Bank or its affiliates' rights against Borrower or to seek contribution, reimbursement, indemnification, payment or the like, or participation in any claim, right or remedy of Bank or its affiliates against Borrower or any security which Bank or its affiliates now has or hereafter acquires, until such time as the Guaranteed Obligations have been fully satisfied beyond the expiration of any applicable preference period; (j) any claim or defense that acceleration of maturity of the Guaranteed Obligations is stayed against Guarantor because of the stay of assertion or of acceleration of claims against any other person or entity for any reason including the bankruptcy or insolvency of that person or entity; and (k) the right to marshalling of Borrower's assets or the benefit of any exemption claimed by Guarantor. Guarantor acknowledges and represents that Guarantor has relied upon Guarantor's own due diligence in making an independent appraisal of Borrower, Borrower's business affairs and financial condition, and any collateral; Guarantor will continue to be responsible for making an independent appraisal of such matters; and Guarantor has not relied upon Bank or its affiliates for information regarding Borrower or any collateral.

FINANCIAL CONDITION. Guarantor warrants, represents and covenants to Bank and its affiliates that on and after the date hereof: (a) the fair saleable value of Guarantor's assets exceeds its liabilities, Guarantor is meeting its current liabilities as they mature, and Guarantor is and shall remain solvent; (b) all financial statements of Guarantor furnished to Bank are correct and accurately reflect the financial condition of Guarantor as of the respective dates thereof; (c) since the date of such financial statements, there has not occurred a material adverse change in the financial condition of Guarantor; (d) there are not now pending any court or administrative proceedings or undischarged judgments against Guarantor, no federal or state tax liens have been filed or threatened against Guarantor, and Guarantor is not in default or claimed default under any agreement; and (e) at such reasonable times as Bank requests, Guarantor will furnish Bank and its affiliates with such other financial information as Bank and its affiliates may reasonably request.

INTEREST AND APPLICATION OF PAYMENTS. Regardless of any other provision of this Guaranty or other Loan Documents, if for any reason the effective interest on any of the Guaranteed Obligations should exceed the maximum lawful interest, the effective interest shall be deemed reduced to and shall be such maximum lawful interest, and any sums of interest which have been collected in excess of such maximum lawful interest shall be applied as a credit against the unpaid principal balance of the Guaranteed Obligations. Monies received from any source by Bank or its affiliates for application toward payment of the Guaranteed Obligations may be applied to such Guaranteed Obligations in any manner or order deemed appropriate by Bank and its affiliates.

DEFAULT. If any of the following events occur, a default ("Default") under this Guaranty shall exist: (a) failure of timely payment or performance of the Guaranteed Obligations or a default under any Loan Document; (b) a breach of any agreement or representation contained or referred to in the Guaranty, or any of the Loan Documents, or contained in any other contract or agreement of Guarantor with Bank or its affiliates, whether now existing or hereafter arising; (c) the death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or the commencement of any insolvency or bankruptcy proceeding by or against Guarantor or any general partner of or the holder(s) of the majority ownership interests of Guarantor; and/or (d) Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Guaranteed Obligations are impaired or a material adverse change has occurred in the business or prospects of Borrower or Guarantor, financial or otherwise.

If a Default occurs, the Guaranteed Obligations shall be due immediately and payable without notice, other than Guaranteed Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) with Bank or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements, and, Bank and its affiliates may exercise any rights and remedies as provided in this Guaranty and other Loan Documents, or as provided at law or equity. Guarantor shall pay interest on the Guaranteed Obligations from such Default at the highest rate of interest charged on any of the Guaranteed Obligations.

ATTORNEYS' FEES AND OTHER COSTS OF COLLECTION. Guarantor shall pay all of Bank's and its affiliates' reasonable expenses incurred to enforce or collect any of the Guaranteed Obligations, including, without limitation, reasonable arbitration, paralegals', attorneys' and experts' fees and expenses, whether incurred without the commencement of a suit, in any suit, arbitration, or administrative proceeding, or in any appellate, or bankruptcy proceeding.

SUBORDINATION OF OTHER DEBTS. Guarantor agrees: (a) to subordinate the obligations now or hereafter owed by Borrower to Guarantor ("Subordinated Debt") to any and all obligations of Borrower to Bank or its affiliates now or hereafter existing while this Guaranty is in effect, provided however that Guarantor may receive regularly scheduled principal and interest payments on the Subordinated Debt so long as (i) all sums due and payable by Borrower to Bank and its affiliates have been paid in full on or prior to such date, and (ii) no event or condition which constitutes or which with notice or the lapse of time would constitute an event of default with respect to the Guaranteed Obligations shall be continuing on or as of the payment date; (b) Guarantor will either place a legend indicating such subordination on every note, ledger page or other document evidencing any part of the Subordinated Debt or deliver such documents to Bank; and (c) except as permitted by this paragraph, Guarantor will not request or accept payment of or any security for any part of the Subordinated Debt, and any proceeds of the Subordinated Debt paid to Guarantor, through error or otherwise, shall immediately be forwarded to Bank by Guarantor, properly endorsed to the order of Bank, to apply to the Guaranteed Obligations.

Termination of this Guaranty by any single Guarantor will not affect the existing and continuing obligations of any other Guarantor hereunder.

CONSENT TO MODIFICATIONS. Guarantor consents and agrees that Bank (and, with respect to swap obligations, its affiliates) may from time to time, in its sole discretion, without affecting, impairing, lessening or releasing the obligations of Guarantor hereunder: (a) extend or modify the time, manner, place or terms of payment or performance and/or otherwise change or modify the credit terms of the Guaranteed Obligations; (b) increase, renew, or enter into a novation of the Guaranteed Obligations; (c) waive or consent to the departure from terms of the Guaranteed Obligations; (d) permit any change in the business or other dealings and relations of Borrower or any other guarantor with Bank; (e) proceed against, exchange, release, realize upon, or otherwise deal with in any manner any collateral that is or may be held by Bank in connection with the Guaranteed Obligations or any liabilities or obligations of Guarantor; and (f) proceed against, settle, release, or compromise with Borrower, any insurance carrier, or any other person or entity liable as to any part of the Guaranteed Obligations, and/or subordinate the payment of any part of the Guaranteed Obligations to the payment of any other obligations, which may at any time be due or owing to Bank; all in such manner and upon such terms as Bank may deem appropriate, and without notice to or further consent from Guarantor. No invalidity, irregularity, discharge or unenforceability of, or action or omission by Bank relating to any part of the Guaranteed Obligations or any security therefor shall affect or impair this Guaranty.

WAIVERS AND ACKNOWLEDGMENTS. Guarantor waives and releases the following rights, demands, and defenses Guarantor may have with respect to Bank (and, with respect to swap obligations, its affiliates) and collection of the Guaranteed Obligations: (a) promptness and diligence in collection of any of the Guaranteed Obligations from Borrower or any other person liable thereon, and in foreclosure of any security interest and sale of any property serving as collateral for the Guaranteed Obligations; (b) any law or statute that requires that Bank (and, with respect to swap obligations, its affiliates) make demand upon, assert claims against, or collect from Borrower or other persons or entities, foreclose any security interest, sell collateral, exhaust any remedies, or take any other action against Borrower or other persons or entities prior to making demand upon, collecting from or taking action against Guarantor with respect to the Guaranteed Obligations, including any such rights Guarantor might otherwise have had under Va. Code §§ 49-25 and 49-26, *et seq.*, N.C.G.S. §§ 26-7, *et seq.*, Tenn. Code Ann. § 47-12-101, O.C.G.A. § 10-7-24, Mississippi Code Ann. subrogated to Bank or its affiliates' rights against Borrower or to seek contribution, reimbursement, indemnification, payment or the like, or participation in any claim, right or remedy of Bank or its affiliates against Borrower or any security which Bank or its affiliates now has or hereafter acquires, until such time as the Guaranteed Obligations have been fully satisfied beyond the expiration of any applicable preference period; (j) any claim or defense that acceleration of maturity of the Guaranteed Obligations is stayed against Guarantor because of the stay of assertion or of acceleration of claims against any other person or entity for any reason including the bankruptcy or insolvency of that person or entity; and (k) the right to marshalling of Borrower's assets or the benefit of any exemption claimed by Guarantor. Guarantor acknowledges and represents that Guarantor has relied upon Guarantor's own due diligence in making an independent appraisal of Borrower, Borrower's business affairs and financial condition, and any collateral; Guarantor will continue to be responsible for making an independent appraisal of such matters; and Guarantor has not relied upon Bank or its affiliates for information regarding Borrower or any collateral.

INTEREST AND APPLICATION OF PAYMENTS. Regardless of any other provision of this Guaranty or other Loan Documents, if for any reason the effective interest on any of the Guaranteed Obligations should exceed the maximum lawful interest, the effective interest shall be deemed reduced to and shall be such maximum lawful interest, and any sums of interest which have been collected in excess of such maximum lawful interest shall be applied as a credit against the unpaid principal balance of the Guaranteed Obligations. Monies received from any source by Bank or its affiliates for application toward payment of the Guaranteed Obligations may be applied to such Guaranteed Obligations in any manner or order deemed appropriate by Bank and its affiliates.

DEFAULT. If any of the following events occur, a default ("Default") under this Guaranty shall exist: (a) failure of timely payment or performance of the Guaranteed Obligations or a default under any Loan Document; (b) a breach of any agreement or representation contained or referred to in the Guaranty, or any of the Loan Documents, or contained in any other contract or agreement of Guarantor with Bank or its affiliates, whether now existing or hereafter arising; (c) the death of, appointment of a guardian for, dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or the commencement of any insolvency or bankruptcy proceeding by or against Guarantor or any general partner of or the holder(s) of the majority ownership interests of Guarantor; and/or (d) Bank determines in good faith, in its sole discretion, that the prospects for payment or performance of the Guaranteed Obligations are impaired or a material adverse change has occurred in the business or prospects of Borrower or Guarantor, financial or otherwise.

If a Default occurs, the Guaranteed Obligations shall be due immediately and payable without notice, other than Guaranteed Obligations under any swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time) with Bank or its affiliates, which shall be due in accordance with and governed by the provisions of said swap agreements, and, Bank and its affiliates may exercise any rights and remedies as provided in this Guaranty and other Loan Documents, or as provided at law or equity.
